ADA Super 4 used as a substrate additive

ADA Power Sand Special M is used as base substrate

ADA Amazonia LIGHT soil was used as main substrate

Driftwood and Seiryu stone was used for the hardscape

Zip ties were used to fix the driftwood firmly

Supporting stones were added to the hardscape

Small stones were inserted deep in the soil to prevent it from sliding down

Fixing the wood to the stone top

Spraying water on the soil before planting

Water Aquatics Tissue cultured plants were used

Micranthemum umbrosum Monte Carlo

Pogostemon helferi

Glossostigma elatinoides

Hydrocotyle Tripartita 'mini

later was filled a bit to prevent the carpet plants from drying up

Vesicularia Montagnei Christmas Moss'

Glue was used to fix the moss to the wood and stone

Alternanthera reineckii 'Mini'

Rotala sp. 'Fujian

Rotala rotundifolia 'Pink'

Myriophyllum sp. "Guyana"

Ludwigia sp 'Super Red'

Filling up the tank

certain plants were added

The Spanish Cavalier

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The Spanish Cavalier: A Story of Seville

This collection of literature attempts to compile many of the classic works that have stood the test of time and offer them at a reduced, affordable price, in an attractive volume so that everyone can enjoy them.

The Spanish Cavalier a Story of Seville

"The Spanish Cavalier" from Charlotte Maria Tucker. Writer and poet for children and adults, who wrote under the pseudonym A.L.O.E., a Lady of England (1821-1893).

The Spanish Cavalier: a Story of Seville

DigiCat Publishing presents to you this special edition of "The Story of Seville" by Walter M. Gallichan. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

The Spanish cavalier

Reproduction of the original: The Cockatoo s Story by Mrs. George Cupples

The Spanish Cavalier a Story of Seville

Vols. for 1871-76, 1913-14 include an extra number, The Christmas bookseller, separately paged and not included in the consecutive numbering of the regular series.

The Spanish Cavalier

Vols. for 1871-76, 1913-14 include an extra number, The Christmas bookseller, separately paged and not included in the consecutive numbering of the regular series.

The Spanish Cavalier. A story of Seville. By A. L. O. E., etc. [i.e. Miss C. Tucker.]

This book delves deep into the historical event known as the twelfth siege of Gibraltar, fought between September 1704 and May 1705 during the War of the Spanish Succession. The members of the Grand Alliance, including the Holy Roman Empire, England, the Netherlands, Pro-Habsburg Spain, Portugal, and Savoy, had joined forces to prevent the unification of the French and Spanish thrones by supporting the claim of the Habsburg pretender Archduke Charles VI of Austria as Charles III of Spain. They were opposed by the rival claimant, the Bourbon Philip, Duke of Anjou, who ruled as Philip V of Spain, and his patron and ally, Louis XIV of France. The war began in northern Europe and was largely contained there until 1703, when Portugal joined the confederate powers. From then on, the English navy focused on mounting a campaign in the Mediterranean to distract the French navy, disrupt French and Bourbon Spanish shipping, or capture a port for use as a naval base. The capture of Gibraltar was the outcome of that initial stage of the Mediterranean campaign.

The Spanish cavalier, by A.L.O.E.

The King's Son, or, A Memoir of Billy Bray. Compiled chiefly from his own memoranda. 25th edition. This book, "The Kings Son, or, A Memoir of Billy Bray," by F. W. Bourne, is a replication of a book originally published before 1887. It has been restored by human beings, page by page, so that you may enjoy it in a form as close to the original as possible. This book was created using print-on-demand technology. Thank you for supporting classic literature.

