Creating a Missional Culture

Once upon a time, Moses had had enough. Exhausted by the challenge of leading the Israelites from slavery to the Promised Land, Moses cried out to God, "What have I done to displease you that you put the burden of all these people on me? . . . If this is how you are going to treat me, please go ahead and kill me" (Exodus 11:11, 15). If that sounds hauntingly familiar to you, you may be the senior pastor of a contemporary church. The burden of Christian leadership is becoming increasingly unbearable--demanding skills not native to the art of pastoring; demanding time that makes sabbath rest and even normal sleep patterns seem extravagant; demanding inhuman levels of efficiency, proficiency and even saintliness. No wonder pastors seem and even feel less human these days. No wonder they burn out or break down at an alarming rate; no wonder the church is missing the mark on its mission. In *Creating a Missional Culture*, JR Woodward offers a bold and surprisingly refreshing model for churches--not small adjustments around the periphery of a church's infrastructure but a radical revisioning of how a church ought to look, from its leadership structure to its mobilization of the laity. The end result looks surprisingly like the church that Jesus created and the apostles cultivated: a church not chasing the wind but rather going into the world and making disciples of Jesus.

The Permanent Revolution

A new brand of apostolic ministry for today's world *The Permanent Revolution* is a work of theological re-imagination and re-construction that draws from biblical studies, theology, organizational theory, leadership studies, and key social sciences. The book elaborates on the apostolic role rooted in the five-fold ministry from Ephesians 4 (apostles, prophets, evangelists, shepherds, and teacher), and its significance for the missional movement. It explores how the apostolic ministry facilitates ongoing renewal in the life of the church and focuses on leadership in relation to missional innovation and entrepreneurship. The authors examine the nature of organization as reframed through the lens of apostolic ministry. Shows how to view the world through a biblical perspective and continue the "permanent revolution" that Jesus started Outlines the essential characteristics of apostolic movement and how to restructure the church and ministry to be more consistent with them Alan Hirsch is a leading voice in the missional movement of the Christian West This groundbreaking book integrates theology, sociology, and leadership to further define the apostolic movement.

Restoring the Five-Fold Ministry

The church represents the largest organization in the world, covering all nations, all cultures, and millions of members. Church leadership, like leadership in any organizations, is of vital importance. However, the difference is that Jesus's model of leadership and use of power and authority can be different from leadership in the world of business. The differences between the fivefold ministry gifts and the leadership of elders and deacons are often misunderstood, and the changing nature of church leadership from biblical roots has resulted in several forms of maladaptive leadership in the church today, the most common being the rise of the pastoral supremacy syndrome, where the focus on the

pastoral gift has effectively destroyed the fivefold ministry intended to be God's leadership design. This book is about leadership—specifically about leadership in God's church.

Practical Biblical Strategies for the Training and Equipping of the Fivefold Ministry Gifts

This book is a must have for every Church leader, that understands the responsibility of fivefold ministry to train and equip the Body of Christ the biblical way. Understanding the description of the assignment of the fivefold ministry as laid out in Ephesians 4:11-16, this responsibility to present a healthy Church to God, can no longer be ignored with a nonchalant attitude. The demand has been placed on every local Church and every fivefold leader to take part in preparing the Church for quality works of service and to bring health, unity, stability, and governance to the body. The practical strategies offered in this book are applicable in any Church setting or training venue. If the Church is to experience, in this hour, the success experienced by the early Church, it must get back to the practice of the biblical strategies given to the fivefold ministry to prepare leaders as mandated by Jesus Christ. Application of the methods of leadership training within the pages of this book is a guarantee of producing leaders equipped with the necessary knowledge that all fivefold leaders need. When the practices and principles of Ephesians 4:12 are utilized, the local Church is guaranteed to experience the same quality of leadership produced by the early Church on the day of Pentecost and beyond. Leaders and lay members alike will find this book to be a tool that destroys the fear of failure that comes from feeling ill equipped. You will find yourself reaching for this book again and again.

