Make me a channel of Your peace.

Where there is hatred, let me bring Your love.

Where there is injury, Your pardon Lord.

And where there's doubt, true faith in You.

Where there's despair in life, let me bring hope.

Where there is darkness, only light.

And where there's sadness

pardoning that we are pardoned.

Serving the Lord: The Book of James

No matter where you are on your faith journey, you are invited to kick it up a notch with Serving the Lord, an evangelical Bible study guide on the book of James. There is no better way to grow in spiritual maturity than faithfully serving God and His people, and no better example of a devoted servant than James, the brother of Jesus. James makes it clear that serving the Lord means putting faith into action in tangible ways that produce healthy fruit. Faith that consists merely of good intentions or intellectual assent is incomplete or dead. Authentic faith always produces evidence of holy living and good deeds by the grace and power of the Holy Spirit, such as: • Mercy ministry to the poor • Protecting the defenseless • Rejecting worldliness • Praying for the sick ... and much, much more. Christians are to let all kinds of trials become tests that strengthen their faith and yield righteous works—not to earn salvation but to give evidence of it. The result is spiritual perseverance that leads to eternal glory. It may not make sense to the rest of the world, but believers count troubles as pure joy because in Christ their troubles ultimately have a redemptive purpose. Today is the day to see for yourself what a practical difference Serving the Lord can make in your walk with God.

Growing Up Generous

This groundbreaking addition to Alban's acclaimed Money, Faith, and Lifestyle Series creates a mosaic of what is happening - and could happen - in American Jewish and Christian congregations to cultivate in young people a deep and lasting commitment to giving and serving.

Let God Send

You have a calling, but you also have a “sending.” A calling is a familiar idea. People search for their true calling, hoping to find what they were made to do, eager to fulfill their life’s purpose. Let God Send reminds us that regardless of our individual vocation, we are always sent people, propelled by God’s Spirit into the world to serve others. This sent-ness comes from the very nature of God who is always on the move in our world. Jesus was sent. The Holy Spirit is sent. Abraham and Moses were sent. The first disciples became sent-ones as well. The journeyers in the biblical narrative show us that when God sends, the path is never clear or direct. Being sent can be daunting, disconcerting, and disorienting. We can feel under-qualified, under-educated, or unprepared. But none of our hesitancy changes the reality that a life of following Jesus is a life of being sent out. Using strong biblical narratives and questions for reflection or group discussion, Matt Brough guides us into an examination of what holds us back from making a move, how to go in a humble and listening way, and ultimately what each disciple of Jesus is called to do in our going. Let God Send is a straightforward, plainspoken plea for people who follow Jesus to get moving.

Rise Up, Men of God

When God created men, He had a very specific purpose in mind: They were born to have dominion over life and meant to know God as their Father and His son as their savior. Similar to the way our physical body rises up and releases its seed to bring forth the life of a child, God desires that we spiritually rise up and release our seed of faith. Mark Christopher Folan, who has spent more than three decades serving the Lord, and as a minister of the Gospel, shares vital components of serving the Lord in this guide to rising up in faith as men of God. By living and promoting godly principles, the author urges everyone to declare God’s desires to a lost and dying world. Moreover, he encourages us to always be ready to speak our faith while standing ready to help others move closer to the Lord. It is of the utmost importance that we come to know God’s ways of shaping us, to learn how we might fulfill our destiny, and become the great men of God that we are destined to be. Discover the amazing possibilities before you and rise up!

Faith Based Perspectives on the Provision of Community Service

Will I ever be able to overcome my fears of serving the Lord? God’s calling isn’t always easy. In fact, there are times when we willingly choose our fears over our faith in God. We allow our fears to lead us in the opposite direction of serving Him. Vanessa Myers, a ministry leader for over 17 years, tells women it’s time to allow God to free you from the fear that holds you back from serving Him. What are you afraid of? ·Not being good enough? ·Failing? ·Authority? ·Change? Using Scripture and stories that illustrate fear from the Bible, Vanessa shows readers how they can overcome and find freedom from the debilitating angst that holds them back in ministry. It’s time to rise up! You can overcome those fears and experience breakthrough so you can faithfully serve the Lord.

