[#free speech movement](#) [#student activism](#) [#freedom of expression](#) [#1960s protests](#) [#university rights](#)

The Free Speech Movement, originating at the University of California, Berkeley in 1964, was a pivotal student protest challenging campus restrictions on political speech and advocacy. This influential movement championed students' fundamental right to free expression, significantly impacting the broader landscape of civil liberties and youth activism throughout the 1960s.
