The Little Book of Tyrone

The Little Book of Tyrone is a compendium of fascinating, obscure, strange and entertaining facts about this much-loved county. Here you will find out about Tyrone's myth and legend, its proud sporting heritage, its castles and great houses and its famous (and occasionally infamous) men and women. Through quaint villages and bustling towns, this book takes the reader on a journey through County Tyrone and its vibrant past. A reliable reference book and a quirky guide, this can be dipped into time and time again to reveal something new about the people, the history and the secrets of this ancient county.

The Little Book of Donegal

The Little Book of Donegal is a compendium of fascinating, obscure, strange and entertaining facts about County Donegal. Here you will find out about Donegal's folklore and customs, its proud sporting heritage, its castles, forts and stone circles, its famous (and occasionally infamous) men and women. Through quaint villages and historic towns and along the 'Wild Atlantic Way', this book takes the reader on a journey through County Donegal and its vibrant past. A reliable reference book and a quirky guide, this can be dipped into time and time again to reveal something new about the people, the heritage and the secrets of this ancient county.

Tyrone Folk Tales

The people of Tyrone have the reputation for having 'open hearts and a desire to please' and their folk tales are as varied as their landscape. There are the tales of the amazing feats of the giant Finn McCool and the derring-do of the Red Hand of Ulster as well as the dramatic story of Half-Hung MacNaughton and the hilarious tale of Dixon from Dungannon and his meeting with royalty. All these stories and more are featured in this collection of tales which will take you on an oral tour across the country from the Sperrin Mountains in the west to the flat peatlands of the east.

Tyrone the Horrible

A little dinosaur named Boland tries several ways of dealing with the biggest bully in the swamp forest, until finally hitting on a successful tactic.

The Secret Life of Tyrone Power

"The drama of a bisexual in the spotlight"--Jacket subtitle.

Tyrone House and the St George Family

Located on a prominent site overlooking Galway Bay in the west of Ireland, Tyrone House was once one of the country's finest Georgian mansions. Dating from the 1770s, the building was home to generations of the French and St George families, a powerful symbol of their wealth and power. The interior of the house was lavishly decorated and furnished, beginning with the entrance hall, dominated by a life-size marble statue of Lord St George. But despite their advantages, over the course of the nineteenth century, the family went into irreversible decline and eventually forsook their great residence, which was destroyed by fire in 1920. This book tells the story of the rise and fall of the St Georges and their fate, embodied in what became of Tyrone House, which is today a little more than a gaunt ruin.

The Little Book of GAA Facts

Did you know that in 1924, Mick Gill created history by winning two All-Ireland Senior Hurling medals in the same year and for different counties? Jack Lynch is the only player in GAA history to have won six successive All-Ireland medals (five in hurling). The 2013 All-Ireland Hurling Final was the first to be played under flood-lights, exactly 100 years after Croke Park was first purchased. Do you know the name of every inter-county ground in Ireland? Who was full forward on the team of the Millennium? Who was the 1,000th All Star Award winner? In 'The Little Book of GAA Facts', Eddie Ryan has gathered together a treasure trove of knowledge about a nation's passion. The book charts the history of Gaelic games, blending amazing stories and unique facts, records and outstanding achievements.

The Little Book of Irish Landmarks

The Little Book of Irish Landmarks is a compendium of fascinating, obscure, strange and entertaining facts about some of Ireland's most iconic landmarks and popular tourist attractions. Here you will find out about the Giant's Causeway, Bunratty Castle, Blarney Castle, Newgrange, Cliffs of Moher, GPO Dublin, Tory Island, Skellig Michael, Hill of Tara and much more. A reliable reference book and a quirky guide, this can be dipped into time and time again to reveal something new about the people, the heritage and the secrets of the Emerald Isle.

The Little Book of Armagh

Here you will find out about Armagh's history, its proud sporting heritage, its castles and great houses and its famous men and women. You will also glimpse a darker side to Armagh's past with tales of poverty, famine and tragedy. Through quaint villages and bustling towns, this book takes you on a journey through the Orchard County and its vibrant past. A reliable reference book and a quirky guide, this can be dipped into time and time again to reveal something new about the people, the heritage and the secrets of this ancient county.

