Barcelona, 1945: A city slowly heals in the aftermath of the Spanish Civil War. Daniel, an antiquarian book dealer's son who mourns the loss of his mother, finds solace in what he finds in the "cemetery of lost books," a mysterious book entitled The Shadow of the Wind, by one Julián Carax. But when he sets out to find the author's other works, he makes a shocking discovery: someone has been systematically destroying every copy of every book Carax has written. In fact, Daniel may have the last of Carax's books in existence. Soon Daniel's seemingly innocent quest opens a door into one of Barcelona's darkest secrets--an epic story of murder, madness, and doomed love.*

The Prisoner of Heaven

THE PRISONER OF HEAVEN returns to the world of the Cemetery of Forgotten Books and the Sempere & Sons bookshop. It begins just before Christmas in Barcelona in 1957, one year after Daniel and Bea from THE SHADOW OF THE WIND have married. They now have a son, Julian, and are living with Daniel's father at Sempere & Sons. Fermin still works with them and is busy preparing for his wedding to Bernarda in the New Year. However something appears to be bothering him. Daniel is alone in the shop one morning when a mysterious figure with a pronounced limp enters. He spots one of their most precious volumes that is kept locked in a glass cabinet, a beautiful and unique illustrated edition of THE COUNT OF MONTE CRISTO. Despite the fact that the stranger seems to care little for books, he wants to buy this expensive edition. Then, to Daniel's surprise, the man inscribes the book with the words 'To Fermin Romero de Torres, who came back from the dead and who holds the key to the future'. This visit leads back to a story of imprisonment, betrayal and the return of a deadly rival ...

The Labyrinth of the Spirits

As a child, Daniel Sempere discovered among the passageways of the Cemetery of Forgotten Books an extraordinary novel that would change the course of his life. Now a young man in the Barcelona of the late 1950s, Daniel runs the Sempere & Sons bookshop and enjoys a seemingly fulfilling life with his loving wife and son. Yet the mystery surrounding the death of his mother continues to plague his soul despite the moving efforts of his wife Bea and his faithful friend Fermín to save him. Just when Daniel believes he is close to solving this enigma, a conspiracy more sinister than he could have imagined spreads its tentacles from the hellish regime. That is when Alicia Gris appears, a soul born out of the nightmare of the war. She is the one who will lead Daniel to the edge of the abyss and reveal the secret history of his family, although at a terrifying price. *The Labyrinth of the*

Spirits is an electrifying tale of passion, intrigue and adventure. Within its haunting pages Carlos Ruiz Zafón masterfully weaves together plots and subplots in an intricate and intensely imagined homage to books, the art of storytelling and that magical bridge between literature and our lives. 'For the first time in 20 years or so as a book reviewer, I am tempted to dust off the old superlatives and even to employ some particularly vulgar clichés from the repertoire of publishers' blurbs. My colleagues may be shocked, but I don't care, I can't help myself, here goes. The Shadow of the Wind is a triumph of the storyteller's art. I couldn't put it down. Enchanting, hilarious and heartbreaking, this book will change your life. Carlos Ruiz Zafón has done that exceedingly rare thing - he has produced, in his first novel, a popular masterpiece, an instant classic' Daily Telegraph

The Angel's Game

From master storyteller Carlos Ruiz Zafon, author of the international phenomenon The Shadow of the Wind, comes The Angel's Game — a dazzling new page-turner about the perilous nature of obsession, in literature and in love. The whole of Barcelona stretched out at my feet and I wanted to believe that when I opened those windows — my new windows — each evening its streets would whisper stories to me, secrets in my ear, that I could catch on paper and narrate to whomever cared to listen... In an abandoned mansion at the heart of Barcelona, a young man, David Martin, makes his living by writing sensationalist novels under a pseudonym. The survivor of a troubled childhood, he has taken refuge in the world of books and spends his nights spinning baroque tales about the city's underworld. But perhaps his dark imaginings are not as strange as they seem, for in a locked room deep within the house lie photographs and letters hinting at the mysterious death of the previous owner. Like a slow poison, the history of the place seeps into his bones as he struggles with an impossible love. Close to despair, David receives a letter from a reclusive French editor, Andreas Corelli, who makes him the offer of a lifetime. He is to write a book unlike anything that has ever existed — a book with the power to change hearts and minds. In return, he will receive a fortune, and perhaps more. But as David begins the work, he realizes that there is a connection between his haunting book and the shadows that surround his home. Once again, Zafon takes us into a dark, gothic universe first seen in The Shadow of the Wind and creates a breathtaking adventure of intrigue, romance, and tragedy. Through a dizzyingly constructed labyrinth of secrets, the magic of books, passion, and friendship blend into a masterful story.

