Magick Run Amok

Includes an excerpt from: Magickal mystery lore.

Magickal Mystery Lore

Praise for *Magick & Mayhem*, the first *Abracadabra* mystery “Magic, Merlin, and murder are a great mix for this fun debut cozy.” —Lynn Cahoon, *New York Times* and *USA Today* bestselling author “A charming, must-read mystery with enchanting characters.” —Rose Pressey, *USA Today* bestselling author “Spellbinding, with magical prose, a wizardly plot, and a charming sleuth.” —Janet Bolin, *Agatha*-nominated author of the national bestselling *Threadville* mysteries *This spells trouble . . .* The *New Camel Day Fair* is a fun-filled event for residents of this upstate New York town. Kailyn Wilde, a modern-day witch of ancient lineage, leaves her potion shop, *Abracadabra*—and her feline familiar, *Sashkatu*—to attend with her fortune-telling Aunt Tilly. Joining them is legendary wizard Merlin, who’s discovering new pleasures of time-traveling to the modern world, including curly fries and kettle corn—but the appeal of the *Tilt-a-Wheel* is beyond his mystical imagination. The real wild ride begins later, when neighboring sweet shop owner Lolly rushes into *Abracadabra* with news about a dead body. The victim has one of Lolly’s fudge knives stuck in her back, but in spite of the sticky evidence, Lolly is only one of several suspects with ample motive and opportunity. Meanwhile, Merlin’s research into old family scrolls and electromagnetic ley lines is causing some unusual mix-ups. As the two investigations

collide, Kailyn will have to do everything in her power to prevent disaster... "Pape has a sure handed balance of humor and action."—Julie Hyzy, New York Times bestselling author

This Magick Marmot

Praise for *Magick & Mayhem*, the first Abracadabra mystery "Spellbinding, with magical prose, a wizardly plot, and a charming sleuth." —Janet Bolin, national bestselling author "A charming, must-read mystery with enchanting characters." —Rose Pressey, USA Today bestselling author "Magic, Merlin, and murder are a great mix for this fun debut cozy." —Lynn Cahoon, New York Times and USA Today bestselling author A fatal case of school spirit . . . Kailyn Wilde, owner of the Abracadabra potion shop, feels some dread anticipating her ten-year high school reunion at the new hotel in New Camel—but it turns out even worse than she feared. Running into her very first boyfriend is pleasant enough. Chatting with Ashley—who still can't let go of a tragedy that happened on prom night—is a bit more uncomfortable. But the worst part comes when one of Kailyn's oldest friends is found dead in the ladies' room. Soon this upstate New York town is in an uproar. And with some help from time-traveling wizard Merlin—who has adopted an unusual and alluring creature as his familiar—it's up to Kailyn to identify the alumnus most likely to commit murder . . . "Pape has a sure handed balance of humor and action." —Julie Hyzy, New York Times bestselling author

Modern Peoplehood

"[A] most impressive achievement by an extraordinarily intelligent, courageous, and—that goes without saying—'well-read' mind. The scope of this work is enormous: it provides no less than a comprehensive, historically grounded theory of 'modern peoplehood,' which is Lie's felicitous umbrella term for everything that goes under the names 'race,' 'ethnicity,' and 'nationality.'" Christian Joppke, *American Journal of Sociology* "Lie's objective is to treat a series of large topics that he sees as related but that are usually treated separately: the social construction of identities, the origins and nature of modern nationalism, the explanation of genocide, and racism. These multiple themes are for him aspects of something he calls 'modern peoplehood.' His mode of demonstration is to review all the alternative explanations for each phenomenon, and to show why each successively is inadequate. His own theses are controversial but he makes a strong case for them. This book should renew debate." Immanuel Wallerstein, Yale University and author of *The Decline of American Power: The U.S. in a Chaotic World*

Essays on Paula Rego

In these powerful and stylishly written essays, Maria Manuel Lisboa dissects the work of Paula Rego, the Portuguese-born artist considered one of the greatest artists of modern times. Focusing primarily on Rego's work since the 1980s, Lisboa explores the complex relationships between violence and nurturing, power and impotence, politics and the family that run through Rego's art. Taking a historicist approach to the evolution of the artist's work, Lisboa embeds the works within Rego's personal history as well as Portugal's (and indeed other nations') stories, and reveals the interrelationship between political significance and the raw emotion that lies at the heart of Rego's uncompromising iconographic style. Fundamental to Lisboa's analysis is an understanding that apparent opposites - male and female, sacred and profane, aggression and submissiveness - often co-exist in Rego's work in a way that is both disturbing and destabilising. This collection of essays brings together both unpublished and previously published work to make a significant contribution to scholarship about Paula Rego. It will also be of interest to scholars and students of contemporary painting, Portuguese and British feminist art, and the political and ideological aspects of the visual arts. This work was published by Saint Philip Street Press pursuant to a Creative Commons license permitting commercial use. All rights not granted by the work's license are retained by the author or authors.

Sketch Me If You Can

She's a police sketch artist. He's a dead lawman. Together, they put a face on murder. When her uncle dies, police sketch artist Rory McCain gets a list of clients from his private detective business and a beautiful, old house with a ghostly inhabitant: Federal Marshal Ezekiel Drummond, aka Zeke. Having a ghost as a housemate is bad enough, but as Rory's drawn into one of her uncle's unsolved cases and faces a cold-blooded killer, she may need the marshal's supernatural help to stay alive.

Hedgehogging

Rare is the opportunity to chat with a legendary financial figure and hear the unvarnished truth about what really goes on behind the scenes. Hedgehogging represents just such an opportunity, allowing you to step inside the world of Wall Street with Barton Biggs as he discusses investing in general, hedge funds in particular, and how he has learned to find and profit from the best moneymaking opportunities in an eat-what-you-kill, cutthroat investment world.

