The Angel Inside

There will come a time when you must decide to lead the life someone else has chosen for you...or the life you want. According to legend, when a young boy asked the great Renaissance artist Michelangelo why he was working so hard hitting the block of marble that would eventually become his greatest sculpture, David, the artist replied, "Young man, there is an angel inside this rock, and I am setting him free." In *The Angel Inside*, the renowned consultant and career coach Chris Widener uses Michelangelo's words to explore the hidden potential that exists within us all. In this unforgettable tale, Tom Cook, a disillusioned American businessman, has traveled to Italy looking for direction in his life. In Florence, the last city on his tour, Tom meets a mysterious old man who opens his eyes to the art and life of Michelangelo and reveals what the artist's work can teach him—and all of us—about the power of following your passion. Among the lessons that Tom learns over the course of the next day: The beauty is in the details Your hand creates what your mind conceives All great accomplishments start with a single swift action No one begins by creating the Sistine Chapel Whether you're looking for a way to reinvigorate your career or searching for the courage to begin a new one, *THE ANGEL INSIDE* is a must-read if you want to find true meaning in your life and work. The break-out business parable that's already sold more than 70,000 copies, *The Angel Inside* tells the story of a young man searching for meaning in his work and finding it in an unlikely place: the life and art of Michelangelo.

Change Happens

Change Happens is at once an emotionally resonant and stimulating book that will touch a deep chord with readers who are seeking to understand the big and small struggles in their lives and an insightful companion for those struggling with a specific change or trying to bring about a change in their lives. Here, Avrum Weiss offers insights and lessons that are relevant to change across all life situations, including change in our personal lives, relationships, places of work, communities, and the larger world.

He helps readers understand when trying harder is the best approach to change, and when not trying so hard is more appropriate. Each chapter introduces a key element in the process of change as well as fresh concepts for understanding how best to navigate the changes we all face at one time or another in our lives.

Sustained Leadership WBS

The Sustained Leader WBS provides a comprehensive tool for assessing and improving leadership potential. A Work Breakdown Structure decomposes every part of the work to be done in a project. Through extensive research and surveys the author has identified 229 WBS elements that apply to building yourself into a sustained leader. Each element provides a self-assessment, additional resources, and a place to record personal goals and due dates giving each reader a personal program plan to build themselves into a better leader.

Books and Beyond [4 volumes]

There's a strong interest in reading for pleasure or self-improvement in America, as shown by the popularity of Harry Potter, and book clubs, including Oprah Winfrey's. Although recent government reports show a decline in recreational reading, the same reports show a strong correlation between interest in reading and academic achievement. This set provides a snapshot of the current state of popular American literature, including various types and genres. The volume presents alphabetically arranged entries on more than 70 diverse literary categories, such as cyberpunk, fantasy literature, flash fiction, GLBTQ literature, graphic novels, manga and anime, and zines. Each entry is written by an expert contributor and provides a definition of the genre, an overview of its history, a look at trends and themes, a discussion of how the literary form engages contemporary issues, a review of the genre's reception, a discussion of authors and works, and suggestions for further reading. Sidebars provide fascinating details, and the set closes with a selected, general bibliography. Reading in America for pleasure and knowledge continues to be popular, even while other media compete for attention. While students continue to read many of the standard classics, new genres have emerged. These have captured the attention of general readers and are also playing a critical role in the language arts classroom. This book maps the state of popular literature and reading in America today, including the growth of new genres, such as cyberpunk, zines, flash fiction, GLBTQ literature, and other topics. Each entry is written by an expert contributor and provides a definition of the genre, an overview of its history, a look at trends and themes, a discussion of how the literary form engages contemporary issues, a review of the genre's critical reception, a discussion of authors and works, and suggestions for further reading. Sidebars provide fascinating details, and the set closes with a selected, general bibliography. Students will find this book a valuable guide to what they're reading today and will appreciate its illumination of popular culture and contemporary social issues.

American Book Publishing Record

Over 900,000 copies sold! According to researchers, the vast majority--a whopping 75-98 percent--of the illnesses that plague us today are a direct result of our thought life. What we think about truly affects us both physically and emotionally. In fact, fear alone triggers more than 1,400 known physical and chemical responses in our bodies, activating more than thirty different hormones! Today our culture is undergoing an epidemic of toxic thoughts that, left unchecked, create ideal conditions for illnesses. Supported by current scientific and medical research, Dr. Caroline Leaf gives readers a prescription for better health and wholeness through correct thinking patterns, declaring that we are not victims of our biology. She shares with readers the "switch" in our brains that enables us to live happier, healthier, more enjoyable lives where we achieve our goals, maintain our weight, and even become more intelligent. She shows us how to choose life, get our minds under control, and reap the benefits of a detoxed thought life.

Switch On Your Brain

New York City girl Claudia, a mere month shy of being a twelve-year-old, has resolved to run away from home with her younger brother, Jamie. She knows that she could never pull off the classic spur-of-the-moment departure without a destination (inevitably involving having to eat outside with the insects, and cupcakes melting in the sun); so she plans everything to perfection, including their destination: the grand, elegant, beautiful, all-encompassing Metropolitan Museum of Art. However, no sooner have Claudia and Jamie settled into their new home, than they are caught up in the mystery of

an angel statue bought by the museum for the bargain price of \$225. Is it in fact an as yet undiscovered work by Michelangelo, worth millions? Claudia is determined to find out, and her quest leads her to the remarkable, secretive Mrs. Frankweiler, who sold the statue to the museum - and to some equally remarkable discoveries about herself. Since its first appearance nearly 50 years ago, *The Mixed-up Files of Mrs. Basil E. Frankweiler* has gained a place in the hearts of generations of readers - and has rightly become one of the most celebrated and beloved children's books of all time.

Books Out Loud

The Shocking Secrets of Michelangelo's Sistine Chapel Artwork The recent cleaning of the Sistine Chapel frescoes removed layer after layer of centuries of accumulated tarnish and darkness. *The Sistine Secrets* endeavors to remove the centuries of prejudice, censorship, and ignorance that blind us to the truth about one of the world's most famous and beloved art treasures. Some images that appeared in the print edition of this book are unavailable in the electronic edition due to rights reasons.

From the Mixed-up Files of Mrs. Basil E. Frankweiler

An inspiring business fable that champions leadership for the Everyman From bestselling author Chris Widener comes a compelling new story showing what you give and get when you lead. The story follows down-cast protagonist Mike Keller who, recently separated from his wife and demoted at work, must relocate to a rural factory-town in Texas. There, Mike encounters the deep-rooted traditions of Texas high school football, and in the process learns everything business school didn't teach him about leadership from the most influential man in town-the local high school football coach. Highlights the Four Rules of Leadership: You Get What You Expect, You Get What You Model, You Get What You Reward, and You Get What You Work For Advises readers, in an accessible teaching style, on how to tailor the Rules to their own circumstances Includes reflection questions as a tool to guide readers in enriching their work life, family relationships, and social interactions *Leadership Rules* is an engaging, refreshing tale that imparts leadership lessons easily applied to both work life and your interpersonal relationships.

