The Black Box

May 1992, and after four LAPD officers are acquitted following the savage beating of Rodney King, Los Angeles is ablaze. As looting and burning take over the city, law and order are swept away in a tidal wave of violence. But under threat of their lives, homicide detectives like Harry Bosch are still stubbornly trying to do their job. With no effective police presence on the streets, murder just got a whole lot easier - and investigating them a whole lot harder. When Harry finds the body of a female journalist in an alley, he is forced to hand over the case to the Riot Crimes Task Force, knowing that it will never be solved. Twenty years later, new evidence confirms her death was not a case of random violence but something much more personal. This time Harry is determined that the killer isn't going to escape - even if it means stepping back into the darkest days of the city he loves . . .

The Black Echo

Go back to where it all began for LAPD detective Harry Bosch, star of Amazon Prime's Bosch, in his first case The Black Echo - a gripping, action-packed thriller. LAPD detective Harry Bosch is a loner and a nighthawk. One Sunday he gets a call-out on his pager. A body has been found in a drainage tunnel off Mulholland Drive, Hollywood. At first sight, it looks like a routine drugs overdose case, but the one new puncture wound amid the scars of old tracks leaves Bosch unconvinced. To make matters worse, Harry Bosch recognises the victim. Billy Meadows was a fellow 'tunnel rat' in Vietnam, running against the VC and the fear they all used to call the Black Echo. Bosch believes he let down Billy Meadows once before, so now he is determined to bring the killer to justice.

Crime Beat

From Michael Connelly's first career as a prize-winning crime reporter comes this collection of the gripping, true stories that have inspired and informed his novels.

The Drop

In his fierce search for a new case, Detective Harry Bosch discovers a killer hiding behind suspicious DNA evidence -- and a political conspiracy that could destroy the Los Angeles Police Department. DNA from a 1989 rape and murder matches a 29-year-old convicted rapist. Was he an eight-year-old killer or has something gone terribly wrong in the new Regional Crime Lab? The latter possibility could compromise all of the lab's DNA cases currently in court. Then Bosch and his partner are called to a death scene fraught with internal politics. Councilman Irvin Irving's son jumped or was pushed from a window at the Chateau Marmont. Irving, Bosch's longtime nemesis, has demanded that Harry handle the investigation. Relentlessly pursuing both cases, Bosch makes two chilling discoveries: a killer operating unknown in the city for as many as three decades, and a political conspiracy that goes back into the dark history of the police department.

The Black Ice

When a body is found in a hotel room, reporters are soon all over the case: it appears to be a missing LAPD narcotics detective, apparently gone to the bad. The rumours were that he had been selling a new drug called Black Ice that had been infiltrating Los Angeles from the Mexican cartel. The LAPD are quick to declare the death a suicide, but Harry Bosch is not so sure. There are odd mysteries and unexplained details from the crime scene which just don't add up. Fighting an attraction to the detective's widow, Bosch starts his own maverick investigation, which soon leads him over the borders and into a dangerous world of shifting identities, police politics and deadly corruption . . .

The Drop

Harry Bosch is facing the end of the line. He's been put on the DROP - Deferred Retirement Option Plan - and given three years before his retirement is enforced. Seeing the end of the mission coming, he's anxious for cases. He doesn't have to wait long. First a cold case gets a DNA hit for a rape and murder which points the finger at a 29-year-old convicted rapist who was only eight at the time of the murder. Then a city councilman's son is found dead - fallen or pushed from a hotel window - and he

insists on Bosch taking the case despite the two men's history of enmity. The cases are unrelated but they twist around each other like the double helix of a DNA strand. One leads to the discovery of a killer operating in the city for as many as three decades; the other to a deep political conspiracy that reached back into the dark history of the police department.