The Little Book of Fermanagh

The Little Book of Fermanagh is a compendium of fascinating, obscure, strange and entertaining facts about County Fermanagh. Here you will find out about the county's industrial past, its proud sporting heritage, its arts and culture and its famous (and occasionally infamous) men and women. Through quaint villages and bustling towns, this book takes the reader on a journey through County Fermanagh and its vibrant past. A reliable reference book and a quirky guide, this can be dipped into time and time again to reveal something new about this varied county.

Tyrone the Double Dirty Rotten Cheater

Big, bad Tyrone the dinosaur wins all the games at Swamp Island by cheating until he foils his own attempt to cheat in the treasure hunt.

Little Bad Tyrone

A chilling dystopian novel filled with dark humour, for fans of Andrew Hunter Murray's THE LAST DAY or Christina Dalcher's Q. She went willingly to the hospital. She couldn't have anticipated how difficult it would be to leave... Mr and Mrs Sincope are anticipating the birth of their first child. On the way to the hospital for Mrs Sincope's induction their squabbling over their daughter's name betrays an unquestioning trust that everything will go to plan. And why wouldn't it? But as the hours pass and Mrs Sincope's labour doesn't begin, the couple start to worry. And as the hours bleed into days and there is still no sign of progress, it becomes clear that there is something far more sinister going on behind the white hospital doors...

The Patient

Tyrone is a chameleon who thinks he's an alligator until he runs into the biggest, baddest gator in the swamp.

Tyrone the Terrible

Tyrone and the Swamp Gang

In this work filled with behind-the-scenes drama, Grant tells the dramatic story of Tyrone Willingham's inaugural season as Notre Dame's first African-American coach.

Return to Glory

Ireland's love affair with Gaelic Games in general, and Gaelic football in particular, has never dimmed. Through the lean days of hunger and emigration, through the champagne-mojito-flavoured years of the Celtic Tiger and onwards, Ireland's love affair for 'our games' has always endured. Fact-packed and light-hearted in style, this reliable reference book and a quirky guide reveals little-known facts about Gaelic football along with details of classic matches, statistical records, famous players, amusing anecdotes, and a general history. This can be dipped into time and time again to reveal something new about this ancient game.

The Little Book of Gaelic Football

One of the greatest books ever written about life transformation and finding your inner light. This book is pure empowerment, packaged in a way that has never been done before.

The Five Secrets from Oz

Tyrone: "Never - but never - come when your name is called. In fact, the moment you hear your name, compress your body into the size of an olive, become as still and invisible as a salesperson at Bloomingdale's, and go back to sleep." Cleo: "...then my daddy got to the check-in desk and announced in a loud stentorian voice that his stupid cat was constipated. Hey, buddy, could you say it a little louder? I don't think the folks in Ames, Iowa, heard you." From dreaming of catnip fields and tummy rubs to driving their mommies crazy, Cleo and Tyrone keep a busy schedule. But they take time out to correspond and share their thoughts - polemics really - about dogs, fashion, real estate, medical science, fine dining, cinema, poetry (haiku included), and the pitiful state of their owners' social lives. More than treatises on the feline and human condition, this is also a love story. Cleo and Tyrone often dramatically - ok, melodramatically - compare themselves to Romeo and Juliet, blaming their evil owners for keeping them apart. Cleo and Tyrone can each be vain, self-centered and manipulative, but somehow, in spite of all their scheming ways, they still manage to wrap their furry little paws around your heart and hold on for a lifetime.

Letters from Cleo and Tyrone

Within the tresses of reality there lies the unknown, which everyone sees and hears around them every day of their lives, and yet they do not know it exists. Should they look up they would find themselves in a reality so terrible and sickening that they wouldn't believe it, and would sink back into their fantasy. This book holds within its pages this truth, this reality, so vivid and crazy that it can't possibly be true, but it is. It's the things you don't see that matter. It's the things that crawl inside you and block your

vision, until it's like you're inside a tunnel, and before the entrance caves in, you must realize what kind of place that this world is becoming, or in this case, has already become. Some of you don't notice, others of you do, and still remain untouched by it, living in a world devoted to yourself, a shrine to greed and evil. So, look up, see the world around you, by opening this book, and let its pages be the truth, for it is so.

