

Before I Was Born I Saw The World Through Your Eyes

[#pre-birth vision](#) [#inherited perspective](#) [#ancestral wisdom](#) [#prenatal awareness](#) [#empathic connection](#)

Explore the profound concept of pre-birth vision, where one experiences the world through an inherited perspective. This evocative phrase beautifully articulates a deep, perhaps ancestral or parental, connection, suggesting a prenatal awareness that shapes our understanding long before our physical arrival. It highlights how our earliest perceptions can be influenced by the world seen through another's eyes.