The Sistine Secrets

From Chris Widener, the author of the breakout bestseller *The Angel Inside*, comes an inspiring new parable on the power of influence. *The Art of Influence* will make you think twice about everything you've ever learned about influence. As Chris Widener's inspiring story reveals, it's not something you "do" to other people but rather something that starts with how you shape and transform your own life. Forget about manipulation and slick fast-talking; *The Art of Influence* teaches that your ability to influence others begins from within.

Leadership Rules

Profiles the whirlwind life of the famed Italian sculptor who is known for his artistic and architectural contributions to the city of Rome.

The Art of Influence

'An unputdownable thriller' Gregory Dowling 'It is no surprise to find that Philip Gwynne Jones lives in Venice... art and architecture interweave into a story that builds to an almost surreal climax' *Daily Mail* 'Gwynne Jones's talent for evoking place and atmosphere is clear as ever' *Literary Review*
_____ No happy ever after for Nathan and Federica? Newlyweds Nathan Sutherland and Federica Ravagnan are looking forward to weeks of sunshine and relaxation on the island of Pellestrina, in a cottage belonging to Federica's late father, Elio. The weather is idyllic, the views across the lagoon are spectacular and the seafood is the best in Venice. But when the body of an eminent Venetian lawyer is dredged up by a fishing boat, members of the close-knit island community start to take an unhealthy interest in the two honeymooners, and whispers and rumours begin to circulate about Elio's association with a recently-deceased gang boss. As Federica struggles to come to terms with her father's troubled legacy, Nathan finds himself dragged into the search for the missing proceeds of an unsolved jewellery heist, and the unwanted centre of attention of the Mala del Brenta - the Venetian Mafia. Clearly Pellestrina is going to be no honeymoon... _____ Praise for Philip Gwynne Jones 'Superb - always gripping, beautifully constructed and vivid' Stephen Glover 'Clever and great fun' *The Times* 'Sinister and shimmering, *The Venetian Game* is as haunting and darkly elegant as Venice itself' L.S. Hilton, bestselling author of *Maestra* 'The Venetian setting is vividly described... good,

fluid writing makes for easy reading' Literary Review 'Un-put-downable . . . If you love Venice, you'll love this because you'll be transported there in an instant. If you've not been to Venice, read this book and then go. If you like intrigue, and a clever plot, you'll love this book' Amazon reviewer, 5***** 'The lively, colourful narrative scuds along as briskly as a water taxi...you'll enjoy the ride' Italia Magazine

Bernini

In this book, Sarah Rolfe Prodan examines the spiritual poetry of Michelangelo in light of three contexts: the Catholic Reformation movement, Renaissance Augustinianism, and the tradition of Italian religious devotion. Prodan combines a literary, historical, and biographical approach to analyze the mystical constructs and conceits in Michelangelo's poems, thereby deepening our understanding of the artist's spiritual life in the context of Catholic Reform in the mid-sixteenth century. Prodan also demonstrates how Michelangelo's poetry is part of an Augustinian tradition that emphasizes mystical and moral evolution of the self. Examining such elements of early modern devotion as prayer, lauda singing, and the contemplation of religious images, Prodan provides a unique perspective on the subtleties of Michelangelo's approach to life and to art. Throughout, Prodan argues that Michelangelo's art can be more deeply understood when considered together with his poetry, which points to a spirituality that deeply informed all of his production.

The Venetian Legacy

Discover how you can identify, explore, and experience your dream job, and figure out if it's what you really want before taking the dive. Author Brian Kurth, founder of VocationVacations, offers professional, personal and financial perspectives on how to transition into a new career and turn your dream job into a reality without risking your current job or jeopardizing your financial stability. Many more regularly turn to Brian for his comments, advice and insights. A native of Madison, Wisconsin, Kurth lives in Portland, Oregon.

Michelangelo's Christian Mysticism

This collection of essays continue to encourag the home schooling family. The authors share their expertise, wisdom about educational choices and options, and advice regarding rearing children in a faith-based home.

Test-Drive Your Dream Job

This major new biography recounts the extraordinary life of one of the most creative figures in Western culture, weaving together the multiple threads of Michelangelo's life and times with a brilliant analysis of his greatest works. The author retraces Michelangelo's journey from Rome to Florence, explores his changing religious views and examines the complicated politics of patronage in Renaissance Italy. The psychological portrait of Michelangelo is constantly foregrounded, depicting with great conviction a tormented man, solitary and avaricious, burdened with repressed homosexuality and a surplus of creative enthusiasm. Michelangelo's acts of self-representation and his pivotal role in constructing his own myth are compellingly unveiled. Antonio Forcellino is one of the world's leading authorities on Michelangelo and an expert art historian and restorer. He has been involved in the restoration of numerous masterpieces, including Michelangelo's Moses. He combines his firsthand knowledge of Michelangelo's work with a lively literary style to draw the reader into the very heart of Michelangelo's genius.

I Saw the Angel in the Marble

"The master of dragon art brings the same skills to dragon storytelling" in this debut high fantasy adventure "as detailed and exciting as anything since the Pern tales" (Terry Brooks, New York Times—bestselling author). "Packed with action and fully-developed characters, both human and scaly." —Alan Dean Foster, author of Star Wars: The Force Awakens Maia and her family raise dragons for the

political war machine. As she comes of age, she hopes for a dragon of her own to add to the stable of breeding parents. But the war goes badly, and the needs of the Dragonry dash her hopes. Her peaceful life is shattered when the Summer Dragon—one of the rare and mythical High Dragons—makes an appearance in her quiet valley. The Summer Dragon is an omen of change, but no one knows for certain what kind of change he augurs. Political factions vie to control the implied message, each to further their own agendas. And so Maia is swept into an adventure that pits her against the deathless Horrors—thralls of the enemy—and a faceless creature drawn from her fears. In her fight to preserve everything she knows and loves, she uncovers secrets that challenge her understanding of her world and of herself.

Michelangelo

THE #1 GLOBAL BESTSELLER 'A swirl of big ideas and non-stop action' New York Times Florence: Harvard symbologist Robert Langdon awakes in a hospital bed with no recollection of where he is or how he got there. Nor can he explain the origin of the macabre object that is found hidden in his belongings. A threat to his life will propel him and a young doctor, Sienna Brooks, into a breakneck chase across the city. Only Langdon's knowledge of the hidden passageways and ancient secrets that lie behind its historic facade can save them from the clutches of their unknown pursuers. With only a few lines from Dante's *Inferno* to guide them, they must decipher a sequence of codes buried deep within some of the Renaissance's most celebrated artworks to find the answers to a puzzle which may, or may not, help them save the world from a terrifying threat . . .

The Summer Dragon

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin

The Agony and the Ecstasy

Imperial Leather chronicles the dangerous liaisons between gender, race and class that shaped British imperialism and its bloody dismantling. Spanning the century between Victorian Britain and the current struggle for power in South Africa, the book takes up the complex relationships between race and sexuality, fetishism and money, gender and violence, domesticity and the imperial market, and the gendering of nationalism within the zones of imperial and anti-imperial power.

Inferno

There was a time when everyone knew what a real man was... now, with changing times, values and roles, many men struggle with what it means to be a "real man" in the 21st Century. What does a real man look like? How does he act? What are his values and morals? What role does a real man play in society? The 12 commitments that Chris and Larry share cover the gamut of life, from family, including your spouse and children, work, health, finances, service, and friendships. This little book is thought-provoking. It will both challenge you as well as encourage you. Most importantly, it will cause you to think about what kind of man you are and what kind of man you can become.

