The Food Of Love

Laura Patterson is an American exchange student in Rome who, fed up with being inexpertly groped by her young Italian beaux, decides there's only one sure-fire way to find a sensual man: date a chef. Then she meets Tomasso, who's handsome, young -- and cooks in the exclusive Templi restaurant. Perfect. Except, unbeknownst to Laura, Tomasso is in fact only a waiter at Templi -- it's his shy friend Bruno who is the chef. But Tomasso is the one who knows how to get the girls, and when Laura comes to dinner he persuades Bruno to help him with the charade. It works: the meal is a sensual feast, Laura is utterly seduced and Tomasso falls in lust. But it is Bruno, the real chef who has secretly prepared every dish Laura has eaten, who falls deeply and unrequitedly in love. A delicious tale of Cyrano de Bergerac-style culinary seduction, but with sensual recipes instead of love poems.

Tied With Me

Saman is a story filtered through the lives of its feisty female protagonists and the enigmatic "hero" Saman. It is at once an exposé of the oppression of plantation workers in South Sumatra, a lyrical quest to understand the place of religion and spirituality in contemporary lives, a playful exploration of female sexuality and a story about love in all its guises, while touching on all of Indonesia's taboos: extramarital sex, political repression and the relationship between Christians and Muslims. Saman has taken the Indonesian literary world by storm and sold over 100,000 copies in the Indonesian language, and is now available for the first time in English. ABOUT THE AUTHOR Ayu Utami was born in Bogor, grew up in Jakarta and obtained her bachelor degree in Literature Studies from University of Indonesia. She worked as a journalist for Matra, Forum Keadilan, and D&R. Not long after the New Order regime closed Tempo, Editor, and Detik, she participated in the founding of Indonesia's Alliance of Independent Journalists to protest the closure of those three weeklys. Currently she is working for the cultural journal Kalam, and at Teater Utan Kayu. Saman was awarded the Prince Claus Award in the year 2000.

Instead, I let him take me to his condo where he turned the worst night of my life into the most erotic, sensual experience I never would have imagined in my wildest dreams.

The Weaverbirds

The long awaited and highly revealing diaries of the politician, diplomat, and socialite (married to Lady Diana Cooper) 'This is a fabulous, jaw-dropping read' SUNDAY TIMES 'Duff Cooper was as close to the action as anyone during the dramatic events of the mid-20th century. He was also comically priapic, committing enough sexual indiscretions to fill a dozen diaries' SUNDAY TELEGRAPH 'Fascinating for two things: their testament to an exhilarating century and their witness to a vanished age of power and privilege ... What a man' OBSERVER Duff Cooper was a first-rate witness of just about every significant event from 1914 to 1950. His diary includes some magnificent set pieces - as a young soldier at the end of WWI, as a politician during the General Strike of 1926, as King Edward VIII's friend at the time of the Abdication, and from Paris after the liberation in 1944, when he became British ambassador. If Duff Cooper's name has dimmed in the 50 years since his death, publication of these diaries will bring him to the fore once again. His family have long resisted publication - indeed Duff Cooper's nephew, the publisher Rupert Hart-Davis, was so shocked by the sexual revelations that he suggested to John Julius Norwich that it might be best for all concerned if they were burnt. Now, superbly edited by John Julius Norwich, who familial link ensures all kinds of additional information as footnotes, these diaries join the ranks.

I take care of them just as they once took care of me. I handle all the dirty work behind the scenes of a rockers life. It isn't always pretty. At times it can be damn near disgusting, especially when I have to get rid of

their one night stands. Ugh! Taking care of them doesn't bother me though. I mean it's not like I'm in love with one of them. That would be crazy. Falling for a rocker is NOT smart. Okay, so I'm not smart. I love my guys, and one of them kind of holds my heart in his big old rocker hand. But I'm dealing. I've been able to keep it my little secret for years now. I'm not, however, dealing with this bug that I seem to have caught. It scares the hell out of me. I hate doctors, but I'm suddenly more worried about finding out what is wrong with me than what the doctor might do to me. When I get my test results back my life will never be the same again... ***Because of language and adult situations not suitable for readers under 17***

Creating Musical Theatre

In the Province of the Nine Skies, far above the heavens, there exists Nine Galaxies of Astral Rivers made up of countless constellations interwoven together. For Martial Cultivators, they could form an innate link with one of the constellations, awaken their Astral Soul, and transform into a Stellar Martial Cultivator. Legend has it that, the strongest cultivators in the Province of the Nine Skies, were beings that could open an astral gate every time they advanced into a new realm. Their talent in cultivation was such that they could even establish innate links with constellations that existed in a layer higher than the Nine Layers of Heavens, eventually transforming into the heaven-defying and earth-shattering power known as the War God of the Nine Heavens. Qin Wentian is the MC of this story. How could a guy, with a broken set of meridians, successfully cultivate? There were countless Stellar Martial Cultivators, as there were countless constellations in the vast starry skies. What he wanted to be, was the brightest constellation of all, shining dazzlingly in the vast starry skies.
