These selected paragraphs distill the contents and give you a quick look inside *The Eye of Istar - A Romance of the Land of No Return*: Look inside the book: Inured as the cavalry of the Khalifa were to the burning breath and silent gloom of the desert, the privations of the march and the fatigue of long travel, we found in this journey that our horses were utterly unfit to negotiate the stony wilderness that lay between ourselves and Kano, known to the desert wanderers as the City of the Mirage by reason of the amazing mirages seen in the vicinity almost daily; therefore, on arrival at the Well of Sabo-n-Gari, four days' journey south from the Lake, and two days' beyond the boundary of the territory of the Sultan of Sokoto, we resolved to encamp under the palms and await our main body in order to utilise the spare camels which they had brought with them in case of need. ...But the horsemen of the Khalifa Abdullah, Sultan of the Soudan, know not fear, as their valiant actions at Abu Klea, Berber, El Obeid and Toski had already proved, and now, even though we saw ourselves surrounded by hundreds of yelling "Veiled Men," who poured into us a withering fire from their long-barrelled guns, not a man among us was dismayed although many bit the dust ere reaching cover. About William Le Queux, the Author: He was also a diplomat (honorary consul for San Marino), a traveller (in Europe, the Balkans and North Africa), a flying buff who officiated at the first British air meeting at Doncaster in 1909, and a wireless pioneer who broadcast music from his own station long before radio was generally available; his claims regarding his own abilities and exploits, however, were usually exaggerated. ...Le Queux mainly wrote in the genres of mystery, thriller, and espionage, particularly in the years leading up to World War I, when his partnership with British publishing magnate Lord Northcliffe led to the serialised publication and intensive publicising (including actors dressed as German soldiers walking along Regent Street) of pulp-fiction spy stories and invasion literature such as *The Invasion of 1910*, *The Poisoned Bullet*, and *Spies of the Kaiser*.

The Eye of Istar

Excerpt from *The Eye of Istar: A Romance of the Land of the No Return* Peace, O Reader I Constant, blessed and abundant salutations. Of a verity the groves of my hopes have been refreshed by cooling showers from the clouds of Allah's blessing, my rose garden has been weeded of the thorns of despondency, and the tree of my prosperity has become fruit-bearing from the breeze of his bounty. He is the Giver of Gifts, the Source of Liberality, the Sovereign, the dust of whose sandals is deservedly the collyrium of the eyes of mortal men; and I, called by my fellows El-Motardjim, am the servatit who, in compliance with the exalted command, have placed my finger of acquiescence on the vision of obedience. During many hopeless nights I waited for the radiation of the sun of the benefits of prosperity, and counted the stars till the rise of daitm, but, by my ill-luck and the machinations of enemies, was deprived of the felicity of penetrating the mystery of the Land Forbidden. At length, however, on a happy day when the fire of my anguish burned so brightly that it was not easy to extinguish it with the water of patietice, the Abolisher of the signs of darkness and aberration invested me with the robe of the favored, guarded me through the calamities and vicissitudes of fortune during long journeys, directed my footsteps through the mazes of paths untrodden, and revealed unto my dazzled eyes weird and wondrous marvels stranger than men have dreamed. Therefore, O Reader! wipe the dust of ennui and fatigue from the speculum of thy mind, withdraw the tongue of blame into thy palate, and lend a willing ear to this my Tarik; for, verily, I have elucidated the secret of the mystic Land of the No Return; I have torn the veil that hideth the Great Sin from the eyes of men, and have gazed into the Eye of Istar. The Eye of Istar - A Romance of the Land of No Return - The Original Classic Edition

The Anglo-French novelist William Le Queux penned popular thrillers and intriguing espionage novels. He led an adventurous life, in keeping with his fiction, serving as a diplomat for San Marino, while extensively travelling Europe, the Balkans and North Africa. He was also a flying buff and a wireless pioneer, who broadcasted music from his own station long before radio was generally available. His most famous works are the invasion fantasies 'The Great War in England in 1897' and 'The Invasion of 1910'. Le Queux's exaggerated tales and falsified accounts of Britain's neighbours, playing upon the fervid xenophobia of the time, were so powerful and gripping that they led to the creation of Britain's first Secret Service Bureau, the forerunner of MI5.
