The Officers Wife

A MAN IN UNIFORM He was a captain in the U.S. Air Force. She was a psychologist in Fayetteville, North Carolina. On the surface, Marty and Michelle Theer appeared to be the perfect married couple. But no one knew of the double life Michelle was leading. Tired of spending one too many nights apart from Marty who was often away on his flight missions, Michelle turned to the Internet to meet men and relieve her loneliness. With each encounter, Michelle became more daring in her sexual escapades. But one man stood out among all the rest: former U.S. Army Staff Sergeant John Diamond. **A WOMAN IN HEAT** The more time Michelle spent with Diamond, the less she wanted to be with her husband. Then on December 17, 2000, Marty was gunned down on a street outside of Michelle's office building. Suspicion first turned to Diamond, and she watched him take the fall for a murder she had masterminded. When authorities went after her, Michelle vanished. For months, federal marshals hunted desperately for Michelle, who had resorted to plastic surgery to avoid the law. In 2002, authorities finally captured her. **A CASE THAT SHOCKED THE AMERICAN MILITARY COMMUNITY** For three months, a jury would hear graphic testimony delving into the sordid details of Michelle's swinging sex life as the happy veneer of the Theers's marriage was quickly peeled away. But when it came time to decide Michelle Theer's fate, her own shocking actions would finally seal her doom...

The Officer's Wife

Rebecca Graves tries to make sense of her harsh work environment and embrace the role of counselor to some of the most troubled teenage girls in the country. Rebecca isn't the type of person who can settle into position as a mediocre cog in a machine. She knows she can do more with her life, and she sets out to prove it. During this journey of self-discovery she learns a great deal, including the dark secret that has shadowed her relationship with her mother for most of her life. She refuses to let this powerful secret shatter her world, but can she handle all of the challenges that soon come her way? Norman Gregory's beautiful but vicious ex-wife almost shattered his faith in women. He spends his days serving as a Major in the Army and his nights as a lonely single parent, until he comes across

Rebecca. On one of his isolated early morning runs, their paths cross and their destinies entwine in a story of love, friendship, courage, strength, and forgiveness.

The Officer's Wife

'A beautifully written emotional, absorbing story about love, family, and secrets. I absolutely loved it.' Siobhan Daiko, author of *The Girl from Venice 1939* - American heiress Vivi Miles falls for naval officer Nathan as soon as she arrives in England. And, under the threat of war, they marry in a whirlwind before he leaves to join his ship. When Nathan returns from Dunkirk injured, he is distant, aloof, and no longer the man Vivi fell in love with. But it's not just because of his brutal experiences of war. Nathan has a secret and Vivi suspects it's linked to the mysterious evacuee at the secluded house in the woods on his Kent estate. As war continues to rage, Vivi battles her own grief and loneliness, and tries to find out the truth of the girl's identity, uncovering a scandal from the past. Is her love for Nathan strong enough to survive? -- 'I was engrossed in this beautiful, heartfelt story. Characters to care about and a plot that kept me turning the pages.' Helen Parusel, author of *A Mother's War*

Officer's Wives

Two young army wives, two very different Americas ... and the man they both love. In 2009, Emily's marriage is falling apart. When her husband leaves for Afghanistan, she takes a job in History House Museum at Fort Hancock in Sandy Hook, New Jersey. Betty, in 1945, is an officer's wife who lives with her family at Fort Hancock and who becomes more and more distressed as WWII draws to a close. She longs for someone to tell her that someday everything will be all right ...

The Officer's Wife

#1 New York Times Bestseller Edith Hahn was an outspoken young woman in Vienna when the Gestapo forced her into a ghetto and then into a slave labor camp. When she returned home months later, she knew she would become a hunted woman and went underground. With the help of a Christian friend, she emerged in Munich as Grete Denner. There she met Werner Vetter, a Nazi Party member who fell in love with her. Despite Edith's protests and even her eventual confession that she was Jewish, he married her and kept her identity a secret. In wrenching detail, Edith recalls a life of constant, almost paralyzing fear. She tells how German officials casually questioned the lineage of her parents; how during childbirth she refused all painkillers, afraid that in an altered state of mind she might reveal something of her past; and how, after her husband was captured by the Soviets, she was bombed out of her house and had to hide while drunken Russian soldiers raped women on the street. Despite the risk it posed to her life, Edith created a remarkable record of survival. She saved every document, as well as photographs she took inside labor camps. Now part of the permanent collection at the Holocaust Memorial Museum in Washington, D.C., these hundreds of documents, several of which are included in this volume, form the fabric of a gripping new chapter in the history of the Holocaust—complex, troubling, and ultimately triumphant.

