The Baptism with the Holy Spirit

Many books have been written on the baptism of the Holy Spirit, but many write against it, others are written by someone who has never experienced it, and still others write about pet theories that are not even close to the truths of the Bible. This book is honest and straightforward in revealing the simple truths about the Holy Spirit and the gifts. It traces the early promises in the Bible to all believers, then shows the early disciples receiving it and how they administered it to the Christians in their time. Then the book shows how any believer can receive and go on the gifts of the Spirit. This book is not new-age or occultic, but simple Bible understanding from one who has helped many people receive in the last 40 years.

The Baptism with the Holy Spirit

In Baptism in the Holy Spirit James Dunn argues that water baptism is only one element in the New Testament pattern of conversion and initiation. The gift of the Spirit, he believes, is the central element. For the writers of the New Testament only those who had received the Holy Spirit could be called Christians. For them, the reception of the Spirit was a very definite and often very dramatic experience - the decisive and climactic experience in conversion-initiation - to which Christians were usually recalled when reminded of their Christian faith and experience. James Dunn uncovers the place of the gift of the Holy Spirit in the total complex event of becoming a Christian.

The Baptism in the Holy Spirit

The Holy Spirit and the Baptism of the Holy Spirit is an in depth study of the Holy Spirit. Do you want to know who the Holy Spirit is and what it means to be baptized in the Holy Spirit? Then you will enjoy reading this book. It will ignite a desire in you to study the Word of God even more! The fullness of God dwells in Jesus Christ and Christ in us. Jesus Christ is the Word that became flesh. The more of the Word you take in, the more it grows within you. Everything is planted through seeds; seed, time and harvest. When you harvest the Word, you harvest hearing God more clearly, you receive His wisdom and your faith grows as well. You will reap a closer walk with God and blessings in every area of your life as you abide in Him and obey His Word. "Seek ye first the kingdom of God, and His righteousness; and all these things shall be added unto you." Read through the pages of this book and be blessed by God as your knowledge of the Word is increased and you learn about the Baptism of the Holy Spirit!

The Baptism of the Holy Spirit

This important study guide, which focuses on the baptism in the Holy Spirit and speaking in other tongues, teaches believers how to draw from the ever-present source of power within them -- the Holy Spirit.

Baptism in Holy Spirit

A re-examination of the New Testament teaching on the gift of the Spirit in relation to Pentecostalism today.

The Holy Spirit and the Baptism of the Holy Spirit

This book represents a Doctor of Ministry thesis-project from Gordon-Conwell Theological Seminary; it explores the major Evangelical perspectives on the Doctrine of Spirit-Baptism, with an excursus on the current reformation underway in the Pentecostal Movement.

Baptism in the Holy Spirit

Take an amazing journey through the tabernacle of the Old Testament. This tent-like structure was God's dwelling place 3,500 years ago. As a believer, you are now God's dwelling place. You are the modern-day tabernacle. Identify the presence of the Holy Spirit in the first tabernacle and you will understand His ministry in the born-again believer. Discover how simple it is to enjoy the baptism of the Holy Spirit. The moment you are born again, your body is prepared for every gift the Spirit has to offer. This lesson will reveal in the Word of God how to receive all that God has provided for you. "The Gifts of the Holy Spirit" takes an approach unlike any other teaching on baptism in the Holy Spirit. Studying both Old and New Testament, you will learn how to take full advantage of this wonderful experience.

Baptism in the Holy Spirit

Get ready for a "Church Shift" through praying in the Spirit and thinking ecumenically, looking at key elements that unite the Church. Spirit Baptism shows how to achieve true spiritual power and genuine Church unity that transcend all barriers. Spirit baptism fulfills the hunger for the vertical relationship with God while the horizontal connection throughout the universal body of Christ is accessed through an ecumenical focus. The resulting "matrix" is reverberating worldwide. Understanding Pentecostal theology is pivotal in realizing this inter-connectedness. Dr. Verna Linzey aptly provides outstanding tools for understanding Spirit baptism. "Verna M. Linzey's book, Spirit Baptism, is a restatement of classic Pentecostal convictions on baptism in the Spirit and speaking in tongues, with the same ingenuousness and fervour which lit the flame of Pentecostalism one hundred years ago." - James Dunn "In Spirit Baptism, Verna Linzey has given this generation a fresh new look at the Pentecostal experience as experienced by millions of people worldwide in the last century." - Vinson Synan "This

