The Healing Balm: 31 Powerful Prayers for Healing, Health, Wholeness & Longevity

YOU CAN LIVE A SICKNESS FREE LIFE!! I have experienced divine healing several times in my life, but much more important, I have lived over thirty years without any ailment. The scripture says "Healing is children's bread;" it is not to be begged for but to be received. It is God's earnest desire for you to get healed and be in health. Every sickness has a spiritual root and it takes a spiritual approach for you to dominate it. Jesus called it, "the spirit of infirmities" and it manifests itself in different ways. God has promised to bring you health and cure and cause you to have abundance of peace [Jeremiah 33:6]. Jesus has taken our infirmities but why do some believers still fall sick? This is the same question God asked in Jeremiah 20:20, "is there no balm in Gilead, is there no physician there? Why then is not the health of the daughter of my people not restored? This question has been answered in this book. You will understand what it takes to: *Dominate sickness & diseases* How to receive your healing *What is in the word of God that heals?* The healing power in the name of Jesus *31 powerful prayers to receive healing, walk in health and experience longevity Those prayers will arm you to keep the devil off your territory. Luke 11:21-22: When a strong man armed keeps his palace, his goods are in peace but when a stronger than he shall come upon him and overcome him, he takes from him all his armor wherein he trusted and divide his spoils I want to congratulate you because you will discover what it takes to become the stronger man. You are forever free in the name of Jesus!

Make Us One

Our nation is in turmoil over many issues these days--political, social and health related. But systemic racism and how it touches so much of society is one of the most painful. Make Us One is a 31-day devotional prayer guide that speaks into this issue. It is designed to open the heart of the reader so he or she can experience inner healing, repent where needed, and move him or her toward heart-transformation. Ultimately it is a cry for God to bring healing over this evil in our nation. Each of the powerful, insightful, scripture-based prayers is written by a national prayer leader or pastor of multiple ethnicities. It has a hard-hitting, clear, prophetic voice for our times, and a message to the Church that it cannot turn a blind eye to this issue any longer, but needs to live out Jesus' prayer in John 17, that we would be one. The book also includes short stories by people of color showing how they experienced an act of either subtle or overt racism or discrimination.

Head to Toe Healing from Autism and Other Neuroimmune Disorders - A Book of 31 Scriptural Prayers for Your Child

Jesus says in John 5:6, "Do you want to be made well?" Beloved of God, if the answer is "yes" for your child, then this prayer book is for you. God equates Himself with His Word (John 1:1;14), is Living Water,

and His Word is life and health to our bodies. Thus, these prayers were written to cover your child from head-to-toe in healing, Word-drenched prayers. The Lord calls His people to be in this world, but not of this world. This includes regarding our thinking and dealings with sicknesses, diseases, and disorders like autism, PANDAS, and other neuroimmune disorders. As His covenant children, we are called to say what God says about sickness, define it as He does, and deal with it how He tells us to. In addition to the powerful, head-to-toe, prayers, this book also includes teachings and revelations on faith and healing that make it clear it's God's will to heal YOUR child and that healing was paid for by Jesus' stripes in full for him/her. Excerpt from book: "For far too long, the enemy has successfully deceived many into redefining sickness into something contrary to the Word of God. Thus, even His own people have been affected and brought under confusion by the enemy's lies. Consequently, they've settled for sickness in their bodies. As God's children, we are called to only say what He says about sickness, only define it as He does, and only do with it what He tells us to... There are many believers who are merely expressing their opinions about sickness, disease, and healing that are not based on the Word of God, so we must know His Word and will for ourselves to keep from being deceived."