The Officer's House

When Army Chief Warrant Officer Anthony Tobias taps Pfc Smith to drive him to the scene of a murder, it is the start of a singular collaboration. Propelled by the inexplicable death of an officer's young wife, their adventure leads them down the cobblestone lanes of medieval Nurnberg and across the rolling hills of Bavaria, through the seamy underside of Europe's sex industry and against the dress-right mentality of an American combat battalion, and at last into the secret heart of violence and despair. It is an experience for Smith that ranges from the intellectual to the sublime and from hilarity to horror, and it is a showcase for the extraordinary talents of Chief Tobias. On thing is certain: they will never forget *The Officer's Wife*. Neither will you.

The Officer's Wife

The wife of an officer gives a vivid late-nineteenth-century account of frontier life with the army in the West as well as describing the beauty of the countryside

The Officer's Wife

Hope for Today Strength for Tomorrow When your husband is a police officer, you experience a unique set of challenges and fears that others may not understand. Rest assured that you can still find peace and joy every day with God by your side. Proud Police Wife is the perfect resource for any police wife or future wife in need of hope, encouragement, comfort, and strength. Each devotion includes · applicable Scriptures, · relatable stories, · empowering action steps, and · uplifting prayers. Strengthen your relationship with God and gain confidence in your role as the heart behind the badge. Wait patiently for the Lord. Be brave and courageous. Yes, wait patiently for the Lord. Psalm 27:14 NLT

Army Letters from an Officer's Wife, 1871-1888

A young woman's journey of self-discovery begins while running the challenging hills of the Air Assault road-march path on Fort Campbell KY. During these daily excursions, Rebecca finds the strength and determination to deal with her harsh work environment and her deeply troubled relationship with her mother, but can she find love along the way? Rebecca Graves tries to make sense of her harsh work environment and embrace the role of counselor to some of the most troubled teenage girls in the country. Rebecca isn't the type of person who can settle into position as a mediocre cog in a machine. She knows she can do more with her life, and she sets out to prove it. During this journey of self-discovery she learns a great deal, including the dark secret that has shadowed her relationship with her mother for most of her life. She refuses to let this powerful secret shatter her world, but can she handle all of the challenges that soon come her way? Norman Gregory's beautiful but vicious ex-wife almost shattered his faith in women. He spends his days serving as a Major in the Army and his nights as a lonely single parent, until he comes across Rebecca. On one of his isolated early morning runs, their paths cross and their destinies entwine in a story of love, friendship, courage, strength, and forgiveness.

The Officers' Wives

He was a captain in the US air Force. She was a psychologist in Fayetteville

Proud Police Wife

A Police Officer's calling in life is to serve and protect, and he would willingly lay down his life for all. If he would do that for a stranger, imagine all that he would do for his wife. Our law enforcement husbands are our heroes, we love them dearly and we wouldn't trade them for the world, but being a Law Enforcement Officer's wife comes with its own set of challenges. Law enforcement wives from across North America share communal advice, wisdom, experience, insight and laughter with fellow LEO wives. We offer a peek into our world, "the heart of the badge," to our husbands, families, friends and neighbors. *** To further the mission of the book, author proceeds are donated to police related charities

The Officer's Wife

This journal is a convenient size for carrying in a bag or purse. Makes a great gift for the Law Enforcement Officer's Wife. Great for lists, tasks, notes, personal diary, medical records, recipes, menus, lots of uses.

Officer's Wife: A True Story of Unspeakable Betrayal and Cold-Blooded Murder

Memoirs portraying life in Tibet, Sikkim and Bhutan in the 1930s.

The Crazy Lives of Police Wives

"A poignant, unapologetically southern, laugh out loud look at what it means to truly be seen and loved." – Kait Nolan A sexy military pilot is about to meet his match in an unpredictable physics professor! Kaci Boudreaux is every Southern mama's nightmare, including her own. This former Miss Grits would rather tromp around in boots shooting off potato guns—and her mouth—than dress pretty and play nice with the boys. Especially her chauvinistic fellow professors, her ex-husband, and those military cargo pilots she accidentally started a war with. Lance Wheeler is every Southern belle's dream, except his ex-fiancé's. After being left at the altar, he'd love to take his C-130 and fly far, far away. But since his bird technically belongs to Uncle Sam (as does he), a distraction in the form of a feisty fireball of a physics professor will do while he's waiting for his next deployment with the Air Force. He's into her for the fun. She's into him for the challenge. But when their secrets start slipping out, their hearts will be on the line. She needs roots. He wants to see the world. What will they do about needing each other?

Travels and Adventures of an Officer's Wife in India, China, and New Zealand

Winner of the American Society of Journalists and Authors' prestigious Arlene Book Award. In "Police Wife," award-winning investigative journalist Alex Roslin takes readers inside the tightly closed police world and one of its most explosive secrets: domestic violence in up to 40% of police homes, which departments mostly ignore or let slide.

