A Question of Faith

This is a book about an amazing journey of faith. It compares the lessons of the Bible with lessons in the life of the author, challenging her to step out in faith and meet God face to face. The lessons are appropriate for all ages, and are applicable to each individual reader, regardless of where they are in their relationship with God. This book will challenge the reader to examine their own relationship with God and learn to develop a level of faith beyond what they ever thought possible.

A Question of Faith

It's natural for you to have questions about Christianity. What does Jesus really have to offer in a world that is so complicated, where there's so much pain? What difference could he possibly make in your life? For years Cliffe Knechtle has been fielding questions about and objections to Christianity from thousands of people. They want to know what you want to know--what does Jesus have to do with the real world, with real life? In this book Knechtle provides the answers to some of the toughest questions you have, including Don't all religions teach the same thing? Why do Christians try to impose their morality on others? What is so valuable about life? What is God's answer to evil in the world? Why can't people seem to get along with each other? Why is forgiving others so difficult? Isn't God kind of old and boring? How do I know I can trust Jesus? I still have some doubts. Can you help me believe? Life isn't easy. And what Knechtle offers you in this book are not pat answers. Rather, they are direct responses to real people with real questions. If you have questions about Christianity, Help Me Believe will grapple with them squarely, honestly and helpfully.

Help Me Believe

Many are no longer content with being told, Memorize this list of what Christians believe. There will be a test. Cueni addresses these concerns by posing broad philosophical questions and then presenting open-ended and non-technical introductions to many core Christian ideas such as atonement,

ecclesiology, and prayer. This is an excellent resource for new member classes, adult Sunday school curriculum, a sermon series, or for personal investigation into understanding the Bible and the faith.

Questions of Faith for Inquiring Believers

Rueben P. Job, author of *Three Simple Rules*, brings us a new insight on how to live a Christ-like life and explores the three most basic and profound questions at the center of our faith—questions that all major religions try to answer and around which there seems to be much confusion: Who is God? Who am I? Who are we together? In three brief and engaging chapters, readers will explore these questions and gain new understanding of the answers: Know that God is greater than you can imagine Believe that you are God's beloved child Be the love of Christ in the world They will also discover the greatness and goodness of God, the value of every beloved child of God, and the impact we can have in the world when we live as Jesus lived. Each chapter concludes with a simple spiritual practice to help readers remember and respond to what they have read, followed by a prayer. Now it is time for you to know, believe and become the answers. In its first paragraphs, *Three Simple Questions* triggered my hunger for hope. I hung on each word thereafter. By the time I finished my reading, I was filled to overflowing. I was drawn deeper by the notion of a God too small. Prayer as the place where we receive our identity was profound. I cheered with the truth that God loves all. I was intrigued by the imagery of my being a "holy chalice." The three daily practices are refreshing and engaging. In short, the read filled me with grace. —Bishop Sharon Brown Christopher

Three Simple Questions

Who is God? Who is the Creator? Who is the Christ? What is Salvation? Who is God the Spirit? What is the Church? What is Baptism? What is our future? *Loving the Questions* is a series of reflections on the questions raised by the Nicene Creed, a fourth-century statement of the Christian faith still used regularly in worship in churches around the world. Taking us through the creed step-by-step, Marianne Micks not only poses the questions most asked by contemporary Christians, but also teaches us to delight in the questions themselves. Faith accompanied by doubt, she believes, is far healthier than faith that never asks "why?" In short, accessible chapters Micks informs us of the historical background of the Nicene Creed and reminds us of the creed's theological, communal, and personal relevance today.