Sexus

Sexus is the first volume of the scandalous trilogy *The Rosy Crucifixion*, Henry Miller's major life work. Henry Miller called the end of his life in America and the start of a new, bohemian existence in 1930s Paris his 'rosy crucifixion'. His searing fictionalized autobiography of this time of liberation was banned for nearly twenty years. Sexus, the first volume in *The Rosy Crucifixion* trilogy, looks back to his early sexual escapades in Brooklyn, and his growing infatuation with the playful, teasing dance hall hostess who will become the great obsession of his life.

Magick & Mayhem

Catching a killer is tricky business for the owner of an Upstate New York magick shop in this mystery series debut by the author of *This Magick Marmot*. The tiny town of New Camel, New York, has become a tourist favorite thanks to an old magick shop called *Abracadabra*. It's been in the Wilde family for generations. And now, suddenly, twenty-something Kailyn Wilde is about to inherit the family business—as well as its magickal secrets. But the surprises keep coming when Kailyn goes to finalize the estate at the local attorney's office—and stumbles over the body of her best friend Elise's husband. As a brash detective casts the blame on Elise, Kailyn summons her deepest powers to find answers and start an investigation of her own. What with running a business, perfecting ancient spells, and keeping up with an uninvited guest of fabled origins, Kailyn has her hands full. But with the help of her uncanny black cat Sashkatu and her muumuu-clad Aunt Tilly, she's out to catch a killer before someone makes her disappear.

Tropic of Capricorn

A cult modern classic, *Tropic of Capricorn* is as daring, frank and influential as Henry Miller's first novel, *Tropic of Cancer*. A story of sexual and spiritual awakening, *Tropic of Capricorn* shocked readers when it was published in 1939. A mixture of fiction and autobiography, it is the story of Henry V. Miller who works for the Cosmodemonic telegraph company in New York in the 1920s and tries to write the most important work of literature that was ever published. *Tropic of Capricorn* paints a dazzling picture of the life of the writer and of New York City between the wars: the skyscrapers and the sewers, the lust and the dejection, the smells and the sounds of a city that is perpetually in motion, threatening to swallow everyone and everything. 'Literature begins and ends with the meaning of what Miller has done' Lawrence Durrell 'The only imaginative prose-writer of the slightest value who has appeared among the English-speaking races for some years past' George Orwell 'The greatest American writer' Bob Dylan Henry Miller (1891-1980) is one of the most important American writers of the 20th century. His best-known novels include *Tropic of Cancer* (1934), *Tropic of Capricorn* (1939), and the *Rosy Crucifixion* trilogy (*Sexus*, 1949, *Plexus*, 1953, and *Nexus*, 1959), all published in France and banned in the US and the UK until 1964. He is widely recognised as an irreverent, risk-taking writer who redefined the novel and made the link between the European avant-garde and the American Beat generation.

FINNEGANS WAKE

This eBook edition of "FINNEGANS WAKE" has been formatted to the highest digital standards and adjusted for readability on all devices. *Finnegans Wake* is a novel by Irish writer James Joyce. It is significant for its experimental style and reputation as one of the most audacious works of fiction in the English language. Written in Paris over a period of seventeen years, and published in 1939, two years before the author's death, *Finnegans Wake* was Joyce's final work. The book discusses, in an unorthodox fashion, the Earwicker family, comprising the father HCE, the mother ALP, and their three children Shem the Penman, Shaun the Postman, and Issy. James Joyce (2 February 1882 – 13 January 1941) was an Irish novelist, short story writer, and poet. He contributed to the modernist avant-garde and is regarded as one of the most influential and important authors of the 20th century.

Archaic England

"Archaic England" by Harold Bayley is an archeology book about the application of the jigsaw system to certain archæological problems of Great Britain, Ireland, and Central Europe. Excerpt: "The fact is now generally accepted as proven by both anthropologists and archæologists, that the most ancient records of the human race exist not in Asia, but in Europe. The oldest documents are not the hieroglyphics of Egypt, but the hunting-scenes scratched on bone and ivory by the European cave-dwelling contemporaries of the mammoth and the woolly rhinoceros. Human implements found on the chalk plateaus of Kent have been assigned to a period prior to the glacial epoch, which is surmised to have endured for 160,000 years, from, roughly speaking, 240,000 to 80,000 years ago. It is now also an axiom that the races of Europe are not colonists from somewhere in Asia, but that, speaking generally, they have inhabited their present districts more or less continuously from the time when they crept back gradually in the wake of the retreating ice."

Sketch a Falling Star

While investigating the "accidental" death of a con artist with numerous enemies, Rory McCain finds herself on the verge of solving a cold case--the murder of her ghost partner, Zeke...

The Baby-Sitters Club #60: Mary Anne's Makeover

The rest of the Baby-sitters are shocked when Mary Anne, tired of being a plain Jane, gets a chic new haircut and a new wardrobe, and their reaction enrages the excited Mary Anne.

The Last Last-Day-Of-Summer

The Hardy Boys meets The Phantom Tollbooth, in the new century! When two adventurous cousins accidentally extend the last day of summer by freezing time, they find the secrets hidden between the unmoving seconds, minutes, and hours are not the endless fun they expected.

Harley Merlin 8

" Time is running out. For the final ritual, Katherine will sacrifice twelve magicals with rare abilities. Harley has already lost so much, and she can't bear to sacrifice anything more. She will protect her friends at all costs--even if that means flying solo against the greatest evil the world has ever known. With her parents' Grimoire, Harley finally has a weapon capable of overpowering Katherine. If only she could figure out how to reveal the hidden pages within, to perform the spell Chaos itself has written. And the spell may reveal more than she's bargained for... All Katherine wants is to be Queen of Everything--is that so much to ask? Her little niece has been a real thorn in her side, but that's all about to change. Pity she can't kill Harley just yet, since the girl is still useful. There's also the matter of that too-handsome Necromancer, Davin Doncaster. From personal experience, Katherine knows one should never trust a pretty face."--Amazon.