The Librarian of Auschwitz

For readers of The Tattooist of Auschwitz and The Choice: this is the story of the smallest library in the world – and the most dangerous. 'It wasn't an extensive library. In fact, it consisted of eight books and some of them were in poor condition. But they were books. In this incredibly dark place, they were a reminder of less sombre times, when words rang out more loudly than machine guns...' Fourteen-year-old Dita is one of the many imprisoned by the Nazis at Auschwitz. Taken, along with her mother and father, from the Terezín ghetto in Prague, Dita is adjusting to the constant terror that is life in the camp. When Jewish leader Freddy Hirsch asks Dita to take charge of the eight precious books the prisoners have managed to smuggle past the guards, she agrees. And so Dita becomes the secret librarian of Auschwitz, responsible for the safekeeping of the small collection of titles, as well as the 'living books' - prisoners of Auschwitz who know certain books so well, they too can be 'borrowed' to educate the children in the camp. But books are extremely dangerous. They make people think. And nowhere are they more dangerous than in Block 31 of Auschwitz, the children's block, where the slightest transgression can result in execution, no matter how young the transgressor... The Sunday Times bestseller for readers of The Boy in the Striped Pyjamas, The Tattooist of Auschwitz and The Choice. Based on the incredible and moving true story of Dita Kraus, holocaust survivor and secret librarian for the children's block in Auschwitz.

Promise at Dawn

A classic of modern French literature, the thrilling real-life story of the military hero, ambassador, ladies man, writer, and loving son I grew up longing for the day when I could tear down the veil of darkness and absurdity concealing the true face of the universe and discover at last a smile of kindness and wisdom; I grew up in the certitude that one day I should help my fellow men to wrest the world from our enemies and give back the earth to those who ennoble it with their courage and warm it with their love. Promise at Dawn begins as the story of a mother's sacrifice: alone and poor, she fights fiercely to give her son the very best. Romain Gary chronicles his childhood in Russia, Poland, and on the French

Riveria; he recounts his adventurous life as a young man fighting for France in World War II. But above all he tells the story of the love for his mother that was his very life—their secret and private planet, their wonderland “born out of a mother’s murmur into a child’s ear, a promise whispered at dawn of future triumphs and greatness, of justice and love.”

Only One Thing Missing

Grieving the loss of her husband and child, Alicia is haunted by surreal nightmares that start to appear in her waking world, a situation that causes her to question her sanity and the sincerity of her support network. Winner of the 2002 International Prize.

Pure Joy

Twenty Years After

'Fifteen years on, the remembrance of that day has returned to me. I have seen that boy wandering through the mist of the railway station, and the name of Marina has flared up again like a fresh wound. We all have a secret buried under lock and key in the attic of our soul. This is mine...' In May 1980, 15-year-old Óscar Draí suddenly vanishes from his boarding school in the old quarter of Barcelona. For seven days and nights no one knows his whereabouts... His story begins in the heart of old Barcelona, when he meets Marina and her father German Blau, a portrait painter. Marina takes Óscar to a cemetery to watch a macabre ritual that occurs on the fourth Sunday of each month. At 10 a.m. precisely a coach pulled by black horses appears. From it descends a woman dressed in black, her face shrouded, wearing gloves, holding a single rose. She walks over to a gravestone that bears no name, only the mysterious emblem of a black butterfly with open wings. When Óscar and Marina decide to follow her they begin a journey that will take them to the heights of a forgotten, post-war Barcelona, a world of aristocrats and actresses, inventors and tycoons; and a dark secret that lies waiting in the mysterious labyrinth beneath the city streets. Written over the course of four decades, Francois-ReneÅL de Chateaubriand's epic autobiography has drawn the admiration of Baudelaire, Flaubert, Proust, Roland Barthes, Paul Auster, and W. G. Sebald. In this unabridged section of the Memoirs, spanning the years 1768 to 1800, Chateaubriand looks back on the already bygone world of his youth. He recounts the history of his aristocratic family and the first rumblings of the French Revolution. He recalls playing games on the beaches of Saint-Malo, wandering in the woods near his father's castle in Combourg, hunting with King Louis XVI at Versailles, witnessing the first heads carried on pikes through the streets of Paris, meeting with George Washington in Philadelphia, and falling hopelessly in love with a young woman named Charlotte in the small Suffolk town of Bungay. The volume ends with Chateaubriand's return to France after eight years of exile in England. In this new edition (the first unabridged translation of any portion of the Memoirs to be published in more than a century), Chateaubriand emerges as a writer of great wit and clarity, a self-deprecating egoist whose meditations on the meaning of history, memory, and morality are leavened with a mixture of high whimsy and memorable gloom.

