Fundamental Techniques in Handling People

Give honest and sincere appreciation

Appeal to another person's interest

Smile

Remember that a person's name is

Be a good listener Encourage others to talk about themselves

Talk in terms of the other person's interest

Make the other person feel important and do it sincerely

The only way to get the best of an argument is to avoid it

Begin in a friendly way

If you are wrong admit it quickly and emphatically
 Let the other person do a great deal of talking
 Honestly try to see things from the other person's point of view
 Be sympathetic to the other person's ideas and desires
 Start with questions to which the other person will answer "yes"
 Let the other person feel that the idea is his or hers
 Appeal to the nobler motive
 Dramatize your ideas
 Throw down a challenge
 Final part of this book is about changing people without
 Talk about your own mistakes before criticizing the other person
 Ask questions instead of giving orders
 Let the person save the face
 Make the fault seem easy to correct
 Make the person happy about doing the things you suggest