wonderful masterpiece deals extensively . . . with the person and ministry of the Holy Spirit." - Samhwan Kim Dr. Verna Linzey hosts "The Holy Spirit Today" television and radio broadcasts. Dr. Linzey is Chairman of the Advisory Board of the Verna Linzey Child Care Ministry based in the Philippines. In 2006, on the 100th anniversary of the Azusa Street Revival, Dr. Linzey was awarded the 2005 Best Non-Fiction of the Year Award by the San Diego Christian Writer's Guild for writing The Baptism with the Holy Spirit. Dr. Linzey matriculated at Southwestern Assemblies of God University, attended Church Growth Seminars in the Doctor of Ministry Program at Fuller Theological Seminary as a special guest, and received an Honorary Doctor of Divinity degree at Kingsway Theological Seminary.

The Baptism In The Holy Spirit

Not every believer has the baptism with the Holy Ghost, though every believer may. And not all believers receive the baptism with the Holy Ghost the same way. In The Baptism with the Holy Ghost, author Ovit G. Pursely Sr. presents a thorough discussion of what it means to be truly baptized with the Holy Ghost. Using Bible scriptures for guidance, The Baptism with the Holy Ghost discusses what it means to be baptized with the Holy Ghost and how to receive that baptism. It also explores the seven steps to Holy Ghost power; the connection between the Holy Ghost and power; the promise of that power; conversion and commission; and the prayer to receive the baptism of the Holy Ghost. Delivered simply and honestly, The Baptism with the Holy Ghost provides a thorough discussion about what the Bible teaches about baptism, the Holy Ghost, and power.

The Baptism with the Holy Spirit

It was a great turning point in my ministry, when, after much thought and study and meditation, I became satisfied that the Baptism with the Holy Spirit was an experience for to-day and for me, and set myself about obtaining it. Such blessing came to me personally, that I began giving Bible readings on the subject, and with increasing frequency as the years have passed. God in His wondrous grace has so greatly blessed these readings, and so many have asked for them in printed form, convenient for circulation among their friends, that I have decided to write them out in full for publication. It is an occasion of great joy that so many and such excellent books on the person and work of the Holy Spirit have appeared of late. I wish to call especial attention to two of these: "Through the Eternal Spirit," by James Elder Cumming and "The Spirit of Christ," by Andrew Murray. In the following pages I speak uniformly of the Holy Spirit, but in the quotations from the Bible retain the less desirable phraseology there used--"The Holy Ghost"--except in those instances where the translators themselves varied their usage. Probably most of the readers of this book already know that "the Holy Spirit" and "the Holy Ghost" are simply two different translations of precisely the same Greek words. It seems very unfortunate, and almost unaccountable, that the English revisers did not follow the suggestion of the American Committee, and, for "Holy Ghost\

The Gifts of the Holy Spirit

Correcting many contemporary errors and misconceptions about Christian living, Merrill Unger traces the doctrine of the Holy Spirit through the New Testament, pointing out that true maturity is achieved only in day-to-day obedience, fellowship, Bible study, and prayer.

The Baptism of the Holy Spirit

I6, we find that the expressions the Holy Spirit fell on them and the gift of the Holy Ghost and received the Holy Ghost are all equivalent to baptised with the Holy Ghost.

Spirit Baptism

Next to salvation, the critical need in the life of every believer in the church of Christ is the Baptism of the Holy Spirit. The day that the believer gets saved there is a residue of the power of the Spirit in him. However, his effectiveness is limited. His power to exercise his authority as a child of the living God is also limited. The believer can keep rejoicing in the finished works of Christ Jesus until one day when he realizes that he needs to grow beyond the level that he is. It becomes apparent to the believer that although he is saved, there is a need for a higher power. At such point, the main prayer becomes Come Holy Spirit, or I want to be filled with the Holy Spirit. The believer today is in need of the power that came down on the day of Pentecost that changed the course of humanity forever. This book was birthed from the deep altar of prayer to release this same grace to many other people. If you want to be filled with