Memoirs from Beyond the Grave: 1768-1800

A first play from a celebrated Belgian author.

Human Rites

A thrilling mix of French noir and American Western that charts a family's struggle for freedom and justice in a hostile mountain community. In the godforsaken valley of the Black Rimstone, four siblings meet by the viaduct, a place of their own away from home and daily life, which hold so little for them: Mark, who reads in secret against his father's orders; Matthew, who understands the forest, the river, and all their creatures; Mabel, who wields her stunning beauty in pursuit of pleasure and independence; and Luke, so often pitied and dismissed as simpleminded, but whose fantastic dreams reveal an uncommon wisdom. Together they live as one, bound by an unshakable bond. Hanging over them, and the rest of the valley, is the bleak prospect of work in the power plant, constructed and controlled by the fearsome Joyce. Having arrived a stranger, he owned the entire town within ten years, and now keeps a stranglehold on it through money and violence. But after generations are used and spit out in service of one man's greed, there comes a breaking point. Winner of the Prix Jean Giono, this masterful, parable-like novel bears witness to the power of nature and the promise of rebellion.

Wind Drinkers

Picasso's artistic genius was clear from childhood. This outstanding book begins with the doves young Pablo painted with his father when he was only seven, then shows us his later passions for harlequins and street people, bulls and minotaurs, new ways of seeing and new ways of rendering life.

And Picasso Painted Guernica

This is a dramatic retelling of true events in the life of Francisco Boix, a Spanish press photographer and communist who fled to France at the beginning of World War II. But there, he found himself handed over by the French to the Nazis, who sent him to the notorious Mauthausen concentration camp, where he spent the war among thousands of other Spaniards and other prisoners. More than half of them would lose their lives there. Through an odd turn of events, Boix finds himself the confidant of an SS officer who is documenting prisoner deaths at the camp. Boix realizes that he has a chance to prove Nazi war crimes by stealing the negatives of these perverse photos—but only at the risk of his own life, that of a young Spanish boy he has sworn to protect, and, indeed, that of every prisoner in the camp.

The Natchez

"A brainy noir . . . [a] winningly cryptic tale . . . a cabinet of wonders written by a novelist whose surname and sensibility fit comfortably on the shelf between Umberto Eco and John Fowles." —Los Angeles Times "One of the year's most literate and absorbing entertainments." —Kirkus Reviews Jon Fasman's dizzyingly plotted intellectual thriller suggests a marriage between Dan Brown and Donna Tartt. When reporter Paul Tomm is assigned to investigate the mysterious death of a reclusive academic, he finds himself pursuing leads that date back to the twelfth century and the theft of alchemical instruments from the geographer of the Sicilian court. Now someone is trying to retrieve them. Interspersed with the present action are the stories of the men and women who came to possess those charmed—and sometimes cursed—artifacts, which have powers that go well beyond the transmutation of lead into gold. Deftly combining history, magic, suspense, and romance—and as handsomely illustrated as an ancient incunabulum—The Geographer's Library is irresistible.

Granta 127

Marcel Proust (1871-1922) was a French novelist, and considered one of the finest writers of the 20th century. *Swann's Way* is one of his most celebrated works.

Thirty years after the publication of the best-seller *Like Water for Chocolate* comes *Tita's Diary*, an intimate look at the life of the main character who embodies love, passion and the communication of emotions through food in early 20th Century Mexico. When Tita falls in love with Pedro, she is told that being the youngest of three sisters, she will never be allowed to marry as she will have to care for her mother. As the second part of a trilogy, *Tita's Diary* brings to light a secret that will allow readers to rediscover their own intimacy as they turn page after page of never-before-seen photos, hand-pressed flower arrangements, and recipes that were skipped in the original novel. It's the physical manifestation of Tita's dream: to share her thoughts on love, food and alchemy with the world. This touching tale will plunge readers deep into the universe of *Like Water for Chocolate*, the captivating story that has known no borders.