Rise Up

In 2005, Bob and Sallie Solis of the Phoenix area took their life savings to start a home for orphaned children in South Africa. After seeing so much suffering caused by AIDS on a family mission trip, they felt called to do something to ease the pain of children they encountered. In this book, Bob Solis movingly recalls some of the most poignant stories from an incredible journey which has given 55 children a home to call their own. Bob’s strong Christian faith and commitment to service gives him deep insight into the wonderful journey that led to the founding and growth of Open Arms Home for Children. Praise for From the Darkest Places Come the Brightest Lights “Bob Solis has written a book from the depths of his heart with imagination, humor, wit, compassion and unwavering trust in Divine Providence. I highly recommend this book. Reading it will enrich your life.” -Father Joe Corpora, C.S.C. University of Notre Dame “Coach Jim Valvano said ‘there are three things we should do every day. Number one is laugh. Number two is think. Number three is have your emotions moved to tears.’ I did all three by the sixth page of this book!” -Duane Kuiper, Major League Broadcaster and former big leaguer “This is a beautiful book about life, love and faith. While they are too humble to admit it, Bob (aka ‘Bobo’) and Sallie are heroes ... at least for the children who are blessed to live at Open Arms. We have been there and it is heaven on earth for these kids. If you want to be inspired to listen carefully to your own calling,

read this book. I loved it. “ -Addison “Tad” Piper, Former Chairman of the Board, Piper Jaffray Inc. “This powerfully moving book is like observing a master songwriter craft his Magnum Opus – it will inspire you, encourage you and most profoundly cause you to ask yourself, ‘How can I sit in my rocking chair when the house is on fire?’” -Rev. Dale Hopely, Jr., Senior Pastor, The Church at Litchfield Park With Foreword by Randall McDaniel, Member of the Pro Football Hall of Fame

From the Darkest Places Come the Brightest Lights

Becoming Gods Faithful Armor Bearer is a must read for every believer of Jesus Christ. It is a wonderful tool for the church to use in training up leaders to understand what it means to truly serve God. It is a triumphant work, delivered from a heart of brokenness and faith in the promises of God. This book not only has the potential of changing your perspective on serving, it also has the greater potential of changing your life and the way you live out each day.

Becoming God’S Faithful Armor Bearer

The greatest challenge for the twenty-first-century church is the lack of catechesis--training in biblical and doctrinal knowledge. As J. I. Packer states, "where wise catechesis has flourished the church has flourished, and where it has been neglected the church has floundered." It is increasingly apparent that we are raising up generations of Christians who often have little idea what they should believe and why they should believe it. Grounded in the Faith takes up that challenge with twenty-four low-prep, in-depth sessions that will ground believers in the basics of their faith. This new innovative guide is a transformational disciple-making tool that leaders can immediately use to activate discipleship in the church. It presents individuals, small groups, and Sunday school classes with a cohesive understanding of historic, sound, biblical theology that serves as a catalyst for deeper intimacy with Christ. It is a user-friendly guide to growth in the Christian faith that covers important topics such as justification, overcoming temptation, sanctification, evidence for the inspiration of the Bible, the value of prayer, the guidance of God, the Trinity, the uniqueness of Christ, and the attributes of God.

