BROTHER IN ICE

'She thought that it was precisely when things get uncomfortable or can't be shown that something interesting comes to light. That is the point of no return, the point that must be reached, the point you reach after crossing the border of what has already been said, what has already been seen. It's cold out there.' This hybrid novel--part research notes, part fictionalised diary, and part travelogue--uses the stories of polar exploration to make sense of the protagonist's own concerns as she comes of age as an artist, a daughter, and a sister to an autistic brother. Conceptual and emotionally compelling, it advances fearlessly into the frozen emotional lacunae of difficult family relationships. Deserving winner of multiple awards upon its Catalan and Spanish publication, *Brother in Ice* is a richly rewarding journey into the unknown.

Brothers on Ice

Troy and Trent, who are brothers, both love hockey. When Trent turns out to be a natural in net, Troy finds he has to compete just to get a turn on the ice.

The Ice Palace

Ivan lives in a land where the winter is dark and fearful. Starjik, King of Winter, steals Ivan's little brother and Ivan braves the bitter cold to find him.

Ice Brothers

A young man of 22 is drawn almost impetuously to the Coast Guard by the onset of war in December 1941. He serves, first as executive officer, then as captain of the *Arluk*, a converted fishing trawler refitted to serve during World War 2 in the icy waters and coast of Greenland. Paul Schuman, the young hero, is shown at the beginning of the story as unsure in his life and marriage, and we watch him during the novel, while continuing to fight internal uncertainties, growing in confidence and competence.

The Virgin in the Ice

Ivan lives in a land where the winter is dark and fearful. Starjik, King of Winter, steals Ivan's little brother and Ivan braves the bitter cold to find him.

The Ice Palace

"It seemed as though nothing could stop Jordin Tootoo on the ice. The captain of Canada's Under-18, a fan favourite on the World Junior squad, and a WHL top prospect who could intimidate both goalies and enforcers, he was always a leader. And when Tootoo was drafted by Nashville in 2000 and made the Predators out of camp in 2003, he became a leader in another way: the first player of Inuk descent to suit up in the NHL.

All the Way

My teammate's incredibly sweet and gorgeous younger sister should have been off-limits, but my hockey stick didn't get that memo. After our team won the championship, and plenty of alcohol, our flirting turned physical and I took her to bed. Shame sent her running the next morning from our catastrophic mistake. She thinks I don't remember that night—but every detail is burned into my brain so deeply, I'll never forget. The feel of her in my arms, the soft whimpers of pleasure I coaxed from her

perfect lips... And now I've spent three months trying to get her out of my head. Which has been futile, because I'm starting to understand she's the only girl I'll ever want. I have one shot to show her I can be exactly what she needs, but Elise won't be easily convinced. That's okay, because I'm good under pressure, and this time, I'm playing for keeps. Get ready to meet your new favorite hot jocks in this series of stand-alone novels. If you like sexy, confident men who know how to handle a stick (on and off the ice), and smart women who are strong enough to keep all those big egos in check, this series of athlete romances is perfect for you!

Playing for Keeps

The year is 1868, and fourteen-year-old Alika and his younger brother, Sulu, are hunting for seals on an ice floe attached to their island in the Arctic. Suddenly the ice starts to shake, and they hear a loud crack--the terrible sound of the floe breaking free from land. The boys watch with horror as the dark expanse of water between the ice and the shore rapidly widens, and they start drifting south--away from their home, their family, and everything they've ever known. Throughout their six-month-long journey down the Greenland Strait, the brothers face bitter cold, starvation, and most frightening of all, vicious polar bears. But they still remain hopeful that one day they'll be rescued. This thrilling new adventure story from bestselling author Theodore Taylor is a moving testament to the bond between brothers--and to the strength of the human spirit. Includes a map, a glossary of Inuit words and phrases, and an author's note..

Ice Drift

Who doesn't love ice cream? This sweet icy little thing is one of the popular desserts in the world. Kids till adults love ice cream because it comes with many flavors, sizes, and shapes. One scoop of ice cream can bring happiness, and it perfects for any seasons. If you love to eat ice cream, then this Ice Cream Notebook is perfect for you! This Ice Cream Notebook can be used as a journal, travel notebook, diary, business / office notebook, school journal, daily planner or organizer, birthday gift, ice cream lovers, kids, etc. - Perfectly sized at 6" x 9" - 120 pages - Softcover Bookbinding - Flexible Paperback

Will Trade Brother For Ice Cream

"From the author of *The River at Night* and *Into the Jungle* comes a harrowing new thriller as a linguist, broken-hearted after the apparent suicide of her glaciologist brother, ventures hundreds of miles north of the Arctic Circle to try to communicate with a young girl who has thawed from the ice alive"--

Girl in Ice

When a body is found in a hotel room, reporters are soon all over the case: it appears to be a missing LAPD narcotics detective, apparently gone to the bad. The rumours were that he had been selling a new drug called Black Ice that had been infiltrating Los Angeles from the Mexican cartel. The LAPD are quick to declare the death a suicide, but Harry Bosch is not so sure. There are odd mysteries and unexplained details from the crime scene which just don't add up. Fighting an attraction to the detective's widow, Bosch starts his own maverick investigation, which soon leads him over the borders and into a dangerous world of shifting identities, police politics and deadly corruption . . .

The Black Ice

Will Trade Brother For Ice Cream

A monk embarks on a dangerous quest to find a trio of missing travelers in this medieval mystery by an Edgar Award-winning author. The winter of 1139 will disrupt Brother Cadfael's tranquil life in Shrewsbury with the most disturbing of events. Raging civil war has sent refugees fleeing north from Worcester. Among them are two orphans from a noble family, a boy of thirteen and an eighteen-year-old girl of great beauty, and their companion, a young Benedictine nun. The trio never reaches Shrewsbury, having disappeared somewhere in the wild countryside. Cadfael is afraid for these three lost lambs, but another call for help sends him to the church of Saint Mary. A wounded monk, found naked and bleeding by the roadside, will surely die without Cadfael's healing arts. Why this holy man has been attacked and what his fevered ravings reveal soon give Brother Cadfael a clue to the fate of the missing travelers. Now Cadfael sets out on a dangerous quest to find them. The road will lead him to a chill and terrible murder and a tale of passion gone awry. And at journey's end awaits a vision of what is best, and worst, in humankind.