What the Day Owes the Night

This novel begins with a funeral for a young mother: A good-looking girl, anyway, who with that coif of hers got to look rather like a nun as the years passed, and whom few of us were content to see lying between oak planks in her least worn dress, the black one she got into on Sundays, even when she couldn't go to Mass at Saint-Sulpice, and that smelled clean, with no odor (no smoke, sweat, animals, cabbage or milk) other than the soap they said came from Marseilles and which in the spring left big bluish trails in the stream. They resembled the Milky Way, which she had showed her son in the summer sky when he was very small. Ambitious and grandiose, Richard Millet's stunning novel announces his introduction to an English-speaking audience. Set in the villages and valleys of France's mountainous provinces, *The Glory of the Pythres* follows the fortunes-or rather, the colossal misfortunes-of the Pythres (pronounced as pitres, the French word for clowns or buffoons). Of peasant stock, "suspicious, taciturn, mulish, stubborn," the Pythres live a grim existence, locked up with their dead through long winters and passing on their problems like heirlooms to their children. They, like their neighbors, are Others, their culture passing away, their language barely comprehensible to other Frenchmen, their lives defined by tribal hatreds with motives that have long since vanished into history. The translation is no less ambitious than the novel itself. It captures this forgotten world in Millet's musical prose; it contrasts the strange patois of the villagers against "proper" French. Filled with finely observed characters and a breathtaking power of description, *The Glory of the Pythres* is a unique, powerful work of art.

The Devil Walks

The abandoned daughter of Pablo Neruda speaks through "incandescent poetic prose full of magical realism, biographical details and psychological insight."

Tita's Diary

The young Julien Parme is in love with Mathilde, and is intent on telling her so. But when Julien is forced to stay at home the night he plans to tell her, and worse, when the news of his mother's decision to re-marry is cruelly passed on to him as hear-say, he decides to leave his home to become a writer. But first he must find Mathilde.

The Glory of the Pythres

An "oddball fairy tale" (*The New York Times*)—shortlisted for one of France's highest literary prizes—a dark, funny, and wholly charming novel about a young boy and his eccentric family, who grapple with the realities of mental illness in unique and whimsical ways. A young boy lives with his madcap parents, Louise and George, and an exotic bird in a Parisian apartment, where the unopened mail rises in a tower by the door and his parents dance each night to Nina Simone's mellifluous classic "Mister Bojangles." As his mother, mesmerizing and unpredictable, descends deeper into her own mind, it is up to the boy

and his father to keep her safe—and, when that fails, happy. Fleeing Paris for a country home in Spain, they come to understand that some of the most radiant people bear the heaviest burdens. Told from the perspective of a young boy who idolizes his parents—and from George's journals, detailing his epic love story with his wife—*Waiting for Bojangles* is a "lighthearted and yet sorrowful tale" (San Francisco Chronicle) that will stay with you long after the final page.

Malva

Soar into a breathtaking world of heroes and unicorns as you've never seen them before in this fantastical middle grade debut perfect for fans of the Percy Jackson and Eragon series! Skandar Smith has always yearned to leave the Mainland and escape to the secretive Island, where wild unicorns roam free. He's spent years studying for his Hatchery exam, the annual test that selects a handful of Mainlander thirteen-year-olds to train to become unicorn riders. But on the day of Skandar's exam, things go horribly wrong, and his hopes are shattered...until a mysterious figure knocks on his door at midnight, bearing a message: the Island is in peril and Skandar must answer its call. Skandar is thrust into a world of epic sky battles, dangerous clashes with wild unicorns, and rumors of a shadowy villain amassing a unicorn army. And the closer Skandar grows to his newfound friends and community of riders, the harder it becomes to keep his secrets—especially when he discovers their lives may all be in graver danger than he ever imagined.

Julien Parme. Florian Zeller

In this #1 international bestseller, a young woman leaves everything behind to work as a librarian in a remote French village, where she finds her outlook on life and love challenged in every way. Prudencia Prim is a young woman of intelligence and achievement, with a deep knowledge of literature and several letters after her name. But when she accepts the post of private librarian in the village of San Ireneo de Arnois, she is unprepared for what she encounters there. Her employer, a book-loving intellectual, is dashing yet contrarian, always ready with a critique of her cherished Jane Austen and Louisa May Alcott. The neighbors, too, are capable of charm and eccentricity in equal measure, determined as they are to preserve their singular little community from the modern world outside. Prudencia hoped for friendship in San Ireneo but she didn't suspect that she might find love—nor that the course of her new life would run quite so rocky or would offer challenge and heartache as well as joy, discovery, and fireside debate. Set against a backdrop of steaming cups of tea, freshly baked cakes, and lovely company, *The Awakening of Miss Prim* is a distinctive and delightfully entertaining tale of literature, philosophy, and the search for happiness.

