One Hundred Years of Solitude

One of the twentieth century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility, the variety of life, the endlessness of death, the search for peace and truth—these universal themes dominate the novel. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of the history of the human race.

Little Women

This wide-ranging compendium traces symbolism to its ancient roots, examining a vast variety of symbolic images.

The Divine Comedy

Nobel prize winner and author of *One Hundred Years of Solitude* Gabriel Garcia Marquez tells a tale of an unrequited love that outlasts all rivals in his masterpiece *Love in the Time of Cholera*. 'It was inevitable: the scent of bitter almonds always reminded him of the fate of unrequited love' Fifty-one years, nine months and four days have passed since Fermina Daza rebuffed hopeless romantic Florentino Ariza's impassioned advances and married Dr Juvenal Urbino instead. During that half-century, Florentino has fallen into the arms of many delighted women, but has loved none but Fermina. Having sworn his eternal love to her, he lives for the day when he can court her again. When Fermina's husband is killed trying to retrieve his pet parrot from a mango tree, Florentino seizes his chance to declare his enduring love. But can young love find new life in the twilight of their lives? 'The most important writer of fiction in any language' Bill Clinton 'An exquisite writer, wise, compassionate and extremely funny' Sunday Telegraph 'An amazing celebration of the many kinds of love between men and women' The Times

Signs & Symbols

Like other religions, Witchcraft has its deities, priests, holidays, rituals, and rules. Yet, Wiccan beliefs and practices are often unknown or misunderstood by non-Pagans and the uninitiated. Approaching the Craft from the Gardnerian perspective, Migene González-Wippler offers a friendly, straightforward introduction to the Old Religion and sheds light on what it truly means to be a Witch. What goes on at coven meetings? How do Witches perform magic? Why does magic work? From initiation rites to invoking elementals, González-Wippler explains both practical and spiritual aspects of Wiccan traditions. *Book of Shadows* also teaches the significance of Moon phases, herbs, colors, crystals, common magical tools, and other implements when performing sacred ceremonies

Love in the Time of Cholera

Here are the complete prophecies of Nostradamus. Nostradamus is the best known and most accurate mystic and seer of all times. There are those who say that he predicted Napoleon and even the attack on the World Trade Center. Read the prophecies and judge for yourself.

Book of Shadows

At the beginning of the twentieth century psychologists discovered ways and means to measure intelligence that developed into an obsession with IQ. In the mid 1990's, Daniel Goleman popularised research into emotional intelligence, EQ, pointing out that EQ is a basic requirement for the appropriate use of IQ. In this century, there is enough collective evidence from psychology, neurology, anthropology and cognitive science to show us that there is a third 'Q', 'SQ' or Spiritual Intelligence. SQ is uniquely human and, the authors argue, the most fundamental intelligence. SQ is what we use to develop our longing and capacity for meaning, vision and value. It allows us to dream and to strive. It underlies the things we believe in, and the role our beliefs and values play in the actions that we take and the way we shape our lives.

The Complete Prophecies of Nostradamus

This Expanded Edition explains the divine female principle as the source of creation—both metaphysically and physically; the feminine dual nature of Isis with Nephthys; the relationship (and one-ness) of the female and male principles; the numerology of Isis and Osiris; Isis' role as the Virgin Mother; explanation of about twenty female deities as the manifestations of the feminine attributes; the role of Isis' ideology throughout the world; the allegory of Isis, Osiris and Horus; and much more. This book will fill both the mind with comprehensive information as well as the heart—with the whole spectrum of emotions.

Spiritual Intelligence

Translated from a 17th century manuscript stored in Paris, this is an ancient but still useful book of popularized Christian magic. It is illustrated with intricate sigils.

Isis The Divine Female

To the casual observer, they're just a pack of playing cards. But to initiates, the mysterious figures of the Tarot deck symbolize the keys to ancient wisdom. The 78 cards can be employed to unlock the secrets of the universe and to foretell the future — but only by those who comprehend their esoteric truths. A pillar of occult science, *The Tarot of the Bohemians* provides a theological element to the work begun by Antoine Court de Gébelin, Etteilla, and Éliphas Lévi, and advanced by A. E. Waite, the distinguished scholar and designer of the most widely known deck. Geared toward initiates, its topics include an introduction to the study of the Tarot as well as its symbolism and applications. This revised edition includes a Preface by Waite in addition to illustrative plates, charts, and tables.