I Know Why the Caged Bird Sings

This book examines the role of angels in medieval and Renaissance art and religion from Dante to the Counter-Reformation.

Imperial Leather

* Instant NEW YORK TIMES and USA TODAY bestseller ** GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 ** BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time!" - Christina Lauren, New York Times bestselling author of *The Unhoneymooners* "*Red, White & Royal Blue* is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six*

Real Man's Handbook

The PRIZE-WINNING BESTSELLER, now a major BBC1 DRAMA SERIES starring Thomasin McKenzie, Sian Clifford and James McArdle, directed by BAFTA award-winning John Crowley. 'Dazzling, witty, moving, joyful, mournful, profound... one of the best novels I've read this century' Gillian Flynn, bestselling author of *GONE GIRL* 'A box of delights ... it grips the reader's imagination on the first page and never lets go.' HILARY MANTEL, author of *THE MIRROR AND THE LIGHT*

What if you had the chance to live your life again and again, until you finally got it right? During a snowstorm in England in 1910, a baby is born and dies before she can take her first breath. During a snowstorm in England in 1910, the same baby is born and lives to tell the tale. What if there were second chances? And third chances? In fact an infinite number of chances to live your life? Would you eventually be able to save the world from its own inevitable destiny? And would you even want to? *Life After Life* follows Ursula Todd as she lives through the turbulent events of the last century again and again. With wit and compassion, Kate Atkinson finds warmth even in life's bleakest moments, and shows an extraordinary ability to evoke the past. Here she is at her most profound and inventive, in a novel that celebrates the best and worst of ourselves. _____ 'Merging family saga with a fluid sense of time and an extraordinarily vivid sense of history at its most human level. A dizzying and dazzling tour de force' Daily Mail 'Absolutely brilliant...it reminded me a bit of her first book *Behind the Scenes at the Museum*, which is one of my most favourite books ever.' Marian Keyes, author of *Rachel, Again* 'An exceptional writer' Guardian '[A] magnificently tender and humane novel' Observer 'A ferociously clever writer...a big, bold novel that is enthralling, entertaining' New Statesman 'Exceptionally captivating' New York

Times 'Truly brilliant...Think of Audrey Niffenegger's *The Time Traveler's Wife* or David Nicholl's *One Day*.. a rare book that you want to start again the minute you have finished.' The Times

Angels and the Order of Heaven in Medieval and Renaissance Italy

The first in a spicy, hilarious HGTV-inspired romantic comedy trilogy from the #1 New York Times bestselling author of *It Happened One Summer* and *Hook, Line, and Sinker!* Georgette Castle's family runs the best home renovation business in town, but she picked balloons instead of blueprints and they haven't taken her seriously since. Frankly, she's over it. Georgie loves planning children's birthday parties and making people laugh, just not at her own expense. She's determined to fix herself up into a Woman of the World... whatever that means. Phase one: new framework for her business (a website from this decade, perhaps?) Phase two: a gut-reno on her wardrobe (fyi, leggings are pants.) Phase three: updates to her exterior (do people still wax?) Phase four: put herself on the market (and stop crushing on Travis Ford!) Living her best life means facing the truth: Georgie hasn't been on a date since, well, ever. Nobody's asking the town clown out for a night of hot sex, that's for sure. Maybe if people think she's having a steamy love affair, they'll acknowledge she's not just the "little sister" who paints faces for a living. And who better to help demolish that image than the resident sports star and tabloid favorite? Travis Ford was major league baseball's hottest rookie when an injury ended his career. Now he's flipping houses to keep busy and trying to forget his glory days. But he can't even cross the street without someone recapping his greatest hits. Or making a joke about his... bat. And then there's Georgie, his best friend's sister, who is not a kid anymore. When she proposes a wild scheme—that they pretend to date, to shock her family and help him land a new job—he agrees. What's the harm? It's not like it's real. But the girl Travis used to tease is now a funny, full-of-life woman and there's nothing fake about how much he wants her... "Her voice feels as fresh and contemporary as a Netflix rom-com." —Entertainment Weekly "Fix Her Up ticks all my romance boxes. Not only is it hilarious, it's sweet, endearing, heartwarming and downright sexy. It's a recipe for the perfect love story." — Helena Hunting, New York Times bestselling author of *Meet Cute*

Red, White & Royal Blue

Bridging the fields of conservation, art history, and museum curating, this volume contains the principal papers from an international symposium titled "Historical Painting Techniques, Materials, and Studio Practice" at the University of Leiden in Amsterdam, Netherlands, from June 26 to 29, 1995. The symposium—designed for art historians, conservators, conservation scientists, and museum curators worldwide—was organized by the Department of Art History at the University of Leiden and the Art History Department of the Central Research Laboratory for Objects of Art and Science in Amsterdam. Twenty-five contributors representing museums and conservation institutions throughout the world provide recent research on historical painting techniques, including wall painting and polychrome sculpture. Topics cover the latest art historical research and scientific analyses of original techniques and materials, as well as historical sources, such as medieval treatises and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer, Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper and canvas, and Tibetan thangkas. Color plates and black-and-white photographs illustrate works from the Middle Ages to the 20th century.

Lives of the Most Eminent Painters, Sculptors, and Architects

"Published in conjunction with an exhibition of the same title organized by the Museum for African Art, New York, 2010. Participating venues: Institute for Contemporary Culture at the Royal Ontario Museum, Museum for African Art, New York, University of Michigan Museum of Art, North Carolina Museum of Art, Denver Art Museum"--T.p. verso.

How to Think Like Leonardo Da Vinci

Bobby Dollar has a problem or four of epic proportions. Problem one: his best friend Sam has given him an angel's feather that also happens to be evidence of an unholy pact between Bobby's employers and those who dwell in the infernal depths. Problem two: Eligor, Grand Duke of Hell, wants to get his claws on the feather at all costs, but particularly at all cost to Bobby . Problem three: Bobby has fallen in love with Casimira, Countess of Cold Hands, who just happens to be Eligor's girlfriend. Problem four: Eligor, aware of Problem three, has whisked Casimira off to the Bottomless Pit itself, telling Bobby he will never see her again unless he hands over the feather. But Bobby, long-time veteran of the endless

war between above and below, is not the type of guy who finds Hell intimidating. All he has to do is toss on a demon's body, sneak through the infernal gates, solve the mystery of the angel's feather, and rescue the girl. Saving the day should just be a matter of an eon or two of anguish, mutilation and horror. If only it were that easy.