Police Officer's Wife: Blank Journal with Lines, 6 X 9, Cover Has Thin Blue Line, Representing the Line Between Criminals and Victims.

In his Rules for Wife Behavior, Colonel Joseph Whistler summed up his expectations for his new bride: "You will remember you are not in command of anything except the cook." Although their roles were circumscribed, the wives of army officers stationed in British India and the U.S. West commanded considerable influence, as Verity McInnis reveals in this comparative study of two female populations in two global locations. *Women of Empire* adds a previously unexplored dimension to our understanding of the connections between gender and imperialism in the nineteenth century. McInnis examines the intersections of class, race, and gender to reveal social spaces where female identity and power were both contested and constructed. Officers' wives often possessed the authority to direct and maintain the social, cultural, and political ambitions of empire. By transferring and adapting white middle-class cultural values and customs to military installations, they created a new social reality—one that restructured traditional boundaries. In both the British and American territorial holdings, McInnis shows, military wives held pivotal roles, creating and controlling the processes that upheld national aims. In so doing, these women feminized formal and informal military practices in ways that strengthened their own status and identities. Despite the differences between rigid British social practices and their less formal American counterparts, military women in India and the U.S. West followed similar trajectories as they designed and maintained their imperial identity. Redefining the officer's wife as a power holder and an active contributor to national prestige, *Women of Empire* opens a new, nuanced perspective on the colonial experience—and on the complex nexus of gender, race, and imperial practice.

Memoirs of a Political Officer's Wife in Tibet, Sikkim and Bhutan

THE POLICE OFFICER'S WIFE: REFLECTIONS JOURNAL is the perfect journal for wives of law enforcement officers. Contains enough pages for one year of tracking weekly reflections and journal entries Focuses on four weekly reflection points: positive happenings, hurtful events, sources of pride, and goals. Bring it with you wherever you go or keep it on your nightstand beside your bed. GIFT IDEA: Makes a great gift for your wife or friend who enjoys journaling.

Her Rebel Heart

Perhaps it is not necessary to say that the events mentioned in the letters are not imaginary--perhaps the letters themselves tell that! They are truthful accounts of experiences that came into my own life with the Army in the far West, whether they be about Indians, desperadoes, or hunting--not one little thing has been stolen. They are of a life that has passed--as has passed the buffalo and the antelope--yes, and the log and adobe quarters for the Army. All flowery descriptions have been omitted, as it seemed that a simple, concise narration of events as they actually occurred, was more in keeping with the life, and that which came into it. Women of Empire

Spanning the period between the Cold War and the present day, 'Living in the Slipstream' features a collection of tales told by wives of RAF personnel. Often hilarious, and always witty and touching, they provide an insight into what service life is like.

The Police Officer's Wife: Reflection Journal

After twenty years of marriage, Rami discovers that her husband has been living a double--or rather, a quintuple--life. Tony, a senior police officer in Maputo, has apparently been supporting four other families for many years. Rami remains calm in the face of her husband's duplicity and plots to make an honest man out of him. After Tony is forced to marry the four other women--as well as an additional lover--according to polygamist custom, the rival lovers join together to declare their voices and demand their rights. In this brilliantly funny and feverishly scathing critique, a major work from Mozambique's first published female novelist, Paulina Chiziane explores her country's traditional culture, its values and hypocrisy, and the subjection of women the world over.

Army Letters from an Officer's Wife - Scholar's Choice Edition

Many extraordinary women traveled west with their Army officer husbands between 1865 and 1890 and discovered a world that was completely controlled by the United States Army. The Army as a public institution colored virtually every aspect of their domestic lives. Army directives, customs, and traditions imposed social obligations on these women, and the world of the frontier Army garrison continually challenged their sense of what it meant to be true women. Remarkably, they flourished and established a defined role for themselves that went beyond the conventional definition of true womanhood. The shared values, loyalties, and patriotism within the institutional environment of the frontier garrison transcended gender. As distinctly masculine as the Army garrison was perceived to be, the officers' wives shared with their comrades in arms an unequivocal commitment to the Regiment. Because of their presence, the frontier garrison became a much different place to live, as they subtly and slowly changed the very nature of the institution through their efforts to bring some notion of proper society to these rugged circumstances. Unlike most studies, which focus only on farm and frontier women, this volume details the experiences of the women who viewed the world from within garrison walls.

In Her Own Right

Marriage is under attack - especially for the law enforcement family. Through this book, Kristi Neace brings to the forefront stresses not uncommon in a law enforcement marriage. Things such as lack of communication, rotating shifts, job stress, missed special occasions, fatigue, cynicism, alcoholism, and a host of other parasites that can plague a marriage. Without finding the "glue" to hold your relationship together, as she points out, the odds are not favorable. Yet, there is hope! Marriages do survive and can thrive with the proper tools in place. When your marriage comes under fire....be bullet proof!