Grounded in the Faith

Why isn't life everything we expected it to be? And why doesn't our faith resolve our frustrations and problems? Kevin Myers, the founding pastor of 12Stone Church, a congregation of more than 30,000 active attenders near Atlanta, believes the reason we don't experience a transformed life is that we fail to grow up spiritually. We focus on developing physically, intellectually, emotionally, and financially, yet our faith remains immature and anemic. In this powerful new book, Myers offers a deep yet simple roadmap to a grown-up faith through understanding the whole context of the Bible, developing spiritual intimacy with God, and gratefully embracing holy obedience. As you understand the Bible and the big picture of God's story with humanity, you begin to find answers to life's most compelling questions. As you begin to understand God more, your longing and ability to experience spiritual intimacy with him increases, as does your desire to obey what God asks of you and your ability to follow through. This is the way to the bigger life, a life even better than you expected--or even dreamed possible.

Grown-Up Faith

We live in a world in which there is great confusion about what it means to be a Christian and what it means to have genuine faith. Faith is more than belief, and being a Christian is more than attending a church service, a Bible study, or helping out the poor and needy. True faith, genuine faith in Christ, is not something that we need to convince people that we possess. Instead, true faith is seen through who we are and what we do. More Than Words is a book about faith. It is not so much a book about what faith is but instead what true faith looks like. More Than Words is a practical study of the book of James and provides understanding to what a life truly surrendered to Christ looks like and how it is to be lived. More Than Words will encourage and challenge you to examine your hearts and life to see if the faith you claim to have is truly a biblical faith.

More Than Words

Faith With its Sleeves Rolled Up provides an answer to anyone who believes the voice of faith is inaudible or irrelevant. Representing a wide range of faith positions, the chapters assembled here consider the practical contribution that faith is currently making to twenty-first-century society, prompting a positive understanding of faith as: a solution-focused innovator; an agent of connectedness, neighbourliness

and identity; a catalyst for engagement, involvement and mobilisation; a promoter of a whole-person focus; a source of hope.

Faith With its Sleeves Rolled Up

King David encouraged us to “taste and see that the Lord is good” (Psalm 34:8). Our heavenly Father serves up a feast of His truth, grace, peace, and freedom to us in abundance—and invites us to enjoy it! When we discover His goodness and truly “count our blessings,” it changes our entire outlook on life. In *Discovering God's Goodness*, you will explore what the Bible has to say about God's grace and what the Lord did to rescue you from the prison of sin. You will uncover how God's unmerited favor made it possible for you to be forgiven, redeemed, and restored so you could experience eternal life with Him. This is a blessing none of us deserves—but God gives it to us anyway if we accept Him and live our lives for His glory. The Women of Faith® Bible Studies provide intriguing insights into topics that are relevant to women's lives today. Each guide includes twelve weeks of study, down-to-earth illustrations, and reflections to help you move the truth from your head to your heart. A leader's guide for use with small groups is also included.

Discovering God's Goodness

Move beyond Coping and Surviving to a Rejuvenating Place of Soul Rest How many of us find ourselves exhausted, running on empty with no time for rest, no time for ourselves, no time for God? Bonnie Gray knows exactly what that's like. On the brink of fulfilling a lifelong dream, Bonnie's plans suddenly went off script. Her life shattered into a debilitating journey through anxiety, panic attacks, and insomnia. But as she struggled to make sense of it all, she made an important discovery: we all need spiritual whitespace. Spiritual whitespace makes room--room in one's heart for a deep relationship with God, room in one's life for rest, room in one's soul for rejuvenation. With soul-stirring vulnerability and heartbreaking honesty, Bonnie takes readers on a personal journey to feed their souls and uncover the deeper story of rest. Lyrical writing draws readers into Gray's intimate journey through overwhelming stress to find God in a broken story and celebrate the beauty of faith. Guided by biblical encouragement and thought-provoking prompts, Gray shows readers how to create space in the everyday for God, refreshment, and faith. She also offers practical steps and insights for making spiritual whitespace a reality, right in the midst of the stress-frayed stories in every season of life. "We live in a culture that brags and boasts about being busy. Into that reality steps Bonnie with a new idea. Whitespace is an important concept and Bonnie has captured it perfectly. If you're exhausted with being exhausted, read this book. If you feel too busy to read this book, then that's probably the best sign of all that you need it."--from the foreword by Jon Acuff, New York Times bestselling author of *Stuff Christians Like*