A Moveable Feast

The #1 New York Times bestseller "A powerful story of an exhilarating mind and life...a study in creativity: how to define it, how to achieve it." --The New Yorker "Vigorous, insightful." --The Washington Post "A masterpiece." --San Francisco Chronicle "Luminous." --The Daily Beast He was history's most creative genius. What secrets can he teach us? The author of the acclaimed bestsellers *Steve Jobs*, *Einstein*, and *Benjamin Franklin* brings Leonardo da Vinci to life in this exciting new biography. Based on thousands of pages from Leonardo's astonishing notebooks and new discoveries about his life and work, Walter Isaacson weaves a narrative that connects his art to his science. He shows how Leonardo's genius was based on skills we can improve in ourselves, such as passionate curiosity, careful observation, and an imagination so playful that it flirted with fantasy. He produced the two most famous paintings in history, *The Last Supper* and the *Mona Lisa*. But in his own mind, he was just as much a man of science and technology. With a passion that sometimes became obsessive, he pursued innovative studies of anatomy, fossils, birds, the heart, flying machines, botany, geology, and weaponry. His ability to stand at the crossroads of the humanities and the sciences, made iconic by his drawing of *Vitruvian Man*, made him history's most creative genius. His creativity, like that of other great innovators, came from having wide-ranging passions. He peeled flesh off the faces of cadavers, drew the muscles that move the lips, and then painted history's most memorable smile. He explored the math of optics, showed how light rays strike the cornea, and produced illusions of changing perspectives in *The Last Supper*. Isaacson also describes how Leonardo's lifelong enthusiasm for staging theatrical productions informed his paintings and inventions. Leonardo's delight at combining diverse passions remains the ultimate recipe for creativity. So, too, does his ease at being a bit of a misfit: illegitimate, gay, vegetarian, left-handed, easily distracted, and at times heretical. His life should remind us of the importance of instilling, both in ourselves and our children, not just received knowledge but a willingness to question it--to be imaginative and, like talented misfits and rebels in any era, to think different.

Life After Life

It's time to finally unlock your creative potential. In this game-changing guide for creative people, you'll discover: - The most important quality for success (hint: it's not talent). - The four questions you should ask when you're criticized. - A strategy for making failure your best friend. - Why you must learn to say "no" and take back control of your time. - And much more! In *The Artist's Suitcase*, Kent Sanders pulls back the curtain on creativity and shows you the essentials in bite-sized chapters. Prepare to reignite your creative life!

Fix Her Up

Consummate painter, draftsman, sculptor, and architect, Michelangelo Buonarroti (1475–1564) was celebrated for his *disegno*, a term that embraces both drawing and conceptual design, which was considered in the Renaissance to be the foundation of all artistic disciplines. To his contemporary Giorgio Vasari, Michelangelo was “the divine draftsman and designer” whose work embodied the unity of the arts. Beautifully illustrated with more than 350 drawings, paintings, sculptures, and architectural views, this book establishes the centrality of *disegno* to Michelangelo's work. Carmen C. Bambach presents a comprehensive and engaging narrative of the artist's long career in Florence and Rome, beginning with his training under the painter Domenico Ghirlandaio and the sculptor Bertoldo and ending with his seventeen-year appointment as chief architect of Saint Peter's Basilica at the Vatican. The chapters relate Michelangelo's compositional drawings, sketches, life studies, and full-scale cartoons to his major commissions—such as the ceiling frescoes and the *Last Judgment* in the Sistine Chapel, the church of San Lorenzo and its New Sacristy (Medici Chapel) in Florence, and Saint Peter's—offering fresh insights into his creative process. Also explored are Michelangelo's influential role as a master and teacher of *disegno*, his literary and spiritual interests, and the virtuoso drawings he made as gifts for intimate friends, such as the nobleman Tommaso de' Cavalieri and Vittoria Colonna, the marchesa of Pescara. Complementing Bambach's text are thematic essays by leading authorities on the art of Michelangelo. Meticulously researched, compellingly argued, and richly illustrated, this book is a major contribution to our understanding of this timeless artist.

Historical Painting Techniques, Materials, and Studio Practice

Everyone has within them the desire to know that their life matters. Deep inside the human heart is a quest to make an impact on the world around them. They want to know that when they are gone their life and work will have left the world a better place than it was before. Some people have worldwide impact while others have national impact and others have local impact, but regardless of the size of your impact you were made to make an impact on those around you! In this book, Lasting Impact, Chris Widener makes the case that you were designed to make an impact. It is part of your destiny. He gives you not only the philosophy of impact but the actions to take in order to ensure your life's work will extend for generations.

El Anatsui

Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5am Club will walk you through: How great geniuses, business titans and the world's wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed "Insider-only" tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Forever.

Happy Hour in Hell

Hi students

I believe you may have misunderstood

I think there may have been a misunderstanding

Actually, it's more like...

I'm sorry, but I don't think that's quite right

I understand what you're saying, but...

It's my understanding that...

Perhaps we could double-check the facts on that

I was under the impression that...

If I'm not mistaken, it's actually...

I'm not sure that's accurate

I understand your point, but...

I don't think that's quite correct...

What you said is completely false

Impolite ways to say "You're wrong"

List of ways to say "You're wrong"

Wake Up! You're Not Dead... Yet!

Chris Farley's spirit communications about the after-life and 9/11.

I'm Not Dead... Yet!

A riveting medical memoir: actor/writer/director Robby Benson takes us on a candid journey from athletic soft spoken heartthrob on Broadway and film, to husband, father, professor and courageous survivor of 4 open heart surgeries. From One On One, Ice Castles, The Chosen and Disney's Beauty and The Beast to directing TVs Ellen and Friends, the funny and explicit narrative: with the author's beautiful photography, career and personal photos, and helpful medical links: is a must for fans and essential reading for heart patients and their loved ones, and anyone searching for what should be the template for medical care in America. (Standard Version) "When you read this funny and courageously blunt book, you will understand how to gain the vibrancy that Robby (and Karla) have. YES, the Cleveland Clinic Provides Many with Miracles but that is not the story. What a great read, and what

an important story for YOU, too." Michael F. Roizen, M.D. New York Times #1 Bestselling Author and Chair of the Wellness Institute at the Cleveland Clinic

Playing Hard To Get

They're gorgeous, sophisticated, and successful--but the lives of these three New York City "It Girls" are about to be turned upside down. . . With her career as an attorney on the rise, and her millionaire boyfriend about to propose, Tamia has it all. Then she meets Malik, a sexy Harlem brother who makes her second-guess everything. Love struck, Tamia's on a mission to convince Malik to stop playing hard to get and come along for the ride. . . Since she married a pastor, Troy has gone from smokin' hottie to Bible-quoting church lady. Everyone thinks Troy is happy until some dirty secrets turn her life--and her marriage--upside down. . . As the wife of a pro basketball player and mother of two, Tasha has traded her fabulous city life for the suburbs. Bored and starving for action, Tasha's desires spin out of control, and she finds that being the new "It Girl" has its drawbacks. . . "Octavia gives Sex and the City a smart Afrocentric update." --Publishers Weekly "It's clear that Octavia is talented with a great imagination and storytelling ability." --RT Book Review "Entertaining and packed with drama." --RT Book Reviews

TICKET

Under the glowing neon lights of the Las Vegas Strip, the lives of a sidelined drifter, affluent widow, petty drug dealer and an emotionally disconnected stripper intertwine with tragic consequences. A social commentary on the value of drugs, money and love in today's society, the reader is escorted through a world of prostitution and ambivalent sexuality, cocaine addiction and alcoholism. . . . The words echo in my ear as I make my way back to my room. Sweat is beading on my forehead. I tell myself it's from the sun but I can feel my heart beating its way out of my chest and I know that it's not. I'm nervous. Maybe a little scared. I know I'm in trouble. My pace quickens as I get near the door and I fumble with the lock. The door shuts and for a moment I feel safe again. The vial Pat gave me is still in my hands and I run my thumb up and down the length of the smooth glass surface and somehow this comforts me. Joan Jett is on the radio and I take a seat by the nightstand, open the vial and tap some powder out. There's a little voice in my head telling me to stop and for a moment I listen . . .