Hunter: the Vigil Witch Finders

With a story full of twists and turns, 'Night of the Fireflies' follows in the great tradition of African culture in which real and unreal are merely two sides of the same coin.

Night of the Fireflies

A local witch goes casting about for a killer when a town council meeting goes murderously awry in this cozy mystery by the author of Magick & Mayhem. Kailyn Wilde enjoys running her magick shop, Abracadabra, in the quaint hamlet of New Camel, New York. Her family's been here for centuries, but the place may never be the same if plans for a big new hotel go through. So Kailyn does her civic duty, attending a town meeting with her aunt Tilly...and Merlin. Yes, that Merlin—though he gets introduced to folks as her “distant English cousin.” Though the wizard is pretty grumpy about being transported to New Camel, Kailyn figures she could use the backup if the hotel debate gets heated. But things go from heated to homicide when Tilly finds the body of a board member outside the schoolhouse. Afraid that suspicion will be cast on the wrong person, Kailyn plans to crack the case, even if she has to talk to every living soul in town—plus a few departed ones.

Vanishing Roads, and Other Essays

This 1929 volume offers firsthand accounts of Haitian voodoo and witchcraft rituals. Author William Seabrook introduced the concept of the walking dead to the West with this illustrated travelogue.

That Olde White Magick

Vampires were made, not born, until Elisa Sullivan came along. The only vampire child in existence, she grew up with a heavy legacy, and she thought she could flee her past. But then trouble came for Chicago, and Elisa came home. Alongside shifter Connor Keene, the only son of North American Central Pack Apex Gabriel Keene, she faced down a great evil and accepted her true self. Months after the deadly attacks, while tempers are still cooling, Elisa is surprised when Connor invites her to a Pack initiation in the north woods of Minnesota, and by the warm welcome she receives from Connor's family--even though she's a vampire. But the peace doesn't last; the initiation celebration turns to chaos when a mangled body is deposited at the Pack's home. Elisa and Connor find themselves in the middle of a shifter fight, and the stakes get even higher when Elisa makes a vampire in the middle of Pack territory. Now Elisa's life, the Pack, and its vampire alliance are at risk.

The Game of Rat and Dragon

Haunted is a novel made up of stories: twenty-three of the most horrifying, hilarious, mind-blowing, stomach-churning tales you'll ever encounter. They are told by the people who have all answered an ad headlined 'Artists Retreat: Abandon your life for three months'. They are led to believe that here they will leave behind all the distractions of 'real life' that are keeping them from creating the masterpiece that is in them. But 'here' turns out to be a cavernous and ornate old theatre where they are utterly isolated from the outside world - and where heat and power and, most importantly, food are in increasingly short supply. And the more desperate the circumstances become, the more desperate the stories they tell - and the more devious their machinations to make themselves the hero of the inevitable play/movie/non-fiction blockbuster that will certainly be made from their plight.

The Magic Island

An io9 Can't Miss Science Fiction and Fantasy title in March 2014. Martin Banks is just a normal guy who has made an abnormal discovery: he can manipulate reality, thanks to reality being nothing more than a computer program. With every use of this ability, though, Martin finds his little "tweaks" have not escaped notice. Rather than face prosecution, he decides instead to travel back in time to the Middle Ages and pose as a wizard. What could possibly go wrong? An American hacker in King Arthur's court, Martin must now train to become a full-fledged master of his powers, discover the truth behind the ancient wizard Merlin...and not, y'know, die or anything.

Dianetics Today

Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Wicked Hour

After a stray dog named Hobo leads former police sketch artist-turned- paranormal private eye Rory McCain back to his owner's corpse, she finds herself involved in another homicide case-not to mention the new owner of a lovable pooch, which makes Rory's ghostly partner, Zeke, more than a little spooked.

Haunted

The adventures of an American hacker in Medieval England continue as Martin Banks takes his next step on the journey toward mastering his reality-altering powers and fulfilling his destiny. A month has passed since Martin helped to defeat the evil programmer Jimmy, and things couldn't be going better. Except for his love life, that is. Feeling distant and lost, Gwen has journeyed to Atlantis, a tolerant and benevolent kingdom governed by the Sorceresses, and a place known to be a safe haven to all female time-travelers. Thankfully, Martin and Philip are invited to a summit in Atlantis for all of the leaders of the time-traveler colonies, and now Martin thinks this will be a chance to try again with Gwen. Of course, this is Martin Banks we're talking about, so murder, mystery, and high intrigue all get in the way of a guy who just wants one more shot to get the girl. The follow-up to the hilarious *Off to Be the Wizard*, Scott Meyer's *Spell or High Water* proves that no matter what powers you have over time and space, you can't control rotten luck.

Off to Be the Wizard

This pseudo-philosophy of mine - pollyanalytics, as one of my respected critics might say - is deduced from the novels and poems, not the reverse. The novels and poems come unwatched out of one's pen. And then the absolute need which one has for some sort of satisfactory mental attitude towards oneself and things in general makes one try to abstract some definite conclusions from one's experiences as a writer and as a man. The novels and poems are pure passionate experience. These pollyanalytics are inferences made afterwards, from the experience.

Twelve Years a Slave

Provides synopses for over 1,500 titles of current popular fiction and recommends other books by such criteria as authors, characters portrayed, time period, geographical setting, or genre.

To Sketch a Thief

Slasher

What words come to mind when we think of God? Merciful? Just? Compassionate? Delving deep into the Bible, former evangelical preacher Dan Barker uncovers God's negative qualities: jealous, petty, unforgiving, bloodthirsty, vindictive--and worse! Witty and well researched, this unique atheist book explains exactly why the Scripture shouldn't govern our everyday lives. It makes a powerful argument for the separation of church and state.

