### Writing Down Your Soul

"This book is a powerful tool to help you access this deeper realm of consciousness and put it to work enriching your life . . . immediately." —August Gold, author of The Prayer Chest #1 Bestseller in New Age & Spirituality, Graphology, Parapsychology, Handwriting Analysis, Creativity, and Journaling Janet Conner is a writer, poet, and spiritual field guide, but first and always a deep spiritual soul explorer. Since she discovered how to activate a divine Voice by slipping into the theta brain wave state (border between the conscious and the subconscious) while writing, Janet has dedicated herself to exploring and sharing what it means to live at the vibrant intersection of the visible and the invisible. After hitting rock bottom while escaping domestic abuse, Janet's inner voice told her to start writing. As she wrote, she gained clarity and strength, and felt an incredible connection to the divine. Today, research scientists are providing peeks into consciousness and how it works. Their findings give clues about what is happening in our bodies, minds, and spirits as we roll pen across paper. Writing Down Your Soul explores this research and instructs how to access the power and beauty of our deepest selves. If you want to engage in a vibrant conversation with the wisdom that dwells just below your conscious awareness, write. Write every day, at approximately the same time, with passion, honesty, and the intention of speaking with and listening to the voice within. "If you think this book is not for you because you are a writer and don't need another writing book, think again!" —Sherry Richert Belul, author of Say it Now

### Writing Down Your Soul

Invites readers to forge a greater connection to God and a better understanding of one's faith through writing exercises, sharing the story of the author's recovery from an abusive relationship and the divine connection and clarity she experienced while writing.

### Writing Down Your Soul

You could pray, or meditate, or dream, or visit a shaman, or a minister, or a hypnotherapist. With so many routes into inner consciousness, why write? Of all the ways to get in touch with God, as you understand God... to hear the small, still voice pointing you in the right direction... why take the time to write? One reason: it works. It works amazingly well. If you want to engage in a vibrant conversation with the wisdom that dwells just a hair below your conscious awareness, write. Write every day, at approximately the same time, with passion, honesty, and the intention of speaking with and listening to the voice within. Janet Conner was escaping a terrible situation of domestic abuse. While trying to figure out how she and her son could live and how they could eat, she realized she had hit rock bottom. With no other advisors, she listened to her own inner voice, which told her to start writing. As she did, Janet's inner voice gained clarity and strength, and she felt an incredible connection to the divine, and almost immediately miracles began to happen. Today, research scientists in psychology, physics, biochemistry, and neurology are providing peeks into what consciousness is and how it works. Their findings give us intriguing clues as to what is actually happening in and through our bodies, minds, and spirits as we roll pen across paper. *Writing Down Your Soul* explores some of this research and instructs readers how to access the power and beauty of their own deepest selves.

### My Soul Pages

*My Soul Pages* takes journaling to a whole new level. This large format companion journal offers writers the chance to continue the process by incorporating material from the original book as well as new material that deep soul writers love: mystical poetry and other soul-lifting quotations. This unique writing process helps you connect to your spiritual intelligence and activate a limitless supply of intelligence, wisdom and creativity. By writing every day at the same time, with passion, honesty, and the intention of speaking with and listening to the voice within. It helps writers engage in a vibrant conversation with the wisdom that dwells just a hair below conscious awareness.

### Writing from Life

*Writing from Life* is a guided writing program that will empower any woman to pick up a pen and chart the geography of her unique and fascinating life. With a profound respect for each woman's personal narrative, author Susan Wittig Albert leads the reader inward, inspiring her to tell her own soul's story, chapter by chapter. With exercises, meditations, and examples from women's writings, *Writing from Life* invites you to put into word the parts of life that often leave us speechless: the loss of love; the birth of a child; the devastation of illness; the exhilaration of work; the unfinished business that haunts us when a parent dies. Whether you're an experienced writer or someone whose jottings have been limited to vacation postcards or business memos, this book will give you the practical tools you need to get it all on paper.

### The Soul Tells a Story

Vinita Hampton Wright leads you through the process and practice of integrating the worlds of Christian spirituality and creativity.