The King's Son: a Romance of English History

This is a story about a young boy and girl who discover that the greatest joy flows from the King and His Son. When the young boy ventures from his home to search for a way to help his papa, who is in trouble and needs a miracle, he finds the path to a new life he hasn't known before. Not knowing where to turn the boy sets out on a journey away from his village hoping that someone could help him. He finds a young girl across the valley that tells him about the Great King living on the mountain. She tells the boy about her friendship with the King's Son, but the boy is not sure the King's Son will accept him. The girl lets the boy know that the King's Son accepts everyone who wants to know Him. Together they discover the value of faith, family and friendship. These two adventurers not only become friends with one another, but also experience the awesome love the King has for all people and the sacrifice the King's Son willingly displayed to free us all from captivity. The boy and girl have their hopes restored and their faith strengthened in this amazing colorful illustration of The King's Son. The King truly delights to love and care for His children and invites you to become one of His own too (see John 1:10-13). After reading The King's Son you will understand how much the King loves you and find yourself embracing the beauty of His love. You will be invited on a journey with the King and His Son that will lead you on the path of life like no other. So come and experience true freedom in the Son. Once you know the Son, then you will know the truth and the truth will set you free (see John 8:31, 32). The King's Son will richly bless you and your family just as the families of the boy and girl found new life in Him. Your miracle journey awaits . . . (see Jeremiah 33:3).

The King's Son, Or, a Memoir of Billy Bray

Adventure and Romance in Bygone Days A child's life in the balance and a country's future hanging by a thread. This stunning, standalone sequel to The King's Honour is set in 1682, twelve years after the events narrated in the first tale. The abduction of Stephen, the ten year old crown prince of Salmonia, leaves his father, King John, in an unenviable position. This only worsens when the reason for the abduction is revealed and the condition for the boy's return leaves his father in an impossible situation So starts Simon's search for his nephew. Together with Ernest Delon, an officer from the Palace Guard, they follow Prince Stephen and his abductors. The discoveries they make on their journey will bring Simon, Earl of Ring, unexpected joy, as well as reveal the imminent danger that threatens Salmonia. The race to rescue Stephen and prevent disaster is on. Meanwhile King John is faced with the battle between love for his child and the sacred trust to protect his people that he swore to at his coronation. The dilemma between a parent's love for his child is set against the potential suffering of a whole country. The King's Son is an emotionally powerful story of loyalty, honour, love and sacrifice. You will ride along with Simon on his quest and discover that love can flourish even in the most adverse conditions. You will also accompany King John on his journey, both physically and emotionally, as he strives to remain loyal to his duty and beliefs and at the same time recover his son.

The King's Son

Marie, Maria, Marcelle, May, Mary, Maggie ... and the Duke of Windsor Edward, known to his inner circle as David, was the eldest son of King George V and Queen Mary of Teck. Within the family he was often referred to as Young David - a title he abhorred. He was invested as Edward, Prince of Wales on his sixteenth birthday, just nine weeks after his father, King George V, succeeded his grandfather as king in 1910. In 1936, upon the death of his father, Edward succeeded him as King Edward VIII. In the shortest reign in the last 450 years of British Kings and Queens, Edward abdicated 236 days later in favour of his brother when the British Government refused consent to his proposed marriage to Wallis Simpson. The American socialite had already divorced one husband who was alive and being still married, was intending to divorce her current husband to allow them to marry. As a young man, David served with the British Army in France during the First World War. In the years following, George V's relationship with his eldest son and heir, deteriorated. The king became increasingly disappointed in David's failure to settle down in life and was appalled by the continual reports of his very public relationships with mainly well-known, but married women. The first of his many trysts over the years, however, was quite different

- his first not only continued as a love affair for nearly three years but resulted in the birth of a son in Paris in 1916 whilst the Prince was on active service in France... and remained a close-held secret. This is the incredible true story of the only son of Edward VIII later to become the Duke of Windsor and marry Wallis Simpson.

