LaShaun Rousselle returns home to Beau Chene, Louisiana, and all hell breaks loose. Ten years ago LaShaun left for Los Angeles to get away from a scandalous past, which included being a suspect in a vicious killing. With whispers about voodoo and how she got away with murder, LaShaun decides to wipe the slate clean and start a new life. She leaves behind the Rousselle family legacy, and her infamous grandmother, Odette, who taught LaShaun too well how to use her psychic powers. Now LaShaun is back in Beau Chene. Monmon Odette is dying, and LaShaun comes home to make peace with her grandmother and the past. She has to fight off greedy relatives out to get Monmon Odette's considerable estate, hostile town folk, and a nasty little demon determined to rule her world. She faces down all challengers with help from sexy deputy Chase Broussard, who puts his reputation on the line because he knows she's not a murderer.

A Darker Shade of Midnight

Psychic LaShaun Rousselle thought she left her troubles behind when she fled Beau Chene, Louisiana. But when she gets news that her grandmother is dying, LaShaun returns. There she confronts a deadly family feud. Even worse, she quickly realizes that the demon she unwittingly unleashed years ago has been wreaking havoc on her small bayou hometown. With a bloodthirsty loa on the loose, LaShaun fights to stop the killing spree and save the town from destruction. But when she becomes a murder suspect, she teams up with the charming and unlikely ally. Not convinced by local superstition and gossip about LaShaun, Vermilion Parish Deputy Chase Broussard is determined to uncover the true culprit. Together, they battle human evil and the forces of darkness that threaten to consume them both. *A Darker Shade of Midnight* is a thrilling tale of magic, mystery, and murder.

LaShaun Rousselle Mysteries Box Set (Books 1-3)

Three thrilling mysteries in one collection. Psychic LaShaun Rousselle and Deputy Chase Broussard hunt killers in the swamps of Vermilion Parish, Louisiana. In *A Darker Shade of Midnight*, LaShaun must stop an evil from the supernatural world and prove she's not a murderer. In *Between Dusk and Dawn*, LaShaun and Chase must stop a serial killer who may or may not be all human. In *Only By Moonlight*, LaShaun fights a cult and has to save Chase when he's controlled by an evil force.

A Darker Shade of Crimson

After Nikki Chase--a smart, ambitious, attractive black economics professor--stumbles over her friend Ella's body during a blackout, she finds herself plunged into the investigation and uncovering some of Harvard's most deeply buried secrets.

The Girl at Midnight

In this dazzling opener to a new fantasy series that Danielle Page, author of *Dorothy Must Die*, calls "inventive, gorgeous, and epic," a girl caught between two ancient peoples must struggle to find the legendary magic that will end the conflict between them. Beneath the streets of New York City live the Avicen, an ancient race of people with feathers for hair and magic running through their veins. Age-old enchantments keep them hidden from all but one human: Echo, a runaway pickpocket who survives by selling stolen treasures on the black market. The Avicen are the only family Echo has ever known, so when a centuries-old war crests on the borders of her home, she decides it's time to act. Legend has it that to end the conflict once and for all, Echo must find the firebird, a mythical entity believed to possess power the likes of which the world has never seen. It will be no easy task, though if life as a thief has taught Echo anything, it's how to hunt down what she wants . . . and how to take it. [STAR] "Sparks fly. . . Will please fans of Cassandra Clare and *Game of Thrones* watchers with its remarkable world building; richly developed characters; and themes of family, power, loyalty, and romance. . . A Darker Shade

'Will burrow under your skin and live forever in your darkest dreams' Bust Joyce Carol Oates assembles a spectacular cast to explore, subvert and reinvent one of horror's most visceral of subgenres. Focusing on distortions of the human body, the fifteen short stories of *A Darker Shade* will delight, disgust and shock you. From the metaphysical horror of a snail trapped in body of a young office worker, to a woman cursed to dance endlessly, her body ravaged and torn, these are stories that confront the inextricable link between physical and mental terror. Featuring brand-new stories by: Margaret Atwood, Raven Leilani, Lisa Tuttle, Tananarive Due, Joyce Carol Oates, Megan Abbott, Aimee Bender, Cassandra Khaw, Lisa Lim, Elizabeth Hand, Valerie Martin, Sheila Kohler, Joanna Margaret and Aimee LaBrie, and Yumi Dineen Shiroma.