The Virgin in the Ice

Fifty years after *Where the Wild Things Are* was published comes the last book Maurice Sendak completed before his death in May 2012, *My Brother's Book*. With influences from Shakespeare and William Blake, Sendak pays homage to his late brother, Jack, whom he credited for his passion for writing and drawing. Pairing Sendak's poignant poetry with his exquisite and dramatic artwork, this book redefines what mature readers expect from Maurice Sendak while continuing the lasting legacy he created over his long, illustrious career. Sendak's tribute to his brother is an expression of both grief and love and will resonate with his lifelong fans who may have read his children's books and will be ecstatic to discover something for them now. Pulitzer Prize-winning literary critic and Shakespearean scholar Stephen Greenblatt contributes a moving introduction.

My Brother's Book

The story of George Larmour's search for the truth behind the murder of his brother John, who was shot by the IRA while looking after the family-run ice cream parlour on the night of October 11th 1988.

They Killed the Ice Cream Man

Britt goes hiking in the Grand Tetons of Wyoming with her ex-boyfriend Calvin, but trouble arises when she is caught in a blizzard, taken hostage by fugitives, finds evidence of murders, and learns whom to trust and whom to love.

Black Ice

It's no secret I've always had a crush on Damon Strickland. My best friend's older brother and the center of every single one of my fantasies. He's a walking, talking temptation. That cocky grin and those broad, athletic shoulders. You know what they say about a man with big hands right? Growing up, we always tormented one another. I was the nagging, annoying little girl he hated. And he was the man-whoring, douchebag I couldn't seem to get over. Now as adults he actually came through and helped me land a job at my dream company. How the hell am I supposed to focus when all I can think about is tearing that tight suit from his tempting body! What's even worse? He forgot to mention he's my boss.

My Best Friend's Brother

An epic debut novel about a lovelorn eighteenth-century Russian noble, cursed with longevity and an immunity to cold, whose quest for the truth behind his condition spans two thrilling centuries and a stunning array of historical events. The Empress Anna Ioannovna has issued her latest eccentric order: construct a palace out of ice blocks. Inside its walls her slaves build a wedding chamber, a canopy bed on a dais, heavy drapes cascading to the floor—all made of ice. Sealed inside are a disgraced nobleman and a deformed female jester. On the empress's command—for her entertainment—these two are to be married, the relationship consummated inside this frozen prison. In the morning, guards enter to find them half-dead. Nine months later, two boys are born. Surrounded by servants and animals, Prince Alexander Velitzyn and his twin brother, Andrei, have an idyllic childhood on the family's large country

estate. But as they approach manhood, stark differences coalesce. Andrei is daring and ambitious; Alexander is tentative and adrift. One frigid winter night on the road between St. Petersburg and Moscow, as he flees his army post, Alexander comes to a horrifying revelation: his body is immune to cold. J. M. Sidorova's boldly original and genrebending novel takes readers from the grisly fields of the Napoleonic Wars to the blazing heat of Afghanistan, from the outer reaches of Siberia to the cacophonous streets of nineteenth-century Paris. The adventures of its protagonist, Prince Alexander Velitzyn—on a lifelong quest for the truth behind his strange physiology—will span three continents and two centuries and bring him into contact with an incredible range of real historical figures, from Mary Shelley, the author of *Frankenstein*, to the licentious Russian empress Elizaveta and Arctic explorer Joseph Billings. *The Age of Ice* is one of the most enchanting and inventive debut novels of the year.

The Age of Ice

Are you looking for cool hockey gifts under 10 bucks? Then these journal notebooks are exactly what you need. Inside this 8.5x11 book you will find 108 lined pages that can be used as anything. Track game stats, make it a recipe book or even as to do lists. These hockey journals for moms, dads, grandmas, brothers, sisters etc. make unique hockey gifts and the best thing is they are practical and cheap. If you are proud of being a family member who loves hockey, buy this for yourself or as a present for birthdays, Christmas or any holiday.

Hockey Brother and Proud of It

What would a father do when his two children argue about whose face was better? How did he end this battle? Let's read. Fables are the best stories for children but adults too. Why? Because they are usually short and send an important message that you can learn from. If your child loves stories where animals are presented as the main characters and are fictional get this book now. We all have grown up with amazing fables and life has always been easier because we have learned many important life lessons. You can always return reading fables when you feel stuck. Don't be surprised if you find your answer in a story. Don't let your responsibilities to get you away from them, especially from reading to your child. But always be ready with more, which is why you need this book. It is filled with unique and special fables that every child and adult will find fascinating. Give your child a chance to learn through stories, because it is the easiest and most promising way for a steady and healthy childhood. It is never enough, you will never get bored reading fables, so get this book and enjoy every story!