the Holy Spirit, then this is the right material that you need. In this book, I will show you how to pray and get filled with the Holy Spirit in simple and easy ways so that you can speak in tongues. I also provided answers to what you need to get out of the way so that you can be filled with the Holy Spirit. Receive the baptism of the Holy Ghost in simple and biblically practical ways Know what hinder the baptism of the Holy Ghost What do you need to do when the Holy Ghost first comes on you? Know the steps to take in order to maintain his fire Understand how to access the gifts of the Holy Spirit Easy steps on knowing the ministry of the Holy Ghost in the life of a believer. This book is the right tool you need to be filled with the Holy Spirit. There are frequently asked questions about receiving and ministering this special empowerment of God's Spirit. Bible-based discussions about many vital aspects of this important subject, including how to receive the Baptism of the Holy Spirit, how to overcome hindrances to receiving this gift of the Holy Spirit, how to mature in speaking in tongues. This book is the right tool you need to be filled with the Holy Spirit.

The Baptism with the Holy Ghost

Life abundant? Jesus promised it and we long for it, yet few Christians seem to have it. Blending lively anecdotes, commentary, and teachings from the Bible, Dr. Charles Stanley introduces you to the Holy Spirit. "A big part of the Spirit-filled life is learning to recognize the fingerprint of the Holy Spirit. Once you know what to look for and once you begin looking for it, you will be amazed at how real the Holy Spirit will become to you. Learning to recognize the Holy Spirit is the first step in learning to live the Spirit-filled life."

The Baptism with the Holy Spirit

The baptism of the Holy Spirit gives power for blessing and service, and this power is available to all Christians. In these pages, Derek Prince offers biblical insights into the baptism of the Holy Spirit. Prince answers questions through his explanation of relevant Scriptures and from personal experiences.

The Baptism and Gifts of the Holy Spirit

Each book in the Explaining Series examines an important aspect of the Christian faith and is written in a way that presents the message of the Bible clearly and simply. This book teaches what the Bible says about the baptism with the Holy Spirit.

The Baptism with the Holy Spirit

Jesus told His disciples not to leave Jerusalem without the Spirit's power. That same power to heal the sick and cast out demons is still relevant and available to every Christian who believes. From his thirty years of experience, W.K. Alsop answers such questions as: - Is the baptism in the Holy Spirit with the evidence of speaking in tongues for every believer today? - Is there a difference between the Spirit's baptism and the gifts of different kinds of tongues, the interpretation of tongues, and prophecy? - Why is there so much controversy in the body of Christ over this experience? - What are the benefits that

come from this experience of the Spirit's baptism? - What is the power that I should expect to receive from this experience? The Holy Spirit desires to release this spiritual power through you as he did with the believers in the 1st century. Now is the time for you to pick up His mantle and demonstrate the power of the Holy Spirit in the 21st century!

Baptism of the Holy Spirit

John the Baptist said, "And I knew him not: but he that sent me to baptize with water, the same said unto me, Upon whom you shall see the Spirit descending, and remaining on him, the same is he which baptizes with the Holy Ghost. And I saw, and bare record that this is the Son of God." John 1:32-34 Jesus is the One who baptizes in the Holy Ghost! If you have ever wondered what the scriptures teach concerning this subject, then this book is the book for you! In this book you will learn that there is a difference being born again and being baptized in the Holy Spirit. Jesus said, "He that believe on me, out of his belly shall flow rivers of living water!" The apostle John said (in reference to this statement), "But this spake he of the Spirit that they which believe in Him should receive!" So this experience is for those who believe in Jesus! "The Baptism in the Holy Spirit," by John Woolston is a very balanced teaching that will give you the foundation you need to receive this wonderful experience yourself and equip you to lead others in this experience. In this book you will learn the difference between water baptism, the baptism by the Spirit into the body of Christ and the baptism in the Holy Ghost and power! You will also learn things about each of the nine manifestations of the Spirit, speaking and praying in other tongues and most importantly, how to pray and intercede, apart from your own understanding, by the help of the Holy Spirit. This book may possibly be the most complete and concise book dealing with a full range of issues surrounding this subject ever written!