Loving the Questions

In these pages, EWTN host and Franciscan Friar Fr Andrew Apostoli reflects on each of the questions asked by Jesus and gently guides you into a deeper understanding of the wisdom of who He is and what He is asking of you. Among the many questions you'll explore are . . . Why were you looking for me? Learn what this answer says about the presence of Jesus in your spiritual life. What do you seek? Discover why Holy Mass is the key to knowing this answer. O woman, what have you to do with me? How this question tests your faith, and why the salvation of your soul may depend on how you answer it. Why are you afraid? Have you no faith? Learn how prayer is the key to fully knowing this answer. Who do you say the Son of Man is? Discover how this question was crucial in granting authority to Peter and the Apostles. Who do you say that I am? Why recognizing Jesus as your Lord is in itself insufficient. Will you also want to leave? Learn how this question is key to knowing how to persevere in the spiritual life. Do you know what I have done for you? Discover it is imperative that you live by the corporal and spiritual works of mercy. What would a man offer in exchange for his soul? The three things you must offer to Jesus to attain eternal life. Could you not watch one hour with me? The inevitable dangers we will face if we don't pray. Do you love me? How the reconciliation of Peter and Jesus should give us courage and fortitude.

Answering the Questions of Jesus

The question, Why you, Why me? If this is something you have asked yourself then this book is for you. What shaped your faith, who told you the way things should be, or how to believe? This book will open you up to see the twist and turns of the whole thing. Ask yourself what did I truly learn from the world, from myself, and from the Highest. Whom do I worship and when did that begin? I believe you got this. Take a deep breath and let's begin.

A Twisted Kind Of Faith

The Christian gospel says to us, "Here is the One who can deliver you! Here is the One who can save you. Follow him, and you can live. He will lead you to commitment, to love, and to life." I believe that with all of my heart, but I also know that there are still a number of tough questions we grapple with daily in these challenging times. How does faith help us when problems arise? How does the Christian faith strengthen us when suffering or tragedy or heartache explodes into our lives? How does the Holy Spirit help us? Did Jesus really mean for us to love everybody? In this hectic world, with so many things crying out for our allegiance and support, whom can we trust? Faith is the answer, of course, but still...what are the questions? And how do we respond to them honestly, creatively, and redemptively? That is the adventure before us. These, and other questions, we will deal with in this book. —James W. Moore, adapted from the introduction This book includes a study guide. JAMES W. MOORE, popular speaker and preacher, is the author of *Yes, Lord, I Have Sinned, But I Have Several Excellent Excuses*; *God Was Here, and I Was Out to Lunch*; *When Grief Breaks Your Heart*; *There's a Hole in Your Soul That Only God Can Fill*; and many other books. He and his wife, June, live in Fairview, Texas.

Faith Is the Answer, But What Are the Questions?

"Will He plead against me with His great power? No, but He would put strength in me." Job 23: 6. No doubt Job meant to say that if God would allow him to argue his case before Him, it was his belief that God, so far from taking advantage of His superior strength in the controversy, would even strengthen him, that the controversy might be fair and that the judgment might be unbiased. "He would not plead against me with His great strength. In this blessed text, based on the book of Job, Pastor Charles Spurgeon will teach us a message of faith.

Dear God, I Have a Question

For centuries, the life of Jesus Christ has divided human history into two eras: the before and the after. Who He is, what He said, what He did, and what was done to Him—these are, without a doubt, among the most dissected, discussed and debated subjects ever. Jesus fielded many questions. Some were from sincere seekers of truth; others were from devious manipulators of truth: "Which is the great commandment in the Law?" "What must I do to inherit eternal life?" "Why do your disciples break the tradition?" "Who gave you this authority?" Often, Jesus answered a question with a question. Jesus' skill went beyond rhetoric to challenge ideas, inflame faith, and spur action. Jesus asked the rich young

ruler, “Why do you call me good?” When questioned about taxes, Jesus held up a coin and asked, “Whose likeness and inscription is this?” Before revealing His divine identity to the disciples, He asked them, “Who do you say I am?” The answer to that question makes all the difference. This book is full of questions about Jesus. The answers are based on what Jesus said about Himself and what the Holy Spirit inspired the biblical writers to record.

Questions about Jesus Christ

Questions! Questions! Questions! Children are full of them. Where did I come from? What is God like? Is there only one God? The Big Book of Questions and Answers is a family guide to the Christian Faith. It contains a wealth of activities, prayers, and Bible references. These interactive resources will bring families closer together as they learn about the Christian faith.