Unfolding the Fivefold Ministry

This book, which is volume 1 in Ministry Gifts Series of 7 volumes, contains some vital truths that will help everyone who has a call into the five-fold ministry. It is a necessary tool for apostles, prophets, evangelists, pastors and teachers. It is also recommended to every believer in Christ. It provides God's answer to questions like: Who is the giver of the five-fold ministry? What is the purpose of the five-fold ministry? How can one identify an apostle, a prophet, an evangelist, a pastor and a teacher? How can one recognize a counterfeit ministry? How can a five-fold ministry receive, awaken and increase God's anointing? For how long was the five-fold ministry given? What are the seven great truths we must understand about the five-fold ministry? Has the five-fold ministry been fully restored to the Body of Christ? How can a five-fold minister fulfil his ministry? How will the Lord reward five-fold ministers and believers generally in this life and in the life to come?

The Five Fold Ministry

EPHESIANS 4:11-13 NKJV11 And He Himself gave some to be apostles, some prophets, some evangelists, and some pastors and teachers, 12 for the equipping of the saints for the work of ministry, for the edifying of the body of Christ, 13 till we all come to the unity of the faith and of the knowledge of the Son of God, to a perfect man, to the measure of the stature of the fullness of Christ. All of the five fold ministers function like coaches - they demonstrate how the work of the ministry is done, so that the saints may be equipped to do the work of the ministry. God's plan is multiplication of His Kingdom. God's foot soldiers are His people. It is God's will that none should perish, not one. The saying is true, "Shepherds don't have sheep; shepherds tend sheep. Sheep have sheep!" The secret to church growth is equipping the saints to do the work of the ministry, carried along, empowered by the Holy Spirit. The secret to building up the body of Christ is an accessible five fold ministry. The key to seeing the body of Christ united in the faith, and in knowledge, and with a maturity approaching that of Jesus Christ, is the operations of the five fold ministry. The five fold ministers are a wonderful blessing and aid to the Body of Christ. Most exponents are genuine. However there are a few who claim to be five fold ministers who are not. The Body of Christ need not be troubled by these impostors. Within these pages you will find such quantities of truth as to have received a vaccination forever against error, at least where these

ministries are concerned. My aim in writing this book is to equip the saints with a thorough knowledge of what each of these ministries looks like, and the outcomes they can expect in each case. After reading this book even a new Christian should be able to discern between what is true, and what is false. False apostles, false prophets, false evangelists, false shepherds and false teachers are not numerous, but they do exist. So if I can borrow an argument the apostle Paul uses with respect to the spiritual gifts: God would not have us ignorant. 1 CORINTHIANS 13:4-8a, 13 RSV4 Love is patient and kind; love is not jealous or boastful; 5 it is not arrogant or rude. Love does not insist on its own way; it is not irritable or resentful; 6 it does not rejoice at wrong, but rejoices in the right. 7 Love bears all things, believes all things, hopes all things, endures all things. 8 Love never ends ... 13 So faith, hope, love abide, these three; but the greatest of these is love. The word for love used in the King James Version in the above passage is "charity" and on this occasion that translation is helpful. That is to say, when encountering a five fold minister for the first time our attitude should be charitable. We ought to be believing the best, and hoping the best where that ministry is concerned, measuring their output against the Word of God.

PULSE OF CHRIST

In Ephesians 4:7-11, Jesus gave five specific spiritual gifts for the equipping and building up of the church to display his fullness in the world, yet only two are primarily used today- pastors and teachers. It's fair to say that this is an insufficient representation of Christ. What would the potential be of the missing sixty percent- apostles, prophets and evangelists- being activated as well? Could it be that every believer has latent potential in these five areas? Following Jesus' model of learning by doing- not passive information transfer- this practical training manual in the five fold ministry of Christ will be energizing. It will infuse new life into your Christianity as the pulse of Christ pumps through your spiritual veins. These practical exercises will stimulate atrophying muscles to spiritual growth. More importantly, it will glorify Jesus as his whole body is activated. In this fivefold training manual, you will find twenty-five practical exercises in five areas, such as: - How to start a new ministry and multiply it - (apostle) - How to form an encouraging, strengthening or comforting word - (prophet) - How to start spiritual conversations (hint: It's not what you think) - (evangelist) - How to create an atmosphere of community and care - (shepherd) - How to read and dissect the Bible yourself and teach others - (teacher) These exercises are designed to be simple, reproducible, and cross-cultural for any Christian who wants to go deeper. They can be used to equip individuals, youth groups, adult small groups, missions teams, whole churches or in ministry schools. Discover for yourself the powerful fivefold ministry prototype Jesus designed for the church, and be amazed as he reveals to you your part.

