Now we are looking through the eyes of Heaven to see ourselves, others and the world as never before. The newest book of revelation from The New Message from God, Secrets of Heaven contains the first and earliest utterances of the New Message from God. These secrets were revealed starting in 1983 in the deserts of the American Southwest, upon the Messenger Marshall Vian Summers' initiation by the Angelic Assembly and their mysterious mandate that he open himself to their presence and begin to "record." What you will find in these pages are those first words, recorded, preserved through time and now made available to the world.

Exploring Secrets of the Heavenly Realms

Exploring Secrets of the Heavenly Realms This book pictures a vast group of fallen angels that have a very highly structured organization of levels and grades according to numbers. Within this hierarchy they are well organized as a kingdom of four different dimensions in the second heaven. These different kinds of fallen angels within each of the four dimension have descending orders of authorities and different rulers and sub rulers according to grade and number responsible for different areas of authority in the second heaven which rule over the earth through the minds of mankind. This multi-leveled kingdom of fallen angels seeks to bring darkness within their sphere of jurisdiction to dominate by evil, sinfulness,

and ignorance of the ways of God. The spheres tiered are over the earth and geographical areas of the earth, including space. The fallen seek to create environments in which they exercise a controlling influence. The Bible speaks of the fallen angels as the corner point or the start of something. Fallen angels are called ancient ones or those that began. This means they were the ones who initiated and action of sin, and work through mental influence to finish a process. The fallen are pictured as military leaders of demonic realms. They are labeled as thrones, dominions, principalities and powers. The fallen angels have far superior power than demonic forces and have some particular role in controlling the destiny and activities of human beings. Paul says it's a corporate wrestling (our). It means to fight, grapple and to engage in intense struggle, involving physical or nonphysical force against strong opposition. Strong's Lexicon defines wrestling as a contest between two in which each endeavors to throw the other, and which is decided when the victor is able to hold his opponent down with his hand upon his neck. This term is transferred to the Christian's struggle with the powers of evil in the heavenly realms. This book is the first of a three part series on who to defeat fallen angels and the demonic forces that work for them.

Secrets of the Angels

The most advanced book on Spiritual Warfare to date (Vol 1 of a series) - Learn the difference between demon and Fallen Angels!! The beginning of this book is a complete guide to Spiritual Warfare. Then Bruce Hines moves to detail a vast group of Fallen Angels and demonic spirits that have a highly structured organization of levels and grades according to numbers. Within this hierarchy, they are organized as a kingdom of four different dimensions in the Second Heaven. These different Fallen Angels within each of the four dimensions have descending orders of authorities and different rulers and sub rulers according to grade and number responsible for different areas of authority in the Second Heaven which rule over the earth through the minds of mankind. This multi-leveled kingdom of Fallen Angels has hordes of demonic spirits who work for them. The Fallen seek to create environments in which they exercise a dominating influence through demonic activity. The Bible speaks of the Fallen Angels as the corner point or the start of something. They are pictured as military leaders of demonic realms. The Bible labels them as thrones, dominions, principalities and powers. They have far superior power than demonic forces and have particular roles in controlling the destiny and activities of human beings. This book is the first of a series on how to defeat Fallen Angels and demonic forces that work for them. It assumes the reader knows about spiritual warfare but, it was written to advance the one who knows very little about spiritual warfare. This series is a must read for every intercessor and recommended for everyone in the body of Christ!

MYSTERIES OF HEAVEN

In his most popular and influential work, Swedenborg describes his journeys through the afterlife--the soul's experience of dying and then being resurrected in heaven, how each of us finds a community there in which to live, and how we can ultimately become angels. Heaven and Hell is a powerful affirmation that we are all born for heaven, regardless of background or religion, and that the choices we make in this world shape our destiny in the next.

Heaven and Its Wonders and Hell

What happens after you die? What is Heaven like? What do angels do? This book describes the visions of many believers including General William Booth the founder of the Salvation Army.

Heaven and the Angels

Yes, angels are real. They are not the product of your imagination. "If we had open spiritual eyes we would see not only a world filled with evil spirits and powers—but also powerful angels with drawn swords, set for our defense." —Billy Graham Dr. Graham lifts the veil between the visible and the invisible world to give us an eye-opening account of these behind-the-scenes agents. This best-selling classic records the experiences of Dr. Graham and others who are convinced that at moments of special need they have been attended by angels. With keen insight and conviction, Dr. Graham affirms that: God's invisible hosts are better organized than any of the armies of man—or Satan. Angels "think, feel, will,

and display emotions." Angels guide, comfort, and provide for people in the midst of suffering and persecution. At death, the faithful will be ushered by angels into the presence of God.

