English Literature

Sometimes when I'm at work and waiting for customers I think about the two of us living like kings and not bothering about the future. Because there may not be any future to bother about, you know. Not for anybody, one of these days. And it's a wicked world. Average couple Janet and Howard's lives begin to unravel when Howard's photographic memory helps win him a gameshow fortune. Janet doesn't want their lives to change that much. She's quite happy working at the supermarket, cooking for her husband three times a day and watching quiz shows in the evening. But once Howard unleashes his photographic brain on the world, the once modest used-car salesman can't seem to stop. And what he sees as the logical conclusion to his success isn't something Janet can agree to. Burgess's 1961 darkly comic satire of drab English consumerism is adapted for the stage by Lucia Cox. This edition was published to coincide with the US premiere at the Brits Off-Broadway Festival, at 59E59 Theatre, New York, in May 2015.

Ninety-nine Novels

In a collection of nonfiction writings, the British novelist addresses his childhood, his experiences in Malaysia and Monaco, his own work and its critics, and the work of his contemporaries

One Hand Clapping

Enderby is a poet, social critic and Catholic. He may be found hiding in the lavatory where much of his best work is composed, or perhaps in Rome, brainwashed into respectability by a glamorous wife, aftershave and the dolce vita. Whether he is pursuing revenge and inspiration in Morocco, expounding on his notorious sex film on a TV chat show, or writing a hit musical based on the life and work of Shakespeare, Enderby emerges triumphant.

One Man's Chorus

Contains a representative selection of critical essays upon the novels of Anthony Burgess.

The Complete Enderby

Michael Byrne is an Irish Don Juan - a composer, a charmer, a bigamist and a thug. He moves from country to country, from bed to bed, selling his talents and leaving a trail of children in his wake. His journey takes him from post-Great War London to the centre of Hitler's Third Reich and then he

vanishes. His twin sons travel across the troubled face of Europe to pursue their father for one final apocalyptic reckoning.

Anthony Burgess

With war in Westmark and the assumption of the throne by Mickle, all Theo's talents are needed, as well as those of his former companions.

Anthony Burgess Revisited

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Anthony Burgess

A story of survival in our century and the destinies of two families, one Welsh, and one Jewish, who are bound together by marriage.

Byrne

Enderby is a dyspeptic British poet, 56 years old, and *The Clockwork Testament* is an account of his last day alive. The day in question is a cold one in February. He spends it in New York City, where for the past several months he's been working as a visiting professor of English literature and composing a long poem about St. Augustine and Pelagius.

English Literature

Francis Lydgate goes to the imaginary African caliphate of Dunia, seeking peace and quiet. Instead, he finds revolution, cannibalism, and 2 amorous Italians who are creating the marbled work in the new mosque.

The Novel Now: a Student's Guide to Contemporary Fiction

Semi-autobiographical reflection on the author's experience of having been the subject of Stanley Kubrick's film adaptation of *A Clockwork Orange* in 1971.

English-literature-burgess-1

Kicked out of college and harassed by his lawyer, Miles Faber abandons New York and embarks on a defiant pilgrimage across the Caribbean to find the shrine of Sib Legeru, an obscure poet and painter. But in the streets of Castita's capital, where a wild religious festival is in full swing, a series of bizarre encounters - including his own repulsive doppelgänger (the son of a circus bird-woman) - and disturbing family revelations await Miles, who soon finds himself a willing victim of dynastic destiny. A darkly surreal comedy of dazzling linguistic inventiveness, *MF* is an outrageous tale of blood, lust and the machinations of fate.

Any Old Iron

Unlock the more straightforward side of *A Clockwork Orange* with this concise and insightful summary and analysis! This engaging summary presents an analysis of *A Clockwork Orange* by Anthony Burgess, which follows the teenaged Alex as he and his "droogs" rampage through their city committing acts of extreme violence, which they enjoy and for which they feel no remorse. When Alex is captured and convicted of murder following a brutal attack on an elderly woman, he is given the option to undergo a new experimental psychological technique which will aim to instill a deep aversion to violence in him. Through Alex's story, *A Clockwork Orange* explores themes including free will and the duality of good and evil. As well as its vivid descriptions of violence, the novella is notable for its use of