Dreams come true, but so do your nightmares ... 'A highly imaginative urban fantasy that offers a twist on the Arthurian legend as it whisks you away to a dream world full of wonder, mystery and nightmarish danger.' Bex Hogan, author of *ISLES OF STORM AND SORROW* Fern King is about to uncover a place that she could not have imagined in all her wildest dreams. Annwn is the dream mirror of our world, a place where Dreamers walk in their slumber, their dreams playing out all around them. An enchanted, mysterious place that feeds our own world - as without dreams, without a place where our imaginations and minds can be nourished, what kind of humans would we be? But Annwn is a place as full of dangers as it is wonders: it is a place where dreams can kill you. Annwn and its Dreamers are protected by an ancient order known as the Knights - and when Fern's hated twin Ollie is chosen to join their ranks, Fern will have to do whatever she can to prove she is one of them too. But the world Fern discovers in Annwn, in this dream mirror of her London, is a fragile one, threatened by vicious nightmares. Nightmares that are harder and harder for the Knights to defeat. Something dark is jeopardising the peace and stability of Annwn, something that must be rooted out at all costs. And gradually, Fern realises that the danger lurking inside our sleep is more insidious and terrifying than any nightmare. Because if you can influence someone's dreams, you can control their thoughts ...

Midnight's Twins

From the critically acclaimed author of *In My Dreams I Hold A Knife* and *The Last Housewife* comes *Midnight is the Darkest Hour*, a gothic Southern thriller about a killer haunting a small Louisiana town, where two outcasts—the preacher's daughter and the boy from the wrong side of the tracks—hold the key to uncovering the truth. For fans of *Verity* and *A Flicker in the Dark*, *Midnight is the Darkest Hour* is a twisted tale of murder, obsessive love, and the beastly urges that lie dormant within us all...even the God-fearing folk of Bottom Springs, Louisiana. In her small hometown, librarian Ruth Cornier has always felt like an outsider, even as her beloved father rains fire-and-brimstone warnings from the pulpit at Holy Fire Baptist. Unfortunately for Ruth, the only things the townspeople fear more than the God and the Devil are the myths that haunt the area, like the story of the Low Man, a vampiric figure said to steal into sinners' bedrooms and kill them on moonless nights. When a skull is found deep in the swamp next to mysterious carved symbols, Bottom Springs is thrown into uproar—and Ruth realizes only she and Everett, an old friend with a dark past, have the power to comb the town's secret underbelly in search of true evil. A dark and powerful novel like fans have come to expect from Ashley Winstead, *Midnight is the Darkest Hour* is an examination of the ways we've come to expect love, religion, and stories to save us, the lengths we have to go to in order to take back power, and the monstrous work of being a girl in this world. "Where *The Crowds Sing* meets *Twilight* meets *Thelma and Louise* in

this brilliantly realized, totally original thriller. Absolutely sensational—I couldn't put it down." —Clare Mackintosh, New York Times bestselling author

The Darker Side of Midnight

Hush . . . don't make a sound . . . not the slightest peep . . . hold your breath . . . the dark can be a dangerous place. If you listen closely, you can hear the whispers. They say, "Once you pick up this book you'll never want to put it down. Billy Van has given birth to a modern masterpiece of terror . . . a compendium . . . a trove. He challenges every fear known to man, and writing it was not easy. Ghosts, ghouls, vampires, werewolves, sycophants, serial killers, demonic entities . . . the list goes on and on." Prepare yourself . . . just don't read these macabre and grotesque tales in the dark. Don't say I didn't warn you.

