It is so important to know His voice, that when He imparts His purposes for our lives, we learn to recognize them and can be obedient to obey His will for our reason for being alive.

With B.C. possibly meaning before Columbus, before the cycle or before the comet of 1492 becoming 1362, possible in this case B.C. stood for all three events.130 B.C. is not as it appears and the claim was not made for a mortal king or country, but rather for a Supreme God, Under God laws.If you like riddles. If you like enigmas. If you would like to see history recorded and told differently or truer then you may be ready for this challenge. If you are then you are ready to look at the clues that was left behind with an open mind.If you like astronomy, I'll show you how different groups of people each use different galactic events besides the Star of Bethlehem to mark the start of their time and all the different groups calendar are tied together. The Questions Christians Hope No One Will Ask

God is for Real, a new book from author of the best-seller Heaven is for Real, addresses soul-searching questions about God, like What is God like? Why do Christians make such a big deal about the cross? Why doesn't God seem to answer our biggest prayers? People are tired of pat answers offered up in churchy language explaining away their questions; we want the down-and-dirty truth. What bothers us about life and faith is real and gritty. We need a plain-spoken voice to offer God's answers to difficult struggles and painful doubts. Todd charges into these subjects with a fireman's courage, a small-town friend's vulnerability, and a local pastor's compassion. He helps articulate the questions people have, then gives them relevant biblical wisdom for taking their next steps in faith. God is ready to meet you! Are you ready to meet Him?