Permanent Evolution

Yuri Tynianov was a key figure of Russian Formalism, an intellectual movement in early 20th century Russia that also included Viktor Shklovsky and Roman Jakobson. Tynianov developed a groundbreaking conceptualization of literature as a system within—and in constant interaction with—other cultural and social systems. His essays on Russian literary classics, like Pushkin's Eugene Onegin and works by Dostoevsky and Gogol, as well as on the emerging art form of filmmaking, provide insight into the ways art and literature evolve and adapt new forms of expression. Although Tynianov was first a scholar of Russian literature, his ideas transcend the boundaries of any one genre or national tradition. Permanent Evolution gathers together for the first time Tynianov's seminal articles on literary theory and film, including several articles never before translated into English.

Not Dead Yet

Congratulations! After years of drudgery in the respectable working world, you've earned the right to unlimited free time—a luxury also enjoyed by the homeless, the incarcerated, and bimbo heiresses everywhere. With all this newfound time for meditation, medication, and reflection, you might've already made a few profound discoveries. Perhaps you've learned of your spouse's plan to drive you crazy, or just how bad daytime TV can be. If there's more to retirement, author Patrick Fanning sets out to find it in this irreverent guide to life in the slow lane.

Don't Fear The Reaper

A Porthkennack Contemporary Novel South London mechanic Devan Thompson has gone to Porthkennack to track down someone he's been waiting all his life to know. But Dev's distracted from his quest by Kyle, a broodingly handsome local of only a few months, who's already got a reputation as an alcoholic because of his strange behaviour—including a habit of collapsing in the street. Kyle Anthony fled to Porthkennack to escape from the ruins of his life. Still raging against his diagnosis of narcolepsy—a condition that's cost him his job as a barrister, his lover, and all chance of normality—the last thing he wants is another relationship that's doomed to fail. But Dev's easy-going acceptance and

adaptability, not to mention his good looks, have Kyle breaking all his self-imposed rules. When disaster strikes Dev's adored little sister, Kyle steps up to the plate, and Dev sees a side of his lover he wasn't prepared for: competent, professional--and way out of Dev's league. With one man determined that they don't have a future, and the other fearing it, life after Porthkennack is starting to look bleak for both of them.

Wake Up Call

Fans of Debbie Macomber, Susan Wiggs, Kristin Hannah and Robyn Carr will enjoy this emotional novel of romantic women's fiction featuring love and family from #1 New York Times Bestseller Barbara Freethy. A perfect choice for your bookclub! WINNER OF RITA Award for Best Contemporary Romance - Romance Writers of America This is a full length novel of approximately 100,000 words. From the back cover: *Reckless Youth* ... In her impetuous summer of love, Jenny St. Claire found Luke Sheridan -- her dashing knight in intern's scrubs. But a fast-track future and rigid, ambitious parents drove passion out of Luke's life. And the summer ended, leaving Jenny with a broken heart... and a beautiful son, Danny, to help mend it. From the back cover: *Love Reclaimed* ... Years later it is tragedy that reunites them -- the father whom a son longs to know, and the mother who has tried desperately to forget. And as Luke and Jenny struggle to ignore the pain and desire reborn in a look and a touch, only the remarkable courage of a young boy -- and the help of a rather unorthodox guardian angel -- can offer them the most precious gift of all: a second chance at the love of a lifetime.

Daniel's Gift

This book is based on the true story about my family, the personal memoirs of my father, a young Colombian man, his journey to the United States, the sacrifice, and the struggle in bringing his family to be with him. How a young Hispanic family had to cope with the constant fear of persecution, and threat of deportation while dealing with the pressures of poverty, and learning the thin line between good and bad ambition. Life as an immigrant proved to be very difficult for my father hurling him into the dangerous life of a Colombian Drug Dealer.

Colombian Memoirs

In a time where Pastor Jon Stevens feels like he has lost his hope . . . One Divine Encounter, will change his life. One mistake that started with a simple flower, will begin to unravel history. And one spark will illuminate the way home.

An Ember in Time

Wake up, Lien. Think for yourself! describes the origins and some of the history and the excesses of Christianity and Islam. It shows how mind-control enters into the formation of these religions, and it urges the reader to free himself or herself from the out-dated notions that may have been implanted in his mind by parents, teachers, and religious functionaries. It suggests the Eastern teaching of reincarnation as a possible substitute as that appears to be a more satisfying and logical belief system.

Wake Up, Lien. Think for Yourself!

"He only loves me because he's drunk." In the squad, there is a summer camp tradition that Britney, Charlie, Peter, and Shane always do every year at Mancheston Beach in Paris, France as bonding for the group of best friends. Everyone's life is different. Sometimes we encounter conflicts that are too complex for us to fix in a minute. When Peter and Charlie end up being the only ones left to spend their tradition one summer, the vacation would be full of chaos, love, and misunderstanding. They're best friends, but the problem is that in the group, Peter is the last person Charlie is close to. But perhaps a summer of love could fix everything. Or maybe ruin everything...

HIP #2: Summer Of Love

Poignant and humorous insights on fully embracing our lives as we age from Susan Moon, beloved Buddhist teacher and author. Aging isn't easy. But it can still be filled with joy—maybe even more joy than we expect. Described by the New York Journal of Books as "a Buddhist Anne Lamott," Zen teacher and writer Susan Moon persuades us that as we notice we are impermanent, we get to come alive in new ways. Joining levity with tenderness, Moon shares stories from her own life on topics including knee replacements, Zoom chats with grandchildren, ongoing companionship with a close friend who

is moving deeper into dementia, and a season as a Zen monk in the wilderness. Moon illustrates the strength that can come from within, sometimes unexpectedly, even as our bodies fail. Our radiant aliveness can be discovered and rediscovered any time up to the last moment. *Alive Until You're Dead* offers a Zen approach to facing our impermanence. Moon's stories explore being present with what is, not turning away from what's difficult, wishing for and working for the wellbeing of others, and being willing not to know what's next. These field notes from an old human being invite us to feel more alive in the final stretch, whatever it holds.

Crestview Chronicles

A major figure in the transmission of Zen to the West, Zen Master Seung Sahn was known for his powerful teaching style, which was direct, surprising, and often humorous. He taught that Zen is not about achieving a goal, but about acting spontaneously from "don't-know mind." It is from this "before-thinking" nature, he taught, that true compassion and the desire to serve others naturally arises. This collection of teaching stories, talks, and spontaneous dialogues with students offers readers a fresh and immediate encounter with one of the great Zen masters of the twentieth century.

Alive Until You're Dead

After learning about the pain and heartache his father suffered for the woman he loved, Matty Walker discovers the rest of his family's tumultuous history as the epic tale of the samurai sword comes to a triumphant conclusion. Two years and four months after Dante Medina and his Perros assembled in Juárez to swear retribution for the deaths of Duncan and Dimacio, Nate Walker and Sarah Ross are trying desperately to save their newly forged marriage after a senseless indiscretion threatens to destroy it. Despite the brief respite from Dante's wrath, El Cazador and his Perros soon make a sudden strike against the people Nate and Sarah love. Suddenly, Nate is pulled back into the nightmarish world he thought he had escaped and is forced to face each of the diabolical Perros one-by-one before entering a final showdown against Dante Medina himself. With his soul on the line, Nate must make a heartbreaking decision between saving himself or the woman he loves.

