La dernière empathie

À New York, une ville démolie par les guerres des magiciens, Ryvonn, seize ans, apprend à maîtriser son pouvoir. C'est une empathie: elle est capable de ressentir les émotions des personnes autour d'elle. C'est bien moins impressionnant que télépathe ou télékinésiste, mais ça n'empêche pas le gouvernement de s'arracher son don. Quand elle n'est pas à l'école ou avec sa famille, Ryvonn utilise son pouvoir lors des interrogatoires des prisonniers pour une agence du gouvernement, qui la paie grassement en retour. Jusque-là, tout se déroulait parfaitement, elle n'avait pas commis une seule erreur qui aurait pu la trahir. C'était sans compter sur Leo, un prisonnier pas comme les autres. Ryvonn plonge par accident dans ses souvenirs à l'aide de son deuxième pouvoir, celui qu'elle essaye tant bien que mal de cacher aux yeux du monde entier, et elle met le pied dans un engrenage qu'elle ne peut plus freiner qui implique l'une des familles les plus puissantes des cartels magiques ! Obligée de maîtriser son don en un temps record et de fréquenter l'élite des magiciens, Ryvonn doit faire face à un complot d'une ampleur qui la dépasse. Saura-t-elle s'en sortir indemne ? La Nouvelle Meute

La colère a assombri le cœur de Ryvonn. Rien ne sera plus jamais comme avant. Le soleil ne brillera plus de la même manière, sa relation avec ses frères est immanquablement changée, même Rana semble éprouver des doutes sur l'attitude de l'adolescente. La vengeance, en revanche, est un plat qui se mange chaud comme froid, selon Ryvonn qui traque Catherine et les magiciens dissidents comme si c'était son dernier but dans la vie. Et si elle retrouve la femme qui a démolie sa vie, elle a promis de la détruire. Non, rien ne sera jamais plus comme avant. Il est temps de montrer ce qu'elle a dans le ventre.

The Hundredth Queen

In Emily R. King's thrilling fantasy debut, an orphan girl blossoms into a warrior, summoning courage and confidence in her fearless quest to upend tradition, overthrow an empire, and reclaim her life as her own. As an orphan ward of the Sisterhood in the ancient Tarachand Empire, eighteen-year-old Kalinda is destined for nothing more than a life of seclusion and prayer. Plagued by fevers, she's an unlikely candidate for even a servant's position, let alone a courtesan or wife. Her sole dream is to continue living in peace in the Sisterhood's mountain temple. But a visit from the tyrant Rajah Tarek disrupts Kalinda's life. Within hours, she is ripped from the comfort of her home, set on a desert trek, and ordered to fight for her place among the rajah's ninety-nine wives and numerous courtesans. Her only solace comes in the company of her guard, the stoic but kind Captain Deven Naik. Faced with the danger of a tournament to the death--and her growing affection for Deven--Kalinda has only one hope for escape, and it lies in an arcane, forbidden power buried within her.

Alters

"Before she passed away, my mom, a former FBI agent, told me to make a run for it, should I ever come across Alters. Well, I did come across four of them. And running for it wasn't an option." Magical powers, strong emotions and friendship: dive into the adventures of Faith Ezreal! I was living a simple life until Logan Archer showed up on the high school's parking lot to help me. Beyond the fact that he was THE popular guy in our school and managed to fix my car in no time, which actually seemed quite magical to me, I have to admit he was also quite mysterious. And in a handsome way at that, but then that was just a detail. He was always hanging out with his three friends: Eter, quiet as a grave, Emriel and Sierra, as adorable as they were talented. These four were actually shining a thousand lights, more than any vampire in full sunlight. They were Alters, supernatural beings with magical powers, living discreetly amongst humans. I had learned about them almost despite myself. Perhaps my mom, who had used to work for the FBI, had told me about the Alters' existence. And perhaps I had done my best to stay away from Logan, but then he had seemed really determined to mess up my entire life. With the very best intentions, naturally. Until it all got out of hand.