The King's Son

Prince Abbey was born to King Abbey and Tela. He was conceived under rigorous conditions. Prince Abbey's mom was having an affair with the king. Tela is the wife of Oga. Otherwise known as Kujo Oga the son of the palace's spiritual advisor, Ofori Oga. During the young man's time in the palace, he sparked up a relationship with the young lady servant, Tela Ofori. As time went on the relationship would grow and eventually the two would get married. During their marriage, Oga was abusive verbally and physically to Tela, eventually Tela would leave him. Tela and King Abbey had a connection earlier on in their adolescent days in the palace, but due to the king's bloodline he was not able to have a relationship with her. Even under those conditions King Abbey and Tela found a way to have a relationship, which would lead to them having a son Prince Mensah Kotey Abbey, known as Prince Abbey. At a young age Prince Abbey would lose both of his parents at the hands of his enemy Oga. Prince Abbey would eventually be raised under his foster parents Mr Taki and Teyoko Mensah. He would grow and learn about his family history from a former head of weapons for the palace, a toad-like figure named Lieutenant Yemoh. Lieutenant Yemoh would inform the prince about his family history and traits, and he would be told about the most important archive in the Abbey Family the Golden Septer. If the septer ended up in the wrong hands, could cause drought, floods and extreme winters thunderstorms etc. Prince Abbey had to protect the golden septer from Oga and save the land by fighting monstrous serpents rock-like warriors while journeying through treacherous caves and secret vaults.

The King's Son

Based on the life of Robert, son of King Henry I.

The King's Son

THE KING'S SON (The Evidence) [1st Edition - before "The Answer"] This is the ultimate cold case, a 120 year old mystery hidden in plain sight. This book pieces together the evidence that William James Shepherd was most likely the eldest son of King George V. The case is built-up and includes clues that lead to a clear path forward - readied for a compelling conclusion and full resolution to the mystery. This is a story of intrigue and challenge about a man who left enduring clues during his lifetime about his origins. They were left in a subliminal manner, and at times it was like participating in a movie somewhat like the "Da Vinci Code".

Prince Abbey's Quest

The King's Son is a Medieval novel set in the 1400s about a flute prodigy, Chanson Westbrook, who is orphaned when his parents are killed in a village dispute. Hayden Cheswick, King Sainesbury's commanding knight, rescues and raises the heartbroken boy. Princess Pearlensia, a vivacious unicorn, also befriends Chanson soon after he is orphaned. Her spiritual insight and luminous presence inspire Chanson to persevere through the grief. She remains his faithful friend all throughout his youth, coming to his aid when he needs guidance and comfort. It is often on the eve of calm waters that a storm gathers its greatest strength. Chanson will be in the peak of happiness when tragedy strikes again. The bonds of friendship and brotherly love will be tried in the furnace of affliction as the plot unfolds in this spiritual fantasy. Will Chanson survive the harrowing nightmare in his quest to protect His Majesty? Will the king find his heir to the throne before it's too late? The King's Son is a masterpiece; a page-turner that will leave readers spellbound. --Reva Vandenboss Battle Creek, Michigan

The king's son, ed. [or rather, written] by Mrs. Hofland

The King's Son (25,000 words), an adventure story for children aged 9 upwards, is set hundreds of years ago in a Middle Eastern country setting. My hope is that this story might be seen as acceptable to different racial cultures. David, the only son of King Boneh is twelve and leads a lonely guarded life. He breaks out of the palace in disguise and gets accidentally enslaved, but also finds a friend John, an orphan country boy, who doesn't believe at first that David is the King's son. A series of adventures ensue in desert country among warring tribes. The futility of wars based upon a history of mistrust is

exposed. David with his friend risk their lives in attempting to bring tolerance and peace. A slave girl called Larna and Bern, the spoilt cocky son of Chief Sirdar of the Goaners, also play significant roles in the story.

The King's Son

This Is A New Release Of The Original 1883 Edition.

The King's Son: a Romance of English History

William James' classic work on the role of unbelief in human affairs is as timely today as when it was first published. In *The Marriage of the King's Son*, James explores the psychological and moral implications of unbelief, arguing that it is a dangerous force that can undermine the very foundations of civil society. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The King's Son (the Evidence)

Chronicles the adventures of the King of Ireland's eldest and wildest son, describing how he encounters an enchanter's daughter, the king of the cats, Gilly of the goat-skin, and numerous others.

