New Hope

I am Kira of New Hope New Hope is a village hidden in an area near the Ozark Mountains. My community is hidden because of the war between humans and vampires. Before the war, we believed that vampires only existed in books and movies. Now we know that they are real. I was a child when I first encountered one in the woods just beyond my village. It did something to me, and it changed me somehow. I am human, but I can do things that other humans cannot. I have hidden my abilities from everyone, including my family. I have left my village to go to the vampire city, accompanied by three vampire hunters. They can do things that other humans cannot as well. The vampires claim that they want a truce with humans. The only way to achieve this is for me to marry one of four vampire princes.

Unleash

A powerful vampire lost deep in his bloodlust, Snow is a savage animal, mindless with rage and a thirst for violence, and trapped with no hope of awakening from an endless nightmare... until a song draws him up from the abyss, restoring his sanity but leaving him haunted by the sweet feminine scent of lilies and snow, and fragmented familiar lyrics. When the mysterious and beautiful songstress reappears in Snow's room at Vampirerotique, she awakens a fierce protective streak and stirs dark desires that drive him to claim her as his female, even when he knows his touch will destroy her innocence. A single forbidden taste is all it takes to unleash emotions in Aurora that she shouldn't possess, tearing her between duty and desire, and luring her into surrendering to her wildfire passion and embracing hungers that burn so hotly they threaten to consume them both. One act of kindness can lead to one thousand acts of sin though, each a black mark against the bearer's soul and another grain of sand that slips through an hourglass. Crimson Born

Every human of adult age and sufficient health shall therefore donate, every sixty days, one pint of blood to the blood bank of his or her district, ensuring the survival of the vampire race, the continued safety of humankind, and peace between the species—Edict Fourteen of The Crimson Accord As long as I can remember, I've longed for a different life—one filled with adventure, excitement, and romance. This wasn't exactly what I had in mind... One minute I was riding in a horse-drawn buggy on my way home to my quiet Amish village—the next was torn by the screech of car tires, and twisted metal, and the white hot lance of pain. There was no doubt in my mind my life was over. So when I woke up to the face of a beautiful stranger who promised me the suffering would end soon, I thought I'd seen an angel. I couldn't have been more wrong. Abigail Byler is caught between two worlds at the worst possible time in human/vampire history. A peace treaty signed fifty-five years ago allowed vampires to come out of hiding and begin participating in the world in a respectable, productive way. Not only did it permanently solve supply chain issues arising from illness, death, and exhaustion for humans (Vampires make phenomenal long-haul truck drivers and night-shift workers) it also provided a much-needed non-violent option for their kind to satisfy their own nutritional needs. As long as every healthy adult human makes regular donations to blood banks and a reasonable percentage of the supply is allotted to vampires, no one will ever be bitten (without their permission) again. But now the anti-vamp movement in America is growing, blood donations are down, and the Accord is in danger of crumbling. Abigail will have to navigate her new place in the world--and in the beautiful but deadly Crimson Court--if she's to have any hope of surviving... and helping the human race do the same. CRIMSON BORN is a romantic and gripping full length YA dystopian vampire fantasy that will transport fans of paranormal romance and young adult urban fantasy to a fascinating supernatural world within our own, filled with suspense, danger, sizzling tension, and desire. *** If you love dangerous romantic vampire fiction like Crave, the

Blood and Ash series, and Crescent City, you'll fall in love with the addictive, heart pounding excitement and suspense of the Crimson Accord series! Perfect for fans of Tracy Wolff, Sara J. Maas, Jennifer Armentrout, and Charlaine Harris. Grab your copy today and dive into the Crimson world!

Mortal Wish

********Lara Adrian, New York Times Bestselling Author of the Midnight Breed series: "I'm addicted to Tina Folsom's books! The Scanguards® series is one of the hottest things to happen to vampire romance. If you love scorching, fast-paced reads, don't miss this thrilling series!" Jake Stone comes to an island

with a magical spring to have his only wish in life fulfilled: to be mortal again. As a vampire, he's tired of the lonely and unfulfilling life he's been living. Then he meets Claire Culver, a woman whose trip to the island is her last hope. She wishes for a miracle to cure her of a terminal illness. Will her wish be granted, or will this be her last Christmas? Where does this novella fit into the Scanguards timeline? It takes place several years before Samson's story kicks off the Scanguards Vampires series in San Francisco with Samson's *Lovely Mortal*. Well-loved Scanguards characters—Gabriel, Zane, and Amaury—will make an appearance in this short novella. Previously published as part of an anthology *This is a longer version of Mortal Wish*, which first appeared in the anthology “Summer on Seeker's Island” in 2013. Some character names, settings, and events have been changed, and several chapters have been added to this new 2015 version. This short novella of approximately 60 pages is over 50% longer than the 2013 anthology version.

ABOUT THE SERIES The Scanguards Vampires series is full of fast-paced action, scorching love scenes, witty dialogue, and strong heroes and heroines. Vampire Samson Woodford lives in San Francisco and owns a security/bodyguard company, Scanguards, which employs both vampires and humans. And eventually some witches. Throw in a few immortal guardians and demons later in the series, and you'll get the drift! Each book can be read as a standalone and always centers around a new couple finding love, but the series is more enjoyable when read in order. And of course, there are always a few running jokes - you'll understand when you meet Wesley, a wannabe witch. Enjoy!