Wanting Enlightenment Is a Big Mistake

With every circle, hell is getting hotter... Ciera and her three companions are travelling further into the nine circles, more determined than ever before. But it isn't just demons and trials they have to worry about, the Devil has set his eye on Ciera and is doing everything possible to stop her succeeding. She's determined not to let him, and with her men by her side, and her new talents emerging, there's nothing Ciera can't do. But there's always a price to pay in hell.... A reverse harem based on Dante's *Inferno*, but with a kickass heroine instead of a lovesick old poet. Book two of the *Infernal Descent* series. Also available as audiobook! Reading order: *Hell's Calling* *Hell's Weeping* *Hell's Burning*

The Living & the Dead:

Identify, avoid and overcome the challenges facing your church, so that you can stay faithful in a changing culture. Our culture is changing, and the church seems to be under increasing pressure. But these dangers are not new-and God's word shows us how to meet them head on. In this book, discover how Jesus' messages to seven first-century churches in Revelation 2 & 3 is his message to your church today too. Chapter by chapter, seasoned pastor Juan Sanchez opens up each Bible passage with warmth and clarity. He offers helpful historical details on circumstances faced by the early church, and pushes you to ask the hard questions about your own church and ministry in the light of each message. He turns the tables to show that the most deadly dangers come from within the church, not from outside of it. But more than anything, this book will help the stressed and the struggling to fix their eyes on the risen and reigning Lord Jesus-who holds your local church in his hands. This is a book for every pastor and elder, and anyone committed to playing their part in helping their local church thrive in an increasingly hostile environment. Together, you can live as Christ's faithful, hope-filled people in a changing culture.

Hell's Weeping

Fun, clever fantasy with an epic ending! "I hated the late shift. I hated the morning shift too. If only I could make a living doing something I enjoyed, like yelling and intimidating people." The surly Eva Thorne is a born detective when she's not playing the femme fatale, but it takes her brother's murder

to set her on a hunt for clues. What she discovers brings her up against a powerful slave-trading cartel, dark gods, and worst of all her twin sister. In a city of elvish masters and matriarchal dwarves where humans have no rights, the only people on her side are an illegally freed slave, a senile nanny, and an ex-almost-boyfriend. But even when she nearly loses her job and almost loses her head in a sword fight on the same night, she isn't deterred. It's when the nanny goes missing that she really starts to worry. For the first time, the first 4 books of the Eva Thorne series are available in a digital box set - at the best price ever! The Eva Thorne series begins with a murder and culminates in the war that will end the world. Twisting the norms of high fantasy, mystery, and steampunk into a witty mixture of humor and romance, this series is an action-packed adventure worth taking. Magic and machines can't stand against the God of Death, and humans are on the run from the god's invasion. Highcrowne is the only refuge, but that means living in the Outskirts of an ancient city ruled by Avian mages, indifferent dwarves, and elves who'd prefer to see humans as their slaves. Eva is a relentless, kick-ass heroine unafraid of confronting kings, monsters, or gods, but she is a Thorne—the worst of the hated Solhan race. Her family summoned the Dead God into the world to grant them ultimate power, and secret parts of her desire power as well. The battle between her dark, Solhan nature and her desire to leave behind her family's legacy of necromancy and tyranny is what drives her. Never one to meet others' expectations, she fights fate at every turn. But as she is forced to make one difficult decision after another, she wonders if anyone can escape their destiny. "A fantastical twist on mystery, brimming with action-packed adventure and a sense of clever fun." -Elizabeth Spann Craig, Bestselling Mystery Author "I picked this up and just could not put it down until I finished! ...If you like Mystery, Romance, and Fantasy this book has it all!" – Terry's Book Addiction "An enjoyable, fantastic read!" – Pearl, #1 Best Goodreads Reviewer

Seven Dangers Facing Your Church

Richard is a soldier. He obeys orders... ..until he sees her. He never wanted to be a Wehrmacht soldier, he'd much rather stick his nose into a book. But Hitler's war thrust him deep into Russia on the Eastern Front when he was but sixteen years old. Two years later and he's learned to silence his own conscience to stay alive. He closes his ears, eyes, and mind to what's going on around him. Hanging on to his life for just another day, never once questioning his orders. But this changes the moment he sees her. She works for the Polish resistance, saving her life is a crime against Führer and Fatherland. When fate reunites them at his most vulnerable time in life, he must choose: Fight for his country or become a traitor of conscience. Once he crosses the line, there's no way back.... ..and neither his friends nor his enemies will approve of his decision. Is the love of one woman enough to go up against the rest of the world? If you don't read another WW2 book this year, you need to read *Trouble Brewing*, because it's a story of love and humanity during a time of war and brutality. Topics: Berlin, World War Two, WWII, German Literature, Historical Fiction, Resistance, European Literature, Heartbreaking Story of Love and Redemption, Jewish and Holocaust History, Concentration Camps, Espionage, Nazi Party, Gestapo, Holocaust, Forbidden Love, AWOL, military romance, fighting for love, treason, patriotism Perfect for fans of Ann Bennett, Lucinda Riley, Dinah Jefferies, Victoria Hislop, Marius Gabriel, Tracy Chevalier, Fiona Valpy, Deborah Swift, Jenny Ashcroft, Petra Durst-Benning, Nicola Cornick, Janet MacLeod Trotter, Jean Grainger, Clare Flynn, Kate Furnivall, Kristin Hannah. Sharon Maas, Anna Jacobs, Helen Carey, Catherine Hokin, Sarah Lark, Tania Crosse, Rhys Bowen, Angela Petch, Hazel Gaynor, Roberta Kagan, Anna Stuart, Kate Hewitt, Ellie Midwood, Chrystyna Lucyk-Berger, Eoin Dempsey, Suzanne Goldring

Eva Thorne

Forty long years of unrequited love... Matriarch of the Texas Connaghers, Virginia has been alone twelve years since the great love of her life passed away. Tyrell loved her sadist's heavy hand and her hard inner core, something she's not dared to share with anyone else. She lives in the past, clinging to all those memories except one. The one she's determinedly blocked out of her heart and mind for nearly forty years. The one time she was almost unfaithful to her then-fiancé with her best friend, Jebadiah Garrett. That was a long time ago. They both married and moved on. She has three adult children settling down with their own families. Besides, it was just a kiss. One kiss. One unforgettable kiss that brought Jebadiah to his knees at her feet. Now he's back in town and determined to finally tell her once and for all how much he's loved her all these years. Or, even better, he'll show her by going to his knees once more. If she'll only give him the chance.