The Beautiful Brother and The Unattractive Sister

DIVIDIVAs two women from different Aleut tribes struggle against their harsh fates, they find their extraordinary destinies intertwined/divDIV In the tribe of the First Men, courageous, beautiful Kiin, an accomplished ivory carver, is finally content with her hard-won life, which includes twin sons and a loving warrior husband. When she is suddenly pulled back into her nightmarish former existence as slave to the Raven, shaman of the Walrus People, her husband's brother, Samiq, vows to bring her back to their tribe. Across the land, Kukutux, the wife of a Whale Hunter, finds the loss of her husband and the hostility of her clan too much to bear. The lives of Kiin, Samiq, and Kukutux, and the paths of their tribesmen will converge in a final dramatic confrontation that tests the strength of their hearts and spirits against the cruelty of man, nature, and fate./divDIV /divDIVBrother Wind is the final book of the Ivory Carver Trilogy, which also includes *Mother Earth* *Father Sky* and *My Sister the Moon*./div/div

Brother Wind

Are you looking for cool hockey gifts under 10 bucks? Then these journal notebooks are exactly what you need. Inside this 8.5x11 book you will find 108 lined pages that can be used as anything. Track game stats, make it a recipe book or even as to do lists. These hockey journals for moms, dads, grandmas, brothers, sisters etc. make unique hockey gifts and the best thing is they are practical and cheap. If you are proud of being a family member who loves hockey, buy this for yourself or as a present for birthdays, Christmas or any holiday.

Hockey Brother and Proud of It

Thirteen-year-old Helen is not entirely sure she is looking forward to spending the next six months on board the *Karluk*, a ship headed on an Arctic expedition. But with the recent death of her father, it is the only work her seamstress mother can find. Helen's nine year-old brother, Michael, is delighted to

be off on a real adventure but neither he nor Helen could have realized just how extraordinary this trip would be. The ship's hard-bitten captain, Robert Bartlett, must use all his seafaring skill when the Arctic Ocean begins an early freeze-over and the ship becomes trapped in ice. But will Bartlett's knowledge of the unpredictable and treacherous Arctic be enough to save his passengers? In the pages of her diary, Helen records the fate of the crew and her family as they leave the ship and try to make their way across shifting ice flows, through blinding blizzards and past polar bears to safety on solid land. As the trek proceeds, Helen learns a few things about her family, about friendship and about a remarkable strength she never knew she had. Based on true events surrounding the ill-fated Canadian Arctic Expedition of 1913, *Trapped in Ice* is a riveting, fast-paced adventure set in a marvelous but brutal world of ice and snow.

Trapped in Ice

Are you looking for cool hockey gifts under 10 bucks? Then these journal notebooks are exactly what you need. Inside this 6x9 book you will find 108 lined pages that can be used as anything. Track game stats, make it a recipe book or even as to do lists. These hockey journals for moms, dads, grandmas, brothers, sisters etc. make unique hockey gifts and the best thing is they are practical and cheap. If you are proud of being a family member who loves hockey, buy this for yourself or as a gift for birthdays, Christmas or any holiday.

Hockey Brother and Proud of It

'A brilliant, powerful elegy from a living brother to a lost one, yet pulsing with rhythm, and beating with life' Marlon James, Winner of the Man Booker Prize **WINNER OF THE ROGERS WRITERS' TRUST FICTION PRIZE WINNER OF THE TORONTO BOOK AWARD LONGLISTED FOR THE ORWELL PRIZE FOR POLITICAL FICTION LONGLISTED FOR THE SCOTIABANK GILLER PRIZE A GUARDIAN BOOK OF THE YEAR** Michael and Francis are the bright, ambitious sons of Trinidadian immigrants. Coming of age in the outskirts of a sprawling city, the brothers battle against careless prejudices and low expectations. While Francis aspires to a future in music, Michael dreams of Aisha, the smartest girl in their school, whose eyes are firmly set on a life elsewhere. But one sweltering summer night the hopes of all three are violently, irrevocably cut short. In this timely and essential novel, David Chariandy builds a quietly devastating story about the love between a mother and her sons, the impact of race, masculinity and the senseless loss of young lives.

Brother

Are you looking for cool hockey gifts under 10 bucks? Then these journal notebooks are exactly what you need. Inside this 6x9 book you will find 108 lined pages that can be used as anything. Track game stats, make it a recipe book or even as to do lists. These hockey journals for moms, dads, grandmas, brothers, sisters etc. make unique hockey gifts and the best thing is they are practical and cheap. If you are proud of being a family member who loves hockey, buy this for yourself or as a gift for birthdays, Christmas or any holiday.

Hockey Brother and Proud of It

From New York Times bestselling author Jacquelyn Frank comes the smoothly sensual second book in an exciting new series featuring four immortal warrior brothers who must stake their hearts against their fate. As punishment for plotting with his brothers to steal immortality, Garreth is suffering a freezing torment until the end of time. Again and again, his fierce fighter's physique is frozen into a chiseled ice sculpture, his heart hardening like a diamond in his chest—only to thaw and resume the chilling torture. Until, like his older brother Dethan, he is offered a reprieve from a goddess—in exchange for his allegiance in a celestial civil war. Garreth lives to fight and fights to live. But while laying siege to an embattled city, he finds another reason to go on—a beautiful warrior woman named Sarielle, who commands a mythic beast through a mysterious and powerful bond. Terrified of her strength, the city rulers have kept her captive, and now she refuses to submit to a new master. As Garreth seeks to unleash her passion and melt the icy resistance of her heart, will he become her ultimate salvation—or lead them both to greater destruction?

Cursed by Ice

"A masterpiece."-- The Guardian "Superb."-- The New York Times Review of Books Older brother is a driver for an app-based car service. Closed off for eleven hours every day in his cab, constantly tuned in to the radio, he ruminates about his life and the world that is waiting just on the other side of the windshield. Younger brother set out for Syria several months ago, full of idealism. Hired as a nurse by a Muslim humanitarian organization, he has recently stopped sending any news back home. This silence eats away at his father and brother, who ask themselves over and over again: why did he leave? One evening, the intercom rings. Little brother has come home. In this incisive first novel, Mahir Guven alternates between lively humour and the gravity imposed by the threat of terrorism. He explores a world of Uberized workers, weighed down by loneliness, struggling to survive, but he also describes the universe of those who are actors in the global jihad: indoctrination, combat, their impossible return . . . This is the poignant story of a Franco-Syrian family whose father and two sons try to integrate themselves into a society that doesn't offer them many opportunities.