Spell Or High Water

This extensive reference volume presents the etymological history of thousands of English words. The story of how words come to be is the story of how humans think, and how we fashion our civilizations. Words can be the product of long and intertwining histories, migrations from other languages, or new coinages of science or slang. This diversity of origins is part of what gives the English language its beauty and power. In *Dictionary of Word Origins*, etymologist Joseph T. Shipley provides a fascinating window into the evolution of modern English, from the onomatopoeic aspect of "abash" to the animalistic origins of "zodiac."

Fantasia of the Unconscious Illustrated

This book explores the power of names and other objects in the context of magic and superstition. Drawing on myths and legends from around the world, it examines the ways in which words and symbols can be used to influence the natural and supernatural world. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This

work is in the "public domain in the United States of America, and possibly other nations. 1992 What Do I Read Next?

"Pape has a sure-handed balance of humor and action."—Julie Hyzy, New York Times Bestselling Author In her new job as a private eye, former police sketch artist Rory McCain has a spirited partner: Old West marshal Zeke Drummond. He may be a ghost, but when these two combine their skills, they reap justice... Trouble has sprouted at Harper Farms. Top secret info has been leaked to the competition, and now there's serious sabotage cropping up. So the farm's beleaguered owner, Gil Harper, has called on Rory to dig up some dirt. But what Rory discovers raises a new field of questions... Someone shucked Harper's accountant and left his body in the farm's corn maze. While Gil is quick to hire Rory to solve now not one but two crimes, the sketching sleuth isn't so sure why the farmer wants her to focus her attention on his own family. Regardless, Rory and Zeke will need to put their hands to the plow and solve this case before someone else is planted six feet under... Includes a preview of the first Crystal Shop Mystery, Amethysts and Alibis, by Sharon Pape

An Introduction to the History of Medicine

God

When you discover the world is a computer program, and you figure out that by altering the code you can time travel and perform acts that seem like magic, what can possibly go wrong? Pretty much everything. Just ask Brit, who has jumped around in time with such abandon that she has to coexist with multiple versions of herself. Now, Brit the Elder finds that her memories don't match Brit the Younger's. And there's the small matter of a glitch that's making Brit the Elder's body fritz out. Brit the Elder's ex-boyfriend Phillip wants to help her, but he'll have to keep it secret from his current girlfriend, Brit the Younger, who can't stand her future self. Meanwhile, Martin is trying to protect Phillip from a relentless attacker he somehow hasn't noticed; Gwen is angry because Martin accidentally proposed to her; Gary tries to help the less fortunate, with predictably disastrous results; and an old nemesis might have to be the one to save them all. In *Out of Spite*, *Out of Mind*, our fearless wizards discover the biggest glitch in their world's program may well be themselves.

Rubinrot. Liebe geht durch alle Zeiten

Manchmal ist es ein echtes Kreuz, in einer Familie zu leben, die jede Menge Geheimnisse hat. Der Überzeugung ist zumindest die 16-jährige Gwendolyn. Bis sie sich eines Tages aus heiterem Himmel im London um die letzte Jahrhundertwende wiederfindet. Ihr wird schnell klar, dass sie selbst das größte Geheimnis ihrer Familie ist und dass man niemandem raten sollte, sich zwischen den Zeiten zu verlieben!

The Ruby Red Trilogy

The Ruby Red Trilogy: Ruby Red, Sapphire Blue, and Emerald Green This internationally bestselling series follows Gwyneth Shepherd, a girl with a time-traveling secret. Traipsing through past centuries, juggling a potential romance, and unlocking her destiny, Gwen has her work cut out for her. Ruby Red: Gwen has always known that her family is different—the women, in particular. As time travelers, they are no strangers to the possibility of the impossible. But even they aren't expecting it when Gwen shows signs of being a time traveler rather than her cousin Charlotte. Thrust into a world she should have been excluded from, Gwen is introduced to Gideon, a fellow traveler. Although the two don't get along, something other than annoyance might be brewing under the surface. As Gwen masters her new ability, she learns more about herself than she ever could have imagined. Sapphire Blue: Gwen has joined the ranks of the Circle of Twelve, a secret society of chosen time travelers. As the Ruby, Gwen is tasked with finding travelers in the past, all while delving into prophecies and trying to read the mixed signals that Gideon, the Diamond of the Circle, has been sending. With the help of her best friend, a ghost, and a gargoyle demon, Gwen seeks to unearth the truth behind the Circle—a truth that has been actively hidden from her. Emerald Green: Crushed to learn that Gideon may have been deceiving her all along, Gwen has to move forward nonetheless. She has more than enough on her plate: her distrust of Count Saint-Germain, founder of the Circle of Twelve, who wants Gwen to finish collecting blood from the other chosen travelers; the chronograph, a device which will close the Circle if she succeeds; and the resistance she meets at every turn as she seeks more knowledge. With much more to be revealed, Gwen must race against the clock to fulfill her destiny—before it's too late. Includes bonus chapters from Kerstin Gier *Dream a Little Dream*!

Sapphire Blue

Gwen's life has been a rollercoaster since she discovered she was the Ruby, the final member of the secret time-traveling Circle of Twelve. In between searching through history for the other time-travelers and asking for a bit of their blood (gross!), she's been trying to figure out what all the mysteries and prophecies surrounding the Circle really mean. At least Gwen has plenty of help. Her best friend Lesley follows every lead diligently on the Internet. James the ghost teaches Gwen how to fit in at an eighteenth century party. And Xemerius, the gargoyle demon who has been following Gwen since he caught her kissing Gideon in a church, offers advice on everything. Oh, yes. And of course there is Gideon, the Diamond. One minute he's very warm indeed; the next he's freezing cold. Gwen's not sure what's going on there, but she's pretty much destined to find out.

