

Who Gets What Mdash And Why The New Economics Of Matchmaking And Market Design

[#market design](#) [#matchmaking economics](#) [#resource allocation](#) [#economic theory](#) [#mechanism design](#)

Explore the fascinating world of market design and matchmaking economics, delving into the fundamental question of who gets what and why. This new economic perspective examines the innovative frameworks and strategies, often drawing on mechanism design, that shape how resources, people, and opportunities are allocated, offering insights into optimizing outcomes and understanding the underlying economic theory behind these crucial systems.