### Writing to Heal the Soul

Susan Zimmermann experienced a devastating loss when her first child, Katherine, developed a neurological disorder that left her unable to walk or talk. Faced with her daughter's disability, Susan struggled with fear, denial, guilt, bitterness, and despair. She began to heal only through writing. Working through conflicting emotions with paper and pen enabled her to transform her sadness into acceptance and even joy. *Writing to Heal the Soul* is Susan's gift to others—everyone, not just writers—who are suffering any kind of grief or loss, whether the injury, disability, or death of a loved one, the loss of a job, or the end of a relationship. Lyrically illustrated with true stories from the author and others, the book offers simple yet inspiring writing exercises to help you resolve your pain as you transform your grief into words of hope and healing.

### Writing to Wake the Soul

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

### Writing for the Soul

In *Writing For the Soul*, Jerry B. Jenkins takes you on an inspiring journey, imparting wisdom gained from a writing career spanning more than a half-century. He reveals the rewards of hard work and keeping priorities straight. Jerry shares the truth about finding writing success and why the journey never ends, discussing: How to break in What it takes to build and maintain an exciting career Dozens of practical writing hints and tips Establishing and maintaining professionalism How to become a lifelong learner

### This Is What My Soul Looks Like

It's not easy navigating a course through life. Self-reflection is rapidly becoming a forgotten art form in a society obsessed with social media's mindless status updates, links, likes and superficial self-projections. While each of us more connected to the outside world than ever before we often feel completely isolated. *This Is What My Soul Looks Like* gives you the ability to undertake a quest to find the real you. It's a collection of gently probing questions and prompts that lead you to uncover just exactly what makes you tick. Treat this book as a journey of discovery, a real confessional that will playfully encourage you to push your limits as you discover your unedited self. Explore not only who you are now, but who you want to be. Delve into your thoughts, your values and your beliefs. Think of it as DIY Therapy. So, if you want to find out who you really are, why not start with the question: how do you feel?

### Soul Writing

*Letters of Note*, the book based on the beloved website of the same name, became an instant classic on publication in 2013, selling hundreds of thousands of copies. This new edition sees the collection of the world's most entertaining, inspiring and unusual letters updated with fourteen riveting new missives and a new introduction from curator Shaun Usher. From Virginia Woolf's heart-breaking suicide letter to Queen Elizabeth II's recipe for drop scones sent to President Eisenhower; from the first recorded use of the expression 'OMG' in a letter to Winston Churchill, to Gandhi's appeal for calm to Hitler; and from Iggy Pop's beautiful letter of advice to a troubled young fan, to Leonardo da Vinci's remarkable job application letter, *Letters of Note* is a celebration of the power of written correspondence which captures the humour, seriousness, sadness and brilliance that make up all of our lives.

### Letters of Note

'Conscious Writing is a truly wonderful book that will sit next to *Writing Down the Bones* and other classics on writing, and will be well-used by me!' Robert Holden, author of *Happiness NOW* and *Shift Happens!* *Conscious Writing* is an original approach to creative awakening which leads you to discover your true self and express your true voice – on the page and in the world. It's a journey of self-realization (conscious) and self-expression (creativity) which can be applied to any and all types of writing, and fluently blends soul with craft to reveal your richest insights and ideas. Whether you dream of writing but haven't started yet or are an experienced author, Julia McCutchen will guide you through this tried and tested step-by-step process for releasing your fears and writing what you are truly here to write. Drawing on an inspiring mix of perennial wisdom, psychological research and modern neuroscience, she teaches how to: • Apply the 7 Core Principles for individual experience of transpersonal Truth, and emerge transformed and ready to write. • Align all aspects of yourself – body, emotions, mind and soul – to bring your whole self to the creative writing process. • Dive into deep creative flow and play with possibilities in the quantum realm of infinite potential. • Visit the Conscious Writing Sanctuary, a powerful inner space out of which timeless words flow freely. • Realize your full potential and effortlessly stand out from the crowd as you express yourself consciously and creatively as an author in the world.