Back Description The desire of God for us is not sickness, pain and death. He created the world for the pleasure and profit of man. He never made sickness of any kind but He made all things beautiful for man to enjoy. "My dear friend, I pray that everything may go well with you and that you may be in good health, as I know you are well in spirit"- 3John 2 KJV. The desire of God is that our body, soul and spirit will prosper to His glory and praise. The enemy; the devil opened a channel to sickness and suffering when he tempted man in the Garden of Eden and man fell. This failure meant that man lost the glorious body that cannot be sick, but thanks be to God because God through the death of Christ on the cross, has brought us all round healing and divine health. Through the cross also we look forward to the complete restoration of our perfect, glorious bodies that will know no form of sickness. It is very

true that God gave man the gift to cure diseases with drugs and other use of natural endowment but it does not deny the truth about divine healings and miracles. Miracles are still happening today by the power and grace of God. This can be your opportunity to witness or partake in divine healing through this book. Just believe and trust in Jesus Christ for the miracles.

Prayers for Healing is a collection of prayers and readings arranged thematically to provide morning and evening meditations for 31 days. Recognizing that attention spans are often shortened during illnesses, the authors have taken care to ensure that each section contains a selection of brief readings including scripture passages, hymn quotations, prayers, spiritual writings, and many new prayers from the authors. The themes thoughtfully cover emotional reactions to illness such as fear, anger, pain, weakness to trust, hope, and peace of mind.

The daily devotions on prayer for physical healing begin! (Healing Bible Verses PDF available for free in Introduction) *** Search for the full version of this book, currently free on Google Play! Sickness and miraculous healing are shrouded in mystery. Not many know how to pray for themselves or a loved one when they are sick. Not only that, most people don't feel confident that God is willing to help them when they pray. After John W. Nichols (author of GOD is HERE) discovered his daughter had many symptoms of autism, he began reading the Bible with new eyes, trying to understand healing for today. Soon he felt impressed to fast for 7 weeks and pray through Scriptures about healing daily. Healing is Here: A 49-Day Devotional Journey of Healing Through the Bible, compiles the author's notes and prayers during his fast. It has been organized to apply to anyone who wants to learn about healing at their own pace, with Scriptural support, suggested prayers, and journaling prompts. (There is no requirement to fast while going through this devotional) John systematically teaches the mysteries he has unlocked over the course of four years of studying and applying Biblical Christian healing. He wrote this devotional with the hope of helping others who are in similar circumstances: those who desperately need healing, aren't sure how to pray, and are wondering if God is willing to help. The first week covers verses that reveal: God's healing nature Why people started getting sick Our need to connect with Him despite our pain How Jesus represented God as He healed The importance of asking God for what we need, and the promises in His Word regarding asking The depth of provision in Jesus's sacrifice Jesus's example of speaking to what needs changed, instead of speaking to God about what needs changed Over the course of the full 49 days you will discover: What is God and Jesus's will regarding healing How Jesus fulfilled prophetic verses of healing How God's will is accomplished What we can learn from the remarkable similarity between salvation and healing What do covenants have to do with sickness and healing How to receive the same blessings God promised His people in the Bible How God disciplines and teaches us What faith has to do with healing What we can learn about God by looking at Jesus in the gospels How sin and righteousness affects healing What the Bible teaches us about evil spirits How Jesus showed us to fight the enemy, and how to be equipped for that fight How Satan attacks, and what we can do about it What Jesus told His disciples (and us) to do What is the right atmosphere for healing How to exercise and apply Jesus's name, authority, anointing, and blood How fear and doubt play into sickness and how to overcome them How to heal the soul (thoughts and emotions) What are the promises and benefits of God, and how to claim them How fasting affects healing Many surprising (and practical) elements of healing seen in the Bible which can be applied today Don't forget to get the free resources linked within the book! "What I love about this devotional is that it answers questions about healing (mentally, physically, spiritually and emotionally) in such a relatable way. Each devotional is loaded with Bible verses, a prayer and thought provoking questions to help you journal your journey to healing and restoration. This is a must read for anyone from the new believer to the person that's walked with Christ their whole life. You will gain new understanding of the Scriptures and insight into who God is and how He wants to heal you." — Chris Hendrix, Author of Devotional Guide to Stretching Your Faith, Devotions By Chris, DevotionsByChris.com "Healing is Here is a powerful resource for those pursuing physical healing in their bodies. Written with gentleness and humility, he addresses so many deep concepts in a way that quietly unravels the bad theology we've