Disgraceful Humans in our Post-Modern Society: Short Stories designed to convey some truth and moral lessons

INTRODUCING THE NEW SERIES BY BEST-SELLING, CRITICALLY ACCLAIMED AUTHOR GRET-
TA MULROONEY 'It succeeds from the first pages.' - Annemarie S. DETECTIVE INSPECTOR SIV
DRUMMOND IS LOOKING FOR A FRESH START. WHAT SHE GETS IS TWO DEAD BODIES. It's
Detective Inspector Siv Drummond's first day back on the job, joining a new team in a new town. This
fresh start isn't going to be easy. Still mourning the death of her husband, she must push aside her
grief to focus on her first case. Lauren Visser and Matis Rimas are found stabbed to death in the idyllic
woodland by the River Bere. Their mutilated bodies lie within feet of each other. A photograph of an
unknown girl sits on Lauren's chest. She was an activist and wild swimmer. He was fishing illegally.
WHAT IS THEIR CONNECTION? Siv and her team start ruling out suspects, but no one tells the truth
when everyone has something to hide. What will be dredged up by the investigation? CAN DI SIV
DRUMMOND FIGHT THE CURRENT OF LIES OR WILL SHE BE SWEEPED AWAY? Elegantly written,
THESE LITTLE LIES is a masterclass in slow-burning suspense that will keep you turning the pages
into the early hours. Perfect for fans of Robert Galbraith, Tana French, Liane Moriarty, Rachel Cain or
Ruth Rendell. MEET THE DETECTIVE Detective Inspector Siv Drummond is widowed following a tragic
accident involving her husband. With everything in London reminding her of the past, she moves from
a high-profile squad with the Met to a new job as DI in her old home town - sleepy, seaside Berminster.
She's still grieving and lonely, but she's a fighter and she's smart, which earns her the respect of her
colleagues DS Ali Carlin and DC Patrick Hill, and the grudging approval of her DCI, who wants his
protégé to get her job. WHAT READERS ARE SAYING ABOUT THESE LITTLE LIES 'I loved this first
in the DI Siv Drummond series, may there be many more to follow. I couldn't put the book down, but
tried to read slowly...didn't want it to end. It's great having a book that you can't wait to get back into.' -
Hannelore C. 'I thoroughly enjoyed These Little Lies which is a good procedural with several twists and
a well concealed motive and perpetrator.' - Elaine T. 'Enjoyed it immensely - read it in one day, ignoring
all else.' - Aileen G. 'The first in the series can often be a difficult thing... you've got to set up the scenes
and the characters. This one did it well.' - Louise T. PREVIOUS PRAISE FOR GRET-
TA MULROONEY 'A pleasure to read.' - The Independent 'A beautifully written book, a magnificent read.' - Big Issue 'A
memorable tale with a shocking denouement.' - Time Out 'A psychological tale echoing Barbara Vine.'
- The Bookseller 'I had plenty of guesses, all of them wrong so the novel held my attention throughout.
The pacing is excellent.' - E. Tomasso 'The book moves along at a steady pace and gains momentum as
it progresses. There are many twists and turns along the way as the reader is caught up in the intrigue
and suspense towards a real jaw dropping shocker of an ending nobody will see coming.' BOOKS n

THESE LITTLE LIES an Addictive Crime Thriller with a Twist You Won't See Coming

In a follow-up to the beloved Brontorina, a young dinosaur finds unexpected support for his secret dream: to defy expectations and become a dancer. Tyrone has a dream. But it seems like everyone else has their own dream for Tyrone. Should he be a dentist? A lawyer? A football player like his brother

Johnny? None of these things make Tyrone happy. But then he meets the strongest dinosaur he's ever seen, who inspires him to follow his own heart and become a dancer—like her. The creators of *Brontorina* reunite for a captivating companion story about a young dinosaur who, with a little love and encouragement, finds the courage to dance his way into his dreams.

Tyrone O'Saurus Dreams

Tyrone the horrible bully is back And he's making life miserable for all the other dinosaurs. No one is very happy when Tyrone comes on the camping trip, as he cheats in all the games. What can be done about him? Luckily, Tyrone himself unwittingly provides the answer.

Tyrone the Dirty Rotten Cheat

Apolline is happy hunting magical creatures on her pirate infested outer-perimeter planet. She is a fantastic shot, and doesn't flinch at the blood and guts of her kills. Never once did she consider she could be the missing Princess of Tyrone. All her life, she has heard the story of the Princess, cursed to sleep for eternity, unless her betrothed, the Prince of Oran, gave her true love's kiss. Although Apolline knows she is betrothed, she thinks her fairy guardians arranged it out of ignorance of human ways. The thought she could be a princess is inconceivable. Then Allard appears. Handsome, charming-but he's not hers to have. He's betrothed, too. Her guardians warn her against her new found friendship, but she and Allard meet in secret anyway. Despite her rough exterior, he sees beyond her gun-slinging bravado, and their love blossoms. But the deadline for the sleeping curse is approaching. If Apolline falls in love with the wrong person, she could end up sleeping forever. A quirky, adventurous retelling of *Sleeping Beauty*, with a less than princess-ly princess!

