Demeter and Persephone

The classical Greek myth of Demeter and her daughter Persephone as told in Homer's Hymn to Demeter has been used most often to explain the cycle of the seasons. However, a closer examination will reveal insights on living and dying, loss and reconciliation, and suffering and healing. This work demonstrates the continued importance and relevance of the myth of Demeter and Persephone to today's society. The first three chapters provide a summary of the Homeric story and examine the myth from the perspectives of the mother and daughter. The following chapters discuss the symbolism of critical objects, the role of female mentoring, the role of Hades and the meaning of the underworld, the subject of rape, and the masculinist perspective presented by Zeus and Helios, and derive lessons useful for healing and knowledge. The Hymn to Demeter as translated by Helene Foley is included as an appendix in order to provide a basis for the discussion in the text. Notes and a bibliography also follow the text.

Demeter and Persephone

Perform this ancient Greek myth about Persephone and her mother.

Demeter & Persephone

This graphic novel tells the story of Demeter, the Greek goddess of the harvest, and her daughter, Persephone. Demeter rules over a perpetual summer on earth, where crops, trees, and flowers grow in abundance. Persephone, young and beautiful, unknowingly attracts the attention of the lonely god

of the Underworld, Hades. Hades kidnaps Persephone, and a frantic Demeter searches in vain for her daughter. Finally, Demeter retreats to her temple in mourning. The goddess's sorrow causes the crops to die and the ground to freeze. The first winter falls over Greece. As people begin to starve, the other Olympian gods and goddesses try to convince Demeter to accept a marriage between Persephone and Hades. But Demeter will not give up her daughter forever to the Underworld. Finally a compromise is struck: Persephone will stay with Hades for half a year (winter). When she comes back from the Underworld to spend half a year with her mother, spring returns to earth.

Demeter and Persephone

Retells the Greek myth of Demeter who rescues her daughter who has been kidnapped by Hades and taken to the Underworld.

Demeter and Persephone

MYTH & LEGEND TOLD AS FICTION. GRAPHIC NOVEL. Action packed ancient myths and legends are not only ideal for history, classical studies and reading for pleasure but these books will also enthrall the most reluctant reader. Demeter whose daughter Persephone has disappeared as she was kidnapped by Hades the God of the Underworld.

Demeter and Persephone

Persephone, beautiful young daughter of the harvest goddess Demeter, is kidnapped by Hades, the god of the underworld. Demeter is heartbroken, and even though the crops are dying, she cares for nothing but getting her daughter back.

The Myth of Persephone

Demeter grieves when her daughter Persephone is carried off by Hades to his underworld kingdom and punishes the world until an agreement is made to share the girl.

Demeter and Persephone; Homeric Hymn Number Two.

Unrest brews among gods and mortals alike when Hades makes a deal with the Fates to end his loneliness in the Underworld. But when Persephone proposes to conspire with him in a plot against Demeter, things get out of hand. Find out the truth of how Hades and Persephone met and fell in love and the impact it had on the rest of the pantheon in the throes of the Trojan War. Learn how their children--Hypnos, Thanatos, Megaera, Tisiphone, Alecto, and Melinoe--came into being. Discover why they were assigned their respective duties as Sleep, Death, the Furies, and the goddess of ghosts. Find out the real reason why the Olympians possessed such profound disdain for these Underworld gods. This prequel to The Underworld Saga is more than a retelling of the Persephone myth. Many more of the ancient myths are woven together to reveal the conflict, tension, and relationships among the gods in one of the most beloved pantheons in human history. Persephone can be read before or after The Underworld Saga. *Formerly called The Gatekeeper's Bride Praise for Persephone "I love how Eva created the love story of Hades and Persephone. It's both beautiful and tragic in many ways."--Book Lover Reviews "This is such a beautifully and originally retold version of the legend of Persephone and Hades while still feeling true to the mythology. This is an emotional roller-coaster of a book; my heart just breaks for Persephone but I'm not going to say why... you'll just need to read it."--Tamara "Such fun heart warming stories. You really, really want things to work out for the them but well, life and death wait for no one."--Kathy Goodwin "Well written and fast paced! Really enjoyed it! Looking forward to reading the next ones!"--K.Giegorov "Although this doesn't follow the exact timeline of the more traditional Greek mythologies, this is definitely a good read! I had the HARDEST time putting the book down and was even reading instead of working at times. By far one of my favorite younger targeted books that I've read in a long time. Easy read, detailed, and exciting to the very last page! Well done!!!"--Princess Julie "Excellent! Very easy to read. Liked the mythology mixed with a modern vibe."--Goodreads Reviewer Grab your copy to continue the exciting adventure today! Related authors: C. Persephone

The story of Demeter and Persephone was all about a mom's undying love for her daughter. This story also creates a "reason" for the change of seasons. Of course, in the ancient times, such a reason was acceptable due to the lack of scientific truths. Myths are powerful stories created out of the need to explain certain phenomena. Have a happy read!

