"An enlightening read which clearly explains why there is no such thing as 'lack,' that abundance is everywhere, and how to attain and create it." - Michael, Lightworker, Connecticut
Channeled from the Collective, the new Fifth Dimensional Life series begins with Abundance For All. The Collective are a group of higher beings who include the Ascended Masters, legions of Angels and Archangels, the elementals of Earth, Air, Water, Fire, and Ether, our Galactic family, and other higher Guides. They are here to support us as we Ascend into fifth dimensional living. Their latest book is practical and empowering, full of higher energies and the insights of the higher realms. With complete understanding of human life and its daily challenges, each chapter offers much-needed higher insights, wisdom, and practical direction on issues such as: Dealing with the Energies of the Current Money System Changing Your Abundance Blueprint Releasing "Struggle and Hard Work" Programming Manifesting from a Fifth Dimensional Level Dealing with the Poverty Mindset of Loved Ones Understanding the Timing of Manifestations Keeping Money in Perspective-and What True Wealth and Abundance Look Like Join the Collective on this enlightening journey into fifth dimensional living. It's time to experience true wealth, as we transform financial life on this planet. Excerpt from Chapter 3 "On Dealing with the Energies of the Current Money System" There is in the human race, by virtue of each person's soul presence, the ability to belie and deny the illusion that you must "work" for your right to be alive, that you must, as they say, "pay to live on your own planet." That you must "earn" a living, as if living was not an intrinsic right and a great, unbuyable gift. And so the outlook you must have about money is to bless it and say, as if you were speaking to a much-beleaguered friend, "I know that none of this is your fault, my friend. I thank you, and I bless you with Light." The system is indeed built upon the expectation of greed, of unnecessary acquisition, of extreme unevenness in income and social status. It does indeed hold some dark aspects-look at the symbolism of many a paper currency, and you will see there symbols of oppression and the dark arts, proudly displayed. And yet, you are able to overcome these shadowy intentions, just as the prisoner or the slave is able to sing in the cold and the dark. Begin by blessing whatever money you have, whether in an account, or in your pocket. Put your hand on it and say, "I now draw you up to a new level of service to the Light. Behold, all things are new again!" In so doing, you are raising the admittedly low density of Earth money energy to something far higher. You are raising it to its own higher purpose of doing good upon the Earth. Of creating beautiful gardens, of healing and inspiring humanity, of investing in fifth dimensional technology, and in the purification and healing of your water, air, and crops. Begin now to treat two things very differently: all the money that you have or see, and your own ability to create abundance

A Happy Pocket Full of Money

A Happy Pocket Full of Money, first self-published in 2001, so impressed Rhonda Byrne, that she asked David Gikandi to become a consultant on The Secret. In A Happy Pocket Full of Money, Gikandi explains that true wealth is not about having buckets of cash, but rather understanding the value within. True wealth flows out of developing "wealth consciousness," that incorporates gratitude, a belief in abundance, and an ability to experience joy in life. He explores how recent discoveries in theoretical physics are relevant for the creation of personal wealth and shows readers how to create abundance by saving, giving, offering charity, and building happy relationships. A Happy Pocket Full of Money features: --How to use an internal mantra to build wealth consciousness. --How to be conscious and deliberate about your thoughts and intentions. --How to decide, define, and set goals you can believe in. --How to act on your beliefs and overcome challenges. --How to incorporate gratitude, giving, and faith to experience abundance and joy in life. This inspirational book will change how you view and create money, wealth, and happiness in your life.

If your underlying programming does not support your goals—and it probably doesn't—then Julie will show you how to get out of your own way and finally access the life you have always wanted. You can be successful, you can be wealthy, and you can make money without expending physical effort or sacrificing too much of your precious time. You can become financially free with the luxury of choice. It's all possible for you, but conscious goals and knowledge are not enough to make this happen—you also need a set of supporting subconscious beliefs in order to ultimately prosper. If you have tried and tried to attain financial freedom but are still struggling, then this book will provide the breakthrough you've been waiting for.