Primal Fire

In the earliest days of the church, followers of Jesus embraced five core spiritual gifts—apostles, prophets, evangelists, shepherds, and teachers—and the world was set on fire as a result. Over the past two thousand years, however, some of these gifts have been neglected or set aside, and we've forgotten what we're capable of. Now, in *Primal Fire*, Neil Cole shares the surprising truth about the five gifts of Jesus—what they mean, how they reflect Christ, and the remarkable power and synergy that comes when we all work together to ignite the church's full potential and passion. Whether you're a church leader who wants to equip your members to grow spiritually, or someone who wants to better understand your own contribution to the body of Christ, it's time to reignite the Primal Fire and become the gifts that Christ intended for us to be.

Fivefold Ministry

The Fivefold ministry (apostles, prophets, pastors, evangelists, and teachers), while subversive to many, has always been operating in the Church of Jesus Christ. What this book has to offer is not a new revelation- perhaps for some, it might be- but rather, a tangible definition of what is already in the Bible. What was plain to those early Christians, should be plain and celebrated among us today.

The Challenges of the Pentecostal, Charismatic and Messianic Jewish Movements

This book explores the Pentecostal and charismatic movements, tracing their development and their variety. Hocken shows how these movements of the Holy Spirit, both outside the mainline churches and as renewal currents within the churches, can be understood as mutually challenging and as complementary. The similarities and the differences are significant. The Messianic Jewish movement possesses elements of both the new and the old. Addressing the issues of modernity and globalization,

this book explores major phenomena in contemporary Christianity including the relationship between the new churches and entrepreneurial capitalism.

A Light to the Nations

The essays in this volume, which are written by friends, colleagues, and former students, are dedicated to Gary B. McGee as a memorial to his life, work, and service. As a professor with a clear calling to teach, he modeled this passion at the Open Bible College (Des Moines, Iowa), Central Bible College (Springfield, Missouri), and the Assemblies of God Theological Seminary (Springfield, Missouri). He exuded the understanding that quality teaching, superior scholarship, a genuine Pentecostal spirituality, and an irenic spirit can and should go together. Within the title of this volume, *A Light to the Nations*, two aspects become clear. First, each person is called to be "a light to the nations," as Gary McGee modeled. Second, and foundational to the first, is the reality that Jesus Christ is the ultimate light, and our energies, study, discussions, and life in general should rely on this fact. As a reflection of Gary McGee's life and ministry, these two aspects are focused through three lenses, which are the three sections of this volume: Ecumenism, Missions, and Pentecostalism. The essays represent a diversity of subjects and denote various explorations by colleagues and friends of Gary B. McGee.

Houses that Change the World

Millions of Christians around the world are becoming aware of an imminent reformation of global proportions within the church. God is changing this revered institution and is making a new collective awareness of an age-old revelation, a corporate spiritual echo that reflects God's desire for the church. In this book, Simson brings to light what God is saying to Christians everywhere. Researched across the globe, he presents the case for the reformation of the church's existence. In a world where the church is being ignored, it is time to bring the church to the people and not the people to the church. Whether it is what we know as church from the last five years or the last five hundred years, no one has truly been able to break free from the structures of the past. Many may see this book as radical, many may see it as a reforming of old ideals but all who read it will be challenged and their priorities refocused in a life-changing way.