Trouble Brewing

Phil Collins pulls no punches—about himself, his life, or the ecstasy and heartbreak that's inspired his music. In his much-awaited memoir, *Not Dead Yet*, he tells the story of his epic career, with an auspicious debut at age 11 in a crowd shot from the Beatles' legendary film *A Hard Day's Night*. A drummer since almost before he could walk, Collins received on the job training in the seedy, thrilling bars and clubs of 1960s swinging London before finally landing the drum seat in Genesis. Soon, he would step into the spotlight on vocals after the departure of Peter Gabriel and begin to stockpile the songs that would rocket him to international fame with the release of *Face Value* and "In the Air Tonight." Whether he's recalling jamming with Eric Clapton and Robert Plant, pulling together a big band fronted by Tony Bennett, or writing the music for Disney's smash-hit animated *Tarzan*, Collins's storytelling chops never waver. And of course he answers the pressing question on everyone's mind: just what does "Sussudio" mean? *Not Dead Yet* is Phil Collins's candid, witty, unvarnished story of the songs and shows, the hits and pans, his marriages and divorces, the ascents to the top of the charts and into the tabloid headlines. As one of only three musicians to sell 100 million records both in a group and as a solo artist, Collins breathes rare air, but has never lost his touch at crafting songs from the heart that touch listeners around the globe. That same touch is on magnificent display here, especially as he unfolds his harrowing descent into darkness after his "official" retirement in 2007, and the profound, enduring love that helped save him. This is Phil Collins as you've always known him, but also as you've never heard him before.

Never Let You Down

In the aftermath of their fatal standoff with the mysterious Miss Nile, Cyrus, Eve, and The Geek still have many questions. Can they trust Alvin when he tells them they are heroes of the nation? Can they trust Cyrus' parents who seem to appear in the most unexpected and needed of times? Or perhaps they should trust Grant, the man who has attempted to kill them multiple times during their journey, simply because he claims to have a way to get them to safety. In this climactic conclusion to the epic *Agora Files* trilogy, Cyrus and his friends cross the country yet again on their journey to freedom. But their questions of trust still remain. In a world where everyone wants you dead, is there anywhere you can ever feel safe?

Not Dead Yet

When thirteen year old Darien sets off on a journey, his fate overtakes him and he is sent on a quest to find a Truthstone. Yet even as he searches another searches for him. Al Zaric dreams of leading the world into a time of evil. He wants to use Darien's heart-blood to awaken Soradin, the Dark One. Vhari, the midwife's daughter, soon discovers that she has magical powers. The two youths have never met but Vhari is steadily pulled into the darkening web of Darien's destiny. Throughout this story you will meet many characters; some human, some not. In this fantasy land there are those who practice sorcery, and who are sprung from an evil source. Beware of shadow-men Warths and trollish Dhrogs. Yet not all of the magic belongs to Soradin's Darkhearts. Step inside this land and meet the Ka -- white witches who seek to rid their world of the growing threat. Will they make it, or will Al Zaric succeed in awaking his master?

The Agora Files - Part III

Books 5-8 in the evocative and unputdownable historical fiction family saga during World War II, together in one box set. *Trouble Brewing*: Richard is a soldier. He obeys orders, until he sees her. She works for the Polish resistance, saving her life is a crime against Führer and Fatherland. When fate reunites them at his most vulnerable time in life, he must choose: Fight for his country or become a traitor of conscience. *Fatal Encounter*: Lotte Klausen and her Polish brother-in-law Piotr Zdanek are both in the Warsaw Uprising — on opposing sides. When they meet during the heat of the battle will they be able to save each other's lives or does the war between their countries tear the family apart? *Uncommon Sacrifice*: Held captive in a notorious Nazi camp, Peter clings to the dream of freedom. But when his wife Anna stages an escape for him, he has to leave his injured brother Stan behind. *Bitter Tears*: She's Polish. He's German. Enemies even after the war. A Wehrmacht deserter of conscience, hiding out on a farm in Poland. The woman who loves him. *Topics*: Berlin, World War Two, WWII, German Literature, Historical Fiction, Resistance, European Literature, Heartbreaking Story of Love and Redemption, Jewish and Holocaust History, Concentration Camps, Espionage, Nazi Party, Gestapo, Holocaust, Forbidden Love, female prison guard, fighter pilot hero, historical romance, military romance, moral dilemma, star-crossed love, forbidden love, box set, collection, discounted books, Perfect for fans of Ann

Bennett, Lucinda Riley, Dinah Jefferies, Ken Follett, Victoria Hislop, Marius Gabriel, Tracy Chevalier, Fiona Valpy, Deborah Swift, Jenny Ashcroft, Petra Durst-Benning, Nicola Cornick, Janet MacLeod Trotter, Jean Grainger, Clare Flynn, Kate Furnivall, Kristin Hannah. Truthstone

Eva Thorne thought facing a werewolf, betrayal, and the army of Death was bad. She learns there are all new kinds of evil—and more enemies, as well as allies, than she ever imagined. All of them have an agenda, and all of them want the one thing she needs to defeat the Dead God and save her world from annihilation. Can she claim the First Soul before they do? The bad guys all want her dead. Fortunately, some want the First Soul more, and they need her to get it. They hope it will make them a god. She wants it for her own reasons. It summoned the God of Death, and it can send Him back to the Void before His armies ‘cleanse’ everything she’s ever known from existence. The last strongholds of humanity have fallen. Only the Three Kingdoms of Avian, Dwarf and Elf still stand. Eva is running out of time, because even that alliance is crumbling, and the Elf King, Fharen, is hatching a desperate plan of his own to win the war, one that sacrifices everyone Eva cares about. Eva doesn’t want to be the femme fatale or Death’s bride, and she may be the worst pet detective ever, but surely, she can find a missing relic? The First Soul is evil, and like attracts like. Gods and monsters have sought it for centuries. She has one advantage – no one does evil quite like a Thorne.

War Girls Books 5-8

Major Neil Olaf has been defending his country and himself for over eight years. Neil is a Military Intelligence Officer, the third in his family after his uncle and now deceased father. But just as he prepares to face a crossroads in his life, everything goes terribly wrong. Neil is on top of the world after his girlfriend, Tatiana, agrees to marry him. Moments later as she reaches to draw the curtains across the window, Tatiana is assassinated, sending Neil and his dreams plummeting into darkness. After Neil quickly rids the world of her assassins, he embarks on a quest for revenge that leads him from the Ukraine to Paris, where he is left to wonder if his father is really dead after all. Because Neil is a target for so many, those in his inner circle are put in jeopardy. When his best friend is murdered, Neil must pull out all the stops to stay alive and achieve justice. But can he triumph over evil before it is too late? *Old Habits Die Hard* shares the gripping tale of an old spys vengeful journey as he attempts to make a difference and somehow survive, even when it seems the entire world is after him.

Blood and Thorne

The return of a Brighton girl turned movie star spells nothing but trouble for Detective Superintendent Roy Grace in the gripping crime novel *Not Dead Yet*, by award winning author Peter James. Gaia Lafayette has a movie to shoot back home and Grace is in charge of her security. Yet when a vicious gangster is released from prison and an unidentifiable headless torso is found, a nightmare unfolds before Grace’s eyes. An obsessed stalker is after Gaia – and Grace knows that they may be at large in his city, waiting, watching, planning . . . Although the Roy Grace novels can be read in any order, *Not Dead Yet* is the eighth thrilling title in the bestselling series. Enjoy more of the Brighton detective’s investigations with *Dead Man’s Time* and *Want You Dead*. Now a major ITV series, *Grace*, starring John Simm.