Army Letters from an Officer's Wife; 1871-1888

She's newly single and determined to never fall for a military man again. He's a sexy officer who doesn't believe in love. And they think they can handle a no-strings relationship. Bless their hearts. Discover the National Readers' Choice Award Finalist that fans love to read again and again! A Yankee Lady Stuck in the South Divorced wasn't a label Anna Martin ever wanted. Now she's a thousand miles from home, underemployed, and lonely, but she's squeezing this lemon life gave her and turning it into lemon meringue pie. Never again will she let any man--especially another military man--get in the way of her career. A Southern Gentleman Military Officer Jackson Davis believes in family, football, and Uncle Sam. He treats ladies right, he takes his uniform seriously, and he loves his dog, but he doesn't reckon he's built for true love. After all, if a man good as his daddy couldn't do it right, what chance does

Jackson have? One Undeniable Attraction These two vulnerable souls are as different as cornbread and ketchup, but they fit together like sweet butter on hot biscuits. Short-term, they're exactly what the other needs. But when their hearts get involved, they're both gonna end up with a big ol' case of Southern Fried Blues.

You Know You're a Peace Officers Wife When

Book Excerpt: t they all marched again, quickly and silently, just as they had come in. They instantly mounted their ponies, and all rode down the street and out of sight at race speed, some leaning so far over on their little beasts that one could hardly see the Indian at all. The pony that was ridden into the store door was without a bridle, and was guided by a long strip of buffalo skin which was fastened around his lower jaw by a slipknot. It is amazing to see how tractable the Indians can make their ponies with only that one rein. The storekeeper told us that those Indians were Utes, and were greatly excited because they had just heard there was a small party of Cheyennes down the river two or three miles. The Utes and Cheyennes are bitter enemies. He said that the Utes were very cross--ready for the blood of Indian or white man--therefore he had permitted them to do about as they pleased while in the store, particularly as we were there, and he saw that we were frightened. That young man did not know that his own Read More

Army Letters from an Officer's Wife, 1871-1888

A memoir of Karachi through the eyes of its women An Indies Introduce Debut Authors Selection For a brief moment on December 27, 2007, life came to a standstill in Pakistan. Benazir Bhutto, the country's former prime minister and the first woman ever to lead a Muslim country, had been assassinated at a political rally just outside Islamabad. Back in Karachi—Bhutto's birthplace and Pakistan's other great metropolis—Rafia Zakaria's family was suffering through a crisis of its own: her Uncle Sohail, the man who had brought shame upon the family, was near death. In that moment these twin catastrophes—one political and public, the other secret and intensely personal—briefly converged. Zakaria uses that moment to begin her intimate exploration of the country of her birth. Her Muslim-Indian family immigrated to Pakistan from Bombay in 1962, escaping the precarious state in which the Muslim population in India found itself following the Partition. For them, Pakistan represented enormous promise. And for some time, Zakaria's family prospered and the city prospered. But in the 1980s, Pakistan's military dictators began an Islamization campaign designed to legitimate their rule—a campaign that particularly affected women's freedom and safety. The political became personal when her aunt Amina's husband, Sohail, did the unthinkable and took a second wife, a humiliating and painful betrayal of kin and custom that shook the foundation of Zakaria's family but was permitted under the country's new laws. The young Rafia grows up in the shadow of Amina's shame and fury, while the world outside her home turns ever more chaotic and violent as the opportunities available to post-Partition immigrants are dramatically curtailed and terrorism sows its seeds in Karachi. Telling the parallel stories of Amina's polygamous marriage and Pakistan's hopes and betrayals, *The Upstairs Wife* is an intimate exploration of the disjunction between exalted dreams and complicated realities.

Living in the Slipstream

Goering, Goebbels, Himmler, Heydrich, Bormann, Hess – names synonymous with power and influence in the Third Reich. Perhaps less familiar are Carin, Emmy, Magda, Margaret, Lina, Gerda and Ilse ... These are the women behind the infamous men – complex individuals with distinctive personalities who were captivated by Hitler and whose everyday lives were governed by Nazi ideology. Throughout the rise and fall of Nazism these women loved and lost, raised families and quarrelled with their husbands and each other, all the while jostling for position with the mighty Führer himself. And yet they have been treated as minor characters, their significance ignored, as if they were unaware of their husband's murderous acts, despite the evidence that was all around them: the stolen art on their walls, the slave labour in their homes, and the produce grown in concentration camps on their tables. *Nazi Wives* explores these women in detail for the first time, skilfully interweaving their stories through years of struggle, power, decline and destruction into the post-war twilight of denial and delusion.