The Harry Bosch Mysteries

Contains three Harry Bosch novels. **THE BLACK ECHO**: A body found in a tunnel off Mulholland Drive looks like a routine drugs overdose case, but one new puncture wound amidst the scars of old tracks leaves LAPD detective Harry Bosch unconvinced. To make matters worse, Bosch recognises the victim: Billy Meadows was a fellow 'tunnel rat' in Vietnam. Bosch believes he let down Billy once before, so now he is determined to bring the killer to justice. **THE BLACK ICE**: When the body of a missing LAPD narcotics officer is found, rumours soon emerge that he had been selling a new drug called Black Ice from Mexico. The LAPD are quick to declare the death as a suicide, but Bosch is not so sure. Fighting an attraction to the cop's widow, Bosch starts his own maverick investigation, which soon leads him over the borders, and into a dangerous world of shifting identities and deadly corruption. **THE CONCRETE BLONDE**: When Bosch shot and killed Norman Church, he was convinced it marked the end of the search for one of the city's most bizarre serial killers. But four years later, Church's widow is taking Bosch to court, accusing him of killing the wrong man. To make matters worse, Bosch has just received a note, eerily reminiscent of the ones the killer used to taunt him with. As he battles to clear his name in court, Bosch faces a desperate race against time to find the killer...

The Harry Bosch Novels Volume 5

THE OVERLOOK sees Harry Bosch plunged into the dangerous world of international terrorism. When a physicist is murdered in LA it seems the killer has no fear of publicity, leaving the body on The Mulholland overlook, a site with a stunning view over the city. And when it's discovered that the victim turned over a quantity of a lethal chemical to his killer before he died, Harry knows he has more than just a single death to worry about. Alongside the forces of Homeland Security, Harry realizes he must solve the murder or face unimaginable consequences. In **NINE DRAGONS**, the shooting of a Chinese liquor store owner in LA brings Harry Bosch back to the Rodney King riots and the moment a stranger gave a young cop sanctuary. Now, the debt must be repaid, and Harry soon discovers the old man's death was no ordinary holdup. Homing in on clues disregarded by the cops on the scene, Harry builds a picture of corruption and intimidation, with the local Triads at the heart of it. But as he tries to build a case and breach the impenetrable wall of silence in the local community, he finds he is taking a dragon by the tail - a dragon whose talons reach well beyond LA, and even the States. Suddenly the most precious thing in Harry's life is under threat, and he will need to leave the familiarity of his home turf, alone and without backup, if he is going to stop his worst nightmare from happening. Harry Bosch is facing the end of the line in **THE DROP**. He's been put on the Deferred Retirement Option Plan - and given three years before his retirement is enforced. Seeing the end of the mission coming, he's anxious for cases. He doesn't have to wait long. First a cold case gets a DNA hit for a rape and murder which points the finger at a 29-year-old convicted rapist who was only eight at the time of the murder. One leads to the discovery of a killer operating in the city for as many as three decades; the other to a deep political conspiracy that reached back into the dark history of the police department.

The Drop

LAPD detective Harry Bosch simultaneously investigates a killer who has been operating undetected for thirty years and a political conspiracy that has its origins in his police department.

The Drop - Free Preview: The First 11 Chapters

In his fierce search for a new case, Detective Harry Bosch discovers a killer hiding behind suspicious DNA evidence -- and a political conspiracy that could destroy the Los Angeles Police Department. DNA from a 1989 rape and murder matches a 29-year-old convicted rapist. Was he an eight-year-old killer or has something gone terribly wrong in the new Regional Crime Lab? The latter possibility could compromise all of the lab's DNA cases currently in court. Then Bosch and his partner are called to a death scene fraught with internal politics. Councilman Irvin Irving's son jumped or was pushed

from a window at the Chateau Marmont. Irving, Bosch's longtime nemesis, has demanded that Harry handle the investigation. Relentlessly pursuing both cases, Bosch makes two chilling discoveries: a killer operating unknown in the city for as many as three decades, and a political conspiracy that goes back into the dark history of the police department.

The Overlook

An execution on the overlook above the Mulholland Dam entangles Bosch with FBI Agent Rachel Walling and Homeland Security. The brilliant thirteenth Harry Bosch novel from the award-winning No. 1 bestselling author. When a physicist is murdered in LA, it seems the killer has no fear of publicity, leaving the body on the Mulholland overlook, a site with a stunning view over the city. And when it's discovered that the victim turned over a quantity of a lethal chemical to his killer before he died, Harry knows he has more than just a single death to worry about. Alongside the forces of Homeland Security, Harry realises he must solve the murder or face unimaginable consequences.

