How to "Deal With" Difficult Students - How to "Deal With" Difficult Students by Amanda Rose 81,476

views 3 years ago 17 minutes - Hi everyone, these are my tips on how to approach teaching difficult

students. Don't forget to Like and Subscribe!

Intro

Be mindful of your approach

Have a consequence ladder for behavior

Address the student in private

Reach out to someone in the school community that has a positive relationship with this student

Do not make assumptions about that student

Issue consequences that are related to behavior not to the child's grade

Do not be tough on one student in order to prove a point to everyone else.