Speak Lord, I'm Listening

Jesus said, "My sheep hear My voice," but many Christians do not know how to hear from God. In this practical, story-rich guidebook, international teacher Larry Kreider shows believers how to develop a listening relationship with the Lord. *Speak Lord, I'm Listening* explores the multiple ways Christians can hear the voice of God in today's world. It offers real-life examples of how God teaches His followers to listen. Contains tips in each chapter for distinguishing His voice from the noise of Satan's interference. Christians across the denominational spectrum will develop a closer and deeper relationship with God as they learn fifty unique ways to listen to Him. You will realize that God was speaking to you all along but, like the disciples on the road to Emmaus, you didn't know it was Him!

SPIRITUAL MENTORSHIP for PASTORS and CHURCH LEADERS TODAY

My timely book seeks to, among others, to appreciate and congratulate all men and women of God in ministry; and also encourage them for their continued dedication in leading the flock under their pastoral care as "Chief Shepherds." Bravo! On a more concerned and passionate note, the book seeks to equip the pastor/leader with some basic ministerial skills for sound, fruitful, untiring and ever-lasting soul-impacting ministry, devoid of any abuses either covertly or overtly. My final aim is to challenge the pastor/leader to be professional and current for contemporary ministry because society is becoming more scientific, technological, academic, intellectual, argumentative, and above all, critical, and skeptical. Our local communities are increasingly becoming more violent, confused, frustrated, socially darker and gloomy, stressful, and uncontrollable. The pastoral services of the pastoral/leaders thus become inevitable, crucial, and critical because communities look up to the spiritual leader. Indeed, the pastor/leader is the radiant light of hope, a beacon of light of inspiration, and encouragement to many. The challenge is for all pastors/leaders to lead their respective local communities to greater heights as God's ambassadors and the Called/Chosen for our present generation, and further work harder to hand over a better holistic legacy to the next generation. The Gospel must be preached in its fullest entirety uncompromisingly in season and out of season, devoid of any excuses. Let the Body of Christ be more united than ever to build a "New Church" that is modeled after the life of Christ. The Church that is anointed and empowered with answers to address the multiple-problems and the myriad of challenges facing the 21st century and beyond.

Deeper Revelations Of The Five-Fold Ministry

The reason why there is so much confusion in the Church today with regard to the operation of the gifts of the spirit is because the five-fold ministry gifts are not fully operational. It is a typical scenario right across the Body of Christ globally that people who are called to be apostles, prophets, pastors, teachers and evangelists are relegated to the side-lines while those who evidently don't have God's call are the ones holding the reins. For this reason, the church continues to be plundered by forces of darkness as the masses are trapped into a morass of debilitating poverty, sickness and limitation in progress. In this publication, *Apostle Frequency Revelator* unveils the divine truth that the solution to a myriad of problems facing the masses across the Body of Christ is to focus on God's call and specific function within the five-fold ministry. When the five-fold ministry is in full operation, each member of the church will enter into their special individual ministry and function to the level where powers and principalities are shattered by the Body of Christ as a collective. It is through the fivefold ministries, that the church will reach the full stature of Jesus Christ and be no longer tossed to and fro by every wind of doctrine that comes by. It is important to get a biblical understanding of the origin of the five-fold ministry, so that our churches will be healthy and functioning according to the will and plan of God. In this publication, *Apostle Frequency Revelator* unveils that every Christian has a special ministry bequeathed upon him although not every Christian may be called to the fivefold ministry. It is therefore, the responsibility of every believers to learn to operate in the gifts of the Holy Spirit as well as function in a particular ministry that God has called them to. Therefore, if you are called into one of the ministries of the five-fold, this book is a delicate recipe right in your hands. It will cause to understand how to function fully and effectively in the Body of Christ. Using the analogy of a human hand to depict the various functions of the five-fold ministry, *Apostle Frequency Revelator* practically demonstrates how each of the fold-fold ministries operate and relate to each other. Each of these offices illustrates a different aspect of how the Body of Christ operates as a collective. Therefore, this five-fold hand analogy is meant to reinforce your deeper understanding of the components of church governance so that believers across the Body of Christ globally could easily flow and operate in work of ministry.