Angels

There are many movies on UFOs, which shows that man has a great desire to believe in a higher form of life. However, while I may not have personal evidence of the existence or non-existence of UFO, according to scriptures, we have the IFO (identified flying object), also known as angels. So, when you hear the word angel, what comes to mind? Most of us know about angel Michael and that is pretty much all we know about angels. However, there is much more to angels than just knowing about archangel Michael. For example, did you know that there are ranks of angels? Did you also know that there are different types of angels? I bet these questions have opened your eyes a bit more to angels and the importance of learning about angels. But you may probably be wondering: So who are angels? How did angels come about? What do angels do? Are there senior angels in ranks than others? What determines their ranks if there are senior angels? If you have these and other related questions, this book is for you so keep reading, as it covers the ins and outs about angels in a language that you will understand. More precisely, here is a preview of what you will learn: Some essential truths about angels Why we should believe the existence of angels The nature of angels The different ranks of angels And so much more I understand that matters dealing with spirituality can become a little complex making it challenging to comprehend important information. With this understanding, I have broken down complex information into bits of information that you can actually understand to make it easier for you to get valuable information from this book and to use it to improve your knowledge of the Bible. Would you love to know more about angels? Are you excited to learn about the different kinds of angels?

While the Bible is full of examples of angels delivering messages to God's people on His behalf (the word "angel" means messenger), most Christian churches today view angel communication as "unlikely," "impossible," and in some cases even "heretical." Author Kathy Mursch disagrees! In *The Secret Language of Angels*, Mursch writes that God's angels are trying to communicate with us, to help us in our daily lives—right now—but most people simply don't know the languages they use to do so. She provides step-by-step guidance on how to receive and understand the messages God is sending through His angels, and she offers proof that these divine emissaries are alive and ready to help you if you will only ask. In this book, you will learn: How angels communicate with five distinct languages How to discern and interpret the messages you receive How to invoke angelic help in times of need And much more . . . Rich with scriptural references and anecdotes from those who have received messages from angels, this book will inspire you to begin a life-changing exploration into accessing the vast wisdom and love of God in a whole new way.

Angels in Our Lives

God does keep secrets. Even great heroes of faith like Abraham, Moses, and the Old Testament prophets faced mysteries about God and his kingdom. Understanding God's plans is like watching a train emerge from a tunnel: you can see the cars that have emerged and get a sense of where the train is going, but you can't see the cars still in the tunnel. While many details of God's revelation train are still shrouded, secrets hidden for centuries are now revealed to us. John Van Diest and Alton Gansky help us see and understand these secrets, which are hiding in plain sight in the words of Jesus and throughout the Bible.

The Wisdom of Angels

The book represents an in-depth investigation of acquisition, cultivation, and transmission of divine mysteries in Jewish apocalyptic and mystical accounts by focusing on the developments found in early Enochic writings. These accounts deal both with revelations unveiled by God and angels to the patriarch Enoch and with illicit transmission of divine knowledge by the rogue group of the fallen angels, known as the Watchers. Orlov argues that the map of otherworldly knowledge revealed to Enoch inversely mirrors the map of illicit revelations given by the fallen Watchers to humankind. The study suggests that one of the possible objectives for the parallelism is that, by revealing to Enoch the same divine mysteries that were earlier transmitted by the Watchers, God attempts to mitigate the corruption caused by the fallen angels' illicit instructions. This book will be of interest not only for scholars specializing in historical and religious areas, but also for experts in the fields of anthropology, philosophy, sociology, psychology, and gender theory; it discusses several aspects of early and late Jewish religious epistemologies that elucidate the ideological context for the construction and affirmation of social roles and identities in various Jewish milieus.

The Secrets God Kept

The Book of Enoch was denounced, banned, and "lost" for over a thousand years--until in 1773 a Scottish explorer discovered three copies in Ethiopia. This book examines the controversy surrounding The Book of Enoch, and sheds new light on Enoch's forbidden mysteries.

Divine Mysteries in the Enochic Tradition

The Bible is a book of hidden treasures purposefully designed so by our God. Many of these hidden treasures are complex, yet they can be understood by us - just ordinary people. Jesus likened this group of people to "babes." One of the meanings of "babes" in Greek is "simple-minded." God desires

to open the windows of heaven and reveal the secrets of His holy word to you. If you consider yourself inept or too "simple-minded" to understand, then all the better!