Big Book of Questions and Answers about the Christian Faith

We live in a skeptical age. People—especially young people—express doubts about Christian faith. In this thoughtful eight week study Bishop Scott Jones, author of *The Wesleyan Way*, partners with his son Rev. Arthur Jones, to address hard questions that all of us face when considering faith, religion, and the church. The questions include: Can only one religion be true? Why is there suffering and evil? How can I believe in science and creation? How can I believe in a God I can't prove? Can I trust the Old Testament? Are marriage, sex, and family life religious issues? Was Jesus' resurrection real? Why do Christians disagree about so many things? The message is strong and clear: Don't let your questions stop you from accepting God's invitation to faith. Engage your doubt, and you may find you are closer to God on the other side.

Ask

Every person in the world has felt the influence of the Holy Spirit at one time or another. For some, it's the conviction of “sin and righteousness and judgment” (John 16:8). For others, it's the comfort, guidance, and strength He gives. To some, the Spirit is as mysterious and unknowable as a night wind passing through the treetops. To others, He is as close and inviting as a friend across the table. But even those who know the Holy Spirit personally have questions about Him. As Oswald Chambers said, “The Spirit is the first power we practically experience, but the last power we come to understand.” That's the reason for this book. What gifts does the Spirit give? How can I be filled with the Spirit? Will the Spirit ever leave me? We've received all these questions and more since GotQuestions.org was founded in 2002. To find the answers, we opened the Bible, the one book inspired by the Holy Spirit Himself. In searching the Scriptures, we learn of the Spirit's nature, His work, and His will. May the Holy Spirit use the questions and answers in this volume to increase your awareness of His presence, encourage your heart, and empower your faith.

Questions about the Holy Spirit

A short, readable book that explains clearly and simply what the Bible says about doubt and assurance. Many Christians experience times of doubt and uncertainty. At various times we can ask: Does God love me? Am I really a Christian? - and even: Is there a God at all?! This short, readable book unpacks the difference between good and bad doubt, shows us where it comes from and how to deal with it in ourselves and others. It explains clearly and simply the liberating reality of what the Bible tells us about doubt, assurance and the Christian life.

How can I be sure?

Would a loving God really send people to hell? Can we really trust what the Bible says? Is Jesus really the only way to heaven? Becoming a Christian does not mean that all of the questions about faith are instantly answered. In fact, more questions are likely to follow. However, not having knowledge about certain issues can dampen your faith and rob you of the joy that comes from confidently sharing it with others. *10 Questions Every Christian Must Answer* provides responses to the toughest conversations regarding one's inward faith as well as the outward expression of it and is relevant to new believers and longtime Christ followers alike. Led by respected scholars Elmer Towns and Alex McFarland, readers can be sure this content is backed by sharp minds, deep thinking, and the unchanging Word of God.

10 Questions Every Christian Must Answer

We often think of Jesus as someone with all the answers. But over and over in scripture, he asks questions, seeking to engage with people and genuinely interested in their responses. Matthew Croasmun challenges readers to consider this book as an experiment--an opportunity to see whether God is real. He invites us to enter into conversation with Jesus by answering the questions Jesus asks in scripture. The goal is not to come up with what we think are the right answers but to respond honestly to Jesus' questions. Each chapter of this six-week study contains five readings. Each reading follows this format: A Bible passage with a question Jesus asks in bold type A short reflection designed to help you engage with Jesus' question as he asked it in the Gospels and as he asks it of you now Space for you to continue the conversation with Jesus. Written in a warm, encouraging style, this thought-provoking and imaginative book will certainly give readers entry points into conversation with God, and they may find themselves experiencing a deeper relationship with the divine than they ever thought possible.

Ask the Bishop: Questions and Answers Over the Years

You may think you are a Christian—but are you sure? Jesus' call to follow him is more than an invitation to pray a prayer. It is a summons to lose your life and find new life and ultimate joy in him. In David Platt's book *Follow Me: A Call to Die. A Call to Live* he asks the question, “What did Jesus really mean when he said, ‘Follow me’?” What if we really listened to Jesus' words and heard what he is saying? When people truly engage with Jesus' personal invitation to follow him, everything changes, for he is worthy of all our trust and affections. *What Did Jesus Really Mean When He Said Follow Me?* builds on the message of *Follow Me* to motivate readers to experience our grand purpose: to exalt the glory of God by spreading Christ's gospel—to make disciples who are making disciples. This booklet is a great resource to share with others to discuss crucial faith questions in a personal and grace-filled manner and engage others to be disciple-makers in obedience to Jesus. Ideal for small groups or personal and mass evangelism.