### Write for Your Soul

*Your Soul Remembers* is proof positive that answers to questions about your past lives are at the tip of your finger. Author and past-life specialist, Joanne DiMaggio, conducted a groundbreaking research project, combining past-life regression and a form of inspirational writing she calls Soul Writing. With the help of fifty volunteers, ranging in age from 23 to 81, Joanne regressed each to the past life that was having the most impact on them now. After the regression--but while they were still in an altered state of consciousness--she placed a pen in their hand and a journal on their lap and instructed them to ask their soul for information about that lifetime that eluded them in the regression. While they wrote, she also wrote, asking her Source for information she could share. The results were astonishing. Starting in the first century and ending in the recent past, *Your Soul Remembers* is a veritable past-life passport that takes you to countries across the planet--from obscure hamlets to desolate fortresses, from the

quiet English countryside to the wild, wild American west. History comes alive as you read firsthand accounts of what it was like to experience the destruction of Pompeii; persecution in Tudor England; abduction during the Holocaust, and how those experiences still are affecting lives today. Your Soul Remembers includes fascinating accounts of clusters of soul groups who came forward with similar stories; of spontaneous healings after discovering the origin of a physical karma; of recognition of individuals today who played a similar role in the past. It is said all answers lie within. Every thought, word, and deed from previous lifetimes is recorded and stored in your soul, making it accessible to you at any time. Through soul writing you can apply this transformative technique to your own life, and begin an ongoing dialogue with your soul to uncover and resolve the issues that may be plaguing you today. --Joanne DiMaggio

### Conscious Writing

Being in the Bringing Your Soul Back Home: Writing in the New Consciousness groups in Glastonbury has opened a window in my creative process, helping to link my inner and outer landscapes. The work I have done with Katya is like a soul healing through my writing. I would recommend it highly to anyone who wants to gain a new focus in their writing and and to re-vitalize their lives. Pauline Royce, Glastonbury, UK

### Your Soul Remembers

"Give voice to your greatest hopes and worst fears, to your sorrows as well as your imagined future. Here, you will find poetry and story, myth and meditation, history and culture. Perfect for today's spiritual seeker, Writing to Wake the Soul provides inspiration, practical guidance, and content-rich prompts to help readers articulate and explore the difficult questions of our time. Its elegant narrative invites readers to use words as a way to journey into a greater understanding of their relationship with what they believe in. Writers and non-writers, theists, agnostics, and atheists alike will develop a personal correspondence with the "still, small voice within"--with their inner self and soul and wisdom. Through over 200 pages of meditations and writing prompts on theological themes from a wide spectrum of spiritual practices, Writing to Wake the Soul offers a thoughtful reflection on the possibilities carried by words"--

### Bringing the Soul Back Home

Presents rituals, exercises, meditations, and inspirational stories designed to help writers unlock their creativity.

### Writing to Wake the Soul

Discover your divine purpose and live the life you were meant to live with this inspirational and deeply spiritual guide. Who am I? Why am I here? What is my purpose? These are questions we have all asked ourselves at some point in our lives. Though we know ourselves best, it can be difficult to separate who we are from who we want to be or how others see us. We present so many different versions of ourselves to the world that our true identity can get lost in the process. Maybe you've been on a steady path for a while, and you're only now beginning to question if you've been heading in the right direction. Maybe you've wandered all your life with no direction at all. Either way, writer and spiritual guide Janet Conner offers the tools to reconnect with ourselves and the divine purpose affixed to our souls. Read Find Your Soul's Purpose and discover: An inspirational and spiritual book with a soul-community creator as your guideRenewal of meaning in your day-to-day lifeA journey to finding yourself and your divine purpose

### Soul Between the Lines

This guide gently leads writers from accessible subjects into the heart of meaningful experiences. This easy-to-follow process produces profound, polished memoirs. For both classrooms and individuals. Clear instructions, examples, writing tips. The guide identifies subjects for chapters, prompts spontaneous writing, shows how to breathe life into your writing, and transforms your most significant experiences into compelling memoirs. Furthermore, you will gain insights and appreciation of your inner life as you tell your story, a story that will be irrevocably lost unless written during your lifetime. This revised and updated second edition contains new chapter material, an entire new chapter, and a forward by popular writing teacher Hal Zina Bennett. This edition has been completely redesigned in a larger format with lay-flat binding for ease of use while writing.

### Find Your Soul's Purpose

Examines the original Greek texts of the Gospels to offer an reinterpretation of Jesus' teachings.