Finding Spiritual Whitespace

Sit back and enjoy the ride! Classic car aficionado Ace Collins cruises through automotive history with engaging stories that spotlight some of America's most admired vintage vehicles. Along with the interesting anecdotes, you'll find fascinating facts about sought-after cars, starting with the 1901 Oldsmobile Curved Dash and accelerating through the decades to the premiere of the Ford Mustang in 1964. Each featured model has an accompanying photograph showcasing cars such as the Ford Model T, Cord L-29, Cadillac Sixteen, Corvette, Thunderbird, and more. With high-octane biblical wisdom injected into each entry, your faith will be ignited, and your connection to God will grow. This is the perfect gift for the avid car collector, restorer, or hobbyist, or the vintage car fan who is seeking encouragement from God's Word.

Geared-Up Faith for Classic Car Buffs

No one would dare to suggest that C. S. Lewis's *Mere Christianity* is anything less than a brilliant explanation and defense of the Faith. But as robust, wise and ardent as it is, still it is incomplete. It begins our banquet at the table of the Lord, but doesn't take us all the way to the final course. That is what Dwight Longenecker's new book, *More Christianity*, does. It fills our plates with the fullness of the Christian Faith found only in the Catholic Church. Lest someone think Longenecker is presuming to piggyback or cash in on Lewis' work, or to set himself up as Lewis' successor, that is not the case. What he does--and does brilliantly--is present the doctrine of the Church with succinct explanations of topics that arise in Catholic/Protestant discussion: the Marian dogmas, the papacy, the Mass, purgatory, the communion of saints, the rosary and more. In Longenecker's skilled hands, *More Christianity* rounds out the meal so deliciously served up by Lewis in *Mere Christianity*.

More Christianity

Christmas Eve. A terrible snowstorm. When the roads become unsurpassable, Foster Prentices farmhouse becomes a beacon of hope in the darkness to passersby on the road. When a young woman seeking refuge from the snow goes into labor, it is up to Foster to deliver her safely to the hospital- by any means possible. Faith has lived a nightmare of pain and despair for the past eight years. When the snowstorm leaves her stranded in the small town of Strathcairn, shes sure she has found the haven she desperately needs. Can Foster help this broken young woman find healing? Or is it Foster whose life will be changed forever as they endeavour to solve the puzzle of Faiths life?

Are you dreaming of working abroad? Imagining serving God in another land? Or are you already on the field, unsure about what to do next or how to manage the stresses of cross-cultural life? Or perhaps you've been on the field a while now, and you're weary, maybe so weary that you wonder how much longer you can keep going. If any of these situations describes you, there is hope inside this book. You'll find steps you can take to prepare for the field, as well as ways to find strength and renewal if you're already there. From the beginning to the end of the cross-cultural journey, *Serving Well* has something for you.

Serving Well

Though waves of cynics and atheists claim that America is too religious, G. Jeffrey MacDonald disagrees. America's churches, he argues, have abandoned their sacred role as dispensers of community values, and instead are increasingly serving up entertainment, aerobics, yoga classes, and other services that have nothing to do with religious faith. As religion becomes more consumer-oriented, congregants are able to avoid the moral, intellectual, and theological commitments Christianity requires by simply joining a different -- and less rigorous -- church. Grounded in journalism, personal experience, and Christian theology, *Thieves in the Temple* is an impassioned and provocative cri de coeur for a new religious reformation. Incisively critiquing today's dangerous movement away from true religion, MacDonald demonstrates just how much Americans stand to lose when churches sell their souls to recruit parishioners.

