This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Life of Shivaji Maharaj

Excerpt from The Life of Shivaji Maharaj: Founder of the Maratha Empire Such a man was shivaji. Of the empire which he 'built up, only a few fragments have escaped the ravages of time. The rest has crumbled down and gone the way that all great empires in the world have gone. But the spirit of it has remained behind. He has left no pyramids, no rock cut temples, no architectural marvels to

attest his' greatness. But the name of Shivaji still lives to kindle and inspire the growing manhood of Maharashtra. Inspired by the stirring events of the late war, when 4th the Maratha soldiers were called upon to display their native valour on the battle-fields of the West, this work was undertaken at the special request of the author of the Marathi original, as a grateful tribute to the genius of the founder of the Maratha nation. At the time when this work was undertaken, there was no worthy biography in the English language of the life and career of the great King who during the night of Mahomedan despotism. Dreamt the dream of national independence and realized it. It seemed a standing reproach to the Indian community, with their newly awakened political consciousness, that there should be no biographical record, commensurate with the greatness of the national hero, in that language 'which has done more than anything else to unite us into a nation. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Life of Shivaji Maharaj Founder of the Maratha Empire

"Chhatrapati Shivaji Maharaj: Founder of the Maratha Empire" by Roma Sen is a comprehensive and engaging biography that provides a vivid account of the life and legacy of Shivaji Maharaj, the legendary Indian warrior king. Sen's writing style is clear and accessible, making the book a pleasure to read. She weaves together a wealth of historical detail with captivating anecdotes to create a vivid portrait of Shivaji's character, his achievements, and the turbulent times in which he lived. Sen's attention to historical context is particularly impressive, as she places Shivaji's life and career in the larger political and social landscape of 17th century India. Overall, "Chhatrapati Shivaji Maharaj: Founder of the Maratha Empire" is an excellent biography that offers a fascinating glimpse into the life of one of India's most revered historical figures.

About the life of Jawahar Lal Nehru.

The Life of Shivaji Maharaj, Founder of the Maratha Empire

Political biography of the British General John Jacob, 1812-1858, founder of the Jacobabad District (Pakistan), formerly known as the Upper Sind Frontier District.

The Life of Shivaji Maharaj

The new edition of this important, wide-ranging and extremely useful textbook has been extensively re-written and expanded. Rab Houston explores the importance of education, literacy and popular culture in Europe during the period of transition from mass illiteracy to mass literacy. He draws his examples for all over the continent; and concentrates on the experience of ordinary men and women, rather than just privileged and exceptional elites.

Chhatrapati Shivaji Maharaj

Largely a personal account based on the author's direct observations while engaged as editor of the "Nippon Times."

The Life of Shivaji Maharaj, Founder of the Maratha Empire

This classic study on the sociology of Japan remains the only in-depth treatment of the Japanese middle class. Now in a fiftieth-anniversary edition that includes a new foreword by William W. Kelly, this seminal work paints a rich and complex picture of the life of the salaryman and his family. Tracing the rapid postwar economic growth that led to hiring large numbers of workers who were provided lifelong employment, the authors show how this phenomenon led to a new class that set the dominant pattern of social life that influenced even those who could not share it, a pattern that remains fundamental to Japanese society today.

The biography of the leader who helped India to become a nation in it's own right.

Literacy in Early Modern Europe

The six pieces collected here for the first time have been chosen by Ved Mehta from a decade of reportorial work for The New Yorker. "They reflect, in different ways," he writes in the foreword, "the worlds in which I feel at home: India, where I was born and brought up; the United States and Britain, where I have lived since I was fifteen; and what Milton called 'the olive grove of Academe,' where I spent an interlude of almost nine years. The pieces are united by the ancient theme of the tongue and the pen. . . ." Among the literate personages Mr. Mehta writes about are the U.N. interpreter George Sherry ("A Second Voice"); the English editor and broadcaster Sir William Haley ("The Third"); the Oxford bookman Sir Basil Blackwell ("Quiet, Beneficent Things"); the Urdu translator and critic Ram Babu Saksena ("There Is No Telling"); the Indian novelist R. K. Narayan ("The Train Had Just Arrived at Malgudi Station"); and the American linguist Noam Chomsky ("John Is Easy to Please"). These men and many of their confreres who appear in the book "might well be surprised to find themselves in the same room," Mr. Mehta writes. "They would have difficulty in understanding one another's manners, attitudes, and, in some cases, language. The gathering would indeed be a bizarre one . . . but for me it would be Heaven." Mr. Mehta combines the literary exuberance of the true writer with the intellectual rigor of the true scholar; his style is marked by wit and sweep and fire. In this book about encounters with virtuosos of the written and the spoken word he has made a delightful addition to the pleasures of literacy.