The Wonderful Spirit-Filled Life

Millions of Christians seem to be living below the standards God's word has for them and are going through life thinking they have all they need from God. Yet they are denying themselves the most important part of the power package God wants them to have. The Christian Church has failed to truthfully teach the people about the power of the Baptism of the Holy Spirit. The church has a form of godliness but where is the power they need to overcome the enemy? This book is designed to show all Christians that the Baptism of the Holy Spirit is not an option we can get by without. Christianity needs the Baptism of the Holy Spirit and the power that comes with it. The Word commands us to be baptized in the Holy Spirit. Dr. Radcliff has been a Christian for over 50 years. In 1976 he received the baptism of the Holy Spirit and has been living the abundant life Jesus promised us in John 10: 10 ever since. Called of God as a teacher in the five-fold ministry when he was 37, he has been teaching that God has a plan of success for all Christians if they will apply the Word of God to their lives. Since 1976 he has applied Luke 10: 19 to his walk with God and is living proof that the Word works. He has not been sick and takes no medicine since learning about the success principles he writes about in his books. He enjoys living in perfect health. He attributes his success to having faith in God, the Word, and being a doer of the Word.

Baptism in the Holy Spirit

This book is part of the Foundation Series by Pastor Ron Phillips. The series will contain books describing the basic foundational truths for the Spirit-filled believer. An Essential Guide to Baptism in the Holy Spirit describes the author's own experience of being baptized by the Holy Spirit. It will demonstrate how the power of the Holy Spirit in our lives today can help us to preach the good news, drive out devils, heal the sick, and see God's kingdom on the earth grow.

Explaining Baptism with the Holy Spirit

The Rev. S. J. Du Toit, minister of the Dutch Reformed Church, challenged the brethren of the Apostolic Faith Mission to meet him and publicly defend, in open debate, the teaching believed and disseminated by them. The Rev. S. J. Du Toit is considered one of the ablest and most skillful debaters in Africa. It was at the Dutch Church, Somerset East, Cape Colony, during 1910, that the Reverend gentleman, according to a Graaff-Reinet paper, "Met his Waterloo" at the hands of two Apostolic Faith Brethren from Johannesburg. To God be the praise. ...We give our readers the more important features of that address of Brother Lake on the baptism in the Holy Ghost (the Holy Spirit). This inner heart cleansing that John and the disciples of Jesus demanded before they would baptize a man is the necessary preparation for the baptism of the Holy Ghost. Our holy God must have a holy dwelling place. O

wondrous salvation! Wondrous atonement! Wondrous Christ! Man-born in sin and shaped in iniquity (see Psalm 51:5)-forgiven, cleansed, purified by the blood of Jesus, and made a habitation, a dwelling place of God through the Spirit.

Divine Disruption

For the most part, the church has been silent about Jesus' role as baptiser in the Spirit, though John declared this to be the principal contribution of his Messianic ministry. Through exploration of the relevant scriptures of both Old and New Testaments, David Pawson describes eight essential elements in Spirit baptism.

A River Runs Through Me

Many believers are not aware of the baptism in the Holy Spirit that the Lord Jesus came to give us. Due to lack of proper teaching some believers confuse the baptism of the Holy Spirit with a gathering filled with noise, shouting, shrieking and other weird expressions. They do not understand the purpose and power of the baptism of the Holy Spirit. This simple study in God's Word is intended to help us understand what the baptism of the Holy Spirit is, and then lead us into receiving this for ourselves. This is the beginning of a wonderful journey to manifest the power of the Holy Spirit. Every believer must receive the baptism in the Holy Spirit and then journey into being a channel of all of the gifts of the Spirit, so that God's power can be revealed and Jesus can be glorified! The Baptism in the Holy Spirit

Up to now the teaching on baptism in the Holy Spirit has been based on a few scriptural texts, whose interpretation was disputed. This doubt cast its shadow on those who promote baptism in the Holy Spirit. Now new evidence has been found in early post-biblical authors (Tertullian, Hilary of Poitiers, Cyril of Jerusalem, John Chrysostom, Philoxenus, and the Syrians) which demonstrates that what is called baptism in the Holy Spirit was integral to Christian initiation (baptism, confirmation, Eucharist). Because it was part of initiation into the Church, it was not a matter of private piety, but of public worship. Therefore it was and remains normative. This is an intriguing ground-breaking study of value to RCIA teams, pastors, theology teachers and students, and Church offices.