The Burning Room

In the LAPD's Open-Unsolved Unit, not many murder victims die almost a decade after the crime. So when a man succumbs to complications from being shot by a stray bullet ten years earlier, Bosch catches a case in which the body is still fresh, but any other evidence is virtually nonexistent...Now Bosch and his new partner, rookie Detective Lucia Soto, are tasked with solving what turns out to be a highly charged, politically sensitive case. Starting with the bullet that's been lodged for years in the victim's spine, they must pull new leads from years-old information, which soon reveals that this shooting may have been anything but random.

Lost Light

Award-winning No.1 bestselling author Michael Connelly's ninth Bosch book. Hieronymus (Harry) Bosch has retired from the Los Angeles Police Department - but the discovery of a startling unsolved murder among his old case files means he cannot rest until he finds the killer. When he left the LAPD, Bosch took a file with him: the case of a production assistant murdered four years earlier during a movie set robbery. The LAPD thinks the stolen money was used to finance a terrorist training camp. Thoughts of the original murder victim were lost in the federal zeal, and when Bosch decides to reinvestigate, he quickly falls foul of both his old colleagues and the FBI. When the private investigation enables him to meet up with an old friend, shadows from his past come back to haunt him . . .

The Closers

After three years as a PI, Harry Bosch returns to the LAPD. The superb page-turning eleventh Bosch novel from the award-winning No. 1 bestselling author. Harry is back, assigned to the LAPD's Open-Unsolved Unit with his former cop ally and partner, Kizmin Rider. These detectives are the Closers. They are thrown into a politically sensitive and dangerous case when a white supremacist is connected to the 1988 murder of a mixed race girl. The police department has changed, but one thing hasn't - Harry's nemesis, Irving. The former Deputy Chief has been pushed from power and given a virtually meaningless new role. Full of vengeance, Irving calls Harry a 'retread'. He watches from the sidelines like an injured bear, hoping Harry will make a mistake . . .

Michael Connelly - The Harry Bosch Collection (ebook)

In a city of a million tales, Detective Bosch reads those written in blood. Fourteen crime novels from bestseller Michael Connelly. 'Connelly is a crime writing genius' Independent on Sunday Contains: THE BLACK ECHO, THE BLACK ICE, THE CONCRETE BLONDE, THE LAST COYOTE, TRUNK MUSIC, ANGELS FLIGHT, A DARKNESS MORE THAN NIGHT, CITY OF BONES, LOST LIGHT, THE NARROWS, THE CLOSERS, ECHO PARK, THE OVERLOOK, NINE DRAGONS

City Of Bones

The outstanding eighth Harry Bosch thriller from the award-winning No. 1 bestselling author of The Lincoln Lawyer. City of Bones is featured in Amazon Prime's BOSCH TV series. When the bones of a boy are found scattered in the Hollywood Hills, Harry Bosch is drawn into a case that brings up dark memories from his past. Unearthing hidden stories, he finds the child's identity and reconstructs his fractured life, determined that he won't be forgotten. At the same time, a new love affair with a female

cop begins to blossom - until a stunningly blown mission leaves him in more trouble than ever before. The investigation races to a shocking conclusion and leaves Bosch on the brink of an unimaginable decision . . .

The Crossing

Six months ago, Harry Bosch left the LAPD before they could fire him, and then hired maverick Defense Attorney Mickey Haller to sue the department for forcing him out. Although it wasn't the way he wanted to go, Harry has to admit that being out of the game has its benefits. Until Mickey asks him to help on one of his cases, and suddenly Harry is back where he belongs, right in the centre of a particularly puzzling murder mystery. The difference is, this time Harry is working for the defense, aiming to prevent the accused, Da'Quan Foster, from being convicted. And not only does the prosecution seem to have a cast-iron case, but having crossed over to 'the dark side' as his former colleagues would put it, Harry is in danger of betraying the very principles he's lived by his whole career.