The King's Son

"The King's Sons" by George Manville Fenn. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten or yet undiscovered gems of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The king's son: a romance of English history

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The King's Son

This is the ultimate cold case, a 125 year old mystery hidden in plain sight. This book pieces the evidence together that William James Shepherd was closely related to a member of the British Royal Family. The case is built-up and includes clues that lead to a clear path forward - readied for a compelling conclusion and resolution to the mystery. If you like puzzles and a story that twists and turns with lots of detail - then you have the right book. If you like analysis with just a touch of mystery, then you also have the right book. If you want an "easy read" book, you may have the wrong book. This book is about determination to get to the bottom of a family rumor and mystery. This is a story of intrigue and challenge about a man who left enduring clues during his lifetime about his origins. The clues appear to have been left in a subliminal manner, and at times it was like participating in a movie somewhat like the "Da Vinci Code"

The Kings Son

Hao Ren, an ordinary university student, saved a little girl who fell from the sky. By accident, he swallowed a "candy" that fell off of that girl's body and somehow became the Dragon King's son-in-law..... His life was turned upside-down from that point on. There were dragons in this world? And they are living

side-by-side with humans? Ancient Chinese Mythologies really happened? Hao Ren got to experience a new world that was hidden from ordinary humans. Despite the thrills that came with the new discovery, there were challenges along the way. He thought his easy life as the Dragon King's son-in-law was going to be chill and gucci, but conspiracies and undercurrents were coming his way.

The Marriage of The Kings Son, and The Guilt of Unbelief

Is fear a good or a bad thing? Well, if a giant sends you to fetch an apple from the Tree of Life where wild animals wander around, you don't have the option to be frightened. You just do it. The prince in our story was so courageous that even the big, dangerous lion who watched over the tree, did not scare him. They became even companions. Do you think that three nights in an enchanted castle will be a bit too much for the prince's bravery or he will meet the test with stoicism? What will he get in return? Find out in "The King's Son Who Feared Nothing". Children and adults alike, immerse yourselves into Grimm's world of folktales and legends! Come, discover the little-known tales and treasured classics in this collection of 200 fairytales. Brothers Grimm are probably the best-known storytellers in the world. Some of their most popular fairy tales are "Cinderella\

The King of Ireland's Son

The "Innocent" TwinHunter Tanner is a prospect for the Kings of Men MC. The club president, King, shocked Hunter with the news that he is Hunter's biological father. King was the only man who had ever kept Hunter safe, and he'd taken King's attention the wrong way-only to be devastated to learn they were related. Now he's pissed off. Hunter's identical twin, Forrest, offers him a chance to get away from New Gothenburg, so Hunter takes a vacation to stay at the Exotic Virtue in New York City. The Irish Mobster Jamie Shannon is a simple Irishman. He enjoys working, and sometimes killing, for the Killough Company, and he believes in going after anything-or anyone-he wants. Jamie has long had his eye on a particular blond man who works at the Exotic Virtue, and an opportunity presents itself when he sees him looking down in the dumps next to the pool. Jamie doesn't hesitate to swoop in and try to kiss him better. Two Blood-Spattered Worlds, One HeartAn explosive night with Jamie leads to a fight that sends Hunter racing back to New Gothenburg. Jamie doesn't hesitate to follow his man. To get Hunter back, he'll have to navigate not only King's temper when he shows up unannounced to talk to his upset son, but both Hunter and Jamie still have dangerous obligations. Is there any way they can truly be together, or were they doomed to only one hot night from the start?