The Holy Spirit, An Introduction

In this easily readable book Dr David Petts answers questions like: Who is the Holy Spirit? Should we worship the Holy Spirit? What is the blasphemy against the Holy Spirit? What role does the Spirit play in the work of conversion? Can the Holy Spirit help me live a holy life? What is the Baptism in the Holy Spirit? How can I receive and maintain the fulness of the Spirit? What are the gifts of the Spirit and how can I receive them? What's the role of the Holy Spirit in the life of the church? Written from a distinctly charismatic perspective this book will both inform you and inspire you. The author's balanced approach, with his insistence that our experience of the Spirit must be understood and evaluated in the light of biblical revelation, gives the reader con

The Holy Spirit

The Holy Spirit is often portrayed as something "weird." But the Bible makes it clear that the Spirit is not something. He is someone-a Person who has promised to never leave your side. John Bevere invites you into a personal discovery of the most ignored and misunderstood Person in the Church: the Holy Spirit.

The Three-fold Secret of the Holy Spirit

The Holy Spirit Today provides scriptural answers to the most frequently asked questions surrounding the Holy Spirit, including the gifts of the Holy Spirit and the practical application of those gifts.

The Holy Spirit Today

R. A. Torrey's books have probably helped more people understand the Bible and have led more souls to Christ than the writings of anyone since the Apostle Paul. Not only was Torrey a great Bible teacher and preacher, he was also filled with the Holy Spirit. He lived what he preached. In his worldwide revival crusades, Torrey presented three main teachings: on Christ, on prayer, and on the person of the Holy Spirit. This book focuses on the latter teaching: The Holy Spirit: Who He Is and What He Does. In addition to Torrey's teaching on the person of the Holy Spirit, this book presents seven of his shorter teachings, which he shared at Moody Bible Institute, in the churches he pastored, and in various places

around the world. These seven teachings are on: The Deity of Jesus Christ. The Power of the Blood. The Power of the Holy Spirit. The Power of Prayer. The Power of the Word of God. The Place of Prayer in Evangelism. Keep Praying Until God Answers. When you read this book, you will receive definite personal blessing in your heart, life, and service, and you will know who the Holy Spirit is and what He does.

The Holy Spirit

One of the most influential evangelical Christian speakers of the late 19th and early 20th centuries, R. A. Torrey traveled the world to bring the word of Christ to audiences. Here, in a work first published in 1900, Torrey encourages the faithful to develop a more meaningful relationship with what is perhaps the most enigmatic and most misunderstood member of the Trinity: the Holy Spirit. Positive and heartening, and filled with the author's own personal experiences with the Holy Spirit, this is still a valuable resource for Christians who wish to learn: . the distinction of the Holy Spirit from the Father and Son . the subordination of the Spirit to the Father and Son . the names of the Holy Spirit . the Holy Spirit's work in the material universe . the regenerating work of the Holy Spirit . the Holy Spirit bringing forth Christlike graces of character . the Holy Spirit and the believer's body . the work of the Holy Spirit in Jesus Christ . and much more. American pastor and writer REUBEN ARCHER TORREY (1856-1928) is the author of more than 40 books, including Baptism with the Holy Spirit (1895), What the Bible Teaches (1898), How to Bring Them to Christ (1893), and How to Pray (1900).

The Person & Work of the Holy Spirit

Though some of the most basic elements of nature are used to describe the Holy Spirit (fire, water, wind), He still remains a mystery to many. Jesus said, 'You shall receive power when the Holy Spirit has come upon you,' but who is the Holy Spirit? What is baptism in the Holy Spirit? Who can receive Him and how does it happen? What are the benefits of being baptised in the Holy Spirit? What's in it for me? Find all the answers to these and many other questions in this book by Bishop Macedo. 'The Holy Spirit' is a detailed explanation of the Third Person of the Holy Trinity as well as a practical guide to people who truly desire to Know Him.

The Holy Spirit

A ground breaking collection of academic papers on the person and work of the Holy spirit, including contributions by Jorgen Moltmann and Miroslav Volf.