Goodnight Princess

The perfect bedtime book from Nick East and Michelle Robinson - Goodnight Princess As a little girl says goodnight to her dressing up clothes and dolls she is transformed into a princess in a magical realm. A beautiful rhyming text is accompanied by atmospheric illustrations which will delight and soothe all little girls as they snuggle up in bed. A follow-up to the wonderful Goodnight Tractor and Goodnight Digger, this is the perfect bedtime book. Michelle Robinson has always wanted to be an author like her hero Roald Dahl, but all they had in common was the same birthday and a love of chocolate. Now at last, Michelle is a real author too. She lives in Frome, Somerset with her husband, son and daughter. Visit her at www.michellerobinson.co.uk. Nick East has been working as a museum designer for the past 16 years but has always been a storyteller, whether as a child, filling sketchbooks with quirky characters, or as a designer displaying a collection of ancient artifacts. Nick lives near York with his wife and two children and, when he isn't drawing, he is out riding bikes and spending time with his family.

A Darkness More Than Night

LAPD Detective Harry Bosch crosses paths with FBI profiler Terry McCaleb in the most dangerous investigation of their lives.

Two Kinds of Truth

Harry Bosch is back as a volunteer working cold cases for the San Fernando police and is called out to a local drug store where a young pharmacist has been murdered. Bosch and the town's three-person detective squad sift through the clues, which lead into the dangerous big-business world of prescription drug abuse. Meanwhile, an old case from Bosch's LAPD days comes back to haunt him when a long-imprisoned killer claims Harry framed him and seems to have new evidence to prove it. Bosch left the LAPD on bad terms, so his former colleagues aren't keen to protect his reputation. He must fend for himself in clearing his name and keeping a clever killer in prison. The two unrelated cases wind across each other like strands of barbed wire. Along the way Bosch discovers that there are two kinds of truth: the kind that sets you free and the kind that leaves you buried in darkness.

The Concrete Blonde

From the bestselling author of The Lincoln Lawyer and The Gods of Guilt. When LAPD detective Harry Bosch shot and killed Norman Church - the 'Dollmaker' - the police were convinced it marked the end of the search for one of the city's most bizarre serial killers. But four years later, Norman Church's widow is taking Bosch to court, accusing him of killing the wrong man. To make matters worse, Bosch has just received a note, eerily reminiscent of the ones the Dollmaker used to taunt him with, giving him a location where a body can be found. Is the Dollmaker still alive? Or is this the work of a vicious copycat killer, determined to repeat the Dollmaker's grisly feats and destroy Bosch's career in the process?

The Wrong Side of Goodbye

Only Harry Bosch can uncover LA's darkest secrets in this new gripping thriller from global bestseller Michael Connelly.

The Burning Room

In this #1 New York Times bestseller, Detective Harry Bosch and his rookie partner investigate a cold case that gets very hot . . . very fast. In the LAPD's Open-Unsolved Unit, not many murder victims die almost a decade after the crime. So when a man succumbs to complications from being shot by a stray bullet nine years earlier, Bosch catches a case in which the body is still fresh, but all other evidence is virtually nonexistent. Now Bosch and rookie Detective Lucia Soto, are tasked with solving what turns out to be a highly charged, politically sensitive case. Beginning with the bullet that's been lodged for years in the victim's spine, they must pull new leads from years-old information, which soon reveal that this shooting may have been anything but random. In this gripping new novel, Michael Connelly shows once again why Harry Bosch is "one of the greats of crime fiction" (New York Daily News).

Suicide Run: Three Harry Bosch Stories

LAPD Detective Harry Bosch as we've never seen him before, in an exclusive eBook containing three compelling short stories In SUICIDE RUN, the apparent suicide of a beautiful young starlet turns out to be much more sinister than it seems. In CIELO AZUL, Bosch is haunted by a long-ago closed case - the murder of a teenage girl who was never identified. As her killer sits on death row, Bosch tries one last time to get the answers he has sought for years. In ONE DOLLAR JACKPOT, Bosch works the murder of a professional poker player whose skills have made her more than one enemy. Whether investigating a cold case or fresh blood, Bosch relentlessly pursues his quarry, always on the lookout for the "tell". In this first collection of Harry Bosch stories, Michael Connelly once again demonstrates that he is 'the greatest living American crime writer' (MIRROR).

Void Moon

Cassie Black is an ex-con who needs to make one more score in order to fulfill the dream that sustained her in prison.