Older Brother

Set in the years 1914 to 1918, An Ice Cream War follows the fortunes of two English brothers who enlist and fight in German East Africa. Contrasting the vibrant chaos of East Africa with the quiet gentility of Edwardian England, the novel tracks the brothers' very different but equally tragic experiences in the war and the pressures and sorrows of those they leave at home.

An Ice-cream War

Are you looking for cool hockey gifts under 10 bucks? Then these journal notebooks are exactly what you need. Inside this 8.5x11 sketch book you will find 108 blank unlined pages that can be used as anything. Doodle while at hockey practice, track game stats, make it a recipe book or even as to do lists. These hockey drawing sketchbooks for moms, dads, grandmas, brothers, sisters etc. make unique hockey gifts and the best thing is they are practical and cheap. If you are proud of being a family member who loves hockey, buy this for yourself or as a present for birthdays, Christmas or any holiday.

Hockey Brother and Proud of It

Stifled by a soul-crushing job, devastated by the death of her beloved brother, and lonely after the end of a fifteen-year marriage, Wini is feeling vulnerable. So when her three best friends insist on a high-octane getaway for their annual girls' trip, she signs on, despite her misgivings. A freak accident leaves the women stranded, separating them from their raft and everything they need to survive. When night descends, a fire on the mountainside lures them to a ramshackle camp that appears to be their lifeline. But as Wini and her friends grasp the true intent of their supposed saviors, long buried secrets emerge and lifelong allegiances are put to the test.

The River at Night

Hockey Brother and Proud of It

Reasons not to crush on Adam: He's my best friend's brother. He's my neighbor. He's the captain of the hockey team. He's a serial monogamist who's sworn off dating. Reasons not to fake date Adam: See above. He has no idea I actually like him—like really like him. But do I listen to any of those really great reasons? Of course not. Now, thanks to my amazing and convincing acting skills, one fake date ends with him being my fake fiancé (oops!). My bad crush has gotten me in way over my head. For fans of: Helena Hunting, Elle Kennedy, Lauren Asher, Emily Henry, Avon Gale, Toni Aleo, Kristen Callihan, LJ Shen, Jana Aston, Karina Halle, Meghan March, Jay Crownover, Anna Todd, Geneva Lee, Audrey Carlan, Jill Shalvis, Helen Hoang, Christina Lauren, Sally Thorne, Penny Reid, Julia Kent, Kelly Jamieson, Kendall Ryan, Kennedy Ryan, Lauren Blakely, Lexi Ryan, Jen Frederick, Sara Ney, Nana Malone. The Titans

The Kent family faces internal clashes as the Civil War ignites—from the #1 New York Times–bestselling author of *North and South*. In the hellish years of the Civil War, the Kent family faces its greatest trials yet. Louis, the devious son of the late Amanda Kent, is in control of the dynasty—and of its seemingly inevitable collapse. His cousin Jephtha Kent, meanwhile, backs the abolitionist cause, while his sons remain devoted Southerners. As the country fractures around the Kents, John Jakes introduces characters that include some of the most famous Americans of this defining era. Spanning the full breadth of the Civil War—from the brutal frontlines in the South to the political tangle in Washington—*The Titans* chronicles two struggles for identity: the country's and the Kents'. This ebook features an illustrated biography of John Jakes including rare images from the author's personal collection.

The Kent Family Chronicles Volumes Four Through Six

A family builds its empire in books four through six of an American historical epic from the #1 New York Times–bestselling author of *North and South*. This multigenerational saga follows the Kent family in their pursuit of a better future in the expanding United States amid deceit, passion, and violence. From the brutal Battle of the Alamo to the bloody Civil War, their fate is intertwined with the course of American history in these three volumes of the series. *The Furies*: Spanning from 1836 to 1852, the fourth Kent Family novel opens with Amanda Kent just escaping the massacre at the Alamo. Brazen and focused, she works to make a new life for herself during the California Gold Rush, and she's willing to risk everything to restore her family's name . . . *The Titans*: In the hellish years of the Civil War, while the nation struggles with its identity, the Kent family fights greed and hatred. In New York, devious Louis Kent controls the family dynasty—now on the verge of collapse. Meanwhile, his cousin Jephtha Kent backs the abolitionist cause even though it may cost him his sons . . . *The Warriors*: With the advent of the transcontinental railroad, the Kents continue to fight for their place among America's wealthy. Temptation beckons young Jeremiah Kent as a Southern belle lures him into a trap of lust, lies, and murder. The nation may be facing a rebirth, but that doesn't mean all survive . . .

The Furies

From a #1 New York Times–bestselling author: Amanda Kent heads west to build a family dynasty in the era of the Gold Rush. Opening twenty-two years after the events of *The Seekers*, John Jakes's fourth Kent Family novel spans the blood-soaked era of America's relentless expansion into the West. Amanda Kent, daughter of Gilbert Kent and Harriet Lebow, is one of the few women to escape the massacre at the Battle of the Alamo. Uncommonly brazen and focused, Amanda seeks to make a new life for herself by restoring the Kent family name. Her efforts to build a dynasty take her to northern California, just in time for the Gold Rush. Her passion and determination during these frenzied years make *The Furies* an exhilarating page-turner. This ebook features an illustrated biography of John Jakes including rare images from the author's personal collection.

Titans

Wanneer tijdens de Amerikaanse burgeroorlog de zonen van journalist van een Noordelijke krant voor de Zuidelingen gaan strijden, ontstaan er grote problemen in de familie Kent.