### Memoirs of the Soul

Dive into the profound exploration of self-expression and personal growth with "Writing for the Soul: How to Use Writing to Heal, Grow, and Connect." In this enlightening guide, words cease to be mere symbols on paper; they become a conduit for healing, a compass for self-discovery, and a bridge that spans the vast terrain of human connection. Embark on a transformative odyssey through the pages of this book, where the author skillfully navigates the delicate landscape of the human spirit. Drawing from the rich tapestry of historical examples, the narrative unfolds, revealing the transformative potential inherent in the act of writing. Each chapter unveils a new facet of this journey—whether it's understanding the therapeutic benefits of expressive writing, unleashing creativity through words, or crafting a personal narrative that resonates with authenticity. Explore the art of introspective journaling and delve into exercises that prompt self-reflection and insight. Navigate life's challenges using writing as a coping mechanism through testimonials and case studies that illuminate the power of words during difficult times. Develop your personal storytelling style and understand the profound impact of narrative on personal growth. Venture into the emotional depth of poetry, guided by writing exercises that tap into the poetic expression for healing. Uncover the neuroscience of writing and its impact on the brain, alongside techniques for mindfulness to enhance mental well-being. Engage in writing exercises designed to build emotional intelligence, integrating emotional awareness into daily life through the written word. Examine the evolution of identity through writing, using it as a tool for self-discovery and self-acceptance. Create meaningful writing rituals for positive change and explore the communal aspect of writing as a form of connection through storytelling. Harness writing for advocacy and social change, exploring case studies of writers who have made a difference through their words. Capture personal stories for future generations through legacy and memoir writing, learning techniques for preserving memories and lessons. Embrace vulnerability as a catalyst for personal growth through writing exercises, and witness stories of resilience and triumph over adversity. Explore the synergy between writing and other creative outlets, engaging in collaborative projects that integrate writing with visual arts. Move beyond the written word by expanding the definition of writing to include various mediums, incorporating multimedia elements into personal expression. Discover the joy of finding and fostering writing communities, recognizing the importance of feedback and collaboration in the writing process. This guide is not just a manual; it's a companion on your writing journey—a source of inspiration, guidance, and encouragement for a lifelong writing practice. "Writing for the Soul" is more than a book; it's an invitation to unlock the potential within every word, to embark on a journey of self-discovery, growth, and connection through the transformative power of writing.

### Writing in the Sand

Loyalty to Your Soul establishes Spiritual Psychology as a paradigm-altering frontier. It initiates a radical shift at the core of contemporary psychological thought by unveiling a technology for using everyday life experiences as rungs on the ladder of spiritual evolution. This book is uniquely suited for anyone seeking to discover and cross the bridge that spans the waters between life referenced in material reality and life lived within the context of spiritual reality. Loyalty to Your Soul shows you how to first gain access to, and then gradually learn to live from, that sacred place inherent within everyone referred to by the authors as the Authentic Self—a place where emotional suffering ceases and profound peace and love are present. While many people have written about such an inner state, Ron and Mary Hulnick show you how to travel there . . . and what to anticipate once you arrive. The radical technology they introduce empowers readers to transform challenging or negative human experiences into direct experiences of the Soul.

### Writing for the Soul

In Writing From Your Soul, author Linda Apple, offers practical instruction for those who want to have a positive impact with their writing. In this book Apple examines: The POV of inspirational writing Using the Creative Nonfiction style of writing Finding a story Encouragement for growth as writers Writing From Your Soul is more than a guide. It is an inspirational tool for everyone who wants to make a worthwhile difference in the lives of their readers. I've attended several workshops by Linda Apple, and I can say she's inspiration personified. Sometimes, even more than knowledge, we just need a little inspiration. Linda Apple's workshops provide plenty of both. Jan Morrill, author of The Red Kimono, Creative Characterization A memorable book that is much more than a workbook. It is an inspirational

tool. Velda Brotherton, author of *Fly with the Mourning Dove* Linda Apple inspires, motivates, and teaches her audiences. One cannot leave her sessions without growing as a person. Joel Laster, Director, Wilkesboro Tyson Food Safety Laboratory"

### Loyalty to Your Soul

This insightful and inspirational anthology of first-person accounts brings together--for the first time--the stories of more than 50 writers, who have eloquently explored the spiritual impulses that have significantly informed their lives.