Thieves in the Temple

Jim Cairns is a familiar sight around the markets of Melbourne, seated at a table stacked with copies of his latest book. It seems an unlikely occupation for a man who was once the driving force and major thinker in the Labor Party Left - a man who reached the positions of Deputy Prime Minister and Treasurer in Australia's most reformist government under Gough Whitlam. Keeper of the Faith reassesses the part Cairns played in shaping Australian public life. In tracing his ideological and political rivalry with Whitlam, it challenges the popular nostalgia that surrounds his former leader.

Keeper of the Faith

Ronit Stahl traces the ways the U.S. military struggled with, encouraged, and regulated religious pluralism and scrambled to handle the nation's deep religious, racial, and political complexity. Just as the state relied on religion to sanction combat missions and sanctify war deaths, so too did religious groups seek validation as American faiths.

Enlisting Faith

"Fathering Your Father is indubitably an important, timely work. In this incisive re-reading of the sources for the early history of Chinese Chan Buddhism, Cole conveys a new understanding of material familiar to scholars that might well make students engage with these sources more imaginatively. Hitherto scholars have pored over the five or six key sources; now we are invited to read them as successive literary inventions. In short, this study has no competition and is bound to provoke debate."—T. H. Barrett, Professor of East Asian History, School of Oriental and African Studies, London, and author of *The Woman Who Discovered Printing*

Fathering Your Father

For decades now, the United States has proudly claimed the mantle of "the world's only superpower" based on military might and the scope of military interventions throughout the world. As a result, whole generations are growing up with the understanding that war is the norm, that perpetual conflict is a way of life. But is it the way of Christ? Logan Mehl-Laituri grew up in a community that celebrated military service. His faith reinforced his love of country and his sense that that love was best expressed by fighting its battles. Then he went to war, and then he was born again. In *Reborn on the Fourth of July* you'll learn through Logan's story the real cost of war to military personnel, the real challenges to Christians that are raised by military service on and even off the battlefield, and the real questions that each of us must wrestle with as we hold in tension our love of country with God's love for the world.

Reborn on the Fourth of July

How are we to please God and learn how to do what He tells us is right? The author sets out for us what God's approval means and how we can earn it. Quoting extensively from the Bible, she explains the importance of faith, obedience and giving if we are to please God and do His will. This book is a wake-up call to Christians who are not yet on the right path.

The Life of Faith

Are you ready to go on a food truck adventure with God? The Bible Food Truck takes you for a ride through the entire Word of God as you learn different stories about food, drinks, and fasting. You will weave your way through the Old Testament and the New Testament, making stops in different books of the Bible to learn about how food played a role in the story. These short devotions can be done with your family at dinner or first thing in the morning as you head off to school. Each devotion contains Scripture verses, prayer, and a "Faith To-Go" section that helps you live out your faith in God every day. You will also have the fun opportunity to create your own food truck ministry! Designing a food truck that you can use to serve God will be a way to connect the stories with serving the Lord. Climb aboard and buckle up! It's time to encounter God on the Bible Food Truck!

Approved By God?

In C.S. Lewis's classic *The Lion, The Witch and the Wardrobe*, Lucy asks if Aslan the lion is safe. It is quickly clarified that Aslan is not safe...but he is good. That concept serves as the foundation for this collection of short stories. While written from a Christian worldview, our goal isn't comfort food for Christians or G-rated stories that offer simplistic lessons. Instead, we're serving up stories sharpened by faith. Stories that will engage, challenge, entertain, and stretch the reader. These stories aren't necessarily safe...but without question, they are good. The stories in this book--from such outstanding Christian writers as Jerry Jenkins, Michael Morris, Sally John, and the editor Bret Lott--are by no means safe. Like the parables of Christ, they surprise, unsettle, and even shock. They depict doubt, loss, abandonment, failure, and betrayal as well as elation and triumph. But they also deeply and meaningfully explore the human condition in relation to a God who loves us and brings us joy and hope.

The Bible Food Truck

Identifying a "safety zone" of Christian-sanctified schools, television, radio, and activism, a call to greater action urges Christians to break away from easier practices to reconnect with non-believers, engage in acts of love and compassion, and build a greater dependence on Christ. Original.

