This book features over thirty full-colour surreal photo collages by Haida artist, performer, and activist Terri-Lynn Williams-Davidson. The Complete Guidebook for the Crow Tarot

The ebook of the stunning new novel from the bestselling author of SHIVER, LINGER AND FOREVER. Stay alive, stay astride, stay out of the water... Every November, the Scorpio Races are run beneath the chalk cliffs of Skarmouth. Thousands gather to watch the horses and the sea that washes the blood from the sand. The mounts are capaill uisce: savage water horses. There are no horses more beautiful, more fearless, more deadly. To race them can be suicide but the danger is irresistible. Sean Kendrick knows the dangers of the capaill uisce. With one foot in the ocean and one on land, he is the only man on the island capable of taming the beasts. He races to prove something both to himself and to the horses. Puck Connolly enters the races to save her family. But the horse she rides is an ordinary little mare, just as Puck is an ordinary girl. When Sean sees Puck on the beach he doesn't think she belongs. He doesn't realize his fate will become entwined in hers. They both enter the Races hoping to change their lives. But first they'll have to survive.

Doreen ties these stories together by category; with comments and narrative for those who wish to deepen their own connection to Mary

DIVINE ABUNDANCE ORACLE CARDS

"Out of Concealment presents the origin stories of the Haida Nation through the vibrant depiction of its female supernatural beings. Passed on from generation to generation through oral tradition, these stories are important historical narratives that illustrate the Haida's values, customs, rituals, and relationships with the earthly and metaphysical realms. This book features over thirty full-colour surreal photo collages by Haida artist, performer, and activist Terri-Lynn Williams-Davidson. Each image is accompanied by insightful, reflective text describing the being's place in Haida mythology. Out of Concealment encourages readers to see the feminine in the powerful land and seascapes of Haida Gwaii, through a worldview where the environment is worthy of respect, not to be dominated or exploited."--