Unleash

A powerful vampire lost deep in his bloodlust, Snow is a savage animal, mindless with rage and a thirst for violence, and trapped with no hope of awakening from an endless nightmare... until a song draws him up from the abyss, restoring his sanity but leaving him haunted by the sweet feminine scent of lilies and snow, and fragmented familiar lyrics. When the mysterious and beautiful songstress reappears in Snow's room at Vampirerotique, she awakens a fierce protective streak and stirs dark desires that drive him to claim her as his female, even when he knows his touch will destroy her innocence. A single forbidden taste is all it takes to unleash emotions in Aurora that she shouldn't possess, tearing her between duty and desire, and luring her into surrendering to her wildfire passion and embracing hungers that burn so hotly they threaten to consume them both. One act of kindness can lead to one thousand acts of sin though, each a black mark against the bearer's soul and another grain of sand that slips through an hourglass. The clock is ticking and time is almost up. Can beauty save the beast?

The Vampire's Mark 1

Four blood-sucking princes. A beautiful anarchist. One dangerous mistake. To the vampires who dominate each quadrant of the Lydian Dynasty, I'm only known as "Blackbird"-a masked vigilante who, at nineteen, is already public enemy number one. To what's left of humanity, I've been called a superhero, a title I neither welcome nor deserve. My only objective is to offer the enslaved what was stolen from us ... Freedom. However, a failed plan lands me in the last place I imagined, at the mercy of all four Dynasty princes-Julian, Levi, Roman, and Silas. They're monsters, each with a heart rumored to be as cold as his icy skin. And what's worse, thanks to the slip-up, my fate is suddenly theirs to decide. It's up to them whether I'll swing from the gallows, and I've given them every reason to sentence me to such a fate. Yet, I felt something unexplainable when our paths first crossed. Something that gives me hope. We should be one another's worst nightmare. Only, I'm beginning to wonder if, somehow ... these four princes might be my saving grace. ***"This is a TOTALLY DIFFERENT take on the Vampire Realm. Boy oh BOY is this a nail-biter!" -Amazon Review "Corina is one of those characters I can't help but love. She is so determined, brave, quick and ballsy..." -Amazon Review "I loved all the action, intrigue, intense scenes, the back and forth dialogue, the betrayal, magic and secrets ... SO many secrets." -Amazon Review "The storyline was so damn entrancing. Rachel did a beautiful job building this complex dystopian world." -Amazon Review "The Vampire's Mark was wild, crazy and incredibly dark... I loved it!" -Amazon Review "Lost in the story and unable to look away, my heart pounded right alongside Corina's!" -Kalli's Book Nook This is BOOK ONE in THE VAMPIRE'S MARK series. Series order is as follows: The Vampire's Mark 1: Dark Reign The Vampire's Mark 2: Hell Storm The Vampire's Mark 3: Cold Heir The Vampire's Mark 4: Crimson Mist Note: This is a slow-burn, upper young adult/New Adult, RH series. You have my word there's no insta-love between these pages whatsoever. Instead, you'll be immersed in a rich plot and an imaginative alternate-reality where vampires don't just exist. They rule. The eventual connection between Corina and these four sexy, vamp princes will be well-deserved and intense. There are certainly sexy times in this series, and the heat level is synonymous with the young adult/new adult genres. Thanks for checking out the series and enjoy! THE VAMPIRE'S MARK is an action-packed, paranormal romance involving vampire royalty and the humans who fear them. This series is an upper YA/NA crossover perfect for fans of Bella Forrest's "A Shade of Vampire"

Circle of Blood Book One: Lover's Rebirth

New Orleans is a hot mess. Ancient feuds. Demonic forces bent on destruction. Oh, and apparently vampires are real. Della didn't sign up for any of this. She didn't sign up for violence and mayhem in the streets of the Big Easy. She didn't sign up to be a magnet for an evil force intent on hunting down the reincarnated souls of its enemies. She sure as hell didn't sign up for rescue by a sinfully tempting vampire lord and his fashion-model-gorgeous friends. Especially since he seems convinced that she's the living embodiment of his long lost human mate. Seriously, this kind of stuff isn't supposed to happen to insurance company receptionists from New Jersey. The world is descending into chaos. Now, a coven of hypnotically alluring bloodsuckers is trying to convince her they're the good guys. And the truly scary part is, she's starting to believe them. * * * The Circle of Blood Series In another lifetime, six vampires lost their mates-and their mortality-to an unimaginable evil power. Now, if they can't reunite with the reincarnated souls of their lost loves soon, it may just mean the end of the world. From USA Today bestselling author R. A. Steffan and fresh new voice Jaelynn Woolf comes a steamy paranormal

romance series perfect for adult fans of vampire fiction. Download Circle of Blood Book One: Lover's Rebirth today and begin a heart-stopping journey that explores the power of love in a world gone mad with hate.

Please be warned that this novel contains themes of past trauma and abuse as character backgrounds.

Loving Hope

Hope's had her eye on Charlie for a long time, for all the good it's done her. He's not even aware of her existence—other than as a fellow agent working Black Ops for the CIA. Her friends, Glory, Honor, and Charity, found men to love, so Hope knows it's possible. But the odds aren't in her favor. Not in a world of normal humans where she's a genetically modified aberration. Hell, even she refers to her kind as freaks. What man in his right mind would want one of those in his bed? Charlie swore off women after his last marriage went down in drama-tipped flames fifteen years ago. His first mistress is danger. He fell in love with the adrenaline rush when he signed on as a Navy Seal right out of college, and he never got over the thrill of pitting himself against the impossible. Hope caught his eye the night she escaped her compound, but years of ignoring anything resembling a feeling made it easy to ignore the attraction—until they're paired on a mission. Her intelligence and resourcefulness impress the hell out of him, but her half-naked body, exposed after an animal attack, forces him to face feelings he was certain he'd buried for good.