Winner of the 2004 RITA for Paranormal Romance! The only man she would ever love was more fascinated by the dead than he would ever be with her. Eve Abernathy calls on Lucien Thorpe to assist in ridding her house of the ghosts who haunt it, the amorous ghosts who replay their violent deaths night after night. She tells herself, time and again, that she would never ask for Lucien's help if there was any other option. After all, she has not forgiven him for leaving her waiting at the altar, two years earlier. Lucien still loves Eve, still wants her, but she refuses to listen to reason. He didn't forget her, he simply got engrossed in his work and let a day slip by, and it appears that she will never forgive or forget. Always different, always the odd man out, he knows Eve is the only woman for him. As Lucien and Eve work together to send two earthbound spirits to the other side, they rediscover love. They also uncover a murder mystery that threatens not only their happiness, but their very lives.

A Gathering Midnight

Darker Gifts is a journey book of poetry, prose, and photography. However, unlike ROADMAN, it is a psychologically dark trek. Based on the loss of the author's entire family 4 years ago, it is a deep and macabre "road" for the reader--a road that--just like ROADMAN--leads to a new sense of self-realization and epiphany, another form of enlightenment.

In an eerie country house, a cruel old man is decapitated. When Peter Coffin's mysterious great-uncle Tobias summons the family to his manor in the wilds of Michigan, his aunt warns him to stay away. Peter goes anyway, arriving at the edge of the sprawling estate well after midnight. Wading through the muck in the darkness, he passes a fearsome figure on the road, and when he arrives at the front door, he is greeted by cousins bearing shotguns. An ax-murdering madman is on the loose, but just as dangerous are the creatures Peter will encounter inside the house: his family. When old Tobias is murdered, both his head and his will go missing. The police suspect the ax killer, but Peter knows better. After all, if there is one thing his aunt has taught him, it is that you should never trust a Coffin.

Platypus

In 1798, the governor of Australia, John Hunter, came across an odd-looking animal. It was unlike anything he had ever seen. Curious as to the identity of the mysterious creature, he shipped the strange animal to scientists in Great Britain so they could study it. At first, the scientists thought the animal was a hoax. No real animal could look so bizarre. Was it a fish, a bird, or a mammal? No sooner did scientists determine that this rare animal was indeed real than a new set of questions arose that would take scientists over a century to answer. In *Platypus: A Century-long Mystery*, kids follow the work of scientists as they study the platypus and attempt to unravel the mystery surrounding the animal's identity. Large, full-color photos and a narrative text will keep readers turning the pages for more.

The Great Caper Caper

Filmatised in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

"The Protocols of the Elders of Zion" is almost certainly fiction, but its impact was not. Originating in Russia, it landed in the English-speaking world where it caused great consternation. Much is made of German anti-semitism, but there was fertile soil for "The Protocols" across Europe and even in America, thanks to Henry Ford and others.

This book is an in-depth analysis of three of the most crucial years in twentieth-century Italian history, the years 1943-46. After more than two decades of a Fascist regime and a disastrous war experience during which Italy changed sides, these years saw the laying of the political and cultural foundations for what has since become known as Italy's First Republic. Drawing on texts from the literature, film, journalism, and political debate of the period, Antifascisms offers a thorough survey of the personalities and positions that informed the decisions taken in this crucial phase of modern Italian history.

Charley Boorman is back on his bike exploring the world's second largest country - home to some of the most stunning and challenging terrain known to man. Canada is a country of extremes, and Charley knows all about pushing the limits. He goes dirt biking in New Brunswick, dives through old shipwrecks in Tobermory and rides along Butch Cassidy's old Outlaw Trail. He also meets a fascinating mix of people on his journey. As he heads across Canada, he plays ice hockey with a legend of the game; spends a day as a Mountie cadet and nearly meets a ghost in Winnipeg . . . Written with Charley's trademark enthusiasm and humour, Extreme Frontiers is fast-paced, hugely entertaining and packed with adventure (and rather a lot of mosquitoes).

In this imaginative interpretation of the nursery rhyme “The House That Jack Built,” young Jack builds an amazing fort in the middle of the living room, using the chairs, blankets, and other objects on hand. Unfortunately, those objects belong to his family members, so when they want their things back—there goes the walls and roof! Jack struggles to keep his fortress going as it crumbles piece by piece. Finally, Grandma saves the day with her quilts for a sweet, satisfying ending filled with family fun. Boni Ashburn’s text is brought to life by acclaimed illustrator Brett Helquist, whose lively style takes this tale beyond the living room and into the world of adventure.