Attract wealth and healing with the guidance of the 12 Archangels • Shares 63 healing visualizations to transform fear, resolve debt, and become receptive to the infinite bounty of the Universe • Learn

how to tap in to the singing colors of the Central Sun that are mirrored in your chakras and raise your vibration to attract wealth—not only financial wealth, but anything you need to receive from Source to feel safe, happy, healthy, and free • Offers nighttime practices to support your transformation into a vessel to receive the full blessings of Source as well as advanced practices to transform suffering You are personally invited by the 12 Archangels to receive all that you desire from Source, especially the true happiness that often seems out of reach. Your Soul has the clear guidance and tools to help you move from lack to abundance and attract wealth and healing and the Archangels will show you how. Speaking through Belinda Womack, who has been a channel for the 12 Archangels for more than 30 years, the Angels explain that the root issue behind our lack of abundance is the fear of not enough. Sharing 64 healing visualizations, the Angels guide you to dissolve the deep subconscious layers of guilt and shame that keep you stuck in a fear-induced lack of wealth and become receptive to the infinite bounty of the Universe. Reading the visualizations from the 12 Archangels, with intention, helps you tap into the singing colors and undiluted love of the Central Sun mirrored in your chakras. The visualizations raise the vibration of your thoughts, feelings, and beliefs to attract wealth—not only financial gain but all that you need to receive from Source to feel safe, happy, healthy, and free. The 12 Archangels share lessons on the relationship between money and divine law, how to cultivate your garden of intuition and creativity, and how to resolve financial debt with understanding and love. They offer nighttime practices that support your transformation into a vessel to receive the full blessings of Source. They also offer advanced practices on harnessing your innate power to transform suffering. Helping you connect with the boundless care and “deep pockets” of your Soul to transform financial struggles and eliminate self-doubt, the 12 Archangels show that life keeps improving when you make room for the vast flow of creative genius and abundance coming from the Universe through the divine feminine.

"From the author of the acclaimed book *Emergence* comes a step-by-step guide to design and create abundance in any area of life, including money, time, love, creativity, and more. The Abundance Project is about having more than enough in every area of your life--more than enough money, time, love, creativity, happiness--regardless of the circumstances you've been through or are currently facing. This may sound like wishful thinking, but once you understand what you're really made of, and what the source of real abundance is, you will increase your capacity and unleash your divine inheritance. Built on universal, proven principles, The Abundance Project breaks you out of the unsustainable buying/consuming loop created by the mindset that fulfillment comes from outside ourselves. Instead, Derek Rydall--international life coach and integrative therapist--shows you that the infinite-sum reserve that's already in you will provide all that you need. Rydall teaches the laws of giving and circulation that will release the channels of abundance-creating energy in your life through his Seven Gifts that Give You Everything; he will help you identify Abundance Blind Spots and Shadows that get in the way; and he walks you through the step-by-step Abundance Boot Camp so you can design and master the life you've envisioned. THE LAW OF ATTRACTION BEST-SELLER IN PORTUGAL AND BRAZIL Is it possible to attract wealth into your life? For centuries, only a small group of people had access to this information. This powerful knowledge was under lock and key and only a few fragments were shared through literature throughout history. Recently the world has known this secret. The Law of Attraction is responsible for your entire reality. All elements of your life as Money, Health, Relationships, Career and Happiness depend on this law. Who masters this powerful universal law may materialize all his desires without exception. Despite the wide dissemination of this knowledge, few people were able to understand its essence. Several theories have been raised but no practical process has been shared. Using the Law of Attraction goes way beyond ask, believe and receive. What is the formula to attract what you desire? This book aims to be the answer to this question. "Limitless" is a guide to attract wealth, abundance and prosperity. You will find on its pages the step by step process to attract into your life whatever you most desire, through the Law of Attraction. Although the focus of this book is wealth, the knowledge shared by Luis Alves in this work can be applied to all areas of your life. If you are seeking a "Limitless" life and if you want to master the Law of Attraction, this is the book you were looking for.

What Is Prosperity? Prosperity is not only money--in your pocket, in the bank, in your stock portfolio and CDs. True prosperity is the sense of abundance--the sense that you have the right to live an abundant life. That you are a child of a wealthy Father and Mother who love you and want to give you all their riches. Prosperity is your true inheritance. It is health, wealth, happiness, joy, peace, faith, hope, wisdom, being in tune with the flow of the universe and able to accept the abundance of God. And now, as the golden age of Aquarius dawns, it is time to claim your own prosperity. Secrets of Prosperity succeeds when so many similar books fail. It teaches us why learning to manifest prosperity is part of our divine plan and key to our spiritual progress. In Secrets of Prosperity the seemingly contradictory goals of material wealth and spiritual growth come together. Annice Booth has brought us an ancient teaching applied to a new millennium --Sidney Bennett, Bank Vice President

Secrets of Prosperity

It is your right to be rich. You are here to lead an abundant life and to be happy, radiant, and free. You should, therefore, have all the money you need to lead a full, happy, prosperous life. There is no virtue in poverty; it is a mental disease, and it should be abolished from the face of the earth.