The Bastard

The first volume in the addictive saga of the American Revolution by the #1 New York Times–bestselling author of the *North and South* trilogy. Meet Phillipe Charboneau: the illegitimate son and unrecognized heir of the Duke of Kentland. Upon the Duke's death, Phillipe is denied his birthright and left to build a life of his own. Seeking all that the New World promises, he leaves London for America, shedding his past and preparing for the future by changing his name to Philip Kent. He arrives at the brink of the American Revolution, which tests his allegiances in ways he never imagined. The first volume of John Jakes's wildly successful and highly addictive Kent Family Chronicles, *The Bastard* is a triumph of historical fiction. This ebook features an illustrated biography of John Jakes including rare images from the author's personal collection.

The Seekers

Abraham Kent leaves Boston to find his destiny on America's frontier in this saga by the #1 New York Times—bestselling author of North and South. Continuing the saga of the Kent family, John Jakes turns his masterful eye to the settlement of the untamed American West. Abraham Kent, the son of Philip Kent and Anne Ware, fought valiantly on the frontier, only to return home to Boston and a life he doesn't want. Determined not to live in his father's shadow, Abraham and his young bride join the wave of pioneers carving out farms in the turbulent, dangerous West. But life on the nation's frontier soon becomes more than their fledgling family can endure. Furthering his reign as the living master of American historical fiction, Jakes unfurls the epic of *The Seekers*. This ebook features an illustrated biography of John Jakes including rare images from the author's personal collection.

The Rebels

Philip Kent fights for his new country during the Revolutionary War, in the historical family saga from the #1 New York Times—bestselling author. The engrossing follow-up to *The Bastard* finds Philip Kent standing as a Continental soldier at the Battle of Bunker Hill. In a bold move, Kent has taken up arms for the future of his new family. Spirited and unwavering in his dedication to his adopted homeland, Kent fights in the most violent battles in America's early history. As the Revolution rages, Kent's story interweaves with the trials of a vivid cast of characters, both famous and unknown. The result is a tautly plotted epic novel that transports the reader into the thrilling adventure of a man's fight for a new life. This ebook features an illustrated biography of John Jakes including rare images from the author's personal collection.

The Kent Family Chronicles Boxed Set

The Civil War is over, but the Kent family's good fortune is suddenly threatened in this novel by the #1 New York Times—bestselling author of North and South. The penultimate volume in John Jakes's stirring Kent Family Chronicles finds America booming in its postwar prosperity. With this newly secured peace comes an opportunity for the Kent family to reconcile and to thrive, both personally and financially. Gideon Kent takes up his father's vow to reunite the family, but when he brings his father's widow back into the fold, the repercussions seem insurmountable. Against the backdrop of a recovering nation, the Kents face dramatic challenges and unexpected rifts that could leave the family shattered for years to come. This ebook features an illustrated biography of John Jakes including rare images from the author's personal collection.

The Lawless

A family builds an empire amid murder, betrayal, and the Civil War, in this saga by the #1 New York Times—bestselling author of North and South. With the Civil War reaching its gory climax, the divided Kent family is pushed to the edge of complete destruction. With the advent of the transcontinental Union Pacific Railroad, the Kents continue to fight for their foothold among America's wealthy founding families. While their private, insular war rages, young Jeremiah Kent is tempted by a calculating Southern belle into a trap of deceit, lust, and murder. There's no turning back as the Kents' destiny is set on an irreversible course alongside the great rebirth of America. This ebook features an illustrated biography of John Jakes including rare images from the author's personal collection.

The Warriors

The searing conclusion to the North and South Trilogy brings the battle between the Mains and Hazards—and Confederate and Union armies—to a brilliantly satisfying end. The last days of the Civil War bring no peace for the Main and Hazard families. As the Mains' South smolders in the ruins of defeat, the Hazards' North pushes blindly for relentless industrial progress. Both the nation and the families' long-standing bond hover on the brink of destruction. In the series' epic conclusion, Jakes expertly blends personal conflict with historical events, crafting a haunting page-turner about America's constant change and unyielding hope. This ebook features an illustrated biography of John Jakes including rare images from the author's personal collection.

Heaven and Hell

In a world full of superhuman abilities, not all dream of being a hero. Ember's life is turned upside down the day villains brutally murder her parents. No one comes to their aid, including their comrades—the other Guardians. She loses her trust in the supposed heroes and vows to never follow in her parents'

footsteps. A dark secret looms in Aiden's past and he aspires to become a Guardian as a way to cope. At university, he meets Ember, and an undeniable spark ignites between them. But Aiden wrestles with his developing feelings for her, and as they grow closer, unexpected dangers threaten their bond, including his secret. Aiden struggles to open up about his past to Ember, since it would reveal a troubling link to her parents' murders, and Ember finds herself questioning everything she believes to be true about Guardians. Not only could Aiden's secret tear them apart, but it may also lay the foundation for the Guardians' undoing ... A.M. McPherson breaks onto the literary scene with a coming-of-age story full of romance, suspense, and mystery. Fans of *Renegades* and *My Hero Academia* will enjoy this fresh take on a superhero world.

The Guardians' Daughter

Is falling in love the beginning . . . Or the end? In Ethan Wate's hometown there lies the darkest of secrets. There is a girl. Slowly, she pulled the hood from her head. Green eyes, black hair. Lena Duchannes. There is a curse. On the Sixteenth Moon, the Sixteenth Year, the Book will take what it's been promised. And no one can stop it. In the end, there is a grave. Lena and Ethan become bound together by a deep, powerful love. But Lena is cursed and on her sixteenth birthday, her fate will be decided. Ethan never even saw it coming. * Don't miss the Warner Brothers and Alcon Entertainment blockbuster movie of *Beautiful Creatures* directed by Richard LaGravenese (P.S. I Love You) and featuring an all star cast including Emma Thompson, Jeremy Irons, Viola Davies and hot young Hollywood talent Alice Englert, Alden Ehrenreich and Emmy Rossum. Praise for *Beautiful Creatures*: 'This novel has been generating Twilight-level buzz.' - Teen Vogue About the authors: @kamigarcia is a superstitious American southerner who can make biscuits by hand and pies from scratch! She attended George Washington University and is a teacher and reading specialist. She lives in Los Angeles, California with her family. @mstohl has written and designed many successful video games, which is why her two beagles are named Zelda and Kirby. Beautiful Creatures (Book 1)

