Dordogne Green Guide

Praised in such wonderfully readable books as Peter Mayle's "A Year in Provence"

Provence Green Guide

This completely revised Michelin Green Guide featuring Dordogne, Berry and Limousin presents some of the most-visited, and some of the least-visited, areas in France. The Dordogne, and increasingly the Quercy, characterized by castles and caves, are well-known to visitors, while the Berry and Limousin areas with their unspoiled countryside and plateaux are much less familiar but definitely worth a visit. The guide with its star-rating system and maps covers it all from the prehistory of Perigord Noir to northern Berry's wine-growing region and the crisp white wines of Sancerre."

Michelin Green Guide to Dordogne

Guidebook to 35 half-day and day walks in France's beautiful Dordogne region, based around Bergerac, Lalinde, Sarlat and Souillac (Lot). The walks, which range from 6 to 18.5km, take in the region's myriad delights, from spectacular gorges to enchanting chateaux and charming medieval villages. All walks are within the capacity of the average walker, and are on well-marked paths or quiet roads. They are graded easy or medium; there are no long, steep climbs or abrupt descents. There are step-by-step descriptions and maps for each route. Also included is information on the history, flora and fauna of the region, together with practical pointers such as what to take and when to go, as well as notes on waymarking, accommodation and transport. A route summary table and glossary are also provided. Lying in south west France, the Dordogne is a land of great scenic variety, from rolling wooded hills and fertile valleys to barren upland plateaus and limestone cliffs riddled with caves. The charm of the Dordogne also lies in the picturesque medieval towns, châteaux, churches and abbeys that stud the landscape, and these are the focus of many of the walks.

Michelin Green Guide France

"The updated Michelin Green Guide Dordogne Berry Limousin presents some of the most visited, and some of the least visited, areas in France. Visitors will recognise the Dordogne and the Quercy, characterised by river valleys, castles and caves. The Berry and Limousin areas with their unspoiled countryside and plateaux are not so well known but definitely worth a visit. The guide's star-rating system for attractions, colourful maps, recommendations for accommodations and restaurants, and driving and walking tours ensure an enjoyable and successful visit."--Publisher description.