so often been taught. Jesus truly was Healer while on earth, and His Father is no different. This book is written in an accessible weekly format, so the ideas can be revisited easily as necessary. Healing is part of our portion as believers, so don't live another day sick. Pick up this book and get grounded in what the eternal Word has to say about wholeness in your body!" — Andrea Joy Moede, Writer, Coach, Speaker, Author of Misunderstood, Path of Truth, and God is Light, AndreaJoy.org "I had such a leap in my spirit that this book is going to be so anointed for the times we are in. The introduction and first devotional gave me a hunger to know more about healing." — Danielle Edens, Author of Breaking Out of the Cocoon, Founder of Second Chance Dreamers "John Nichols is an example of a young man whose life has been marvelously transformed when he surrendered to Christ. He now lives to share what he has learned with others. His Bible-based teaching will lead every follower of Jesus into a deeper, more joyful walk." — Joanne Hillman, Author of Listening Prayer, A Perfect Marriage, Song of Salome, and more, JoanneHillman.com

Healing is Here—Week 1

In *The Art of Healing Prayer*, Charles Ringma and Mary Dickau invite us to enter the realm of God's curative love to aid those seeking the wholeness of Christ. Implicit in this invitation is the understanding that we have opened up our own lives to God's healing grace. For this is a costly ministry, in which precious time and resources will be required of us as we pray biblically, imaginatively and sensitively for someone who may be on a very difficult journey to restoration. Although often carried out behind the scenes of much of the Church's activity, the healing ministry is one of joy and transformation. A person released from long-standing inner woundedness – from the prison of reaction, bitterness, self-pity, self-protection and fear – is one who can grow to inhabit new wide spaces of love and forgiveness. In turn, they may become a source of goodness and healing, as the 'magic' of God's grace results in eddies of life-giving love for others.

Daily Scripture Reading and Meditation

Waymond Jenkins was born in Portsmouth, Va. He had shown an interest in religion at a very young age, but he found it very confusing. Even at a very young age Waymond found many inconsistencies both in the way the scriptures were written and the way the scriptures were being taught. After abandoning church and religion altogether, Waymond became consumed by the cares of the world which would ultimately land him in a lot of troubles. While he was incarcerated, Waymond began a quest for knowledge and understanding of the Sacred Scriptures. After a thirteen year period of study and meditation, Waymond produced the great work called "How To Access The Power Of God"

How to Access the Power of God

Here is the fatal blow to the belief that God does not heal today. Written with compassion, humor, and insight, *The Hidden Power of Healing Prayer* affirms that the healing anointing and the gifts of signs and wonders are not reserved for 'super saints' or the specially gifted, but are available to every believer who carries the compassion and love of the Lord Jesus.

Selected Healing Prayers

The ministry of healing plays a vital and central part in the life of the Iona Community. It is a ministry in which justice is as important as medicine, reverence for the earth is as vital as respect for the individual person and the health of the body politic matters as much as the health of the body personal. In addition to giving a taste of the background, context and range of this work, *Praying for the Dawn* offers detailed resources for those who wish to introduce the ministry of healing to their own churches or groups but are unsure of where to start.

Healing Every Day

A positive transformation of the heart and soul is methodically pursued in this 31-day recovery devotional. Attitudes can improve. Good habits can solidify. Choices become healthier. Scar tissues heal and relationships can mend. By faith, we can reach beyond the fallout of our mistakes, wounded identities, hardened hearts and misfortunes. We can begin to experience the peace and joy which Christ intends for us. To fail in one's recovery is to live in defeat; it is to be miserable no matter how well-disguised. The poisoned arrows from the pit are many. Discouragement gets piled high as we look into the condemning mirror of lies pushed in front of our face each day by the accuser. Defeated under the weight of our failure and nearsightedness, we lose hope. Our Redeemer offers an amazingly reasonable answer. In-Christ, we can daily receive the power and initiative to reach above and beyond self. We're given the courage to deliberately choose Truth.