Ruby Red

Gwyneth discovers that she, rather than her well-prepared cousin, carries a time-travel gene, and soon she is journeying with Gideon, who shares the gift, through historical London trying to discover whom they can trust.

Dream a Little Dream

Mysterious doors with lizard-head knobs. Talking stone statues. A crazy girl with a hatchet. Yes, Liv's dreams have been pretty weird lately. Especially the one where she's in a graveyard at night, watching four boys conduct dark magic rituals. The strangest part is that Liv recognizes the boys in her dream. They're classmates from her new school in London, the school where she's starting over because her

mom has moved them to a new country (again). But what's really scaring Liv is that the dream boys seem to know things about her in real life, things they couldn't possibly know—unless they actually are in her dreams? Luckily, Liv never could resist a good mystery, and all four of those boys are pretty cute....

Tempt the Stars

Being a goddess is a lot less fun than you might think. Especially when you're only a half goddess, and you only found out about it recently, and you still don't know what you're doing half the time. And when you've just used your not-so-reliable powers to burglarize the booby-trapped office of a vampire mob boss. Yeah, that part sucks. But that's just the tip of the iceberg for Cassandra Palmer, aka the Pythia, the freshly minted chief seer of the supernatural world. After all, Cassie still has to save a friend from a fate worse than death, deal with an increasingly possessive master vampire, and prevent a party of her own acolytes from unleashing a storm of fury upon the world. Totally just your average day at the office, right?

Just Dreaming

The course of dream travel never did run smooth—at least, not in Liv Silver's experience. Able to visit other people's dreams (whether they want her to or not), Liv has solved mysteries, unearthed difficult truths, fought madmen, and escaped life-threatening peril, all from the comfort of her own bed. But Liv's troubles are just beginning... A rocky romance, a malicious blogger with a hidden identity, a wedding, and a classmate (or two) dead-set on revenge all await Liv in this action-packed conclusion to the Silver trilogy.

Backwards Honeymoon

Reader's Choice award-winner She takes a detour on her walk up the aisle Minutes before her wedding begins, Kathryn Campbell discovers her fiancé is a sleazy fortune-hunter, and she makes a dramatic escape... not only from the ex but from her father, who thinks Kathryn is suffering last-minute jitters and should go on with the ceremony. He was only changing the oil in his car When a desperate beauty who's still wearing orange blossoms trips over him and begs for help, gardener's son Jonah Clarke can't say no. But he soon finds this runaway bride doesn't simply want to escape her elaborate wedding and her father's well-protected estate. His plans for the afternoon didn't include marriage If she's doomed to marry a fortune-hunter, Kathryn declares, it might as well be one she's chosen - so she proposes to Jonah. He's helped her before - but this time the stakes are higher With her father in pursuit, the runaways are off on a cross-country trek with a few dollars in cash, a whole lot of baggage - just not the kind that holds clothes - and all the excitement and intimacy of a quirky honeymoon... And they're not even married... yet.

Quiche Before Dying

A MEAL TO DIE FOR With the kids packed off on their summer road trips, it's an ideal time for Jane Jeffry to pursue other interests, so the harried suburban mom enrolls in a writing course at the community college. But when an obnoxious aged classmate keels over dead after sampling a tasty treat from a pot luck student buffet, Jane realizes there's a culinary killer among the local would-be literati. The pen may be mightier than the sword. . .but poison beats them both. And before the both. And before the demise of a very disagreeable old biddy can be written off, amateur sleuth Jane intends to find out who's responsible -- and cook the culprit's goose in his or her own creative juices.

Prada and Prejudice

To impress the popular girls on a high school trip to London, klutzy Callie buys real Prada heels. But trying them on, she trips?conks her head?and wakes up in the year 1815! There Callie meets Emily, who takes her in, mistaking her for a long-lost friend. As she spends time with Emily?s family, Callie warms to them?particularly to Emily?s cousin Alex, a hottie and a duke, if a tad arrogant. But can Callie save Emily from a dire engagement, and win Alex?s heart, before her time in the past is up? More Cabot than Ibbotson, Prada and Prejudice is a high-concept romantic comedy about finding friendship and love in the past in order to have happiness in the present.

Dream On

Things seem to be going well for Liv Silver: she's adjusting to her new home (and her new family) in London; she has a burgeoning romance with Henry Harper, one of the cutest boys in school; and the girl who's been turning her dreams into nightmares, Anabel, is now locked up. But serenity doesn't last for long. It seems that Liv's troubles are far from over--in fact, suddenly they're piling up. School gossip blogger Secrecy knows all of Liv's most intimate secrets, Henry might be hiding something from her, and at night Liv senses a dark presence following her through the corridors of the dream world. Does someone have a score to settle with Liv? Romance, adventure, and danger abound in *Dream On*, the second book in the Silver trilogy.

Emerald Green

Since learning she is the Ruby, the final member of the time-traveling Circle of Twelve, nothing has gone right for Gwen and she holds suspicions about both Count Saint-German and Gideon, but as she uncovers the Circle's secrets she finally learns her own destiny.

A Castle in the Clouds

Witty and charming, New York Times-bestselling author Kerstin Gier's contemporary young adult novel *A Castle in the Clouds* follows a girl as she navigates secrets, romance, and danger in an aging grand hotel. Way up in the Swiss mountains, there's an old grand hotel steeped in tradition and faded splendor. Once a year, when the famous New Year's Eve Ball takes place and guests from all over the world arrive, excitement returns to the vast hallways. Sophie, who works at the hotel as an intern, is busy making sure that everything goes according to plan. But unexpected problems keep arising, and some of the guests are not who they pretend to be. Very soon, Sophie finds herself right in the middle of a perilous adventure—and at risk of losing not only her job, but also her heart.