Old Habits Die Hard

The Demon of Table Mesa By: John Waddell Jacob and his two friends come across an old spirit board game they find in the attic. As the three become immersed in the game, they become a part of a story about Jacob’s ancestors, who were involved in a massacre of a Native American village, which existed in the 1800s during the Indian wars. With a desire to fix the injustices of his ancestors of the past, Jacob must travel through the “Portal to When.” When arriving in the year 1852, Jacob is adopted by the leader of the village. *The Demon of Table Mesa* is indeed a tale of demons—and while experiencing evil, Jacob must learn about the good and evil within himself.

'Russell Hoban is one of our greatest, timeless novelists' The Times

Not Dead Yet

Getting into the sinister comic-book world of "Malice" is just the beginning. Getting out of it is much, much harder.

The Demon of Table Mesa

Fantasy is a phenomenon that affects all of us more than we consciously recognize. Are we not constantly daydreaming or dreaming of the future pondering our wishes and desires? Or, do too many people accept things as they are-readily to concede all appearances as gospel? Stranger Than Fantasy is a collection of forty fantasy short stories. Each story should be taken for what it is—for the most part, an entertaining excursion of fiction that challenges one's thoughts, one's acceptance of reality. Hopefully, after reading my stories, the readers will look at their lives, their life situations a little differently and finally stand up and exclaim, "That which is, is not and that which is not, is! And if that happens, then I think the world will be a little bit better off today than it was yesterday. George Mauro

Kleinzeit

Dying isn't what it used to be in Jenn Burke's sexy paranormal mystery series, Not Dead Yet. Not Dead Yet Wes Cooper was dead. Then he wasn't—though he's not exactly alive either. As an immortal not-ghost, he can transition between this world and the otherplane, which makes him the perfect thief-for-hire. For seventy years he's made a "living" returning items to their rightful owners, seeing his fair share of the bizarre in the process. But he's never witnessed murder. Until now. It's just Wes's luck that his ex-boyfriend, Detective Hudson Rojas, is assigned to the case. Hudson broke Wes's heart years ago—and could again. As they work together to track down the murderer, it becomes clear Wes and Hudson have unfinished business. And when a secret Hudson's been keeping threatens more than just their happiness, it might mean the end of their not-life together—permanently. Give up the Ghost Immortal not-ghost Wes Cooper and his vampire partner, Hudson Rojas, have it all—rewarding private investigation work, great friends and, most important, a love that's endured. But ever since Wes sent a demon screaming back to the beyond, his abilities have grown overpowering and overwhelming. He's hiding the fact that he's losing control the best he can, but it's hard to keep anything a secret for long when your partner's a former cop...and especially when your partner's a former cop who wants to move in together. When all hell literally breaks loose in Toronto, he and Hudson are thrown into a case unlike any they've seen before. To save the city, Wes needs to harness his new power...and find some answers. But when he gets them, the solution to fix it all could mean losing everything. Graveyard Shift Wes Cooper and his not-life partner, vampire Hudson Rojas, have settled into cohabitation in an upscale part of Toronto. Their PI business is booming, and when a suspect they've been tailing winds up in the morgue, it's alongside a rash of other shifters in apparent drug-related fatalities. Now Wes and Hudson must connect the dots between the shifter deaths and an uptick in brutal vampire attacks across the city. When a nightmare from Hudson's past comes back to haunt him, their weird, little found family is pushed to the brink. Mucking this up would mean Hudson and Wes missing their second chance at happily-ever-afterlife... Not Dead Yet Book 1: Not Dead Yet Book 2: Give Up the Ghost Book 3: Graveyard Shift Ashes and Dust Book 1: All Fired Up Book 2: House on Fire Book 3: Out of the Ashes Chaos Station by Jenn Burke and Kelly Jensen Book 1: Chaos Station Book 2: Lonely Shore Book 3: Skip Trace Book 4: Inversion Point Book 5: Phase Shift

Havoc

It's 2037. I'm Mike Williams, but you can call me 'Magnet'. Everyone else does. It's short for 'Chick Magnet', which is good old-fashioned military humour at its finest. At age fifteen, my face picked a fight with the propeller of my family's boat, on a shoal near Broome, off Western Australia. It was an accident, but, needless to say, the propeller won. Twelve years later, I was a not-so-ruggedly-handsome fighter pilot assigned to the TFR Sydney. Not the Captain, or flight leader, or anything similarly exciting. Nobody special, just one mostly-unmemorable pilot among the many nameless, faceless masses. I'm Magnet. This is my story. Contains: Magnet Magnet: Special Mission Magnet: Marauder Magnet: Scarecrow and a bonus story, "Magnet Saves Christmas"! This novel length collection of Magnet stories is interwoven into the Lacuna universe, taking place between Lacuna: The Sands of Karathi and Lacuna: The Ashes of Humanity, but is suitable for reading as a standalone collection. Parts of the Lacuna universe: - Magnet - Magnet: Special Mission - Magnet: Marauder - Magnet: Scarecrow - Magnet Omnibus I (new

release!) - Imperfect - Faith The Lacuna series: - Lacuna - Lacuna: The Sands of Karathi - Lacuna: The Spectre of Oblivion - Lacuna: The Ashes of Humanity (new release!) - Lacuna: The Prelude to Eternity (coming soon!)

Stranger Than Fantasy

In this collection about life as a twentysomething in the twenty-first century, Kathleen Rooney writes with the finesse of someone well beyond her years, but with fresh insights that reveal a girl still making discoveries at every turn. Varied and original, the tales in *For You, For You I Am Trilling These Songs* recount the perils of falling in love with the unlikeliest of people, of visiting the New York apartments of a vanished poet, and of touring an animal retirement home with her parents. Of getting a Brazilian wax, and of chauffeuring a U.S. senator around town. Of saying good-bye to a cousin who's joining a convent, and of trying to convince herself that she's not wasting her life. This is a book about love and longing, poetry and plagiarism, death and democracy, mountain floods and Midwestern cicadas. Here is a young woman struggling to find her place as an adult and a citizen in an America that rarely manages to live up to Whitman's dream of it. With this book, Rooney sings—yes, in fact, she trills—loud and clear.

Not Dead Yet Collection

Every day, twenty-eight-year-old Meena Rawat is hounded by inner voices reminding her to be grateful for the middle-class American life she has—even if she is stuck in an unhappy marriage. She and her daughter are both safe, clothed, and fed, more than she could say for herself as a child. Born into the "Untouchables" caste in a small village in North India, Meena frequently relives the nightmare of abuses and slurs she suffered in an orphanage. There is only one bright spot in her memories: the fellow 'Untouchable' orphan who became her best friend and first love, Ramu. When Ramu reappears in her new American life, he's different. Unlike her, he has cast off the shame of their upbringing and become a confident entrepreneur. Their meeting rekindles a lost passion and the two find they share a mutual sense of obligation to help the children of the outcast community they left behind. Meena fantasizes about a future with him, but will her responsibility to her daughter—and the certainty that she would lose custody—keep her chained?

Magnet Omnibus I

Time Travel and *Tai Chi Chuan* are some of the stories involved in this novel. It is short enough for teenagers and children, but long enough for adults to be able to be read in a fair amount of time.