The Grimoire of Armadel

From antiquity to the Enlightenment, astrology, magic, and alchemy were considered important tools to unravel the mysteries of nature and human destiny. As a result of the West's exposure during the Middle Ages to the astrological beliefs of Arab philosophers and the mystical writings of late antiquity, these occult traditions became rich sources of inspiration for Western artists. In this latest volume in the popular *Guide to Imagery* series, the author presents a careful analysis of occult iconography in many of the great masterpieces of Western art, calling out key features in the illustrations for discussion and interpretation. Astrological symbols decorated medieval churches and illuminated manuscripts as well as fifteenth-century Italian town halls and palaces. The transformational zymology of magic and alchemy that enlivened the work of a wide range of Renaissance artists, including Bosch, Brueghel, Dürer, and Caravaggio, found renewed expression in the visionary works of nineteenth-century artists, such as Fuseli and Blake, as well as in the creative output of the twentieth century's Surrealists.

The Tarot of the Bohemians

As we all know, there is a kind of lazy pleasure in useless and out-of-the-way erudition—The compilation and translation of this volume have given us a great deal of such pleasure; we hope the reader will share some of the fun we felt when ransacking the

Astrology, Magic, and Alchemy in Art

Oblivion is a heartbreaking, exquisitely written memorial to the author's father, Héctor Abad Gómez, whose criticism of the Colombian regime led to his murder by paramilitaries in 1987. Twenty years in

the writing, it paints an unforgettable picture of a man who followed his conscience and paid for it with his life during one of the darkest periods in Latin America's recent history.

The Book of Imaginary Beings

"The most original and probably the most important writer on Magick since Aleister Crowley."—Robert Anton Wilson, author of the Prometheus Rising and other works Peter Carroll's classic work has been profound influence on the Western magical world and on the practice of chaos magick in particular. In *Liber Null and Psychonaut*, Carroll presents an approach to the practice of magic that draws on the foundations of shamanism and animism, as well as that found in the Greek magical papyri, the occult works of Eliphas Levi and Aleister Crowley, and the esoteric meditative practices of classical India and China. Also very much at work in the text are 20th century scientific ideas of quantum physics and chaos theory. The result is a profoundly original work of magical studies that also includes a selection of extremely powerful rituals and exercises for committed occultists with instructions that lead the reader through new concepts and practices to achieve Carroll's definition of magic itself: the raising of the whole individual in perfect balance to the power of infinity. This Weiser Classics edition is a thoroughly revised republication of *Liber Null and Psychonaut*, first published by Weiser in 1987, and includes a new foreword by Ronald Hutton, a leading authority on modern witchcraft and paganism.

Recollections of My Life

DCLXVI Edition - *Liber HVHI - Magick of the Adversary* published Hardback edition - June 6th, 2006 Striking collectors hardback with glossy dustwrapper. Contains additional material including RITUAL DCLXVI - The Rite of Chioa, an invocation of the Beast.

Oblivion

The *De Lamiis*, was first published in 1489, and had at least five other editions before 1500. It is one of the earliest works published on witchcraft, and the first ever to be illustrated. The book is written in the form of a dialogue between the author and the dedicatee, the Archduke Sigismund of Austria, who doubts the existence of witches. At a time when complete theories around witchcraft were yet to be established, the author defended the belief in the powers of the Devil and his ability to trick the human mind. This book is an exact photographic reproduction of the original 1489 edition that was printed in Reutlingen by Johan Otmar. The original printing size was kept. Wierus Press is specialized in the reproduction of rare works related to the occult, religion and philosophy and the history of science.