Two families are united—and torn apart—by the Civil War in these three dramatic novels by the #1 New York Times—bestselling master of the historical epic. In *North and South*, the first volume of John Jakes's acclaimed and sweeping saga, a friendship is threatened by the divisions of the Civil War. In the years leading up to the Civil War, one enduring friendship embodies the tensions of a nation. Orry Main from South Carolina and George Hazard from Pennsylvania forge a lasting bond while training at the United States Military Academy at West Point. Together they fight in the Mexican-American War, but their closeness is tested as their regional politics diverge. As the first rounds are fired at Fort Sumter, Orry and George find themselves on different sides of the coming struggle. In John Jakes's unmatched style, *North and South* launches a trilogy that captures the fierce passions of a country at the precipice of disaster. In *Love and War*, the Main and Hazard families clash on and off the Civil War's battlefields as they grapple with the violent realities of a divided nation. With the Confederate and Union armies furiously fighting, the once-steadfast bond between the Main and Hazard families continues to be tested. From opposite sides of the conflict, they face heartache and triumph on the frontlines as they fight for the future of the nation and their loved ones. With his impeccable research and unflinching devotion to the historical record, John Jakes offers his most enthralling and enduring tale yet. In *Heaven and Hell*, the battle between the Mains and Hazards—and Confederate and Union armies—comes to a brilliant end. The last days of the Civil War bring no peace for the Main and Hazard families. As the Mains' South smolders in the ruins of defeat, the Hazards' North pushes blindly for relentless industrial progress. Both the nation and the families' long-standing bond hover on the brink of destruction. In the series' epic conclusion, Jakes expertly blends personal conflict with historical events, crafting a haunting page-turner about America's constant change and unyielding hope. This "entertaining [and] authentic dramatization" (The New York Times) is a thrilling tale of shifting loyalties, set during one of the darkest moments in American history.

The North and South Trilogy

Thomas Lichauco was born in about 1813 in China. He married Cornelia Laochangco (1819-1900) in 1836 in Manila, Philippines.. They had five children. Ancestors, descendants and relatives lived mainly in China, Philippines and Hong Kong.

Beneath the Banyan Tree

Follows the historical saga of the Crown family, German immigrants who settle in Chicago, as they participate in the events of the early twentieth century

American Dreams

From the #1 New York Times–bestselling author of *North and South*: The first in a saga about a German immigrant and his family's rise in 20th-century America. The tide of the twentieth century is rising upon the world, and on its crest rides the Crown family. Young Pauli Kroner, freshly arrived in America from the streets of Berlin, makes his way to the mansion of his millionaire uncle in Chicago, looking to fulfill his dreams. His uncle, Joe Crown, is a self-made brewery tycoon who rules his domain with an iron hand—especially when it comes to his own family of defiantly rebellious children and a wife yearning for her own liberation. In this new world, Pauli will rise as his own man and find his destiny in the early days of motion pictures. Surrounded by relations close and distant, proud and vengeful, each struggling to find themselves at the dawn of a new era, he will witness and experience the violence of the Pullman Strike, and find love in the arms of a woman who can never be his as he follows the march of history, intertwined with such figures as the audacious Theodore Roosevelt, the ruthless Thomas Edison, the fading western icon Buffalo Bill, and many more. Named a New York Times Notable Book, *Homeland* is a “first-rate historical . . . chock-full of fascinating period detail, [Jakes's] captivating story brings to life the sounds, smells and tastes of turn-of-the-century America in a manner comparable to Michener's *Hawaii* and Doctorow's *Ragtime*” (Publishers Weekly). This ebook features an illustrated biography of John Jakes including rare images from the author's personal collection.

Homeland

DIVThe Main and Hazard families clash on and off the Civil War's battlefields as they grapple with the violent realities of a divided nation /divDIV America's master storyteller continues his reign with *Love and War*, a story steeped in passion and betrayal. With the Confederate and Union armies furiously fighting, the once-steadfast bond between the Main and Hazard families continues to be tested. From opposite sides of the conflict, they face heartache and triumph on the frontlines as they fight for the future of the nation and their loved ones. With his impeccable research and unfailing devotion to the historical record, John Jakes offers his most enthralling and enduring tale yet./divDIV /divDIVThis ebook features an illustrated biography of John Jakes including rare images from the author's personal collection. /div

Love and War

Jonathan Kent hasn't been Superman for long, but he's upset some powerful people with his heroism. And the underground news source known as the Truth is helping Jon open his eyes to evils in the world that could be more powerful than the new Man of Steel. Continuing the brand-new saga of Superman from Tom Taylor, the writer of *Nightwing*, and John Timms, artist on *Future State: Superman of Metropolis*.

Superman: Son of Kal-El (2021-) #3

The first three novels in a sweeping American epic from the #1 New York Times–bestselling author who “makes history come alive” (Nelson DeMille). This multigenerational saga follows the Kent family and their pursuit of a foothold and future in the expanding United States. From the family's initial journey traveling to America's shore to their voyage to the Western frontier, their fate is intertwined with the course of American history in these first three volumes of the series. *The Bastard*: Denied his birthright as the illegitimate son of the Duke of Kentland, Philippe Charboneau seeks a new life in London, where he meets Benjamin Franklin and reads the works of patriot firebrand Sam Adams. Inspired by such brave new ideas, he travels to the American colonies at the brink of the Revolution. There he will choose his own name—Philip Kent—and finally decide his own fate. *The Rebels*: Philip Kent fights as a Continental soldier at the Battle of Bunker Hill. In a bold move, he has taken up arms for the future of his new family. Spirited and unwavering in his dedication to his adopted homeland, Philip fights in the most

violent battles in America's early history. But far from the front lines, another battle rages that will sweep his wife, Anne, on her own perilous journey that may destroy all Philip has fought for. **The Seekers:** Returning from fighting valiantly on the frontier, Abraham Kent—son of Philip and Anne—returns to Boston, only to realize that he cannot abide the confines of civilization. Determined not to live in his father's shadow, he takes his young bride and settles on the American frontier. But the life of a pioneer comes at a high price, and the cost of Abraham's restless ambitions may be more than he can bear.