Stealing Infinity

Paste Magazine Pick for Best New YA Books of June 2022 An Amazon Best Book of the Month "An unputdownable, clever, modern fantasy!" —#1 New York Times bestselling author Tracy Wolff "Alyson Noel is the queen of the supernatural romance thriller, and her latest is a can't-miss read—it's a *Da Vinci Code* meets *Riverdale* page-turner!" —#1 New York Times bestselling author Melissa de la Cruz "Addictive, dangerous, sexy, and magical, I couldn't turn the page fast enough! Alyson Noël is a mad genius." —Mary Pearson, New York Times bestselling author of *The Remnant Chronicles* "A sizzling story of opulent adventure, forbidden love, and impossible choices, *Stealing Infinity* is unputdownable." —New York Times bestselling author Kristin Harmel "*Stealing Infinity* is a brilliantly conceived time-travel adventure full of twists and turns, with a romance that had me hooked. A must-read!" —Alexandra Monir, international bestselling author of *The Final Six* These days, I've been killing it when it comes to letting people down. Now I've been kicked out of high school, arrested, and accepted into a remote, off-the-grid school owned and operated by an inscrutable billionaire tech guru. Gray Wolf Academy is looking for a certain kind of student. Ones that no one will miss. Like me. Then there's Braxton. The beautiful, oddly anachronistic guy who showed up right when the trouble started. And he's a total enigma—which means that I definitely can't trust him, even if there's something about him that makes me want to. They all tell me I have a gift. A very rare gift. And Gray Wolf Academy wants me to learn it. To use it. Because if what they say is true, I have all the time in the world. And that makes me the most dangerous high school student you'll never know... The *Stealing Infinity* series is best enjoyed in order. Reading Order: Book #1 *Stealing Infinity* Book #2 *Ruling Destiny*

Catching Him

From New York Times and USA Today bestselling author Aurora Rose Reynolds comes the first novel in the fun, sexy, and thrilling *How to Catch an Alpha* series. Leah Emerson isn't looking for a man--she's looking for the right man. But her mother's idea of a great catch leaves her cold, and she's pretty sure her cocky, arrogant, and way too good-looking new neighbor isn't the one either. If only her wayward cat would stop jumping through his window, she could get on with her life. Tyler Duncan moved into town for a new job, not to fall in love. But he always goes after the things he wants in life with steadfast determination...and he wants Leah Emerson. He wants her smiles, he wants her touch, and he definitely wants her in bed. Unfortunately, someone else wants Leah--in the worst way. Now Tyler's on a mission to protect the woman he's falling in love with while proving he's worth falling for, and Leah must decide whether Tyler is a catch worth catching...

The Hook Up

She's a single mom who's over the fairy tale, thank you very much. Ellie Sanders doesn't need a man for anything, except maybe marketing tips. Good thing Tyler Hendrix isn't looking for love and marriage either. The Navy helped Ty put his lousy childhood behind him. He's happy running First Impressions' video firm and helping Ellie build her business. Problem is, Ellie's business involves adult toys. Yeah, that kind. Which means Ty can't stop picturing her in his bed. That's the only reason he wants her this badly, right? Or maybe it's their minefield of sexy wardrobe malfunctions and plumbing mishaps. Or the adorably awkward dates giving Ty sweet glimpses of what fatherhood could be like. Turns out Ellie has the coolest five-year-old on the planet, but Henry complicates things. Ty's wired to be a fling, not a father. His own deadbeat dad saw to that. And Ty's determined not to be like his jailbird old man. But what if Ellie and Henry are the magic key that unlocks Ty's heart for good? One-click this sexy romantic comedy about an ex-military man turned corporate exec who swears he won't fall for the sweet single mom and her son (spoiler alert: he does!)

Death in Venice and other Stories

"Twin teen girls with very different upbringings meet for the first time at their mother's funeral. As they get to know each other, it becomes clear that one of the sisters is driven by a secret destructive power-or is it both?"--Provided by publisher

The Book of Lies

The first book in Josephine Angelini's internationally-bestselling series, *Starcrossed* is a passionate love story that began thousands of years ago in a world of Gods and mortals. . . When shy, awkward Helen Hamilton sees Lucas Delos for the first time she thinks two things: the first, that he is the most ridiculously beautiful boy she has seen in her life; the second, that she wants to kill him with her bare hands. With an ancient curse making them loathe one another, Lucas and Helen have to keep their distance. But sometimes love is stronger than hate, and not even the gods themselves can prevent what will happen . . . Continue the modern mythology trilogy with *Dreamless*.

Kognitive Semantik /Cognitive Semantics

****THE FRENCH PHOTOGRAPHER is now available in ebook**** **THE INTERNATIONAL BESTSELLER**
'This has to be the most beautiful book I've read in a very long time' ***** 'The best book I have read!' ***** 'Superbly written with characters I truly cared and worried about' ***** 'If you like Kate Morton or Lucinda Riley, you'll like this too' ***** Crossing generations, society's boundaries and international turmoil, *The Paris Seamstress* is a beguiling, transporting story perfect for fans of Lucinda Riley, Kate Furnivall, Kate Morton and Penny Vincenzi. ***** What must Estella sacrifice to make her mark? 1940: Parisian seamstress Estella Bissette is forced to flee France as the Germans advance. She is bound for Manhattan with a few francs, one suitcase, her sewing machine and a dream: to have her own atelier. 2015: Australian curator Fabienne Bissette journeys to the annual Met Gala for an exhibition of her beloved grandmother's work - one of the world's leading designers of ready-to-wear. But as Fabienne learns more about her grandmother's past, she uncovers a story of tragedy, heartbreak and secrets - and the sacrifices made for love. **PRAISE FOR NATASHA LESTER...** 'Fascinating and impeccably researched' GILL PAUL 'A fantastically engrossing story. Starcrossed

First published in German in 2007; English translation 2013.