Not Safe, but Good

An Arcadian Vision is about spirituality and faith. Author John W. Ekstedt presents faith as something enhanced through the exercise of the spirit. Faith is imagined as a real quality of life that can be acquired and improved upon through spiritual growth. Faith, as a gift of God and as an attribute of human beings, exists in time and space. People carry it with them wherever they are and exhibit it in the way they present themselves or in the actions they take. It is made better with practice, and many people go to specific places for the purpose of growing in it. An Arcadian Vision was written in such a place. The original Arcadia was a retreat in the Peloponnese Mountains of ancient Greece. It was considered a place of great beauty and pastoral repose. Over time the word Arcadia has come to refer to an ideal "suitable for writing in poetry or prose". To be Arcadian is to be a pleasing presence in an imperfect world. An Arcadian Vision is prose emerging from a place for spiritual exercise in the northern Rocky Mountains of Canada. It is about church as a means by which people improve their faith. It examines how people do the exercises that give form to their faith.

Fearless Faith

"I had a vision of a faith community where people could have a wider understanding of God and our relationship to him/her. I wanted to create a place where people could state what they believe and what they struggle with--freely. I wanted a community of people who know we don't all have to agree on everything." Jerry Herships, former altar boy who had dreamed of making it big in show biz, tended bar to make ends meet as he worked gigs in comedy and game shows, looking for his big break. After giving up the dream and leaving Los Angeles, he found his way back to the church and discovered God calling him to ministry--but not just any ministry. Now he leads AfterHours Denver, a bar church where people worship with a whiskey in their hand and make peanut butter and jelly sandwiches to serve Denver's homeless. Last Call is a story of having and giving up on dreams, finding yourself, and finding how God can use you in unexpected ways.

An Arcadian Vision

One touch is all it takes. One touch and you have that perfect cup. That perfect cup of espresso to wake you up, energize you, and help you face the day. Just like a perfect cup of espresso, God's Word contains the perfect balance of ingredients to wake up believers spiritually, energize the soul, and help believers be spiritually alert as they face their day. Espresso Your Faith takes a daily-shot approach to God's espresso—His Word—as readers explore the 30 keys from God's Word to staying spiritually alert. Based on 1 Peter 5:8, which warns believers to stay alert, humorist Rhonda Rhea takes a perky approach to helping readers understand what that means and helps them drink in God's instructions as it relates to being spiritually alert. Her humor will warm readers hearts while her practical insight will have them paying attention to the world around them with a fresh biblical perspective. She promises that before you know it, God will be gloriously energizing lives and having believers feeling perkier, healthier, and stronger.

Immigrant Faith examines trends and patterns relating to religion in the lives of immigrants. The volume moves beyond specific studies of particular faiths in particular immigrant destinations to present the religious lives of immigrants in the United States, Canada, and Europe on a broad scale. Religion is not merely one aspect among many in immigrant lives. Immigrant faith affects daily interactions, shapes the future of immigrants in their destination society, and influences society beyond the immigrants themselves. In other words, to understand immigrants, one must understand their faith. Drawing on census data and other surveys, including data sources from several countries and statistical data from thousands of immigrant interviews, the volume provides a concise overview of immigrant religion. It sheds light on whether religion shapes the choice of destination for migrants, if immigrants are more or less religious after migrating, if religious immigrants have an easier adjustment, or if religious migrants tend to fare better or worse economically than non-religious migrants. Immigrant Faith covers demographic trends from initial migration to settlement to the transmission of faith to the second generation. It offers the perfect introduction to big picture patterns of immigrant religion for scholars and students, as well as religious leaders and policy makers.