Demeter's Search for Persephone - Mythology 4th Grade | Children's Greek & Roman Books

This is not the myth that has been passed down through the ages where the Greek God Hades abducts and rapes his niece Kore, the daughter of his sister, the Goddess Demeter; dragging her down to the Underworld to be his consort, thus changing her from the maiden Kore to Persephone, the Goddess of the Underworld. Persephone: Queen of the Dead tells the story of a young Goddess who falls in love and marries a God that she knows her mother does not approve of. It is the story of her life and what she had to sacrifice to be with the only man she loved. This story is told not only through the Goddess' own words, but also her mother, the Goddess Demeter's, for the lives of the two are entwined for eternity. The story begins with Kore as a young maiden, who happens to behold the God Hades as he emerges from the Underworld and falls instantly in love. Part 1 switches between Kore as she tells of her first love and her mother, Demeter as she expresses the betrayal of not only her daughter, but of the other gods as well. It is this betrayal that causes Demeter to withhold her Fertility from the world until most mortal life dies. A compromise is made and Kore, whose new name is Persephone, is forced to leave her husband for one-half of the year to be with her mother. During this time, Demeter allows the vegetation to once again sprout, but when Persephone returns to the Underworld the Goddess of Fertility once again withholds her gifts. Thus the seasons have been created. Continuing on the story explains the role Persephone assumes as Queen of the Dead, and tells several tales of mortals who risked everything by entering into the Underworld. Orpheus travels for weeks to beg the Goddess of Death to return his wife Eurydice to life; the Laph prince Pirithous, with the help of his companion Theseus, tries to kidnap Persephone and make her his bride, for their foolishness they are turned into statues; four years later when the hero Hercules enters the Underworld as one of his Twelve Labors he is able to free his cousin Theseus. Other tales within the story include that of Psyche and Eros, followed by Adonis who was raised by Persephone, and finally the story of how the new God Dionysus was created. The last part explains how with the beginning of Christianity the Old Gods were demoted into demons and without the daily offerings they became accustomed to, they began to fade. Only the strongest of the gods survived during this period. With the beginning of the new century hope was returned as the Old Religions were beginning to be revived. Isadora Marie is a Wiccan living in the metro Chicago area with her life mate and their canine and feline companions. Isadora grew up studying the Greek myths and as a child was fascinated with all the different Gods, Goddesses and heroes that populated them. When Isadora became a Wiccan it was these same Gods and Goddesses who became important not only in rituals, but in her life. She currently works in a history museum and her work around the artifacts of several different countries only increased her love for mythology. Though Isadora has worked with Gods and Goddess of several different cultures, it was those of Ancient Greece, from her childhood that she felt the closest connection to and after several decades of studying these myths she felt that it was time to tell a more modern version of one of her favorites, that of the Goddess Persephone. Since her background is in art and design, Isadora has been working on several projects to incorporate this element into her spirituality. A current project is developing a photographic Tarot deck, which included several of the Goddesses of Greece along with those of India and Egypt. All of her artistic projects are not only a work of love, but she hopes that they will inspire others to find the beauty in the old myths.

Persephone, Queen of the Dead

A retelling of the Greek myth in which Persephone returns from the underworld each year to bring spring to the earth.

The Story of Persephone

Hades, the god of the dead, falls in love with Persephone, the maiden of spring, and steals her from her mother Demeter to be his bride and queen of the underworld.

Demeter and Persephone, the Seasons of Time

"Read about the war between the Titans and the Olympians, Pandora's box, Demeter and Persephone, and six other myths"--Provided by publisher.

Gods and Goddesses in Greek Mythology Rock!

Persephone is a goddess without a title even though her relatives include the Lord of Light, Goddess of Wisdom, and the Queen of the Gods. She's only known as the daughter of her mother, something that leaves her feeling frustrated. She longs to escape Mount Olympus to discover who she truly is. Hades is the god of the Underworld, and when family obligations force him to attend a festival, he sees Persephone and knows what he's looking at: a vibrant young goddess aching to break free. So begins an unlikely and tentative friendship that allows Persephone to cultivate her curiosity and blossom as a goddess in her own right. The two escape to the Underworld together, infuriating Persephone's mother, the goddess Demeter. Crops die and mortals begin to starve as a consequence of Demeter's wrath, and Persephone has two choices: Take charge of her own life or abandon the person she has become by returning to Olympus. Passions swirl, violence erupts, and the fate of the world is at stake as gods and goddesses let loose in Olympian Confessions.

Olympian Confessions

Told in graphic novel format, Hades kidnaps the goddess Demeter's daughter, Persephone, and takes her to his kingdom, causing Demeter so much sorrow that a permanent winter falls over the land.