The Kent Family Chronicles Volumes One Through Three

In the late nineteenth century, Newport, Rhode Island - with its giant marble mansions, lavish dinner parties, and vicious social climbing - is a summer playground of the very rich. Into this rarefied world comes infamous railroad mogul and robber baron Sam Driver. He wants his beautiful daughter to have the best Newport has to offer - even if that means breaking all the rules... John Jakes brings his formidable writing talent to bring to life an America of the 1890s, an era where outrageous opulence masked society's dark underbelly.

Flashing Swords!

They were young, popular, the perfect couple—an all-American boy and a beautiful cheerleader. But the youthful passion that led them to Lookout Park that terrible evening would prove fatal. For Richie Walters the end came swiftly, as death descended upon him in a savage orgy of horrific violence. Elaine Murray would live long enough to learn just how lucky her boyfriend had been . . . Two brutal slayings have rocked a stunned city. But the murders are merely the nightmare's beginning, flinging open a terrifying Pandora's box of sordid secrets and dark revelations more deadly than the bloodlust that lives in the rock-hard heart of a killer.

The Gods of Newport

The conclusion of the epic historical family saga from the #1 New York Times—bestselling author and “superb storyteller” (The Columbus Dispatch). In the final installment of the Kent Family Chronicles, the remaining Kents seek to fulfill Philip Kent's original American dream. As Gideon Kent's health deteriorates, he fears for the future of his family. Their dynasty, now in ruins, stands as a tarnished symbol of all the Kents have lost in the unstable years of war and expansion. It falls to young Will to bring the family together—a task of epic scope. Only expert storyteller John Jakes could craft such a gripping finale to this beloved family saga, bringing the Kents' drama—and the nineteenth century in America—to its riveting conclusion. This ebook features an illustrated biography of John Jakes including rare images from the author's personal collection.

Heartstone

The Teen Titans are back! Red Robin, Wonder Girl, Beast Boy, Raven and Bunker-the Teen Titans are out to make a name for themselves in New York City. Stepping out from the long shadows of their adult superhero mentors, the team is enjoying newfound fame. From Internet stardom to underground concerts thrown in their honor, the Titans are the talk of the town. But not all the attention is positive. A new threat named Algorithm, an unstoppable woman with impossible technological enhancements, is testing the team with attacks across the city. Connecting each incident is one common thread: S.T.A.R. Labs. Someone at the scientific research company is hiding something, and this mysterious techno-villain is determined to bring it to light-even if it means tearing every one of their New York facilities down to the ground! Acclaimed writer Will Pfeifer (RED HOOD AND THE OUTLAWS, CATWOMAN) and artist Kenneth Rocafort (RED HOOD AND THE issues #1-7).

The Americans

From author and artist John Byrne comes another perspective on the development of both Superman and Batman that begins in 1942 and progresses right through to 2019.

Teen Titans

Welcome to Teen Titans Academy! Packed with both new, super-powered teens and numerous dark secrets, Teen Titans Academy's student body includes Shazam; a new Australian speedster; a trio of Goth(am) teen expatriates obsessed with Batman-and one member of this first class will become the deadly Red X. Original New Teen Titans including Nightwing, Starfire, Raven, Cyborg, and Beast

Boy take on the role of teachers and mentors for superpowered teens. Their goal: to shape the next generation of heroes.

Superman & Batman Generations 2

Charleston follows the lives, loves and shifting fortunes of the unforgettable Bell family from the American Revolution through the turbulent years to the Civil War and the savage defeat of the Confederacy. Delving into American history as only he can, John Jakes paints a powerful portrait of the Charleston aristocracy who zealously guarded their privilege and position, harbouring dark family secrets that threatened to destroy them all.

Teen Titans Academy (2021-) #1

WINNER OF THE CWA GOLD DAGGER AWARD 2019 FOR BEST CRIME NOVEL OF THE YEAR
'Fantastic' Martina Cole 'Dark, sharp and compelling' Peter James 'A thrilling curtain raiser for what looks set to be a great new series' Mick Herron A serial killer is burning people alive in the Lake District's prehistoric stone circles. He leaves no clues and the police are helpless. When his name is found carved into the charred remains of the third victim, disgraced detective Washington Poe is brought back from suspension and into an investigation he wants no part of . . . Reluctantly partnered with the brilliant, but socially awkward, civilian analyst, Tilly Bradshaw, the mismatched pair uncover a trail that only he is meant to see. The elusive killer has a plan and for some reason Poe is part of it. As the body count rises, Poe discovers he has far more invested in the case than he could have possibly imagined. And in a shocking finale that will shatter everything he's ever believed about himself, Poe will learn that there are things far worse than being burned alive ... Find out why everyone loves The Puppet Show 'A page turner' Sun 'So dark and twisty' Elly Griffiths 'A powerful thriller from an explosive new talent. Tightly plotted, and not for the faint hearted!' David Mark 'A gripping start to a much anticipated new series' Vaseem Khan 'Satisfyingly twisty and clever and the flashes of humour work well to offer the reader respite from the thrill of the read' Michael J. Malone 'Britain's answer to Harry Bosch' Matt Hilton 'Dark, disturbing and so very clever. Highly recommended' Anne Cater

Charleston

Dane, a.k.a. Nevermore, came to the academy to become a hero, but circumstance and fate are leading him down a much darker path. To understand their future, the Titans must look into the complicated past of their most mysterious student-and unearth truths that may leave them with an impossible choice.