Praying for the Dawn

The purpose of this book is to connect you to the God of healing and miracles. Through the testimonies of healing in the biblical accounts of Jesus and His disciples, you will read of the keys that unlocked the doors to the realm of the miraculous for those individuals in need. What happened to those men, women and children can be your reality, because Jesus is the same compassionate healer today, as He was when He walked this earth over two thousand years ago. The conduit to connect you to His power is unchanged, and is through faith in His name and in His promises to us from His Word. Heaven has backed the integrity of the name of Jesus with power for those that will believe and trust in Him. These daily devotions will introduce you to this wonderful God and Savior and will reveal to you that His words are faithful and true to anyone who will humbly believe them and receive them into their lives. Whatever challenge you are facing, His words will instill the faith necessary to overcome any negative

diagnosis or report. Let these testimonies lay a foundation of trust and assurance in you that will make God's word the final authority and prognosis over your situation.

Renewal

God heals, and He changes not at all in healing humanity. Healing is His good will for us and having good health is His perfect will for us as well. He desires to heal you any day, anytime and anywhere you are. In fact, distance is never a barrier when it comes to divine healing. So, no matter where you are, God is ready to bring healing into your body, spirit and soul right now, if you would lay hold and make good use of this bible-based book. God heals, and He does that through His word (the Bible). This is because His word is His agent for healing, miracles, signs and wonders. Again, He cannot come down physically to do it; but through the power locked up in His word, He brings healing straight-away into our bodies even as we unlock the power therein through praying right-prayer and by having unwavering faith in His word. In this book contains 31 healing pills from God that will end any kind of sickness and disease in your body, and that of your loved one without delay. These pills have brought miraculous healing in the lives of so many sick folks I recommended them, and even in my own life and that of my house-hold members. We are living testimony of divine healing via these scriptural-pills. Each day, you are going to take one of these pills recommended in this book for reading, meditation, confession, and in your fasting and prayer for quick results. I am sure you will be the next person that will give testimonies within or in one month time, in Jesus name. Amen!

31 Pills From God That Will Bring Healing To Your Body

Biblical scripture and prayers on healing.

Healing is Here

Until you lay alone in a hospital bed, no one truly knows how vital prayers can be to mental, physical, and spiritual health. While people will often say that they are praying for you, they are far less likely to pray with you. Many people simply don't know what to say or where to start when praying for someone who is seriously ill. In this brief booklet, Eva Juliuson helps to rediscover one of our most powerful

resources. She specifically addresses the nuts and bolts of healing ministry by examining why we should pray for healing and how we should go about it effectively. Then she offers a healing service with prayers and Bible readings that is an excellent template for pastors and laypersons to use in church services, the home, a hospital, or a nursing home. Her approach lends itself equally well to use by a whole congregation or just one or two individuals.

Healing Prayers and Declarations

Why do we pray the way we pray? Our temperament and the way we perceive God radically affect our spiritual life and our prayer life. As Jean Maalouf affirms, when we invite God into our lives through prayer, things are bound to happen. Love heals. And God's love is the greatest healer.

Please continue to meditate on this prayer for yourself.

The Bible says that if there is any unforgiveness that it should be dealt with before praying.

Therefore we release any anger, bad feelings, resentment or any other wrong attitude before You now.

Father in Jesus Name, we thank You for the listener's baby who is a gift from You and is being formed within them right now.

We declare that their baby is healthy and developing as it should be in every way.

We speak peace over it right now.

You have known their baby even before conception and know the path they are to take in life.

It is in You, Father, that their baby will breathe, live, move and have their being.

Father, You give wisdom and out of your mouth comes knowledge and understanding

Thank You for teaching parental wisdom to those listening to my voice.

We declare and decree that their mouth will speak words of wisdom to their baby as it grows up.

Father we thank you that you are the one who is building the listener's family.