Princess of Tyrone

The personal story of basketball star Muggsy Bogues relates the obstacles and criticism he overcame, describing his achievements in high school, at Wake Forest, and with the Washington Bullets and Charlotte Hornets teams. 75,000 first printing. Major ad/promo. Tour.

In the Land of Giants

The *Little Book of Derry* is a compendium of fascinating, obscure, strange and entertaining facts about County Derry. Here you will find out about Derry's history and archaeology, its arts and culture, its proud sporting heritage and its famous (and occasionally infamous) men and women. Through quaint villages and bustling towns, this book takes the reader on a journey through County Derry and its vibrant past. A reliable reference book and a quirky guide, this can be dipped into time and time again to reveal something new about the people, the heritage and the secrets of this fascinating county.

The Little Book of Derry

A spellbinding story about chasing love, fighting family, losing friends and starting all over again, from the internationally acclaimed Lisa Moore. Sixteen-year-old Flannery Malone has it bad. She's been in love with Tyrone O'Rourke since the days she still believed in Santa Claus. But Tyrone has grown from a dorky kid into an outlaw graffiti artist, the rebel-with-a-cause of Flannery's dreams, literally too cool for school. Which is a problem, since he and Flannery are partners for the entrepreneurship class that she needs to graduate. And Tyrone's vanishing act may have darker causes than she realizes. Tyrone isn't Flannery's only problem. Her mother, Miranda, can't pay the heating bills, let alone buy Flannery's biology book. Her little brother, Felix, is careening out of control. And her best-friend-since-forever, Amber, has fallen for a guy who is making her forget all about the things she's always cared most about — Flannery included — leading Amber down a dark and dangerous path of her own. When Flannery decides to make a love potion for her entrepreneurship project, rumors that it actually works go viral, and she suddenly has a hot commodity on her hands. But a series of shattering events makes her realize that real-life love is far more potent — and potentially damaging — than any fairy-tale prescription. Written in Lisa Moore's exuberant and inimitable style, *Flannery* is by turns heartbreaking and hilarious, empowering and harrowing — often all on the same page. It is a novel whose spell no reader will be able to resist.

Flannery

It is 1931 in Texas County, Missouri, and the dust storms are just beginning. With the Great Depression looming in the near future, Earl Sigler is in pursuit of Eva - the love of his life. But only time will tell if Earl's misspent youth and earlier marriage of convenience will place his quest for Eva's affections in jeopardy.

Tyrone Dust

A portrait of today's African-American male evaluates both archetypes and stereotypes, exploring black masculinity as it is represented by a range of personalities, from professionals and hip-hop figures to family men and criminals. Original.

Deconstructing Tyrone

Located on a prominent site overlooking Galway Bay in the west of Ireland, Tyrone House was once one of the country's finest Georgian mansions. Dating from the 1770s, the building was home to generations of the French and St George families, a powerful symbol of their wealth and power. The interior of the house was lavishly decorated and furnished, beginning with the entrance hall, dominated by a life-size marble statue of Lord St George. But despite their advantages, over the course of the nineteenth century, the family went into irreversible decline and eventually forsook their great residence, which was destroyed by fire in 1920. This book tells the story of the rise and fall of the St Georges and their fate, embodied in what became of Tyrone House, which is today a little more than a gaunt ruin.

Tyrone House and the St George Family

Set in the endless hills of central Pennsylvania, Tyrone became known as the gateway to the Alleghenies. The Little Juniata River flowed through it, connecting Tyrone to communities in the Logan, Bald Eagle, and Juniata Valleys. Since its founding in 1851, Tyrone's central position also made it known as the "Hub of the Highways." Its advantageous location allowed the Pennsylvania Railroad Company to establish a railroad terminus to bring the riches of coal, iron, grain, and lumber to market. A newfound prosperity was attained, prompting outside investment. Tree-lined promenades and terraced lawns complemented the natural beauty of this community. Through vintage postcards, images, and photographs from famous Tyrone photographer R. K. Bonine, Tyrone chronicles the history of this charming community and the towns and villages that share its valleys.