Mystery of the FiveFold Ministry

This book reveals the mystery of the Fivefold Ministry given by Jesus Christ through Apostle Paul

Prophetic Activation

Our God speaks! God is always challenging us to expand our spiritual growth. The prophetic must never become boring and routine, but it should always be exciting and new. The value of prophetic activations is that they will break limitations and give readers the ability to operate in different techniques in their spiritual walk. Prophetic Activation offers practical teaching from best-selling author John Eckhardt on how to activate the prophetic by guiding readers through steps such as: Reading a scripture and then releasing a prophetic Word to someone Receiving just one word from God and then releasing a full prophecy Praying in the Spirit (tongues) and then releasing an interpretation

The Apostolic Mandate

As one called to be an apostle, there is a fire in your bones that cannot be contained. The Lord Jesus himself has given you a mandate, and a commission, that seeks its rightful place in the earth. However, there is a problem. The task at hand can seem overwhelming and the implementation too great, if the foundation is not laid correctly. How do you take what burns inside of you and incorporate it into your family, business and spiritual life? How do you lead those with a similar fire and look up to you in the right way? How do you start the vision and then keep driving it forward from glory to glory? Follow Colette Toach in this book as she takes you down this exciting and empowering road to finding your true mandate from God, the steps to take to set it in place and then the wisdom need to bring it all together, to launch it into this world and see it become all the Lord Jesus had called it to be. Yes... As an apostle, you have a mandate. Yes, it will come to pass. Yes, it will reach the mark. How long or to what extent, depends on you. Allow this book to take you through these unclear waters. Step past the traps of the enemy, so that you can take your rightful place, implementing a mandate that will change the body of Christ.

The Holy Spirit as Person and Power

In just over one hundred years, the Pentecostal-charismatic movement has transformed world Christianity. Noted for their rediscovery of spiritual gifts and commitment to world evangelization, 700 million Pentecostals and charismatics now account for more than 27 percent of the global Christian movement. The Pentecostal-charismatic movement has been more noted for its activism than for theological reflection. But this may be changing. The Holy Spirit as Person and Power challenges traditional theology to take account of what has been disclosed in the dynamism and variety of charismatic experience. The author is a theologically trained practitioner, impacted in midlife by a transforming experience of the Holy Spirit. He has been a hands-on leader in the renewal movement. Now, in his later years, he reflects on the meaning of the grace imparted to the church by the renewing activity of God's Spirit. This is not the work of an enthusiast claiming a new revelation. Rather, the author draws attention to many nuances in the Bible's description of the Spirit that have been overlooked in traditional pneumatology. By relating these insights to Orthodox, Catholic, Protestant, and evangelical theology, he has produced a book with ecumenical implications for all branches of world Christianity.

Faithful Presence

Missio Alliance Essential Reading List of 2016 In our quest to renew the church, Christians have walked through seeker-friendly, emergent, missional, and other movements to develop new expressions of the body of Christ. Now in the post-Christian world in North America we're asking the question again: is there a way to be the church that engages the world, not by judgment nor accommodation but by becoming the good news in our culture? In Faithful Presence, noted pastor and scholar David Fitch offers a new vision for the witness of the church in the world. He argues that we have lost the intent and practice of the sacramental ways of the historic church, and he recovers seven disciplines that have been with us since the birth of the church. Through numerous examples and stories, he demonstrates how these revolutionary disciplines can help the church take shape in and among our neighborhoods, transform our way of life in the world, and advance the kingdom. This book will help you re-envision church, what you do in the name of church, and the way you lead a church. It recovers a future for the church that takes us beyond Christendom. Embrace the call to reimagine the church as the living embodiment of Christ, dwelling in and reflecting God's faithful presence to a world that desperately needs more of it.

God's Purpose for the Fivefold Ministry

Have you ever wondered about the fivefold ministry, as described in Ephesians 4, and whether or not you have been called to serve in any of those positions? If so, this book will give you detailed information about each of the positions, their purpose, and who should be serving in each position. Some of the topics are: • God's end-time plan for perfecting the saints. • Ministering as a shepherd. • The Church must put an end to sin to restore God's order.