Let Me Ask You a Question

In *A Question of Faith* author Tor Constantino presents one of the biggest questions in life: What religion is best for me to believe? This book poses that very question in a provocative, multiple-choice approach that includes the six major world religions. The author supplies a summarized distillation of each religion, so that the reader has the introductory grounding of each faith tradition. Constantino then adds a unique and original spin by introducing proven, test-taking tactics to help the reader work through the choices and theology. While the author's conclusions may not appeal to everyone, the book presents a fresh approach regarding this fundamental question. The reality is that most people never take the time to really think for themselves when adopting a religion. People usually choose their faith solely on what is culturally relevant to them, what their family believes or community dictates without considering other options. This book strives to encourage the reader to consider the available choices and then provides a helpful process toward selecting the faith that best fits. *A Question of Faith* may anger some and be dismissed as too “one-dimensional” by others, but this powerful and impressive little volume is anything but simple. It is quite simply a precise and actionable guide that sheds light and clarity on one of the most tangled problems in people's lives. In a crowded and competitive faith-based marketplace, it is a rare find to discover a book with such precision, power, and unflinching honesty. *A Question of Faith* is a must read that is sure to please anyone considering their own faith choices, but also anyone looking to grow, deepen, or shore-up their current understanding of religion.

What Did Jesus Really Mean When He Said Follow Me?

****Purchase includes a free online course on faith**** What do you do when the faith you've always known no longer makes sense? That's the haunting, confusing, unexpected question confronting twentysomething Peter Daniel Young after a friend doubts whether Christianity makes sense of life

and has anything to offer. More troublesome yet: the right Christian answers Peter was trained to give since childhood are for questions no one is even asking—including his friend, and even himself. Which leaves him questioning what he's always believed — leading to a crisis of faith the likes of which he has never before experienced. While not abandoning his childhood faith, Peter launches into a journey of exploration and discovery, reimagining faith for his world and questioning what the essence of the Christian message is in the first place. Along the way, he is confronted by rising doubts, encouraged by friends new and old, questioned by those close to him, and challenged to own his faith for himself. What he discovers is all at once terrifying and thrilling — for this story is the drama of his faith's death and rebirth. Written in the self-discovery style of John Green's coming of age stories, with shades of such classics as C. S. Lewis's *Mere Christianity* and John Bunyan's *Pilgrim's Progress*, J. A. Bouma's tale is the first story in a fresh, insightful spiritual coming of age series for a new generation wondering if the Christianity they've always known still matters in these dynamic times — and whether there might be something more to help make sense of life. Drawing from his own spiritual journey as a young adult, Bouma writes a stirring fable of resonance and truth for those wrestling with deep questions of faith, life, and everything in between. Whether you are facing your own crisis of faith and wondering whether Christianity still matters, or you know someone who is struggling themselves, discover along with Peter what the Christian message means for him, his family and friends, his life in the Church — and for you.

A Question of Faith

Hailed as a new classic in faith exploration, this remarkable book offers a rare chance to eavesdrop on a conversation between a believing father and a skeptical daughter about God, faith, and morals. World-renowned theologian Michael Novak accepts a unique challenge when his twentysomething daughter Jana sends him a long fax filled with practical questions about life and religion. His answers -- warm, wise, and unfaltering -- serve as guideposts to faith at a critical time in his daughter's life. For her part, Jana is not interested in a scholarly essay but in straight and honest replies; she challenges what she doesn't understand, and she never hesitates to bat back an answer she doesn't like. The result is a lively, thought-provoking dialogue that addresses the concerns of Jana's generation while also taking on the questions of the ages -- from the purpose of religion in our lives, to how "good" must a Christian be, to the problems of suffering, compassion, and the existence of God. Enacting as it does the difficult passing on of a noble tradition, *Tell Me Why* offers an illuminating path for anyone searching to embrace or deepen their faith.

