Hill of Secrets

On a blooming May morning, five bodies of a single religious family are found in their apartment, in the quiet suburb of Givat Shmuel (Shmuel's Hill). Detective Hadas Levinger, a daughter of a religious family who renegaded and turned atheist, is put in charge of the police investigation. Slowly and skillfully she peels the shells protecting this unique community and reveals hard to digest secrets.

The Secret of Cold Hill

From the number one bestselling author, Peter James, comes The Secret of Cold Hill. The spine-chilling follow-up to The House on Cold Hill. Now a smash-hit stage play. Cold Hill House has been razed to the ground by fire, replaced with a development of ultra-modern homes. Gone with the flames are the violent memories of the house's history, and a new era has begun. Although much of Cold Hill Park is still a construction site, the first two families move into their new houses. For Jason and Emily Danes, this is their forever home, and for Maurice and Claudette Penze-Weedell, it's the perfect place to live out retirement. Despite the ever present rumble of cement mixers and diggers, Cold Hill Park appears to be the ideal place to live. But looks are deceptive and it's only a matter of days before both couples start to feel they are not alone in their new homes. There is one thing that never appears in the estate agent brochures: nobody has ever survived beyond forty in Cold Hill House and no one has ever truly left . . .

Grim Hill

Family Secrets

As if stumbling over a dead body isn't enough, Crystal Cartwright finds herself playing surrogate mother to two small boys when their father--her neighbor--doesn't come home. The kids aren't much trouble, but the thieves, drug dealers and kidnappers they're about to encounter are. Detective Jack Dunlevy,

a cop down on his luck, draws the cases no one else wants. A simple investigation involving a dead homeless man quickly changes as Crystal enlists Jack's help with the children. Drawn into a mystery that none of them could have anticipated, they're faced with a situation that will change their lives forever. Review. "Be sure to add Family Secrets by Jamie Hill to your reading list, you'll be glad you did." ~5 Hearts ~ Anita, The Romance Studio

Forest of Secrets

When Cat and her friends are taken hostage and find themselves stranded in Headless Valley, it's clear they will need a miracle to get back home. Although they find an abandoned cabin for shelter, their supply of food and water is running out fast, their kidnappers are not on their heels, and a sinister threat lurks in the loft of the cabin. Cat has to make an impossible choice: risk the group's chance of survival, or risk her sister, who may be able to summon help using her magical skills. But if Sookie opens the door to Fairy, what will be the cost?

The Secrets We Share

"Shari Lapena meets Ruth Ware. A compulsively readable domestic thriller." —CHARLIE DONLEA, USA Today bestselling author of Twenty Years Later A mesmerizing, twisty suspense novel perfect for fans of Mary Kubica and Riley Sager from an acclaimed author! Explore the deep bonds—and deadly secrets—between two very different sisters haunted by the crimes of their father murdered nearly twenty years earlier. At first glance, Natalie Cavanaugh and Glenn Abbott hardly look like sisters. Even off-duty, Natalie dresses like a Boston cop, preferring practical clothes and unfussy hair. Her younger sister, Glenn, seems tailor-made for the spotlight, from her signature red mane to her camera-ready smile. Glenn has spent years cultivating her brand through her baking blog, and that hard work seems about to pay off. But her fans have no idea about the nightmare in Glenn and Natalie's past. Twenty years ago, their father's body was discovered in the woods behind their house. A trauma like that doesn't fit with Glenn's public image. Yet maybe someone reading her blog does know something. There have been anonymous online messages, vague yet ominous, hinting that she's being watched. And with unsettling coincidences hitting ever closer to home, both Glenn and Natalie soon have more pressing matters to worry about, especially when a dead body is found in an abandoned building . . . Natalie is starting to wonder how much Glenn really knows about the people closest to her. But are there also secrets Natalie has yet to uncover about those she herself trusts? About their father. About their neighbors. About her friends. Maybe even about herself. But there are no secrets between sisters . . . are there? The Lost Prosperity Secrets of Napoleon Hill

