Learn something new, with Mr. New! This video explains the steps ...
using half of a 9 by 12 sheet of paper
begin by labeling our paper
create a pattern in on the first block
pick one corner on each of the big triangles
make another four around these two circles
start wrapping around for the third circle
put in a drop shadow
make two more parallel lines
darken in the area behind or under or around these little roadways
start in this little corner
end it with some dots

finish this up with a little bit of shading

start with this square

pattern in the back square

getting the juxtaposition of the curvy shape next to the straight shapes now