A Reimagined Faith

I've given thousands of lectures around the country to engaged, thoughtful, curious university and church audiences and have always made it a practice to allow for as many questions as possible. Join me now as I answer scores of questions I've been asked over the decades, including the following: Why are you a Catholic? Why are so many philosophers weird? Why do you feel the need to bring God into everything? What is your favorite method of prayer? Why does the Church resist women's ordination?

Ask Peter Kreeft

What is it that makes you move through life from opportunity to opportunity? Is it faith that inspires you to do things out of the ordinary, or is it fear? Fear is a scary force indeed. If you're standing on a railroad track with a speeding train closing in, what is your reaction? Is it fear that you might die that forces you to move? Is it faith that the train is on a destructive path that causes you to move? Or is it just simple instinct born out of self-preservation? This is not a philosophical book, and I do not want to waste time sorting out the differences. The most important thing I have found in life is that faith makes me do things I thought I could never do, and fear does likewise. In this book, we'll sort out many individuals in the Old Testament who were moved by both forces and yet were still called righteous. They were all on an incredible journey. But where were they going? What were they really seeking? Living by faith is probably the scariest thing you could ever choose to do. Some would say it's the most foolish. In his book, *By Faith And Fear*, Elie takes you through conversations and questions of faith that are designed to challenge, stretch, and inspire. Focusing on contemporary issues and Biblical characters, Elie explains what living a life of faith can cost, but also how it can reap the biggest rewards. *By Faith and Fear* is an excellent read, one that will equip you for your personal faith journey. —Rev. Liz Linssen, pastor of Bethel Community Church, Port Talbot, UK, and author of *Running with God*.

The Top 13 Questions about God

This collection bundles 2 of Mark Mittelberg's nonfiction titles into one e-book for a great value! *Questions Christians Hope No One Will Ask* 2011 Retailers Choice Award winner! "Why are Christians against same-sex people getting married? . . . Why do you believe God exists at all? . . . Why would God allow evil and suffering? . . . Why trust the Bible when it's full of mistakes? . . . How could a loving God send people to hell? . . . What makes you think Jesus was more than just a good teacher? . . . Why are Christians so judgmental?" Some questions can stop a conversation. Today, more than ever, people are raising difficult, penetrating questions about faith, God, and the Bible. Based on an exclusive new Barna survey of 1,000 Christians, *The Questions Christians Hope No One Will Ask* presents compelling, easy-to-grasp answers to ten of the most troubling questions facing Christians today. These include everything from the existence of heaven to the issues of abortion and homosexuality, as well as the question of whether evolution eliminates our need for a God. *Confident Faith* In *Confident Faith*, Mark Mittelberg assures Christians that we can be confident in our beliefs. There's no reason to be timid about what we believe, because our beliefs can stand up to the test. Truth isn't dependent on how a person feels or one's own point of view, as so many assert. On the contrary, we can determine truth through our five senses, and that truth reliably points to a deeper and unseen reality. Mark walks readers through twenty arrows that point towards Christian beliefs: from the intricate design of the universe to archaeological proofs, from the consistent testimony of changed lives to the reliability of the ancient documents of the Bible. After studying these arrows, you'll put this book down with a renewed confidence in what you believe and why it matters for eternity.

By Faith and Fear: When All Else Fails

God created us to be curious. We innately wonder about the world, one another, ourselves, and our Creator. But fear of the unknown, cultural taboos, technology, or even church leaders can smother our curiosity. Popular writer Lore Ferguson Wilbert has belonged to Christian communities that discouraged curiosity. The point of the Christian life was to have the right answers, and asking questions reflected a wavering faith. But Wilbert came to discover that the Bible is a permission slip to anyone who wants to ask questions. Reflecting her own theological trajectory toward a more contemplative, expansive faith, Wilbert invites readers to foster curiosity as a spiritual habit. This book explores questions God asks us, questions we ask God, and questions we ask each other. Christianity is not about knowing good answers, says Wilbert, but about asking good questions--ones that foster deeper intimacy with God and others. *A Curious Faith* invites readers to go beyond pat answers and embrace curiosity, rather than certainty, as a hallmark of authentic faith. Foreword by Seth Haines.