The Holy Spirit in the World Today

This book is a commentary on all the major biblical texts dealing with the Spirit, from Genesis to Revelation. It is an invaluable reference book for students, teachers, ministers, Bible study groups, or anyone interested in the Person and work of the Holy Spirit. Using the findings of reliable scholarship, but never burdening the reader with academic trivialities, Montague places a wealth of theological knowledge within the grasp of persons seeking to learn more about the Holy Spirit and striving to enrich their own spirituality.

Encountering the Holy Spirit in Every Book of the Bible

This book reveals the need to understand the workings of the Holy Spirit in the believer's life. God's soldiers can't walk in conquering power without comprehending the truth that such power comes from a life guided by the Holy Spirit. Although Jesus is the Son of God, while on this earth, He walked in the power of the Spirit. It's Christ's example that reveals to us what can be done when we deny our flesh and surrender our life to the Spirit. The Holy Spirit is endeavoring to awaken us to the truth that we have the power over the devil. Satan has deceived many into accepting defeat, sin, sickness, etc., when Christ conquered the devil's power and authority by His shed blood on the cross of Calvary. The power of the Spirit makes us more than we are and fills us with supernatural energy to conquer the fiercest storms, face mountainous obstacles, and stand firm against all Satan's strategies. By the time God's soldiers finish reading this book, we should understand the Third Person of the Godhead, that the day of Pentecost was only the beginning of the Spirit's outpouring, and realize how to walk in the conquering power of the Holy Spirit within.

God: The Holy Spirit

The classic "All Series" books have graced the shelves of pastors, students, and laypeople alike for decades. "All about the Holy Spirit" continues in the series tradition of offering a faithful and comprehensive treatment of biblical subjects. In this work, Dr. Lockyer examines virtually every biblical reference to the Holy Spirit. He explores the Holy Spirit as part of the Trinity and the Holy Spirit in relationship to the believer. As part of the divine Trinity, the Holy Spirit is one with the Father and the Son and yet has a unique personality and function. "He who is the breath of God" also has a special relationship to the believer; He enables the believer to live a Spirit-filled life evidenced by the fruit and fullness of the Spirit. Lockyer's careful study is coupled with a warm pastoral approach, making this book food for the mind and heart.

All about the Holy Spirit

The Baptism of the Holy Spirit is the Church's greatest need. This statement by Ellen G White forms the basis of this book by G Earl Knight... The need for the reception of the Holy Spirit and the means by which this experience is received, as well as the evidence of this writer. Ministers and laymen will find it spiritually uplifting.--E E Cleveland, Oakwood College.

Power of the Holy Spirit, The

This eBook on the Holy Spirit is the outgrowth of lectures on the topic given in Dr. Walvoord's classes at Dallas Theological Seminary. Over the years, this book has aroused considerable interest and gone through 23 printings in hardcover before prompting this new paperback edition. The Holy Spirit is an extensive treatment of the entire doctrine of pneumatology, using some 1500 Scripture citations, and is designed for theological students and pastors as well as for laypeople desiring to get a complete presentation of the third person of the Trinity who indwells all Christians.

The Holy Spirit

The Holy Spirit is indeed subjected to the authority of God, and will only work to fulfill his purposes. God uses the Holy Spirit to distribute gifts to the members of the body of Christ. There is a distinct role that is played by the Holy Spirit. The growth of the entire church is absolutely dependant on the gifting and manifestations of the Holy Spirit, as he is directed by God, the father.

Doctrine of the Holy Spirit

THE HOLY SPIRIT book is a combination of Z. T. Sweeney and Edward D. Andrews' written work to help to offer you the reader a biblically grounded interpretation of the Word of Truth. We pray that we have given the reader a better understanding of the Holy Spirit when it comes to the Old Testament, the New Testament, the person, and divinity of the Holy Spirit, the Spirit and John the Baptist, Jesus, and the apostles, as well as the apostolic church. We also offer a Scriptural understanding of the Holy Spirit and the world, the Spirit and Christians today, and the indwelling of the Holy Spirit. Being guided by the Holy Spirit's supernatural power can transform your very person and get you through this life

and into the next. This is help that no unbeliever can buy. When you read this amazing book, you will discover anew how the Holy Spirit can transform your life and give you the strength to remain faithful until the end.

