The Line Is Your Live Activity of Selecting What To Look at What Links To Follow You Know How Long To Look at Something before You Go on to Something Else You Know All that Sort of Thing and that Certainly Is Variant I Mean I of Course Danaher Presumably Would Be in Distress Here because It Was Maybe Not It Depends on How You Define What the Thing at Hand Is Right the Thing at Hand May Not Be the Performance You'Re Watching It May Be the Internet in Which Case You Are Attending to It Very Closely by Navigating but but It Certainly Is that that Is Certainly a Key Difference and You Know in a Sense if the People at the Tape Actually Want You To Watch these Performances Then There's a Kind of Risk Involved Right because I Mean Even They Give You Other Links To Follow Up Right There Right Next to the Little Screen on the Page Where You'Re Looking at the Performance but but I Do Like the You Know the Sitting Bag versus the Leaning In as an Interesting Way of Encapsulating a Kind of Difference of Posture of Attitude

We Don't Get To Decide What a Course Is What a Class Is What a Class Session Looks like on How It Operates Then We Have this Certain Degree of Latitude Right There's Certain Degree to Which We Can Define but but It's It's Finite and We Know What It Is and It's Not of Our Own Choosing All Right but at the Same Time We Need To Have a Common Understanding of What Is Going On or Else Nothing Can Happen

It Doesn't Give You a Set of Specific Things You Should Do or Say in a Sequence in Which To Do or Say You Kind Of Feel that Out as You'Re Going through Right that's Why I Said You Know Cybernetic and Feedback because the Other Thing of Course the Reason Why Goffman Calls the Presentation of Self Impression Management Is because It's an Ongoing Process Always so that I after You Know His Idea Is that I Have the Desire for You To Perceive Me in a Certain Way Alright So I Present Myself to You in a Way That I Think Is Going To Make You Perceive Me in that Way but What if I Get the Sense that It's Not Working Alright through Feedback or Whatever It Is I Picked Up Whatever Cues You Know like I Get from You All Right Then I'M GonNa Change I'M Going To Adjust I'M GonNa if I Can or Try to You Know Do Something a Little Different or Speak a Little Louder or Yeah Whatever It Might Be To Try and Try To Get Back on Track Try To Get Back to a Place Where I Feel that You Are Perceiving Me the Way I Wish for You To Perceive It Alright so so It's Not At All Scripted
