Intro

A kiss on the beach when there is a full moon is the closest thing to heaven.

The best preparation for tomorrow is doing your best today.

If you know someone who tries to drown their sorrows, you might tell them sorrows know how to swim.

Never give up on what you really want to do. The person with big dreams is more powerful than one with all the facts.

Sometimes the heart sees what is invisible to the eyes.

Approach love and abandon.

Become the most positive and enthusiastic person you know.

When you can't change the direction of the wind - adjust your sails.

Wear audacious underwear under the most solemn business attire.

The three most powerful resources you have available to you: love, prayer and forgiveness.

Don't delay acting on a good idea. Chances are someone else has just thought of it, too. Success comes to the one who acts first.

I Could Say Go Home and Do this Go Home and Do that Go Over There and Do this I Could Give You Specific Application but It Might Not Apply to all of You I Would Rather Given Implication That Hits all

of You like this Morning I Said Here Are Three Things That Will Give You Assurance of Your Salvation That's the Implication of this Message You Understood that Everybody and Understood that that Was the Delivered True that the End That Was the Practical Principle as to Specifically Making Application of that New Understanding of Your Assurance That's Going To Work Out Flesh Out as the Holy Spirit Directs You're Thinking Your Experience and Your Life Well There Are the Five Principles Now You Know the Secret of What I Try To Do

We Have Received Not the Spirit of the World but the Spirit Who Is of God That We Might Know the Things That Are Freely Given to Us of God the Natural Man Receives Not the Things of the Spirit of God They Are Foolishness to Him neither Can He Know Them because They Are Spiritually Discerned the Natural Man Can't Do this Can't Interpret Scripture nor Can those Who Don't Submit Themselves to the Principal's in the Science of Hermeneutics but at the End of the Day Is the Holy Spirit Illumination That Guides that Intense Process to the End That Comes Up with a Right and a Clear Interpretation to the Glory of God Alright that's Your Lesson

But at the End of the Day Is the Holy Spirit Illumination That Guides that Intense Process to the End That Comes Up with a Right and a Clear Interpretation to the Glory of God Alright that's Your Lesson Let's Pray Father We Thank You for Time Tonight To Talk about these Things and To Consider How Urgent and Important It Is for Us To Handle Your Word Accurately We Want To Be Faithful at that in every Sense We Thank You that You Allowed Us To To Have the Masters College and the Masters Seminary and There To Be Training Many Who Will Handle Your Word in the Future Effectively We Thank You for the Privilege We Have of Investing in Their Lives

And We Thank You for All those Who through the Years Have Been Faithful in Interpreting Your Word and Who Have Seen the Marvelous and Outworking of the Illuminating Holy Spirit this Is an Immense Joy and Privilege this Is the Greatest Blessing that any Preacher Would Ever Know To Come to Clarity in the Word Knowing that It Was Not Apart from His Effort but Not Solely by His Effort but Rather a Spirit Empowered a Spirit Illuminated Effort That Led Where the Natural Man Could Never Go to the Truth Understood Clearly the Truth Then Becomes Our Life and Our Jewelry and for We Give You Glory We Thank You in Christ's Name Amen