The Holy Spirit

The story of the Holy Spirit is epic, stretching from the Bible's earliest pages to its last breath. In this commentary Keith Warrington leads us through the Scriptures to discover God's Spirit throughout, eager to do good through us and, more centrally, eager to remind us that he abides with us and is for us.

THE HOLY SPIRIT

Do you long to know more about the Holy Spirit and experience a greater measure of His working in your life? Do you want to be used by God in a more powerful way? If so, **WHEN THE HOLY SPIRIT MOVES** is written for you. Examine what the Scriptures say about being filled with the Holy Spirit and the gifts He gives believers. **WHEN THE HOLY SPIRIT MOVES** will help you to answer questions such as: • Is the Holy Spirit the same Spirit who was poured out at Pentecost? • Is the Bible still true in our time, or are we so blinded by materialism and intellectualism that we are no longer open to the powerful ministry of the Holy Spirit? • Is the same power of the Holy Spirit available in the modern times in which we live? • Is the Holy Spirit of Pentecost still the same Spirit who can and wants to work in our hearts and lives in our day and age? • Can we expect the Holy Spirit, who worked through simple and uneducated “fishermen”, to perform powerful miracles and give miraculous signs in society today? Learn how the Holy Spirit can operate in a new way in your life, bringing spiritual growth and revival to you as well as to the greater Body of Christ. At the end of each chapter are questions for personal Bible study or group discussion.

The Work of the Holy Spirit

Beginning with a strong chapter on the oneness of God, Stagg examines biblical teachings on being filled with the Spirit, the work of the Spirit, tongues, and healing. Focusing on the trinity, Stagg takes his discussion beyond traditional explanations, leaving readers with the conclusion that the Spirit of God is God, who is living and acting in the world today.

The Message of the Holy Spirit

For years, Apostle Frederick K. C. Price wanted nothing more than to serve Jesus fully. Like many, he thought he had received all that God had to give when he accepted Jesus as his Savior and Lord. Still, there was something missing in his life, and he wasn't sure what it was. His search to find that missing ingredient led him to the baptism with the Holy Spirit.

When the Holy Spirit Moves (eBook)

In this deeply spiritual book, which describes who the Holy Spirit is and how one can come to know him as a person, Torrey's closely examines the work of the Holy Spirit and offers a timely and extensive study of the baptism of the Spirit.

The Holy Spirit Today

Bruner has been both thorough and fair, and has written a book that combines scholarly research with constructive commentary on the life and mission of the contemporary Church.

The Holy Spirit

All students of Scripture can benefit from this concise, practical study of the person and work of the Holy Spirit. All the doctrinal essentials are here, clearly organized and explained by the renowned scholar who prepared the Ryrie Study Bible. Avoiding confusion and trendiness, Dr. Ryrie sticks uncompromisingly to the revealed Word of God to answer questions such as: What is Spirit baptism? What is the sin against the Holy Spirit? What does it mean to be filled with the Spirit? What about the spiritual gift of tongues? What is true spiritual power? This revised and expanded edition includes: Two new chapters on contemporary issues related to the doctrine of the Holy Spirit, new overview

charts-bird's-eye views of complex issues, handy subject and scripture indexes for quick reference, and an updated selected bibliography for further study.

The Person and Work of the Holy Spirit

The Holy Spirit, once forgotten, has been "rediscovered" in the twentieth century - or has he? Sinclair Ferguson believes we should rephrase this common assertion: "While his work has been recognised, the Spirit himself remains to many Christians an anonymous, faceless aspect of the divine being." In order to redress this balance, Ferguson seeks to recover the who of the Spirit fully as much as the what and how. Ferguson's study is rooted and driven by the scriptural story of the Spirit in creation and redemption. Throughout he shows himself fully at home in the church's historical theology of the Spirit and conversant with the wide variety of contemporary Christians who have explored the doctrine of the Holy Spirit. Foundational issues are surveyed and clarified. Hard questions are explored and answered. Clarity and insight radiate from every page. Here is the mature reflection of a Reformed theologian who will summon respect and charity from those who disagree.