The Harry Bosch Novels, Volume 3

For the first time in one volume, the three novels that take Harry Bosch through his most perilous cases yet, and to the edge of the abyss. A Darkness More than Night It was a case some cops could live with: the torture and killing of a man who spread horrors of his own. Former FBI profiler Terry McCaleb is called in to decipher the grisly crime scene. Shockingly, the suspect he pinpoints is LAPD detective Harry Bosch. But while Bosch may have had a good reason to commit murder, he has an even better one for staying alive-and for finding a suspect of his own. City of Bones A dog finds a bone in the Hollywood Hills and unearths a murder committed more than twenty years earlier. It's a cold case, but Bosch can't let it go. As the investigation takes him deeper into the past, a beautiful rookie cop brings him alive in the present-until a stunningly blown mission and a brutal showdown leave Bosch on the brink of an unimaginable decision. Lost Light For years, the unsolved murder of Angella Benton has haunted him. Bosch was taken off the young production assistant's case when her death was linked with the violent theft of two million dollars from a movie set. Both files were never closed. Now retired from the LAPD, Bosch is determined to find justice for Angella. And even in the faces of a powerful and ruthless opponent, he will not back down, with or without a badge. Together, these three riveting, relentlessly paced novels take us even deeper into the complex hero USA Today has called "one of the most fascinating characters in the mystery world," and show once more that Michael Connelly is "the most talented of crime writers" (The New Yorker).

The Harry Bosch Novels: Volume 2

The Last Coyote: LAPD homicide detective Harry Bosch is suspended from the force for attacking his commanding officer. Unable to remain idle, he investigates the long-unsolved murder of a Hollywood prostitute. Trunk Music: Harry returns to the force to investigate the murder of a movie producer with Mafia ties. Up against both the LAPD's organized crime unit and the mob, Harry follows the money trail to Las Vegas, where the case becomes personal. Angels Flight: The murder of a prominent African-American attorney who made his career suing the police for racism and brutality means that Harry's friends and associates have become suspects; and he must work closely with longtime enemies suspicious of his maverick ways to investigate them. Together for the first time, these three chilling, pulse-pounding novels chart the volatile, breakneck career of the sleuth the New York Post calls "the

quintessential mystery book hero" and prove that "Michael Connelly's Harry Bosch novels are the most impressive body of work by any writer of crime thrillers now active" (Washington Post).

A Darkness More Than Night

LAPD Detective Harry Bosch crosses paths with FBI profiler Terry McCaleb in the most dangerous investigation of their lives.

Harry Bosch Novels, The: Volume 2

Angle of Investigation

LAPD Detective Harry Bosch tackles three tough cases that span a legendary career in this never-before-collected trio of stories. In "Christmas Even," the case of a burglar killed in mid-heist leads Bosch to retrace a link to his past. In "Father's Day," Bosch investigates a young boy's seemingly accidental death and confronts his own fears as a father. In "Angle of Investigation," Bosch delves into one of the first homicides he ever worked back as a uniformed rookie patrolman, a case that was left unsolved for decades. Together, these gripping stories span Bosch's controversial career at the LAPD, and show the evolution of the haunted, legendary investigator he would become. Utterly unputdownable, they are proof that "Connelly never stops doling out the suspense....Once it grabs you in those first few pages, it won't let go of you" (Boston Globe).

Introducing Harry Bosch

'A superb natural storyteller' Lee Child The Black Echo LAPD detective Harry Bosch is a loner and a nighthawk. One Sunday he gets a call-out on his pager. A body has been found in a drainage tunnel off Mulholland Drive, Hollywood. At first sight, it looks like a routine drugs overdose case, but the one new puncture wound amid the scars of old tracks leaves Bosch unconvinced. To make matters worse, Harry Bosch recognises the victim. Billy Meadows was a fellow 'tunnel rat' in Vietnam, running against the VC and the fear they all used to call the Black Echo. Bosch believes he let down Billy Meadows once before, so now he is determined to bring the killer to justice. The Black Ice When a body is found in a hotel room, reporters are soon all over the case: it appears to be a missing LAPD narcotics detective, apparently gone to the bad. The rumours were that he had been selling a new drug called Black Ice that had been infiltrating Los Angeles from the Mexican cartel. The LAPD are quick to declare the death a suicide, but Harry Bosch is not so sure. There are odd mysteries and unexplained details from the crime scene which just don't add up. Fighting an attraction to the detective's widow, Bosch starts his own maverick investigation, which soon leads him over the borders and into a dangerous world of shifting identities, police politics and deadly corruption . . . The Concrete Blonde When LAPD detective Harry Bosch shot and killed Norman Church - the 'Dollmaker' - the police were convinced it marked the end of the search for one of the city's most bizarre serial killers. But four years later, Norman Church's widow is taking Bosch to court, accusing him of killing the wrong man. To make matters worse, Bosch has just received a note, eerily reminiscent of the ones the Dollmaker used to taunt him with, giving him a location where a body can be found. Is the Dollmaker still alive? Or is this the work of a vicious copycat killer, determined to repeat the Dollmaker's grisly feats and destroy Bosch's career in the process?