Nadsat, a Russian-influenced argot invented by Burgess (who was also a linguist). Find out everything you need to know about A Clockwork Orange in a fraction of the time! This in-depth and informative reading guide brings you: • A complete plot summary • Character studies • Key themes and symbols • Questions for further reflection Why choose BrightSummaries.com? Joysprick

"A brilliant novel . . . a savage satire on the distortions of the single and collective minds." -New York Times "Anthony Burgess has written what looks like a nasty little shocker, but is really that rare thing in English letters: a philosophical novel." -Time

The Clockwork Testament, Or, Enderby's End

Time for a tiger. Originally published: London : Heinemann, 1956 -- The enemy in the blanket. Originally published: London : Heinemann, 1958 -- Beds in the East. Originally published: London : Heinemann, 1959.

Devil of a State

"Burgessian" Rome. Like the locations of many of his novels, Rome here takes on a texture that can only exist in Burgess. The plot concerns Mr. John Beard, a hack writer having a hell of a time (so to speak) in the Eternal City. Full of Nabokovian autoparody (a "better" writer visits Mr. Beard and pounds away at some of Burgess's own aesthetics) and some fairly relentless lascivity, "Beard's Roman Women" will be appreciated most by the Burgess-fanatics. --A Customer at Amazon.com.

The Clockwork Testament Or: Enderby's End

Anthony Burgess combined high artistic seriousness with very broad popular appeal. The writer of A Clockwork Orange and Napoleon Symphony variously cast himself in the roles of uncompromising artist and willing entertainer. What links these contradictory aspirations is Burgess' ambivalent relationship with James Joyce. In his daring experimentation with the novel form, Burgess always had the Joycean example to emulate, but he also invoked the great precursor to vindicate the rawer components of his art. The author is not blinded by his comparative agenda to Burgess' debts incurred elsewhere. Burgess' work reverberates with echoes of lesser masters as well as securely canonized classics: his voices include the Maughamesque and the Shakespearean as they do the Eliotian and, of course, the Joycean. Anthony Burgess is thus reintroduced as a (post)modern classic himself: Jake's deserving peer and Will's true son.

M/F

"There are so few genuinely entertaining novels around that we ought to cheer whenever one turns up. Continuous, fizzing energy...Honey for the Bears is a triumph." —Kingsley Amis, New York Times A sharply written satire, Honey for the Bears sends an unassuming antiques dealer, Paul Hussey, to Russia to do one final deal on the black market as a favor for a dead friend's wife. Even on the ship's voyage across, the Russian sensibility begins to pervade: lots of secrets and lots of vodka. When his American wife is stricken by a painful rash and he is interrogated at his hotel by Soviet agents who

know that he is trying to sell stylish synthetic dresses to the masses starved for fashion, his precarious inner balance is thrown off for good. More drink follows, discoveries of his wife's illicit affair with another woman, and his own submerged sexual feelings come breaking through the surface, bubbling up in Russian champagne and caviar.

Here Comes Everybody

Based on his novella of the same name.

A Clockwork Orange by Anthony Burgess (Book Analysis)

In a cult classic that rivals Pulp Fiction for its portrayal of violence in the postmodern society, Anthony Burgess's drama is part horror farce, part social prophecy and part penetrating study of human choice between good and evil.

An introduction to english literature - From Philip Sidney to Graham Swift

Like Lewis Carroll's Alice, Edgar plunges into a wonderland of bizarre adventures among curious creatures. The author of A Clockwork Orange plays with logic and language in this captivating tale for all ages.

Enderby Outside

"Children must be coerced into it, enthusiasts leap into it, many of us have to be dragged out of it. Bed. ... an irresistible combination of pictures and prose, tells us much of what goes on in bed - a subject that tickles nearly everyone's curiosity. Most of us were conceived in bed, spent the first months of childhood in bed, sleep one-third of our lives away in bed, and will probably end our days in bed, for, as the author says, 'few people die in chairs unless they are electric.' Anthony Burgess, author of the best-selling 'A Clockwork Orange' and 'Earthly Powers', here turns his investigatory talents to the fact and fancy, the history and psychology of beds and mankind..." -- Dust jacket.