Liber Null & Psychonaut

A contemporary of Lorca and Buñuel in Spain's Second Republic, Max Aub escaped into a life of exile after General Franco seized Barcelona. His masterpiece, acknowledged in Spain as one of the best accounts of the Spanish Civil War, is the five-novel cycle known as *The Magic Labyrinth*—never before translated into English. A playwright as well as a novelist, he brings the period alive through vibrant dialogue and a story that navigates the factional intrigues that eventually erupted onto the streets in violence. The protagonist of the first novel is Rafael López Serrador, whose coming of age in Barcelona introduces a cast from all walks of city life—Catalan nationalists, anarchists, Falangists, government ministers and showgirls. Just as central a character is Barcelona itself, lovingly depicted. Rafael's adventures bring him into contact with the forces that were to destroy the Republic and determine the bloody course of the Spanish Civil War. Masterfully translated by Gerald Martin, author of *Gabriel García Márquez: A Life*, Max Aub's novel is set to introduce to an English-speaking audience a classic of Spanish and Latin American literature—an account of the Spanish Civil War to compare with Ernest Hemingway's *For Whom the Bell Tolls*.

Liber Hvhi - Magick of the Adversary 666 Edition

This remarkable grimoire was translated by S.L.M. Mathers from a 15th century French manuscript. This text has had a huge influence on modern ceremonial magic, and has been cited as a primary influence on Aleister Crowley. Abraham of Würzburg, a cabalist and scholar of magic, describes a quest for the secret teachings which culminated in Egypt, where he encountered the magician Abramelin, who taught him his system in detail. The procedure involves many months of purification, followed by the invocation of good and evil spirits to accomplish some very worldly goals, including acquisition of treasure and love, travel through the air and under water, and raising armies out of thin air. It also tells of raising

the dead, transforming ones appearance, becoming invisible, and starting storms. The key to this is a set of remarkable magic squares, sigils consisting of mystical words which in most cases can be read in several directions. Of course, these diagrams are said to have no potency unless used in the appropriate ritual context by an initiate. Mathers analyzed these words in an extensive set of notes and gives possible derivations from Hebrew, Greek and other languages.

De Lamiis Et Pythonicis Mulieribus

How to work with the chakra centers to heal unresolved psychic wounds • Reveals how psychic injuries become lodged within the energy body • Links one major developmental stage with each major chakra • Provides a detailed guide to healing and clearing the tensions each chakra holds The chakra system identifies eight centers in the psycho-anatomy of humans, each one associated with a different part of the physical or energy body. Susan J. Wright, a practicing shaman and Gestalt psychotherapist, uses her own life journey to show that each chakra also is linked to a different stage of emotional and spiritual development. In *The Chakras in Shamanic Practice*, she identifies eight key developmental stages of life, from birth to old age/death. Each of these life stages has various developmental challenges and potential traumatic events that will likely occur and affect the health and well-being of the individual. Wright explains that life traumas experienced in particular developmental stages become lodged within the energy body as they cling to their corresponding chakra. By identifying and working with the chakra involved, a doorway can be opened to a world of transformative images, allowing powerful shamanic techniques to heal these psychic wounds. Providing both physical exercises and guided meditations that utilize the techniques of soul retrieval, working with power animals, and transcending trauma, Wright offers practitioners a way to gather and nurture the fragmented parts of their energy body and lead themselves to physical, emotional, and spiritual well-being.

Learning the Kabbalah. Have you put it off? Have you heard it's really complex and difficult to understand? Would you like to learn the Kabbalah if it was presented in a way that made it clear and practical? Then you want Migene González-Wippler's *A Kabbalah for the Modern World*. In the past, many people have called this the best introduction to the Kabbalah. And now that it has been enlarged, it is better than ever. Of course, it has all of the information you would expect. You'll learn about the Tree of Life, creation, the parts of the psyche, correspondences with other systems, Gematria, and much more. Migene González-Wippler has not only expanded this book, but has revised it so that you will be able to understand all of those seemingly complex ideas that were so difficult. You can learn the Kabbalah! If this was all the book covered it would be a great book to have. But there is so much more. You'll also learn how to take all of this information and use it for magick! This includes techniques to create changes in your life. It also features methods of invocation and evocation, and even how to use the Torah of the Jews to achieve spiritual evolution. Other topics include such things as the value of sexuality, correspondences, the body of God, and much more. The book also includes a comparison of the Kabbalah and some of the latest scientific ideas about the nature of the universe. All in all, this is the classic book you must have. This is also an ideal introduction to friends and relatives who want to know what it is that you are doing. Whatever your reason, this is a book you will use.

