An Innocent Relationship Volume 2 (Hentai Manga)

To take a quick look at him, no one would consider 25 year old office worker Tadashi Kimijima to be a sex symbol. But as luck would have it, Tadashi has somehow won the attention of his incredibly sexy boss, Kana Akashi. Tadashi knows he's the luckiest guy in the world, but can't keep his pants buttoned long enough to enjoy his great fortune. Temptation is all around him, such as his naive coworker Makoto Momoyama and the sexy lingerie bar hostess Sonoko Shido. Will Tadashi be able to make his relationship work with Kana, or will his constant cheating land him with no one? *This book is partially censored with white markings.

A Century of Temptation

One fateful evening, as Sevi is coming home from a late night shift at the cafe where he works, he encounters Hornet, a lovely vampire -- who also happens to be starving for hot blood after a rowdy night out with his vampire brethren. Hornet is suddenly seduced by the sweet smell of Sevi's blood and cannot control his urge to get a taste! Fortunately, Hornet is allergic to human blood and cannot bite him. Instead, they must satisfy their lustful desires by "human ways" -- sex, of course!

Breasts of Temptation

A missionary girls school, located on a secluded island, attended by girls who belong to rich, high-classed families. All of this adds up to a great setting for an orgy. Especially the part 'missionary' it gives the impression of holiness, and the direct opposite would be demonic, which may mean tentacles. Psych, no tentacles this time. Instead, it's the mind control setting, triggered by the ringing of the bell tower. Enjoy seeing supposedly "pure" girls lost to wanton lust, and come to later with no idea of what they just did.

Destiny Lovers Vol. 2

Despite the longevity of animation and its significance within the history of cinema, film theorists have focused on live-action motion pictures and largely ignored hand-drawn and computer-generated movies. Thomas Lamarre contends that the history, techniques, and complex visual language of animation, particularly Japanese animation, demands serious and sustained engagement, and in *The Anime Machine* he lays the foundation for a new critical theory for reading Japanese animation, showing how anime fundamentally differs from other visual media. *The Anime Machine* defines the visual characteristics of anime and the meanings generated by those specifically “animetic” effects—the multiplanar image, the distributive field of vision, exploded projection, modulation, and other techniques of character animation—through close analysis of major films and television series, studios, animators, and directors, as well as Japanese theories of animation. Lamarre first addresses the technology of anime: the cells on which the images are drawn, the animation stand at which the animator works, the layers of drawings in a frame, the techniques of drawing and blurring lines, how characters are made to move. He then examines foundational works of anime, including the films and television series of Miyazaki Hayao and Anno Hideaki, the multimedia art of Murakami Takashi, and CLAMP's manga and anime adaptations, to illuminate the profound connections between animators, characters, spectators, and technology. Working at the intersection of the philosophy of technology and the history of thought, Lamarre explores how anime and its related media entail material orientations and demonstrates concretely how the “animetic machine” encourages a specific approach to thinking about technology and opens new ways for understanding our place in the technologized world around us.

Mecha & Manga