Lost Light

Harry Bosch rediscovers a startling unsolved murder among his old case files. He cannot rest until he finds the killer.

The Lincoln Lawyer

Introducing Mickey Haller, 'The Lincoln Lawyer': a blistering tale about a cynical defence attorney whose one remaining spark of integrity may cost him his life.

The Harry Bosch Novels

Three great novels in one volume from the unstoppable international bestseller. **The Narrows:** Harry Bosch is adjusting to life in Las Vegas as a private investigator and as a new father. Then he gets a call from the widow of a friend who died recently. A friend who worked on the famous case tracking the killer known as The Poet, which makes his death doubly suspicious. Now Bosch is heading straight into the path of the most ruthless and inventive murderer he has ever encountered ... **The Closers:** Three years after leaving the LAPD, Harry is back, working with his former cop ally and partner, Kizmin Rider. Assigned to the LAPD's Open-Unsolved Unit, Harry and Kiz are immediately thrown into a politically sensitive and dangerous case when a DNA match connects a white supremacist to the 1988 murder of a mixed race 16-year-old girl. But there are some people who want the case to remain unsolved ... **Echo Park:** In 1993, Harry Bosch was assigned the case of a missing person, Marie Gesto. The young woman was never found and the case has haunted Bosch ever since. Thirteen years later, a man accused of two heinous killings is willing to confess to several other murders, including that of Gesto. Bosch's whole being as a cop begins to crack when he comes to realise that he missed a clue that could have led him to the killer and prevented the nine murders that followed ...

Fair Warning

HOW DO YOU FIND A KILLER WHO KNOWS EVERYTHING ABOUT YOU? THE INSTANT NUMBER ONE BESTSELLER 'AS EXCITING AS ANYTHING CONNELLY HAS WRITTEN' THE TIMES 'UTTERLY COMPELLING ... THIS IS CONNELLY AT THE PEAK OF HIS POWERS' MAIL ON SUNDAY * * * * Jack McEvoy is a reporter with a track record in finding killers. But he's never been accused of being one himself. Jack went on one date with Tina Portrero. The next thing he knows, the police are at his house telling Jack he's a suspect in her murder. Maybe it's because he doesn't like being accused of a crime he didn't commit. Or maybe it's because the method of her murder is so chilling that he can't get it out of his head. But as he uses his journalistic skills to open doors closed to the police, Jack walks a thin line between suspect and detective - between investigation and obsession - on the trail of a killer who knows his victims better than they know themselves... Riveting, original and terrifying - this masterpiece from Michael Connelly is the best thriller you will read this summer. * * * * * CRIME DOESN'T COME BETTER THAN CONNELLY. Switchblade

A Harry Bosch short story from bestselling crime writer Michael Connelly. Also includes an extract from *The Gods of Guilt*. **BOSCH TV STARTS FEBRUARY 2015!** When the department's sorter takes a call from an anonymous witness to a cold case murder, she takes it straight to Harry Bosch who finds the accused in San Quentin. He's locked away for a different murder but only a few months away from a parole hearing which is likely to see him walking free. New methods find DNA on the murder weapon but having sat in an archive for 20 years, it's not strong enough to take to court. To keep him behind bars, Bosch has no choice but to find the witness who doesn't want to be found.

The Black Ice

The second Harry Bosch novel: Harry Bosch investigates the drug-trafficking underworlds of inner city Los Angeles and the wastelands of Mexico.

The Brass Verdict

A bullet speaks louder than words ... Lincoln lawyer Mickey Haller and LAPD Detective Harry Bosch are both on the case.

The Scarecrow

A bullet takes ten years to find its mark. Now Bosch must find the killer .