### Writing from Your Soul

-This book should come with a warning label: 'Be ready, you are going to have to go deeper than you ever imagined.'- Dorothy Allison Author of *Bastard Out of Carolina* Utilize your emotional, psychological, and spiritual self to produce the first draft of a full-length manuscript. This book helps you take the stuff that has been making a mess of your life and use it instead to make art, harmonized with craft. It acts as creative companion for individuals (those with or without writing experience) as they journey through the sharing of an impactful event in life, do exercises that help them transform internal obstacles into external gifts, and then write resolution and outcome. Lockhart's own rough drafts and excerpts from published fiction, memoir, and poetry of writers like Toi Derricotte, Helena Marla Viramontes, and Ta Nehisi Coates, along with films by writers and directors like Sherman Alexie offer kinship on the journey of unearthing and sharing a personal plot. At times, you will feel that the book is designed to produce a new emotional, psychological, and spiritual you and that your resulting manuscript is merely the byproduct. Both are true of the design, because the purpose of art is to make yourself vulnerable about your experiences here in life--to have the courage to be vulnerable about those experiences so that you can connect with others who came here solo like you and will leave solo just like you. And that process of sharing is transformative.

### Searching for Your Soul

*Home for the Soul* is about creating a considerate and sustainable home that sparks happiness and reflects the spirits, passions and tastes of its inhabitants.

### The Soul of the Full-Length Manuscript

In *Writing for the Soul*, best-selling author Jerry B. Jenkins takes you on a personal and inspiring journey, imparting experience and wisdom gained from his impressive writing career. Unknown in his early days, Jenkins persisted in his passion to write, and his story reveals the rewards that can come to writers who put in the hard work and keep their priorities straight. Jenkins shares the honest and straightforward truth about how to find writing success and why the journey is a continuous one. With heartfelt advice and intimate anecdotes that will satisfy writers and fans, Jenkins discusses: the skills and abilities required to build an exciting career breaking into the industry through reporting and writing for small markets establishing and maintaining a professional image how even experienced writers should continue to learn and grow (including Jenkins himself) *Writing for the Soul* is filled with Jenkins' autobiographical stories - including many of the famous people he's written about - and the lessons he's learned from his decades of experience in the writing and publishing world.

### Home for the Soul

Tired. Uninspired. Emotionally exhausted. Overwhelmed. Burned out. In a world where the pace seems to get faster and the problems seem intractable, more and more people feel they just can't go on as they have been doing. The truth is, we're much better at caring for our bodies than caring for our spirits. In *Inkwell*, writing instructor and professor Anne Whitney shows how writing--informal, low-stakes writing, in just a few minutes a day--can be a powerful tool for your spiritual self-care. While many people are intimidated by writing, or remember writing from their school days as difficult or scary, this book offers practical, meaningful writing tools that anyone, regardless of writing experience, education, or training, can use to grow closer to God and heal spiritual wounds. In writing activities that range from quick jottings to more extended narratives, from drawing to analyzing what you've written, you'll cultivate mindful attention, helping you to settle down, feel your feelings, and center on what is most important to you rather than on what feels most urgent.

## Writing for the Soul

As Foucault once identified a politics that centers on the body and another that classifies and organizes the human population, Hacking has now provided a masterful description of the politics of memory: the scientizing of the soul and the wounds it can receive.

## Inkwell

Rooted in eastern philosophy with a mystical influence, Brighitta shares accessible teachings and transmissions that will unlock your innate healing magic and amplify your inner light. You'll connect to source energy, which, at this point in our evolution, is the much-needed bridge home to the infinite interconnectedness of all things.

## Rewriting the Soul

Karen Draper and her husband are ecstatic to welcome Preston, their first child, into their lives. Joyful anticipation turns to fear when they are told they must prepare to lose him. When Preston defies the odds, the Draper family enters the world of special needs. A journey where they experience indifference, medical emergencies and uncertainty, all while trying to maintain some sense of normalcy. As Karen discovers the educational blockades for special needs students, she taps into her intuitive side, discovering how love and courage take mysterious forms, even in the most ordinary of lives. From the daily grind of balancing caring for a special needs son and a healthy daughter to mystical, angelic appearances, Karen learns about life, death, and the spaces we fill in between. Told from a mother's perspective, *The Place of Us* will rearrange your heart and take you to places of hope and healing within yourself.