The Paris Seamstress

Through a mirror is a dangerous world. For years, Jacob Reckless has enjoyed its secrets and treasures. Not any more. His younger brother has followed him. Now dark magic will turn the boy to beast, break the heart of the girl he loves, and cause chaos to rule forever. Unless Jacob can find a way to save them.

For Every Solution, a Problem

'Incredibly scary and suspenseful' STEPHEN KING _____ How far would you go to protect the ones you love? Life has never been easy for the three Campbell sisters. Jess, Courtney, and Dani live on a remote ranch where they work hard and try to stay out of the way of their father's temper. One night, a fight gets out of hand and the sisters are forced to go on the run, only to get caught in an even worse nightmare. Eighteen years later, they are still trying to forget what happened to them. But when one of the sisters goes missing, followed closely by her niece, they are pulled back into the past. And this time there's nowhere left to run . . . Pre-order Chevy Stevens' electrifying new thriller, DARK ROADS, now _____ PRAISE FOR CHEVY STEVENS 'Gripping . . . Unforgettable' GILLIAN FLYNN 'Will have you spellbound' KARIN SLAUGHTER 'Intense and disturbing . . . Terrific' LEE CHILD 'Will grip you from page one' HARLAN COBEN

Reckless

Just before the most important violin competition of her career, seventeen-year-old prodigy Carmen faces critical decisions about her anti-anxiety drug addiction, her controlling mother, and a potential romance with her most talented rival.

German books in print

Don't miss The Mortal Instruments: City of Bones, soon to be a major motion picture in theaters August 2013. The first three books in the #1 New York Times bestselling Mortal Instruments series, available in a collectible paperback boxed set. Enter the secret world of the Shadowhunters with this MP3 collection that includes City of Bones, City of Ashes, and City of Glass. The Mortal Instruments books have more than five million copies in print, and this collectible set of the first three volumes in paperback makes a great gift for newcomers to the series and for loyal fans alike.

Those Girls

A RICHARD AND JUDY BOOK CLUB PICK AND NUMBER ONE BESTSELLER What if you had said yes . . . ? Eva and Jim are nineteen, and students at Cambridge, when their paths first cross in 1958. Jim is walking along a lane when a woman approaching him on a bicycle swerves to avoid a dog. What happens next will determine the rest of their lives. We follow three different versions of their future - together, and apart - as their love story takes on different incarnations and twists and turns to the conclusion in the present day. The Versions of Us is an outstanding debut novel about the choices we make and the different paths that our lives might follow. What if one small decision could change the rest of your life? Laura's Barnett's new book GREATEST HITS is available for pre-order now.

Virtuosity

Die Georgische Sprache is a systematic description of the structure of the Georgian language. With an in-depth contextualising introduction, as well as a description of the changes from Old to New Georgian.

The Mortal Instruments

Sixteen-year-old Prince Oliver, who wants to break free of his fairy tale existence, and fifteen-year-old Delilah, a loner obsessed with Prince Oliver and the book in which he exists, work together to seek Oliver's freedom.

The Versions of Us

Discover the New York Times bestselling series from Jennifer L. Armentrout. Starting over sucks. When we moved to West Virginia right before my senior year, I'd pretty much resigned myself to thick accents, dodgy internet access, and a whole lot of boring...until I spotted my hot neighbor, with his looming height and eerie green eyes. Things were looking up. And then he opened his mouth. Daemon is infuriating. Arrogant. Stab-worthy. We do not get along. At all. But when a stranger attacks me and Daemon literally freezes time with a wave of his hand, well, something...unexpected happens. The hot alien living next door marks me. You heard me. Alien. Turns out Daemon and his sister have a galaxy of enemies wanting to steal their abilities, and Daemon's touch has me lit up like the Vegas Strip. The only way I'm getting out of this alive is by sticking close to Daemon until my alien mojo fades. If I don't kill him first, that is. Read the entire bestselling series! #1: Obsidian (from Katy's point of view) #2: Onyx (from Katy's point of view) #3: Opal (from Katy's point of view) #4: Origin #5: Opposition Oblivion (Books 1-3 from Daemon's point of view) CAN BE READ FIRST OR AFTER KATY'S POV! Prequel: Shadows (Dawson's story)

Die Georgische Sprache

May 16th. 1201 hrs. We are now under siege. Beyond the silo access doors, we have a small army of beaten and battered undead to contend with. They only want one thing... Day by Day Armageddon is the handwritten journal of one man and his struggle for survival. Trapped in the midst of global disaster, he must make decisions that could mean life, or which could condemn him eternally to walk as one of them. Enter, if you dare, into his world. The world of the undead.

Between the Lines

The New York Times bestselling series! Jules Ember confronts the girl who is both her oldest friend and greatest enemy in the highly anticipated sequel to Everless, praised by New York Times bestselling author Stephanie Garber as "an intoxicating blend of blood, secrets, and haunting mythology." Jules Ember was raised hearing legends of the ancient magic of the wicked Alchemist and the good Sorceress. But she has just learned the truth: She is the Alchemist, and Caro--a woman who single-handedly murdered the Queen and Jules's first love, Roan, in cold blood--is the Sorceress. The whole kingdom believes that Jules is responsible for the murders, and a hefty bounty has been placed on her head. And Caro is intent on destroying Jules, who stole her heart twelve lifetimes ago. Now Jules must piece together the stories of her past lives to save the person who has captured her heart in this one. Perfect for fans of Victoria Aveyard, Kiera Cass, and Kendare Blake, Evermore is the high-stakes, star-crossed follow up to the New York Times bestselling Everless that fans have been waiting for.