We declare that the listener's baby is blessed in the womb and they shall prosper and be in health even as their little soul prospers.

We declare protection for them right now. The blood of Jesus covers them and angels surround them at all times in Jesus Name within the listener's womb.

The Bible says that if there is any unforgiveness that it should be dealt with before praying.

Father in Jesus Name, we thank You for the womb and we declare that it is blessed. It was created to carry a beautiful baby.

We declare that the womb is healthy as it should be in every way.

We speak life into the womb in Jesus Name!

Father, You give wisdom and out of your mouth comes knowledge and understanding

Thank You for teaching parental wisdom to the parents.

We declare and decree that their mouth will speak words of wisdom to their baby as it grows up.

Give them the grace to be quick to listen, slow to speak, and slow to anger.

Father we thank you that you are the one who is building the baby's family through this blessed womb. Heavenly Father, in advance we thank and praise You for the great things You have done to bring this wonderful baby into the listener's life and all the wonderful things You are continuing to do in their precious life all the days of its life.

We declare that the womb and the baby is blessed and the baby shall prosper and be in health even as its little soul prospers.

We speak peace and strength over the mother right now in Jesus Name.

A Week's Course of Prayers for Families. With a prefatory discourse on family devotion

The 1928 Book of Common Prayer is a treasured resource for traditional Anglicans and others who appreciate the majesty of King James-style language. This classic edition features a Presentation section containing certificates for the rites of Baptism, Confirmation, and Marriage. The elegant burgundy hardcover binding is embossed with a simple gold cross, making it an ideal choice for both personal study and gift-giving. The 1928 Book of Common Prayer combines Oxford's reputation for quality construction and scholarship with a modest price - a beautiful prayer book and an excellent value.

Prayers for families for four weeks, selected from Scott, Gray ... and others, revised by E. Garbett

The 1928 Book of Common Prayer

Together We Pray is a book of prayers written especially for families with children. It brings together grandparents, parents, older children, and even the youngest child to give thanks and to ask for God's help and mercy for the family and for the world. The prayers offered in Together We Pray are inspired by the Psalms of the Bible, scripture shared by Jews and Christians. They include prayers for the table, devotional prayers, and memory prayers that young children can easily understand. The prayers for table and devotion begin with a line or two from the Psalm in which the prayer is rooted and celebrate the good things of life just as the Psalms do--food, joy, home, love, and more. They also express a concern for other people and places around the world. For so many families, life today seems fast-paced and chaotic. Stopping for a moment to breathe, pausing and expressing thanks and gratitude to God, can be very powerful, even if the pause is relatively brief. Together We Pray helps families to take that pause, to share in God's love and grace, and to do so in the most profound and lasting way--together as a family.

Together We Pray: a Prayer Book for Families

• A prayer book for children at home, school, or church • Whimsical, simple illustrations and prayers drawn from Episcopal prayer resources Common Prayer for Children and Families is a collection of prayers and liturgies written for kids and the adults or communities who pray with them. Whimsically illustrated with pen and ink, this book contains prayers for morning, midday, and evening; prayers throughout the Church year; and prayers for all sorts of occasions. At the heart of this book is the belief that prayer shapes our lives and should be accessible and meaningful for children. The prayers in this book are called "common" for a variety of reasons; like the Book of Common Prayer, it seeks to provide a language, form, and theology that binds Episcopalians in shared prayer. In addition, prayers reflect themes with which children are commonly familiar, like home, school, and camps. Most of all, these prayers are held in common—always done within God's holy community that includes family and friends, the living and the dead, saints and sinners, angels, archangels, and the company of heaven.

From the first Patriarchs to Jesus, Mary and Joseph at home in Nazareth, the Bible is full of family life. Sharing a home with people you love - and who love you in return - is a foretaste of Heaven. It doesn't happen by itself: family life has to be cultivated. The God-centred family reflects God's Nature - which is pure, unselfish love. The giving of happiness to others in God's Name is the finest form of family worship.
