

high tech high touch by john naisbitt

[#high tech high touch](#) [#john naisbitt](#) [#technology human connection](#) [#future trends](#) [#digital age human interaction](#)

Explore John Naisbitt's influential concept of "High Tech High Touch," which posits that as technology rapidly advances, there's a commensurate and vital need for increased human connection and personal interaction. This profound insight underscores the enduring importance of human-centric approaches in an increasingly automated and digital world, urging us to balance innovation with empathy and genuine human experience.

High-touch - Wikipedia

In High Tech - High Touch, a new book by John Naisbitt and coauthors Nana Naisbitt and Doug Philips, the questions of the next millennium are raised. The authors do not answer these questions, but they urge us to begin discussing them. Where are we taking technology or is it taking us?