The Puppet Show

They Could Be Heroes Rise of the Superheroes--Greatest Silver Age Comic Books and Characters is a visual and entertaining adventure exploring one of the most popular and significant eras of comic book history. From 1956 to 1970, the era gave us Spider-Man, The Avengers, X-Men, The Incredible Hulk, Iron Man and a flurry of other unforgettable and formidable characters. The Silver Age redefined and immortalized superheroes as the massive pop culture titans they are today. Lavishly illustrated with comic book covers and original art, the book chronicles: • The new frontier of DC Comics, with a revamped Batman, Superman and Wonder Woman, and new characters including Hawkman • Marvel's new comics featuring Thor and The Fantastic Four • The pop art years that saw Batman's "new look" and the TV series • Independent characters, including Fat Fury and T.H.U.N.D.E.R. Agents • Spotlights new and re-imagined superheroes, like Wonder Woman, who have become central to modern pop culture • Includes values of these comics, which are popular with collectors Thanks to the Silver Age, superheroes are bigger and badder than ever.

Rise of the Superheroes

In this sixth novel of the Immigrants series, matriarch Barbara Lavette continues to surprise family and friends as she fights for justice and finds love again.

North and South

The Superman Files reveals the secret life of the man named Clark Kent and the world of the greatest superhero. It's a comprehensive account of his history, employing clippings from the Daily Planet, journal entries, surviving artifacts from Krypton, schematics for the Fortress of Solitude and other technology, files from Stryker's Island Prison, as well as hundreds of "photographs" of Superman's enemies and allies culled from modern Superman comics. The Superman Files offers a complete, in-depth life story of the Man of Steel, from his birth on Krypton as Kal-El through his present, as Clark Kent and Superman, and even onward into the future. One thousand years from now, a group of superpowered teenagers is inspired by Superman's legacy. They band together and form the Legion of Super-Heroes, a crime-fighting group dedicated to protecting the citizens of the United Planets. One of these teens is Brainiac 5, a highly intelligent descendant of Superman's arch foe, the original Brainiac. Like many people in the 31st Century, members of the Legion idolize Superman. They frequent the Superman Museum and marvel at tales of his past. A few of them even travel back in time to Clark Kent's teenage years. They recruit him to their team, thereby jumpstarting the adventures of Superboy, the Boy of Steel. In a future without precise records of the 21st Century, Brainiac 5 takes it upon himself to compile a tribute to his hero and friend. Collecting accounts from a myriad of sources, he compiles the universe's greatest historical record of the life and times of the Man of Steel. The Superman Files chronicles seventy-five years of adventures in one easy-to-understand history of the Last Son of Krypton. Appealing to Superman fans of any age—from new collectors just starting out with the New 52 to longtime readers who have followed the character from his very first adventures—there is something for everyone. With a modern tone and a deep respect for his legacy, The Superman Files is not only entertaining, but it is also a complete and thorough history of the Man of Steel. SUPERMAN and all related characters and elements are trademarks of and © DC Comics. (s13)

An Independent Woman

ÒInto the BleedÓ part one! RavenÕs soul-self has been trapped in ÒUnearthÓ for months, and the team finally figures out a way to return and save their teammate. Not only that, but the formerly fictional fantasy realm holds a crucial key to finally unlocking the mystery of the Source Wall energyÑso they may be saving the entire Earth in the process! Only one problem: the Blood Cult may have beaten them to it.

The Superman Files

Georgia, 1864: Sherman's army marches from Atlanta to the sea. In its path, the charming old city of Savannah where the Lester ladies - attractive widowed Sara and her feisty twelve-year-old daughter Hattie - struggle to save the family rice plantation. When Sherman offers the conquered city to President Lincoln as "a Christmas gift\

Titans (2016-2019) #33

Cade has never met his uncle, the infamous 'descender' Nate Quarter, who years ago committed heresy by lowering himself over the cliff-face of the Edge. But Nate has returned, and the Academy of Flight are looking for revenge against all of his supporters - including Cade. So now he has to run. With no money and nowhere else to go, Cade's only option is to stow away aboard the Xanth Filatine, a mighty sky-ship bound for the city of Hive. But getting onto the ship is only the beginning of his troubles as he runs afoul of thieving goblins, brutal skymarshals, and the unpleasant-sounding threat of skyfiring. Stewart and Riddell return to the world of the Edge Chronicles with the first in a brand new series of adventures starring Cade Quarter.

Savannah, Or, A Gift for Mr. Lincoln

An intimate early novel from James A. Michener, now remembered as the beloved master of the historical epic, *The Fires of Spring* unfolds with the bittersweet drama of a boy's perilous journey into manhood. David Harper is an orphan, seemingly doomed to loneliness and poverty. As an adolescent con artist and petty thief, David spends his days grifting at an amusement park, the place where he first learns about women and the mysteries of love. Soon he discovers that his longing to embrace the world is stronger than the harsh realities that constrain him. Featuring autobiographical touches from Michener's own life story, *The Fires of Spring* is more than a novel: It's a rich slice of American life, brimming with wisdom, longing, and compassion. **BONUS:** This edition includes an excerpt from James A. Michener's *Hawaii*. Praise for *The Fires of Spring* "A warm-hearted, readable story, crammed with lively incident and remarkable characters."—*The Atlantic* "Heartfelt . . . immensely readable . . . Michener is a born writer."—*The New York Times* "Michener is a gifted storyteller."—*Kirkus Reviews* "Brilliantly done."—*Library Journal*

Edge - The Nameless One

An American release of an award-winning debut novel from Israel finds epilogist Ben Mendelssohn committing suicide after the death of his beloved wife and encountering a curious material afterlife where he reconnects with long-departed family members but cannot find his wife.