Person and Work of the Holy Spirit

With the current interest in the charismatic movement, questions about the Holy Spirit are again in the forefront of Christian discussion. These questions range from the role of the Holy Spirit in the Trinity, to the relation of the Spirit to prayer, prophecy, and the sacraments, to the place of the gifts of the Spirit in Christian living. C. F. D. Moule examines these various questions in an attempt to lead the reader into an understanding of the Spirit of God in Christian doctrine and experience.

The Holy Spirit, My Senior Partner

For the Spirit, being somewhat forgotten is an occupational hazard. The Holy Spirit is so actively involved in our lives that we can take his presence for granted. As they say, familiarity breeds contempt. Just as we take breathing for granted, we can take the Holy Spirit for granted simply because we constantly depend on him. Like the cane that soon feels like an extension of the blind man's own body, we too easily begin to think of the Holy Spirit as an extension of ourselves. Yet the Spirit is at the center of the action in the divine drama from Genesis 1:2 all the way to Revelation 22:17. The Spirit's work is as essential as the Father's and the Son's, yet the Spirit's work is always directed to the person and work of Christ. In fact, the efficacy of the Holy Spirit's mission is measured by the extent to which we are focused on Christ. The Holy Spirit is the person of the Trinity who brings the work of the Father, in the Son, to completion. In everything that the Triune God performs, this perfecting work is characteristic of the Spirit. In *Rediscovering the Holy Spirit*, author, pastor, and theologian Mike Horton introduces readers to the neglected person of the Holy Spirit, showing that the work of God's Spirit is far more ordinary and common than we realize. Horton argues that we need to take a step back every now and again to focus on the Spirit himself—his person and work—in order to recognize him as someone other than Jesus or ourselves, much less something in creation. Through this contemplation we can gain a fresh dependence on the Holy Spirit in every area of our lives.

Encounter the Holy Spirit

It saddens my heart that so many believers have no knowledge of the Holy Spirit because He is the most ignored person in the world, yet He was very instrumental in the lives and ministry of the early church. This is why the body of Christ has been operating powerless. This has really inspired me to write about the Person of the Holy Spirit.

The Holy Spirit

Have ye received the Holy Spirit since ye believed? – Acts 19:2 Scripture clearly separates being born again, the baptism of the Holy Spirit, and being filled with the Holy Spirit. These three are not lumped together as one in Scripture. Instead, they are presented as separate experiences for the Lord's people. Today, however, few people know exactly what the Scriptures say regarding the Holy Spirit, and the consequence is men trying to do things in their own strength. Sadder still is how one group denies the power of the Holy Spirit, while another group pursues the things of the Spirit more than they pursue Christ Himself. Somewhere in the middle is the truth. This book takes a close look at Scripture to see what the Lord Himself tells us regarding His Holy Spirit and how it relates to us today. Chapters included in this book: What Is the Baptism with the Holy Spirit? The Baptism with the Holy Spirit Is Necessary How to Obtain the Baptism with the Holy Spirit The Refilling with the Holy Spirit How to Keep Spiritual Power Original Title: *The Baptism with the Holy Spirit*

The Holy Spirit

In fifteen thorough chapters David Ewert surveys the whole range of New Testament authors to discover what they have to say on the Holy Spirit and what this means for the life of the believer and for the church. To add another book on the Holy Spirit to the great number available is a daunting undertaking, the author admits. One can only hope that by ordering the biblical materials in a new way, familiar truths will shine with new luster. Perhaps by bringing the relevant biblical passages to bear on the life of the church in our day old truths can be seen in a new light. The material is organized in three parts: (1) The Promise of the Spirit, considering all the passages of the Gospels that speak of the Holy Spirit; (2) The Coming of the Spirit, dealing with the Pentecostal outpouring of the Spirit in the book of Acts and the continual overflow of the Spirit in the expansion of the church; and (3) The Spirit in the Life of the Believer, studying what the apostles have to say about the Holy Spirit in the epistles. Many have instinctively sensed that the teaching of the New Testament on the Holy Spirit is a key that unlocks many doors, the author notes. Jesus likened the Spirit to the wind, with its mysterious and numinous character. Just as we can hear and feel the blowing of the wind, by God's grace we can experience the presence and the power of the Spirit, if we are willing to get in the path of God's wind.