The Ministry of Helps

Have you ever had that sinking feeling that you were missing out on something very valuable in your ministry but just couldn't put your finger on it? Well, these resources for adventures in service to God for the church are valuable assets to those seeking a dynamic experience in God's Kingdom work. To invest yourself in Larry Spencers Ministry of Helps Manual and Workbook can enhance your ministry and greatly format your service with usable hands on tools that complete your tool chest. Bring these practical things home and put them to work. Great results have already been seen from individuals who respect God's Word and value what it can bring to the Board room as well as to the church service. You will not be sorry you invested in this training for you and your ministry team. Rev. Lloyd Tremain, Paradise Community Church of the Nazarene A thorough, practical and much needed Biblically sound treatment. Wish it had been available 20 years ago when I could have use it to a great positive effect Dan Wilderman, Retired Assemblies of God Pastor the order and practical instruction presented will benefit all organizational levels of any Christian Church today. John Steffensen, Radio Host, Christ Today KKXX Radio Chico CA Hopefully this manual will lay the groundwork for pastors and churches to spread the burden and get others involved in the work of the ministry. I once had a pastor that was often unprepared for a service because he was busy helping a parishioner with some needed chore, or church maintenance, or the myriad other duties needed to keep a church going. The result was that the church stayed the same size. Some leave; others enter. But no growth was apparent despite the considerable preaching talents of the pastor. God is apparently making sure he has only the amount of people that he can handle. We learn that the ancient church had some of the same challenges we face today. Acts 6:14 says, Now in those days, when the number of the disciples was multiplying, there arose a complaint against the Hebrews by the Hellenists, because their widows were neglected in the daily distribution. Then the twelve summoned the multitude of the disciples and said, It is not desirable that we should leave the word of God and serve tables. (Read this as doing manual labor.) Therefore, brethren, seek out from among you seven men of good reputation, full of the Holy Spirit and wisdom, whom we may appoint over this business; (the manual labor) but we will give ourselves continually to prayer and to the ministry of the word. It was even bringing strife to the local body. What did they do? And what was the result? The first thing the apostles did was pick out people they knew to be wise and that had had received the baptism of the Holy Spirit and appointed them to do practical ministerial duties (the manual labor). This freed up the apostles so they could minister the Word of God. Wow, God's way is so simple, and our grandiose plans just waste time and get nothing done. Pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes God's church. This manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them.

Right Here, Right Now

People in all walks of life are discovering what it means to be involved, concerned, missional Christians. But simply having block parties or spending more time downtown is not enough to describe what it means to be a missional people. What is needed is a reformation of the way we actually live our lives as Jesus followers. We need to see a way of living faithfully to God's mission in the world, right here, right now. In this inspiring yet practical book, Alan Hirsch and Lance Ford equip believers to live missionally regardless of situation, vocation, or location, making the concept of being missional accessible to the whole body of Christ. Touching on issues of discipleship, spirituality, and church at every level of experience, Right Here, Right Now calls readers to be the people God has made them to be.

The Shaping of Things to Come

In a time when the need for and the relevance of the Gospel has seldom been greater, the relevance of the church has seldom been less. The Shaping of Things to Come explores why the church needs to rebuild itself from the bottom up. Frost and Hirsch present a clear understanding of how the church

can change to face the unique challenges of the twenty-first century. This missional classic has been thoroughly revised and updated.

Planting Churches Cross-Culturally

A practical approach to church planting that uses cultural and experiential data to facilitate the founding of new churches in unreached areas of the world.

Equipping the Equippers

The topic of fivefold ministry--the apostle, prophet, teacher, pastor and evangelist appointed by Christ to equip His Church--was central to two movements in previous decades: The Shepherding Movement in the 1970's and the New Apostolic Reformation in the 1990's and early 2000's. While both movements saw important elements of this ministry restored to the church, they also saw misunderstanding and abuses that prevented the fivefold from becoming more widely established in doctrine and practice.

Six Steps to Excellence In Ministry

Why settle for adequate when you can be first-rate? There is no shortage of ministers who desire to achieve excellence. But only a few dare to demand it of themselves. In this clear call for action, Kenneth Copeland shows how to turn that inner desire into a firm decision to be all that God has called you to be. No matter what area of...

Albion's Seed

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.