NEWLY DISCOVERED ADVICE FOR SUCCESS IN TOUGH TIMES FROM THE RENOWNED AUTHOR OF THINK AND GROW RICH It isn’t everyday that an opportunity comes along to read newly discovered advice for success in tough times in a book by Napoleon Hill, the legendary author of Think & Grow Rich, The Magic Ladder to Success, and The Master Key to Riches. The Lost Prosperity Secrets of Napoleon Hill consists of a series of magazine articles Napoleon Hill wrote between 1919 and 1923 for Success magazine, for which he eventually became an editor. Hill’s drive to become successful led him from the poverty stricken Appalachian Mountains to meetings with rags-to-riches tycoons. These articles focus on Hill’s philosophy of success. Drawing upon the thoughts and experiences of a multitude of influential people, Hill explains how those successful people achieved their status. Many of these writings have been the basis of several best-selling books. Discover principles designed to guide you in putting these steps to success into action. It is in these early articles that Hill honed his theories, refined his arguments, and polished his presentation of the success philosophy for the ordinary person. A necessary handbook for our era, The Lost Prosperity Secrets of Napoleon Hill is filled with time-tested wisdom that resonates as strongly and is as appropriate today as when it was first written.

The Sound of Secrets (Mills & Boon Love Inspired) (The Secrets of Stoneley, Book 5)

A NOTE FROM NERISSA BLANCHARD

Sinister Secrets on Sunset Hill

Sunset Hill was a tiny, quiet town with an aerial view of all the surrounding cities. It was peaceful. Bad things just didn’t happen there. On those summer evenings when the sky was lit up in striking colors of gold, pink, and orange, folks were sure that God must live there, too. And when the lilac trees were in full bloom and that heavenly scent was carried by a breeze, you knew you had found paradise. “Was it a homicide or a suicide?” Jennifer asked her friend, Alice, whose neighborhood had just been rocked by the news of a dreadful death. A woman in her early thirties, Katie Percival, had been found lifeless lying in a pool of blood in her basement. It was Alice, herself, that had discovered the grizzly scene. This book is so much more than just another murder mystery. It’s so much more than just entering a world of fantasy where you become the detective. Instead, it is the story of some ordinary people who found some extraordinary grace in the midst of some very tragic mistakes. Isaiah 55:7: Let the wicked forsake his way, and the unrighteous man his thoughts: and let him return unto the Lord, and he will have mercy upon him; and to our God, for he will abundantly pardon.

The Secrets of Bredon Hill

The cloak of secrecy was deep. The forbidden was bittersweet. The bitter made her strong; the sweet made her weak. Muzzled to never speak. Hands of time untied knots. Things once tightly locked up fell open and fell apart. The demise broke her heart. She was spent. She gave all that she could give. Heal the child so the woman can live. Heal the child so the woman can live!

But the goddess Artemis has a task, one that will push Arden to her limits and force her to question everything. And as the Wild Hunt draws closer, she finds herself on a collision course with her past—and her future.

Secrets of Bredon Hill

Fifteen year-old Aribelle Cartwright is uprooted from her native San Francisco when her father gets a job in a different state. Instead of majestic skyscrapers and the urban bustle of the city, Ari has to adjust to the solitude of a rural town. Right away, Ari notices something is curiously different about the hill

her historic home resides on. Complicating matters is the aloof boy next door, Dane, who is nearly as mysterious as Hadley Hill itself. Will Ari be able to break through Dane's cautious demeanor to discover the incredible secrets of Hadley Hill?

Ethereal Secrets

Two sisters, one long-ago murder, and a web of terrifying secrets collide in a gripping standalone thriller from acclaimed author Edwin Hill ... At first glance, Natalie Cavanaugh and Glenn Abbott hardly look like sisters. Even off-duty, Natalie dresses like a Boston cop, preferring practical clothes and unfussy, pinned-up hair. Her younger sister, Glenn, seems tailor-made for the spotlight, from her signature red mane to her camera-ready smile. Glenn has spent years cultivating her brand through her baking blog, and with the publication of her new book, that hard work seems about to pay off. But her fans have no idea about the nightmare in Glenn and Natalie's past. Twenty years ago, their father's body was discovered in the woods behind their house. A trauma like that doesn't fit with Glenn's public image. Yet, maybe someone reading her blog does know something. There have been anonymous online messages, vague yet ominous, hinting that she's being watched. And with unsettling coincidences hitting ever closer to home, both Glenn and Natalie soon have more pressing matters to worry about, especially when a dead body is found in an abandoned building ... Natalie is starting to wonder how much Glenn really knows about the people closest to her. But are there also secrets Natalie has yet to uncover about those she herself trusts? For two decades, she's believed their father was murdered by their neighbor, with whom he was having an affair. But if those events are connected to what's happening now, maybe there's much more that Natalie doesn't know. About their father. About their neighbors. About her friends. Maybe even about herself. But there are no secrets between sisters ... are there?