Demeter & Persephone

Goddess of springtime, or queen of the underworld-life or death? Empowering, high-interest narrative text tells the dual story of Persephone from Greek mythology. These core legends show Persephone's double personality as she splits her duties between her mother and the god of the dead. Fascinating myths also uncover Persephone's past, detailing her birth and how she fits into the family of deities. Further explore Persephone's role in Greek culture through her signature powers, symbols, and attire. Additional facts and historical information connect the goddess's influence through popular culture today.

Persephone

6 PACK, PART OF GRAPHIC MYTHS AND LEGENDS SET

Demeter and Persephone

Roberta Gellis has reimagined the Greek myth of Hades and Persephone, in all its colorful intensity. Persephone has been restless under her domineering mother, Demeter. When Hades kidnaps her to his Underworld and teaches her what "gift" she has, he is threatened by the other mages to return her to Demeter. But Demeter realizes that her grown daughter has a will of her own... 1st of the Myth trilogy by Roberta Gellis; originally published by Pinnacle

Dazzling Brightness

Retells the Greek myths in which Aphrodite, goddess of love and beauty, and Demeter, goddess of grain and agriculture, play major roles.

Two Queens of Heaven

The daughter of King Zeus of Olympus lived a small life. The least of his sons and daughters, hers was not the moon, or love, or battle...so low that she should have more rightly been numbered among his demigod children. Kore lingered at the edge of the feast hall, watching the great gods and goddesses revel. Too useless to sprout the grain with the nymphs, she followed her mother, Demeter, through the fields and made the flowers bloom, and she wasn't even too good at that. But what she liked best was

when she was allowed to wander the woodlands and towns of the mortal world alone. It was there she found her destiny, one that would shake the world from the top of Olympus to the depths of Hades. Kore does not belong in the shadows, and she is not the Goddess of Flowers, spring or otherwise. But things never start out that way. It started, as many stories do, with a boy and a girl in a meadow. This is not the story passed down from Demeter's priests and priestesses. It is not the song sung for Demeter by her nymphs as her tears make the seasons turn. But it was never Demeter's story to tell at all. Grab your copy today to hear Persephone's side of the tale!

In the Shadow of Demeter

Demeter refuses to allow spring to appear until she has been reunited with her daughter Persephone, who has been abducted to the Underworld by Pluto.

Persephone and the Pomegranate

Demeter grieves when her daughter Persephone is carried off by Hades to his underworld kingdom and punishes the world until an agreement is made to share the girl.

Demeter and Persephone

Retells the Greek myth of Persephone, abducted by Hades and taken to the Underworld as his bride, and her mother, Demeter, whose grief over losing her daughter brings about the coming of the seasons.

Time for Flowers, Time for Snow

The story of Demeter and Persephone was all about a mom's undying love for her daughter. This story also creates a "reason" for the change of seasons. Of course, in the ancient times, such a reason was acceptable due to the lack of scientific truths. Myths are powerful stories created out of the need to explain certain phenomena. Have a happy rea

Demeter's Search for Persephone - Mythology 4th Grade | Children's Greek & Roman Books

According to myth, the Greek goddesses Persephone, Demeter, and Aphrodite faced difficult decisions about love and children. Now, three mortal women-Tess, Tiffany, and Tanya-face conflicts in the same vein. Each woman is on the threshold of great change, if only they have the strength to go it alone. Tess balances her time among her career, her children, and her husband, but she feels detached from her marriage. It would be easy to leave for her sake, but what about the children? Tiffany, on the other hand, seems to have the perfect marriage; she enjoys being a housewife and mother. Life is wonderful-until she realizes her husband has a secret. Tanya moved from Russia with her daughter, hoping to start a new life in Seattle with Jim, but he is not what he seems. Tanya must make her choice to stay or go, but nothing waits for her in Russia. Three women face life-altering decisions when they meet at their neighborhood clubhouse. Will their new friendships be a help or a hindrance?

Persephone, Demeter, and Aphrodite on the Threshold

Demeter and Persephone in Ancient Corinth

A side most often told is the side of one who is blamed for the worst. A story twisted to create the narrative of an evil, overbearing mother. But the truth is far more sinister. Being the Goddess of Harvest is no easy task, especially with a young Divine in tow. Demeter worked diligently at keeping her crops and harvest afloat while raising a rambunctious and curious child. Hoping Kore would soon follow in the solid path Demeter laid out for her, the goddess suddenly finds herself at the mercy of Zeus' order. Marry off Kore to Ares - no threats needed. Before the news could be presented to young Kore, Demeter wakes to find her child vanished in the night. Heartbroken, Demeter sets out in search of young Kore, but what finds her instead sets way to the terror that laid waste to mortal life. What really happened to Demeter after Kore's disappearance?

