Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Unexplored Baluchistan a Survey, with Observations Astronomical, Geographical, Botanical, Etc , of a Route Through Mekran, Bashkurd, Persia, Kurdist

Unique, timely, and up-to-date, this volume is the first comprehensive bibliography on Kurdish culture and society. Compiled to help students, educators, researchers, and policy makers find relevant information with ease, the book includes more than 930 items in four major languages--Arabic, English, French, and German. This work covers the fields of anthropology, archaeology, art, communication, demography, travel, economy, education, ethnicity, health, journalism, language, literature, migration, music, religion, social structure, urbanization, and women's studies. The volume includes books and book chapters, journal articles, Ph.D. dissertations, conference papers, articles in dictionaries and encyclopedias, and important Web sites. Essays provide an overview of Kurdish society as well as surveys of Kurdish life in Syria, the former Soviet Union, Europe, and Lebanon. An invaluable guide for researchers interested in the Kurds and Kurdistan, this book will aid in the location of information that is highly diverse and scattered. With its focus on a timely subject, this book fills a major gap in the bibliographic literature.

With special reference to Baluchistan, 'Nomadism and Colonialism' documents impressively the lasting effects of dominant external colonial influence on local nomadic societies. In general terms, illustrated by specific examples, the author succeeds in showing the diversity and lasting impact of the externally induced deformation of internal structures and their importance for the development of the present time.
