According to the Bureau of Labor Statistics, the median employee tenure of U.S. workers is 4.6 years. However, when it comes to younger workers, in the age group 25 to 34, that number drops to just 3 years.

The hard costs of employee turnover include things such as administrative processing of an employee's departure; advertising and recruiting to find a replacement; interviewing, including reference checks and any testing of candidates to replace the departing employee; and orientation and training of new hires.

The soft costs of **employee turnover**, are sometimes ...

A rough guideline is one quarter the total cost of a position's salary and benefits. For example, if an employee earns \$50,000 in salary, imagine that the total cost of salary and benefits would be around \$65,000.