This is the story of Eamon, a little boy growing up in Northern Ireland in the sixties, before he succumbed to Leukaemia, a few months short of his seventh birthday. The book describes specific aspects of his short but remarkable life, all written from his perspective. Each chapter has a footnote which charts the history of the conquest of childhood leukaemia which commenced during his lifetime. The book is based around actual events and things which Eamon said and did which have been passed down. Eamon has the benefit of perspective, so he can describe events that have yet to happen which have a bearing on the life of his family.

Elephant on Main Street

Including eight disparate tales ranging in length from short story to novella, plus one huge crossover tying them together: THE BABY HUNTER: When mutant superhuman babies cause the apocalypse, you need... The Baby Hunter. They hunt us. He hunts them. CHASING COWQUEST: After thirty years, it seems someone has finally broken Max's record on a mysterious arcade game called Cowquest. With his wife's permission, he's returning to his hometown to get it back. QUINCUNX: In the final game of the Scrabble Championships, one player makes a move no one saw coming. MALTZIE: A CAT'S AUTOBIOGRAPHY: For anyone that's ever had a special little fuzzface in their life. Adopted as a kitten, Maltzie immediately forged a bond with his humans that only grew stronger with time. THE 2ND AMENDMENTERS: They worship the only Amendment that matters (to them). Second Amendment! TYRONE JACKSON AND THE HALF-COURT DUNK: Harry Potter meets Boyz n the Hood in this explosive parody. Includes special bonus features. IT WAS A GIFT FROM GOD, THEY SAID: Everyone on Earth is suddenly "blessed" with the gift of flight. Why question it? THE BEST DAMN COP ON THE FORCE: You don't get to be the best without taking a few risks. THE GREATEST CROSSOVER OF ALL TIME: They're some of the worst, most poorly written characters ever created by one man in 2018. Now

their worlds are about to collide. They thought they had problems before... Featuring all your favorite (and least favorite) characters from the above compilation. A thriller.

Did you know that the inventor of the submarine was born along the west coast of Ireland, that ships from the Spanish Armada floundered off the Irish Atlantic seaboard and that guns for the 1916 Easter Rising were to be landed at Barna Strand in Co. Kerry but the ship, The Aud, was intercepted by the British Navy? Did you know that there was a plan to smuggle Marie Antoinette from France and away from Madame Guillotine to Dingle, that the Fasnet Rock off the south coast is known as the 'tear drop of Ireland' and that Maureen O'Hara's husband was a flying boat pilot who regularly flew into the flying boat station at Foynes? And did you know that Martello towers were built along the western seaboard during the Napoleonic Wars in case Napoleon tried to invade Great Britain via 'the back door'? This fact-packed little book is full of all sorts of information that will surprise even those who think they know the towns and villages along the Wild Atlantic Way.

Introduction to Act 1

Wie du warst! Wie du bist!

Lachst du mich aus

Der Feldmarschall sitzt im krowatischen Wald

Quinquin, es ist ein Besuch

Selbstverständlich empfängt mich Ihre Gnaden

Euer Gnaden werden vielleicht verwundert sein

Dann ziehen wir ins Palais von Faninal

Hat Sie schon einmal mit einem Kavalier

Geben mir Euer Gnaden den Grasaff' da

I komm' glei'

Di rigori armato il seno

Als Morgengabe, ganz separatim jedoch

Mein lieber Hippolyte

Da geht er hin, der aufgeblasene schlechte Kerl

Ach, du bist wieder da

Oh, sei er gut, Quinquin

Die Zeit im Grunde, Quinquin

Mein schöner Schatz

Quinquin, er soll jetzt geh'n

Ich hab' ihn nicht einmal geküsst!

Introduction to Act 2

Ein ernster Tag, ein großer Tag

In dieser feierlichen Stunde der Prüfung

Presentation of the Rose. "Mir ist die Ehre widerfahren

Hat einen starken Geruch wie Rosen

Wo war ich schon einmal und war so selig

Ich kenn' ihn doch recht wohl

Jetzt aber kommt mein Herr Zukünftiger
Belieben jetzt vielleicht
Möcht' wissen, was Ihm dünkt von mir und Ihm
Wird Sie das Mannsbild da heiraten
Mit Ihren Augen voll Tränen
Herr Baron von Lerchenau!
Ich hoff', er kommt vielmehr
Er muß mich pardonieren
Heirat' den Herrn dort nicht lebendig und nicht tot!
Da lieg' ich!
Und doch, muß lachen, wie sich so ein Luder
Ohne mich, ohne mich jeder Tag dir zu bang
Ganz zu Befehl, Herr Kavalier
Introduction to Act 3

