OLD TESTAMENT MADE EASIER PT. 1 (NEW).

This is a book of questions. Just questions, no answers, though occasionally I will throw in some answer-like material to help make the question easier to understand. It is a book of questions because in my experience-in both personal scripture study and in teaching Sunday School and other lessons-questions are of more help for reflective, deep study. We learn new things when we respond to new questions, and the person who says "I no longer get anything out of my scripture study" no longer runs up against questions to think about as he or she reads. This book is intended to make reading harder-and therefore fresher-by giving such readers questions for study.

In this wonderful resource book, parents will find activities, object lessons, stories, discussion questions, quotations, and insights to help them lead their families through the Doctrine and Covenants. Simply review the material for the section or verses you are studying and select those teaching ideas you think would be most helpful to your family.