Waiting for Bojangles

When a young Algerian named Meursault kills a man, his subsequent imprisonment and trial are puzzling and absurd. The apparently amoral Meursault—who puts little stock in ideas like love and God—seems to be on trial less for his murderous actions, and more for what the authorities believe is his deficient character.

Skandar and the Unicorn Thief

A mesmerising story of a secret society and a labyrinthine railway station with a dark past. The book begins with a chase through the streets of Calcutta in May 1916. Lieutenant Peake pauses for breath outside the ruins of the Jheeter's Gate station knowing that he only has a few hours to live. Inside his overcoat he is sheltering two newborn babies - twins, a boy and a girl. Peake entrusts them to Aryami Bose. Sixteen years later we meet the boy, Ben, and his friends. They have formed a secret club, The Chowbar Society, which meets each week at midnight in the old ruin they have christened The Midnight Palace. Then Aryami Bose turns up with Sheere, Ben's sister, and tells them the story of the parents they never knew. Their father was an engineer and writer who died in tragic circumstances at the inauguration of Jheeter's Gate station. But as the novel unfolds, there is more to their history than meets the eye and they are lured by a shadowy figure from the past into a final showdown in the ruins.

The Awakening of Miss Prim

Imagine that some people have the power to affect your thoughts and feelings when you read, or they read a book to you. They can seduce you with amazing stories, conjure up vividly imagined worlds, but

also manipulate you into thinking exactly what they want you to. When Luca Campelli dies a sudden and violent death, his son Jon inherits his second-hand bookshop, Libri di Luca, in Copenhagen. Jon has not seen his father for twenty years since the mysterious death of his mother. When Luca's death is followed by an arson attempt on the shop, Jon is forced to explore his family's past. Unbeknown to Jon, the bookshop has for years been hiding a remarkable secret. It is the meeting place of a society of booklovers and readers, who have maintained a tradition of immense power passed down from the days of the great library of ancient Alexandria. Now someone is trying to destroy them, and Jon finds himself in a fight for his life and those of his new friends.

The Outsider

In 1943 Max Carver's father - a watchmaker and inventor - decides to move his family to a small town on the Atlantic coast. But as soon as they arrive, strange things begin to happen. Max discovers an overgrown garden surrounded by a metal fence topped with a six-pointed star. When he goes to investigate, Max finds statues like a circus troupe fill the garden. In the centre is a clown set in another six-pointed star. Max has the curious sensation that the statue is beckoning to him. The family grows increasingly uneasy when they discover a box of old films, his sister Alicia has unsettling dreams, while little Irina hears voices whispering to her from an old wardrobe. But Max spends most of his time with his new friend Roland, who takes him diving to the wreck of a boat that sank close to the coast in a terrible storm. Everyone on board perished except for one man - an engineer who built the lighthouse at the end of the beach. During the dive, Max sees something that leaves him cold - on the mast floats a tattered flag and on it is the symbol of the circle and six-pointed star. As they learn more about the wreck, the chilling story of a legendary figure called the Prince of Mist begins to emerge...

The Midnight Palace

Les Fleurs du mal is a volume of French poetry by Charles Baudelaire. First published in 1857, it was important in the symbolist and modernist movements. The poems deal with themes relating to decadence and eroticism.

The Library of Shadows

Robyn Young is a compelling voice in historical fiction, writing in the tradition of Bernard Cornwell, Conn Iggulden and Manda Scott. This is the epic second novel in the million-selling Brethren trilogy. It is 1274 and in the fortified city of Acre, the last major stronghold of the Crusaders in Palestine, an epic conflict is beginning. Will Campbell is a Templar Knight, trained for war, but as a member of the mysterious group known as the Brethren, he is also a man of peace. After years of bloodshed the Brethren have helped create a truce between the Christians and Muslims. But there are those on both side for whom peace is not an option. As war looms, Will is torn between his oath as a Templar, his secret role in the Brethren and his duty to Elwen, the woman he loves but is forbidden to marry.