The Sacred Magic Of Abramelin The Mage

An émigré community can be as totalitarian as the homeland one fled, Chilean refugees discover in East Berlin. The action centers on the community's dictator, a man who can obtain or deny an exit visa for a woman seeking to move to Mexico.

The Man of Light in Iranian Sufism

This book explores the newest answers to age-old Big Picture Questions: Where do we come from? Does God exist? What is spirit vs. matter? What is sentience? What is linear vs. nonlinear time? What is time travel? What is the difference between a universe, multiverse and omniverse? What is event

space or parallelism? Are we in a virtual reality? What are aliens, animals, angels and other entities? As a research scientist turned into a spiritual scientist, my goal is to bridge science and spirituality, because we are now able to understand both in their real terms, not couched in mysteries, myths, science fiction or spiritual fiction. This book is meant to blow your old mindset away. I hope you're ready for an upgrade, because you will find the truth far more fascinating and grander than fiction. Let the journey of a thousand epiphanies begin!

Lucans Pharsalia

This book contains 13 powerful angel messages of healing love and light. Simply reading these messages will help you to open your heart. With a clear mind, and an open heart you will be able to directly connect with the one source energy flowing throughout all that is. You will also be able to connect with your guides and angels. Unconditional love and guidance from the angels is always available to you. At any moment you can clear your mind, take a deep breath, and open your heart to connect with your angels. Once this connection is established, you will feel their unconditional love and you can begin to work with your angels to create the life you desire. Whether you desire spiritual guidance, healing or help attracting more love into your life, your angels are ready to help. No matter if this is your first time connecting with your angels or if you have been working with your angels for years, this book will help you connect with the next steps in your spiritual path. Staying centered, grounded and connected is essential for you to live your inspired life. Melanie helps thousands of people connect with their angels every month. See what others who have connected with Melanie's channeled angel messages are saying: "This is wonderful. I spent my drive into work thanking my guides and Metatron for their presence and encouragement in my life at this time. Thank you, especially, for being a graceful channel! Blessings,"-Tiffany "I cannot tell you how much benefit I get from these channelings, they are honestly wonderful beyond description!" -Gary "Thank you for the inspired channeling! It was Beautiful! I feel Great, Exceptionally happy, and as if I have been super energised from within!" -Debra "Melanie is a kind and humble soul who clearly and naturally channels Metatron, Uriel, other angels and beings of great light, ready to assist humanity in progress and towards ascension"-Camilla, Sweden "Dear Melanie, what a Godsend to find you! There are not the words available in the English language to express my gratitude to you dear one, to Metatron and all Archangels and Angels. THANK U all. The channeled meditations are a lifeline." -Antonia "These messages are full of love, light and compassion and connect you directly with your soul. Thanks to Melanie's great work, my life's changed for better."-Mariusz, Polland "Thank you so much for transmissioning this clear, precious, clear answer from Archangel Uriel to me. I am very grateful to receive such a helpful answer! I can feel the LOVE in which you are serving, so that the Energies and Assistance of the Angelic Ream can flow purely through you. In love and gratitude." -Helga, Germany "Gratitude, Gratitude, Gratitude Thank you for channeling the highest Divine love. My heart is grateful for your presence. With Love, Namaha Shivaya." -Vanessa

Spiritual Guide to Our Multiverse

The number of travelers along the information superhighway is increasing at a rate of 10 percent a month. How will this communications revolution affect our culture and society? Pierre Lévy shows how the unfettered exchange of ideas in cyberspace has the potential to liberate us from the social and political hierarchies that have stood in the way of mankind's advancement. Anthropologist, historian, sociologist, and philosopher, Lévy writes with a depth of scholarship and imaginative insight rare among media critics. At once a profound historical analysis of the development of human culture and a blueprint for the future, *Collective Intelligence* is a visionary work.

Aleister Crowley & the Hidden God