Winner of a second-place award for popular presentation of the faith by the Catholic Media Association. Mallory Smyth has been where many young Catholics are today. But the difference between her and other fallen-away Catholics is that she figured out that when she overlooked the shortcomings of the Church as an institution, she fell in love with Jesus and rediscovered the beauty and truth of her faith. In *Rekindled*, Smyth's raw, relatable account of her own disillusionment and departure is sure to resonate with anyone who has struggled to feel at home in the Church. For anyone who has left the faith or has

one foot out the door, this powerful book just might illuminate a path back home—to a Church that is both holy and in need of perfection. Shallow homilies. Hypocritical authority figures. Trite answers to pressing questions. These and other shortcomings of the Church have led plenty of Catholics to question their faith—or to abandon it entirely. *Rekindled* is for those who have left the Church and those with one foot out the door. Smyth's account of her own disillusionment and departure is relatable and honest. She understands and validates the pain and doubt that many Catholics and former Catholics feel. Smyth also provides you with practical guidance for keeping your faith even when what you encounter in the Church falls short: How to recognize Christ's presence even in the most mediocre Mass experiences. Strategies for finding faithful role models when authority figures let you down. Where to turn when the answers and pastoral guidance you receive don't reach the heart of the issue. How to find fulfillment in Christ and in the community of the saints even when joy seems to be in short supply in the Church.

Somewhere between "Jesus Loves Me" and high school cynicism, the childlike acceptance of pat answers about faith is lost--often forever. But while many parents find this transitional period daunting, they don't want their kids to leave the Christian faith just because they didn't get good answers to how prayer works or whether dinosaurs were on Noah's ark. *Honest Answers* is a discussion book to help parents tackle the God questions that make them sweat. This isn't the place to come for pat answers that will make their kids nod, smile, and disconnect. Janelle Alberts and Ingrid Faro know that when tweens start asking questions, they're already old enough to understand the answers. They're determined to equip parents with the language, theology, permission, and confidence to join in the discussion--and to learn how to offer deeply doctrinal answers in 140 characters or less. The tween years present an incredible opportunity to build trust with kids and to keep them coming back to their parents for answers rather than finding other sources. With the tools and conversational tips here, mom and dad can engage in a hopeful conversation and help their children build a Christian faith to hold them steady their whole lives.

The Gospel in Twenty Questions

Teenagers are tired of vague or nonexistent answers to their tough questions about God, the Bible, and Christianity. Just when they're capable of diving into the deep end of their faith, all too often the church keeps them splashing around in shallow waters. As eight years of Sticky Faith research on teenagers has shown, it's not doubt or hard questions that are toxic to faith. It's silence. The trusted voice of the Fuller Youth Institute and proven best practices from churches around the country converge to provide you with tools both to start conversations about hard questions, as well as to lead students toward discovering their own faith convictions. Designed for use in small groups alongside the *Can I Ask That Student Guide*, these six sessions tackle the following tough questions: Is it wrong to doubt God? Is hell real? How could God send someone there? Can I do something so bad God won't forgive me? Why do bad things happen to good people? Is sex outside marriage wrong? Why is it so awkward to talk about Jesus with my friends?

Honest Answers

Simple Questions to Ask Every Time You Open Your Bible We all know that we should read our Bibles—yet at times we struggle with knowing exactly how, no matter how long we’ve followed Jesus. In this empowering book, Professor Matthew Harmon walks us through two simple sets of questions to ask every time we open our Bibles: Understanding the Bible: 1. What do we learn about God? 2. Key Questions about Christian Faith

Bestselling Authors Tackle Difficult Issues for Believers and Doubters When it comes to the big questions about God--Is he real? Why are Christians so unlike Jesus? Does he really care about me?--Bruce Bickel and Stan Jantz don't pretend to have all the answers. But they do know how to wrestle with doubt. They welcome questions, and in these pages they ask some of the most important ones you have about God and the Bible. With candor, insight, and a disarming touch of humor, they provide some answers to these critical questions, yet they leave enough space--and grace--for you to keep wrestling, asking, and seeking Truth. There is no shame in asking--after all, even some of the greatest men and women in the Bible had doubts. Don't let your questions go unanswered. What you find might just change your life.
