The Gift of Play

"Find your 'Heart Play' and everything else you want in life will come along." -Barbara Brannen In this charming book, Barbara Brannen, takes a look at how life can be better when we find and honor our "heart Play." This is not just a trip to the movies or swinging on a swing, but finding that thing that will give us so much joy that we approach everything we do with more passion and delight. Barbara will show you how to reclaim the joy of play in your life by taking you through how you played as a child and what was magic for you. Next, you will see when you stopeed or slowed down your play. Finally, you will embark on a journey to see how you can have your "Heart Play" in your life again. The Gift of Play also gives you a chance to see how you might finally find the time to play. With all the demands of our current lives, sometimes play is the last thing we make time for and Barbara takes us through a series of wonderful exercises to reclaim the time and start playing again! You will find this book a delightful series of stories that women shared with Barbara about how their play disappeared from their lives and how many not only reclaimed their play, but used it to help them create a better life. Play can be magic in so many ways, and it is not something reserved just for children. Step up and enjoy, The Gift of Play.

The Gift of Play

The Gift

Playfulness has the power to reconnect us with our sense of self, and help us achieve growth and self-fulfilment. The author of this wide-ranging book explores the universal significance of play in the pursuit of happiness and authenticity. Providing a brief overview of the role of play in social, spiritual and intellectual endeavours throughout history, she discusses the harmful consequences of taking things too seriously, and reveals playfulness as a necessity for both the psyche and soul. Informed by the Core Process psychotherapy model, Buddhist philosophy and personal testimonies, the book illustrates how the lighter side of life enables us to re-examine the makeup of our identity and recover from negative experiences. Much more than an insight into the therapeutic properties of play, it is an eloquent ode to the importance of simply "en-joying" ourselves.

The Gift of Play

The Gift is a beautiful children's book filled with wonder and excitement. A story to captivate the heart of any child and fuel their imagination. Join Esther on her surreal but exciting adventure, as she discovers a very special gift and learns the true meaning of hope, friendship and kindness in a world that can often be so bleak. The Gift is filled with beautifully illustrated colour pictures and is the first in a series of Lizzie Jayne's books.

The Psychology of Froebel's Play-gifts

"The Gift of the Magi" is a short story by O. Henry first published in 1905. The story tells of a young husband and wife and how they deal with the challenge of buying secret Christmas gifts for each other with very little money. The main idea of "The Gift of the Magi" is that the value of a gift is in the giver, rather than the gift itself. Jim and Della, out of their love for each other, purchased a gift that required them to sacrifice something that was precious to them.

The Gift

An outrageous play about imperialism, cross-racial adoption, cultural appropriation... and tea.

Playful Awakening

After New Jersey transplant Bobby Hawkins marries Susannah, the daughter of a leading South Carolina family, they battle infertility, the challenges of plantation life, and a devastating flood. To keep the plantation afloat, Bobby begins impregnating slave women for sale. Their finances gradually get back on track. But after their son is born, Susannah is unable to breastfeed the sickly infant. When her husband "gifts" her a wet nurse, they descend into violence, jealousy and rage.

The Gift

Until recently we have known more about gift giving practices in pre-industrial societies than about those of industrial western society. In this book, first published in 1988, David Cheal shows that the process of present giving and receiving is a vital element in contemporary social life, relevant to some of the most important theoretical traditions in sociology, particularly those of Durkheim and Weber, and to the social constructionism of Peter Berger and Thomas Luckmann. This volume is the result of a major study of gift rituals carried out by David Cheal and his associates in which general themes are richly illustrated with details from individual case histories gathered during the research. It is highly significant that in western society women are more active gift givers than men and, while their voices

explain how emotions and interests are interrelated within the gift economy, the author shows how that in turn is related to current theories about family, gender and religion.

The Gift

Luther's theology and practice have inspired and continue to inspire so many across confessional and even religious alignments worldwide, or else excite those for whom he displays a coveted, untamed audacity in living out convictions; it is the fabric, the texture that makes Luther a figura with the capability of being transfigured. Luther's theology--his view of language and understanding of creation, incarnation, the cross; his affirmation of freedom from ecclesial, economic, and/or political encroachments; his eschatology, and so forth--is seen in a new light in societies in which modernization does not necessarily mean secularization and the spirit is not set in dual opposition to things material. The dispute as to whether Luther is a late medieval theologian or a beacon of modernity is rendered largely superfluous when the Reformer is read and interpreted in contexts that do not share the peculiar cultural and political history of Europe, its orthodoxies, its pietisms, its enlightenments, and its secularisms. Transfiguring Luther lifts up and presents the significance of the Reformer--his figure as it is transfigured into diverse contexts, absorbing new contents instead of the traditional bastions that are remarkably in tune with the spirit of the Reformation, thus rekindling it.

The Gift of the Gorgon

The demands of everyday life almost always pull husbands and wives in different directions. And even when they are together, there's very little opportunity to just be a couple. Work, children, and other commitments make it a constant challenge to find quality time alone. Hugh and Cindi McMenamin have put together an innovative devotional about meaningful ways that husbands and wives can draw closer together. Each reading in this 31-day book offers simple, helpful (and fun!) steps a husband and wife can take to nourish closeness and intimacy. Among the topics are the power of a note making a memory extending grace splurging on love finding a getaway lighten the load flirting again sharing your heart Key thoughts from Scripture are interwoven into each devotion, and each ends with "Points to Ponder Together" as well as a couple's prayer. Especially helpful are the frequent anecdotal tips from a woman's perspective (Cindi) and a man's (Hugh).

Fear of any kind is the number-one enemy of all golfers, regardless of ball-striking and shot making capabilities. Jack Nicklaus Golf is supposed to be fun! But many people who play don't see it that way. Many golfers, after having spent countless dollars and hours on the sport, find themselves having too many negative thoughts, limited beliefs, and other foolish self-sabotaging behaviors. Is there any hope to this kind of madness? I get so nervous and scared? I end up choking and throwing up all over myself? I can't seem to control my demons? I get angry and often beat myself up? Sometimes I can't even hit the broadside of a barn? I never seem to get any better? Let renowned mental golf coach Rand Marquardt show you how he went from a frustrated, misaligned ten-handicap golfer to a more confident, connected one-handicap golfer in just one summer and how you can do it too! Don't spend another day being angry, afraid, or frustrated again. Instead, learn to play golf more often in The Zone

and how to harness and expand your inner wisdom by going with the flow along THE FAIRWAY OF LIFE.

The Divine Gift

Pesach (Passover) is the sacred holiday where the Jewish people retell the story of their ancestral flight out of Egypt. Each year they celebrate their journey from bondage to freedom. Each person identifies with the story as though they, themselves were oppressed slaves under the wrath of Pharaoh. One of the most fundamental truths about life is that everyone experiences their own Egypt. People have a choice to live under the tyranny of Pharaoh or experience an exodus and travel to a land flowing with milk and honey. Based on a true story, this is the retelling of one woman's escape from Egypt. Adira Bat Avraham shares her incredible journey that led her to a place of personal and spiritual freedom. Adira is an exceptionally strong woman who struggled through unbelievable circumstances. She overcame incredible odds to achieve freedom for herself and her for her family. Along the way, she learns to validate her own voice and cries for justice. Adira's inspirational story is about healing, deliverance, redemption, and finding hope.