Obsidian

At Shadow Falls, teens with supernatural powers bond, fall in love, and learn to harness their abilities. But a shocking revelation changes everything these teens thought they knew about Shadow Falls, and each other... Kylie Galen wants the truth so badly she can taste it. The truth about her real family, the truth about which boy she's meant to be with—and the truth about her emerging powers. But she's about to discover that some secrets can change your life forever...and not always for the better. Just when she and Lucas are finally getting close, she learns that his pack has forbidden them from being together. Was it a mistake to pick him over Derek? And it's not just romance troubling Kylie. An amnesia-stricken ghost is haunting her, delivering the frightful warning, someone lives and someone dies. As Kylie races to unravel the mystery and protect those she loves, she finally unlocks the truth about her supernatural identity, which is far different—and more astonishing—than she ever imagined. Don't miss the third book in C. C. Hunter's riveting, New York Times bestselling Shadow Falls series, Taken at Dusk!

Day By Day Armageddon

"Lynsay Sands writes books that keep readers coming back for more." —Katie MacAlister, USA Today bestselling author of A Girl's Guide to Vampires Readers can't get enough of Lynsay Sands' delightfully devilish novels featuring the Argeneau vampire family, and with The Reluctant Vampire, Sands soars to new heights on silken bat wings. The story of a sexy Rogue Hunter forced to babysit a new immortal with a handsome, brooding, millennia-old vampire still devastated over the loss of a lover, The Reluctant Vampire offers heart, humor, and sizzling sensuality in equal measure—hallmarks of the incomparable Lynsay's bestselling paranormal fiction.

Evermore

From the New York Times bestselling author of the Covenant and Lux series comes a novel of danger, Gods and Titans... and an electric love story which will send you reeling. A year ago, Seth made a deal with the gods - and pledged his life to them. Now, Apollo has a task for Seth: one which sees him playing protector over a beautiful, feisty girl who's strictly off-limits. And for someone who has a problem with restraint, this assignment might be Seth's most challenging yet. Josie has no idea what this crazy hot guy's deal is, but he arrives in her life just as everything she's ever known is turned upside down. Either she's going insane, or a nightmare straight out of ancient myth is heading her way. Josie can't decide which is more dangerous: an angry Titan seeking vengeance? Or the golden-eyed, secretive Seth - and the white-hot attraction developing between them...

Taken at Dusk

See the Grishaverse come to life on screen with Shadow and Bone, now a Netflix original series. Nominated for the CILIP Carnegie Medal 2017, this fantasy epic from the No. 1 NEW YORK TIMES bestselling author of the Grisha trilogy is gripping, sweeping and memorable - perfect for fans of George R. R. Martin, Laini Taylor and Kristin Cashore. Criminal prodigy Kaz Brekker is offered a chance at a deadly heist that could make him rich beyond his wildest dreams - but he can't pull it off alone. A convict with a thirst for revenge. A sharpshooter who can't walk away from a wager. A runaway with a privileged past. A spy known as the Wraith. A Heartrender using her magic to survive the slums. A thief with a gift for unlikely escapes. Six dangerous outcasts. One impossible heist. Kaz's crew is the only thing that might stand between the world and destruction - if they don't kill each other first. An epic new exploration of the Grisha universe from the writer of SHADOW AND BONE, SIEGE AND STORM and RUIN AND RISING, totally consuming for both old fans and new.

The Reluctant Vampire

The seventh work in the New York Times and #1 internationally bestselling series that started with the Beautiful Bastard, Beautiful Stranger, and Beautiful Player novels. Featuring all the Beautiful characters...plus one tiny new addition to the group. In Beautiful Stranger, finance whiz Sara Dillon met the irresistibly sexy Brit, Max Stella, at a New York City club. Through the series we've watched them learn to balance commitment with their less than private brand of playfulness. In Beautiful Beloved, Max and Sara take it to the next step. But the question is: Will they be able to find a balance between the wild sexcapades they aren't ready to retire, and the demands of parenthood that come along with their new Beautiful bundle of joy? Parenthood: it's not for the weak of heart.

The Return

'On the shield, one of seven forged in the timeless past to hold back the dark, fell a single drop of blood. So the shield weakened, and the dark, spider-patient, waited as the decades passed, and the wound spread under the grass and ground.' The brilliant conclusion to the Chronicles of the One trilogy - an epic story of love, war, family and magic. Fallon Swift has spent all her life preparing for this moment. No longer can she stand by whilst her fellow Magicks are hunted by the fanatical Purity Warriors or rounded up and experimented on by the government. Fallon must follow her destiny to restore the magical shield that once protected them all. But she can't do it alone. It is time to build her army, to take on her nemesis and take down the enemy. She has learned to fight, now she must restore the light and banish the dark forever. The final battle has begun... Series praise: 'A match for end-of-the-world classics like Stephen King's The Stand' - New York Times Review of Books 'Breathtaking' - Heat

Six of Crows

Reason to Breathe by Rebecca Donovan is a US bestselling phenomenon. An utterly addictive and heartbreaking novel that will leave readers breathless and desperate for more. All fans of Jodi Picoult and new adult fiction such Colleen Hoover's Slammed, Tammara Webber's Easy and Abbi Glines' Vincent Boys will love Rebecca Donovan's incredible writing. A must-read. A passionate love. A brutal betrayal. Unwavering hope. In a town where most people worry about what to be seen in and who to be seen with, Emma Thomas would rather not be seen at all. She's more concerned with feigning perfection, pulling down her sleeves to conceal the bruises. Emma doesn't want anyone to know how far from perfect her life truly is. When Emma unexpectedly finds love, it challenges her to recognize her own worth - but at the risk of revealing the terrible secret she's desperate to hide. Praise for Reason to Breathe: 'Emotionally intense and heart-achingly beautiful, Reason to Breathe will linger in your

thoughts long after you turn the last page.' - Tracey Garvis-Graves, New York Times bestselling author of On the Island