Demeter and Persephone

Demeter in the Gods and Goddesses of the Ancient World series explores the fascinating drama, love stories, and destruction in the myths surrounding the goddess of the harvest. Book includes history, myths, and a family tree. Written with a high interest level to appeal to a more mature audience and a lower level of complexity with clear visuals to help struggling readers along. Considerate text includes tons of fascinating information and wild facts that will hold the readers' interest, allowing for successful mastery and comprehension. A table of contents, glossary with simplified pronunciations, and index all enhance comprehension.

The Taking of Persephone Series

She was named Kore by her mother, Demeter, the goddess of the grain. She spends her days tending to her mother's gardens and trying to remember the lessons given to her by her cousin, Athena. At least her cousin can say she is the goddess of something when Kore can only say that she is Demeter's hidden daughter. That is until the day the earth opens to swallow her whole." -- Back cover

Demeter

We all know the myth of how Hades saw Persephone and just had to have her as his wife. In the myth, there is an abduction and other negative things that paint Hades in a horrible way. But, what if the truth of that myth was something beautiful and filled with love and longing and destiny? What if Demeter, Persephone's mother who was heartbroken at her daughter leaving her and enraged by the fact that she would be in the Underworld, spread lies about their story? This tale sheds a new light on what happened between Persephone and Hades, and it shows that there can be light in the darkest of places, and darkness in the sunlight.

Memories of Spring

A retelling of an ancient Greek myth about a young girl's struggle to outgrow the limitations placed upon her by her elders. Held up to others as the embodiment of all that is pure and innocent, Persephone finds herself craving the darkness. But she learns that the shadows feed on her light.

Persephone and Hades

L. E. STARDUST retells the legendary greek story with fresh eyes. Many people who know about the Greek Gods, know about the story of the kidnapping of the Spring Goddess by the King of the Underworld. However, was that what really happened? Who is the real Hades and what is the Underworld like? Was Persephone truly kidnapped as the mythology in history explains? The Secret Love of Hades and Persephone gives a different perspective on the ancient tale that many fans and worshippers of the Greek/Roman Pantheon had heard so much about. (This version of the book is a 5.5x 8.5 format with size 11 font.)

Persephone

"Meet Demeter, an exquisite statue of the Greek goddess, as she's being created during the Italian Renaissance. Those who admire her see only stone and fortitude, but her thoughts and desires are all too real; she pines for her lost daughter's return and for the love of her sculptor, Giuseppe. Giuseppe, however, is too busy lusting after the city's most popular artist's model to notice Demeter's pain. Fast forward five hundred years: Demeter stands in a present-day American city park. She has become a

symbol of hope amidst illicit activity and a target for more than just pigeon droppings. Witness to human foibles both hilarious and horrible, Demeter is desperate for someone--anyone--to hear her thoughts. And when her life seems bleakest, redemption comes in the unlikeliest of forms"--P. [4] of cover.

The Secret Love of Hades and Persephone

The Persephone Theory By: Namir Thompson The Persephone Theory is one of the most interesting stories to read and by far one of the best books to mix comedy with horror and history. The Persephone Theory begins with the Greek myth coming to life as the goddess of harvest and fertility, Persephone, daughter of Zeus and Demeter, is taken by her uncle Hades to live in the underworld to become its queen, but is allowed to live amongst the humans possessing the one called Persephone. This Persephone is arguent to those who love and hate her, and make all who stand in her way pay with their own blood. Persephone, mad at existence, leaves her children behind to face their own demands and are granted everlasting life. The children of Persephone roam on Earth, daring any and everything to stop them or die trying. They leave the message that power is being abused, people are being used as puppets, and that life is an everlasting cycle of rebirth and vengeance.

Persephone, Or, Slow Time

We all know the myth of how Hades saw Persephone and just had to have her as his wife. In the myth, there is an abduction and other negative things that paint Hades in a horrible way. But, what if the truth of that myth was something beautiful and filled with love and longing and destiny? What if Demeter, Persephone's mother who was heartbroken at her daughter leaving her and enraged by the fact that she would be in the Underworld, spread lies about their story? This tale sheds a new light on what happened between Persephone and Hades, and it shows that there can be light in the darkest of places, and darkness in the sunlight.

The Persephone Theory

"Persephone" is a personal retelling of an ancient myth, with full-color illustrations by the author.

Persephone and Hades

No flowers. No plants. No sunshine. When Hades carries Persephone down to the Underworld, her mother curses the Earth and everything stops growing. It is winter all year round. Persephone must return to Earth - but how can Spring return where Winter reigns? Sally Pomme Clayton's dramatic storytelling and Virginia Lee's haunting illustrations transform one of the world's oldest myths into a classic picture-book.