How to Attract Money

Some people want it all in life. They want success, money, love, they want to be famous, they want to have it all. Some of them do not even know why they want it. Maybe they saw it on television or they have read it in books that it is cool to have it all. Others refuse to have it all. They have no idea what all refers to. Or maybe they do but they are too afraid to even imagine what all would look like. They have been brought up in an environment of scarcity and sacrifice, they know that everything costs, nothing comes easily and it is pretty much impossible to have it all without having to make a compromise. Whichever category you feel that you belong to, there is no right or wrong. There is no right or wrong in wanting it all. There is no recipe to wanting it all or to having it all. There is mindset. And there is gratitude. And abundance will make its way to you. You may or may not have heard of the Law of Attraction before. Maybe you heard about it and you are skeptical about what it can do or how you can use it to your benefit. Well, this book will focus on this law in order to live an abundant life and bringing into your reality the goals you have set for yourself. One of the main rules of the Law of Attraction is saying that "What you think, you create. What you feel, you attract. What you imagine, you become." They all go together. This belief is based on the idea that everything is energy. We, as human beings together with our thoughts are made from "pure energy." And due to the attraction of alike energy, a person can improve their own health, wealth and personal relationships and live an abundant life if their energy is at that level of abundance. That is why it is important to think of the abundance that you already have in your life. Focus on what you have right now, the abundance that is surrounding you and the abundance within you. And that is the energy that you will put out there in order to attract more of it. This combination of positive thought and positive emotion is considered essential to allow you to attract in your life positive experiences and opportunities. It is in the resonance of the energy and it has to match with the proposed energetic vision in order for the law to manifest. In this book you can find: - A definition of abundance and wealth - The types of abundance - The 'Why' of abundance - The purpose of an abundant life and the goals setting - An introduction to the Law of Attraction - The power of manifestation and visualization - How to increase your abundance - Success stories of wealth

We become conscious creators of our own destiny, taking the reins of our finances and our lives. Wealth creation doesn't come from luck or hard work; it comes from understanding that our thoughts, words, and deeds have powerful consequences in our lives. By aligning our values and our intentions with our actions and beliefs, we can unlock the path to financial freedom and limitless potential. Wealth creation through the soul is a life-changing opportunity to create a life of abundance, joy, and fulfillment. Making money through the mind is a powerful way to bring financial abundance into your life. By tapping into the power of the mind, you can unlock the potential of your subconscious and create the wealth you desire. The power of the mind is amazing, and it can be used to manifest abundance. You can use visualization and positive affirmations to help you focus on your goals and attract more wealth. You can also practice financial mindfulness to become more aware of your thoughts and actions when it comes to money. By developing a strong

relationship with your finances, you can create a life of wealth and abundance. Making money through the mind is a powerful tool to unlock your true potential and create the life you've always wanted.

MONEY And the 3 ELEMENTS

Is making money just a matter of hard work? Why is it then that the farmers are not the richest people in the World? We

How to Attract Money

Now, in response to huge reader demand, this latest addition to my magical Course in Manifesting series turns to the subject of money. In *Becoming Rich*, you'll not only learn the precise details of how you can use Magic to transform your entire financial world and start bringing money flowing to you. So, why Magic? Only a few years ago I lived in a tiny flat, working twelve hours a day in a factory for minimum wage. Today, I live in a beautiful home by the sea, often earning more in one month than I used to in an entire year. In this book you will discover the steps that enabled me to turn my financial life around in this amazing, life-changing way. The change in my financial circumstances was so dramatic, it makes more sense to describe it as involving Magic than anything else. And when money starts to come tumbling your way in a manner that goes far beyond mere coincidence and luck, you will no longer doubt that Magic exists. Yet my finances were actually the last thing I mastered 'magically'. I felt cursed, blocked, financially stuck for ages. But having got things right once or twice, I went on to discover that, even after a lifetime of poverty, money turned out to be the very easiest thing of all to manifest using Magic. And I went on to bring an unbelievable amount of money into my life. If you're jaded by the whole New Age Law of Attraction idea, or have become bored by its failure to deliver... this book is for you. Because this is a practical book, offering concrete techniques and instructions for bringing wonderful things into your life. You're looking at this book because you need money, and it's now time to bring that money into your life. The plan is to build your knowledge slowly, gradually, building on what has gone before, moving on to more complex techniques only once the basics are mastered. So many people fail with Magic and the Law of Attraction because they rush headlong into using techniques, trying to create enormous manifestations, trying to manifest huge sums of money off the bat ... but making very simple yet crucial mistakes. When they are disappointed, they imagine they have been duped. The sceptics are right. This is just a load of nonsense. Then they give up, declaring it just doesn't work. But I can assure you it does work. And you can make it work. This book will show you how. My intention is make sure that *Becoming Rich* will allow you to become a true creator of your own financial life, reawakening and rekindling your belief and interest in The Law of Attraction, Reality Creation, Cosmic Ordering or whatever you wish to call it. I prefer simply to call it Magic.