The King's Sons

Heimskringla is a collection of sagas about the Norwegian kings, beginning with the saga of the legendary Swedish dynasty of the Ynglings, followed by accounts of historical Norwegian rulers from Harald Fairhair of the 9th century up to the death of the pretender Eystein Meyla in 1177. Contents: Kings' Sagas Ynglinga Saga Halfdan the Black Saga Harald Harfager's Saga Hakon the Good's Saga Saga of King Harald Grafeld and of Earl Hakon Son of Sigurd King Olaf Trygvason's Saga Saga of Olaf Haraldson (St. Olaf) Saga of Magnus the Good Saga of Harald Hardrade Saga of Olaf Kyrre Magnus Barefoot's Saga Saga of Sigurd the Crusader and His Brothers Eystein and Olaf Saga of Magnus the Blind and of Harald Gille Saga of Sigurd, Inge, and Eystein, the Sons of Harald Saga of Hakon Herdebreid Magnus Erlingson's Saga

The King's Son (the Evidence)

As a young man, Paul Hoffman was a brilliant chess player . . . until the pressures of competition drove him to the brink of madness. In *King's Gambit*, he interweaves a gripping overview of the history of the game and an in-depth look at the state of modern chess into the story of his own attempt to get his game back up to master level -- without losing his mind. It's also a father and son story, as Hoffman grapples with the bizarre legacy of his own dad, who haunts Hoffman's game and life.

The King's Sons

Just as a harmony of the Gospels is useful for tracing the life of our Lord Jesus Christ, this easy-to-use book provides the Bible student with a reference guide to the history of the kings of Judah and Israel as preserved in the books of Samuel, Kings, and Chronicles. Preceding the harmony itself is a complete analytical outline--a concise, sequential table of events that will give the reader a greater understanding and firmer grasp of the history of Judah and Israel. Students of Scripture will find this harmony and its accompanying analytical outlines invaluable in gaining a historical perspective that will make the study of Samuel, Kings and Chronicles profitable and rewarding.

Dragon King's Son-In-Law 2 Anthology

The books of Kings view Israel's history through the theological lens of action. Actions have consequences that are determined by the people's faithfulness or unfaithfulness to their God and the covenant, and the editors' purpose is to demonstrate that the monarchy stands or falls on its faithfulness to its God. The books of Kings, though in real ways foreign to the twenty-first century, contain content that resonates with our contemporary experience. They raise an array of questions: In the relationships between and among individuals and between and among nations, what constitutes loyalty? What behaviors exact justice? What are the demands of being in a covenant relationship with God? What does it mean to be faithful to that relationship? What risks are we willing to take? How do we pray? Where do we look for the power of God? The insights gleaned from engaging these questions can shed a unique light on our contemporary lives.

The King's Sons

The lucid expressions which you will be privileged to enjoy, are uniquely designed on the most fundamental rudimentary foundations that will aid in your transformation and freedom from the imposed mental limitations. It was uniquely constructed for the individual who wants to understand the expectations required to becoming one in mind, body and soul. Intended, is the provocation of taught that will shift your paradigm from being comfortable with just surviving, as you develop the attributes which will allow you to strive and when executed in balance you will enjoy the fruits of pure thriving. No individual can be simultaneously free and ignorant; so, you must choose. As your state of consciousness increases, you will become open to frequencies which will allow you to reach your prestige proclivity. The scales from your eyes will be lifted, causing a shifting in your perception, opening the doors of freedom; facilitating active thinking and information assimilation, forming practical results while living the life deserved. During this revelatory journey, your potential will be unleashed as within our creation there is the embedding of great power and authority given. You will be positioned to explore the reservoir to become the person you were created to be. The exploratory terrain during the development will focus on the origin, sustenance, virtue, kingdom concepts, relationships, leadership, sexuality, purpose, health, success, financial abundance and love, all amalgamating in producing the whole. You were meant to be wealthy. So, change the way you perceive things because when the

way you look at things changes, the things you invest focus, also changes. The billionaire inside you deserves a chance at life. Let us give it life; live full. You will say goodbye to your old self as you are introduced to your real self while we explore "Billionaire, I am One."