## The Reiki Way

With 101 stories from published writers who stuck with it and succeeded, you will be inspired and encouraged, whether you're an aspiring author, a blogger, or a bestselling writer. No matter the genre, no matter the medium, the writing process is hard! But you will find inspiration, encouragement, and advice in these 101 stories from others who have stuck with it, through the setbacks and struggles, and successfully went from dreaming about writing to being a writer.

## The Place of Us

"At age twenty-eight, Mira Ptacin discovered she was pregnant. Though it was unplanned, she soon embraced the pregnancy and became engaged to Andrew, the father. Five months later, an ultrasound revealed birth defects that would give the child no chance of survival outside the womb. Mira was given three options: terminate her pregnancy, induce early delivery, or wait and inevitably miscarry. Mira's story is woven together with the story of her mother, who emigrated from Poland, also at the age of twenty-eight, and adopted a son, Julian. Julian would die tragically, bringing her an unimaginable grief. A memoir about loss and self-preservation, grief and recovery, and mothers and daughters, [this book] is [an] ... examination of free will, love, and the fierce bonds of family"--

## Chicken Soup for the Soul: Inspiration for Writers

In *Floor Sample*, the author of the international bestseller *The Artist's Way* weaves an honest and moving portrayal of her life. From her early career as a writer for *Rolling Stone* magazine and her marriage to Martin Scorsese, to her tortured experiences with alcohol and Hollywood, Julia Cameron reflects in this engaging memoir on the experiences in her life that have fuelled her own art as well as her ability to help others realise their creative dreams. She also describes the fascinating circumstances that led her to emerge as a central figure in the creative recovery movement - a movement that she inaugurated and defined with the publication of her seminal work, *The Artist's Way*. Julia Cameron is a passionate and wry observer of the world and describes her life as a 'floor sample' for all she teaches in her brilliant books on creativity. *Floor Sample* is an absorbing literary memoir that will surprise, entertain, and inspire Julia's many fans and win her new admirers.

## Poor Your Soul

Sara Wiseman shares clear, step-by-step instructions for channeling and channeled writing, including what to expect when first starting out. You will learn to use a journal for spiritual growth and to manifest

your goals through writing. Once you get in the flow of Divine energies, you can receive answers to life's questions and challenges, meet your spirit guides, and tune in to universal truths.

### Floor Sample

There are no fish, in the future. We killed them. But it's not just the ghosts of the shoals making artist Cally Dune unhappy. Her husband has gone. Vanished, after being called up for the President's new 'Training Scheme'. "No body ever comes back the same." Worried whispers drift through the pubs, gathering like rainclouds to drip their paranoia into Cally's mind, which is already marinated in grief for Simon and fear about being called to Training herself. Letting the wine flow into the places where it hurts, Cally stumbles into the arms of a clammy banker and unwittingly discovers a disturbing and painful secret. She is propelled on a journey through the dust of Africa and the hidden tunnels deep below London...unravelling the fading scrolls of the ancient Egyptians and illuminating their lurid hieroglyphics. And ultimately towards a heartbreaking choice...to save her marriage or save her soul. Because now there's something else at stake. They are coming for it. And it's inside her.

### Writing the Divine

Growing up in rural Chichibu, Mari Okada wanted nothing more than to leave her truant lifestyle behind to live in "the world outside." This screenwriter faces her own anxiety as she embraces her past through the words she screams on the page.

### The Sound Of Your Soul

In this book, you will find bits of my soul hiding behind the words I write. Writing is an art form that allows you to open your soul and share it with another. Dear reader, I am coming to you with the utmost vulnerability to share my heart in the form of poetry. You may find fragments of me scattered throughout these pages. I hope you appreciate all that I have chosen to share with you. The following collection of poems are poems that I have written throughout different periods in my life. I have divided them into two categories past and present. Enjoy!

### From Truant to Anime Screenwriter: My Path to Anohana and The Anthem of the Heart

The companion journal to Conner's latest book, *The Lotus and the Lily*, helps readers crack the abundance code by linking the wisdom of the inner voice with the surprising parallel teachings of Buddha and Jesus. In a profound yet simple 30-day program, Conner guides the reader in soul writing through the journal and the book, to create the personal receptive conditions that nourish a bountiful life. Janet Conner is a major voice for spiritual growth and understanding, who became a catalyst for deep soul change after a series of personal traumas. Her landmark book, *Writing Down Your Soul* connects readers to their "extraordinary voice within."
