My Wife's Parents Get a Call that Their Daughter Has Just Been Head-On by a Drunk Driver Going between 50 and 60 Miles an Hour and They Need To Get to the Hospital and So They Jump in the Car and They Take Off They'Re Driving As Fast as They Can to the Hospital Down One of these Long Straight Desert Roads and They Realize There's a Commotion Up Ahead in the Road They Realize as They Get Closer that They Are Coming upon the Spot Where the Accident Was and They Have Not Yet Removed the Car Their Daughter Was Riding In from the Road

Now I Started Out I'Ve Been a Pastor for a Number of Years and One of the Things You Do as a Pastor Is People Bring You Their Babies because They Want To Show You Their New Babies and You Learn How To Say Wow that's a Really Cute Baby and if It's Not You Learn To Say Things like Wow Only You Could Have Had that Child or Wow I Totally Know Whose Baby this Is Parentheses Your Baby Is Funny-Looking but We Were all Kind of Funny-Looking So but What I Didn't Really Realize over Time Is that Whenever I Would See the Bat I Would Always Face some Line because You Never Just Go Oh Wow You Got a Baby

If You'Ve Ever Tried To Talk Somebody out of Suicide You Know Exactly What I'M Talking about because You'Re Talking to Them and You Keep Saying Things like no It Matters and You'Re Looking for Like Really Technical Articulate Fresh Ways of Saying It but You End Up Saying No It It Matters and You'Re Trying To Find Language for It but You'Re Begging and Pleading with Them because You Have some Sense Very Hard To Articulate that They Should Not Take Their Life because at some Level beyond Words It Matters We Are all Connected

So I Just Want To Explore a Couple Ideas When It Comes to God because Often When You Talk to God the First Question To Talk about God the First Question Is What Kind of World Are We Living in Which Interestingly Enough Was a Question the Greeks Had Roughly 2 , 500 Years Ago Greek Philosophers Had this Idea There Must Be some Thing That Is the Build Basic Building Block of the Universe and if You Could Identify that Thing That Cosmic Lego That's My Term for It if You Could Identify that Smallest Thing upon Which Everything Else Is Merely a Variation of that Smallest Thing Added Together Well Then You Could Explain Everything You Could Explain Why We'Re Here and How We Got Here and Where We'Re Going and All that and the Greeks Had this Word Kemna Which

Means To Divide or To Cut so They Said There Must Be Something That You Can't Divide It Anymore
It's the Small Thing Never See Something That's 8m no There Must Be an Apt'M
And if You Could Identify that Thing That Cosmic Lego That's My Term for It if You Could Identify