Click this link to read a review of How Faith Works. This book is autobiographical in concept, as the author has had many experiences in life, in addition to his bouts with cancer and his subsequent

survival. As the author brings his story to you in this book, his attempt is to present things in a sequence that explain them in the order of importance in his life. The author's life was riddled with ups and downs from inception, because of the absence of his father and mother, but the best thing that happens to him is that he was raised by his loving and caring grandmother, Mandy. Although many of the situations and experiences he faced existed in his life in Alabama in 1930s, they still exist in African American families and their communities today. As a result, Matt has a keen sense of the value of education, which he learned from his grandmother Mandy and other life experiences during the time he lived in Alabama. Matt's years as a child growing up in rural Alabama during 1930s-50s, at best was turbulent times for young African American boys, yet he rode horses with his "white friend", "J", a White kid that lived nearby at the time. Because of Matt's faith, taught to him by his grandmother Mandy, he was not afraid to take chances and try new things. At age 19 Matt went to work in Pensacola, Florida. Later that same year, he bought a 1939, pretty green Chevy. Matt was never deterred by life decisions, and still believes it is his faith that has brought him through many ordeals in his life. He has stepped out on "faith", and prevailed in turning what would have toppled the average big city kid; but not Matt, he turns negatives into positives, and perseveres as he gets up again, and again.

Living In and Passing on the Light The book "Whose I Am and Who I Serve" takes the reader on a journey of one person's life from deliverance to destiny. The author realized that when she fully submitted her free will to Jesus as her Lord and Savior, He not only set her free from the past, but was training her up to share the light of hope with others who were downcast. When looking back upon her life, she saw how all the pieces fit together like a wonderful puzzle. God was surely preparing everything for the time she would answer His call with a profound, "Use Me." With this, there is also opportunity to share her faith with the next generation, that they might follow Christ at a much younger age. The picture on the book cover illustrates passing on the light. The author's hand is much older, holding a shorter candle; this depicts that the days left are fewer but still valuable. Her granddaughter's hand is much younger, holding a longer newer candle which depicts the many days ahead to share her faith. Therefore, our true legacy in life will never be in the value of possessions passed on, but rather the love, peace and joy of knowing Jesus. "You are the light of the world. ... let your light shine before others, that they may see your good deeds and glorify your Father in heaven." (Matthew 5:14-16 NIV)

How Faith Works

In a day in which Christians too often reduce faith to mere sentimentality and atheists decry it as superstitious nonsense, Fr. Kerry Walters offers a series of reflections intended to show that, indeed, faith matters. Drawn from his popular weekly newspaper column "Faith Matters," these short meditations explore Christian faith from the perspectives of doctrine, spirituality, ethics, politics, art and science, the saints, and the holy seasons that mark the Christian year and set the rhythm of Christian living.

Whose I Am and Who I Serve

This book was written for those who have left their Christian faith or who have become what Bishop John Shelby Spong calls, believers in exile. It also speaks to those who are questioning their current Christian faith. It describes a mystical view of Christianity that incorporates Gnosticism, quantum physics, shamanism, cognitive psychology, Jungian psychology, and biblical scholarship. At the end of each chapter are prompts, questions, and activities that invite readers to make personal connections with the ideas presented. These are designed to be recorded in a journal. This book can be used with a book club, a study group, or individually. It will be a tool for your spiritual growth and renewal.

Faith Matters

A poetic and philosophical negotiation of the alternatives of atheism and religious faith. In *A Man of Little Faith* the French poet and philosopher Michel Deguy reflects on the loss of religious faith both personally and culturally. Disenchanted not only with the oversimplifications of radical atheism but also with what he sees as an insipid sacralization of art as the influence of religion has waned, Deguy refuses to focus on loss or impossibility. Instead he actively suspends belief, producing a poetic deconstruction that, though resolutely a-theistic, makes a plea for an earthly piety and for the preservation of the relics of religion for the world to come. Two essays by Jean-Luc Nancy and a recent interview with Deguy are included, which reveal the impact and implications of Deguy's ongoing reflection and its significance within his generation of French thought.