Pantomime
Hab'n Euer gnaden noch weitere Befehle
Nein, nein, nein, nein! I trink' kein Wein
Die schöne Musi!
Macht Sie der Wein leicht immer so
Er ist es! Es ist mein Mann!
Halt! Keiner rührt sich!
Zur Stelle! Was wird von mir gewünscht
Die Braut! Oh was für ein Skandal!
Sind desto eher im Klaren!
Bin glücklich über Maßen
Er sieht, Herr Kommissar, das Ganze war halt eine Farce
Bin von so viel Finesse charmiert
Leupold, wir geh'n
Mein Gott, es war nicht mehr als eine Farce
Heut oder morgen oder den übernächsten Tag
So schnell hat Sie ihn gar so lieb
Marie Theres'! - Hab' mir's gelobt
Ist ein Traum, kann nicht wirklich sein
Sind halt also, die jungen Leut'!
Ist ein Traum, kann nicht wirklich sein

Who Gets What-and why

This book shows how our lives are shaped not only by the choices we make, but by the choices we have. From dating, school and university applications to the job market, understand the most important decisions you'll ever make with insights from a Nobel Prize-winner. Who Gets What and Why is a piquantly written, mind-expanding exploration of the markets that matter most to many of us. If you've ever sought a job or hired someone, applied to university or guided your child into a good school, asked someone out on a date or been asked out, you have participated in a matching market. They are

everywhere around us and account for some of the biggest technological successes of the decade, like Uber and Airbnb. Matching markets can even be the gatekeeper of life itself, guiding how desperately ill patients receive scarce organs for transplants. Alvin E. Roth shared the 2012 Nobel Prize in economics for his pioneering research into market design - the principles that govern all kinds of markets where money isn't the only factor in determining who gets what. His book reveals what factors make these markets work well - or badly - and shows us all how to recognise a good match and make smarter, more confident decisions.

Small-Space Container Gardens

Small? Yes. A concrete slab populated with plastic chairs and an abandoned grill? Not anymore. Small-Space Container Gardens layers practical gardening fundamentals with creative solutions, encouraging us to think "outside the pot." You'll learn how to tackle unique challenges, like windy conditions several stories above street level, and how to care for plants and troubleshoot problems like garden pests and diseases. From design basics to essential plant picks, Small-Space Container Gardens proves you don't need a yard to have a happy, healthy garden. For anyone who wants more green in their life, it's time to start gardening creatively in small spaces.

Measure What Matters

#1 New York Times Bestseller Legendary venture capitalist John Doerr reveals how the goal-setting system of Objectives and Key Results (OKRs) has helped tech giants from Intel to Google achieve explosive growth—and how it can help any organization thrive. In the fall of 1999, John Doerr met with the founders of a start-up whom he'd just given \$12.5 million, the biggest investment of his career. Larry Page and Sergey Brin had amazing technology, entrepreneurial energy, and sky-high ambitions, but no real business plan. For Google to change the world (or even to survive), Page and Brin had to learn how to make tough choices on priorities while keeping their team on track. They'd have to know when to pull the plug on losing propositions, to fail fast. And they needed timely, relevant data to track their progress—to measure what mattered. Doerr taught them about a proven approach to operating excellence: Objectives and Key Results. He had first discovered OKRs in the 1970s as an engineer at Intel, where the legendary Andy Grove ("the greatest manager of his or any era") drove the best-run company Doerr had ever seen. Later, as a venture capitalist, Doerr shared Grove's brainchild with more than fifty companies. Wherever the process was faithfully practiced, it worked. In this goal-setting system, objectives define what we seek to achieve; key results are how those top-priority goals will be attained with specific, measurable actions within a set time frame. Everyone's goals, from entry level to CEO, are transparent to the entire organization. The benefits are profound. OKRs surface an organization's most important work. They focus effort and foster coordination. They keep employees on track. They link objectives across silos to unify and strengthen the entire company. Along the way, OKRs enhance workplace satisfaction and boost retention. In Measure What Matters, Doerr shares a broad range of first-person, behind-the-scenes case studies, with narrators including Bono and Bill Gates, to demonstrate the focus, agility, and explosive growth that OKRs have spurred at so many great organizations. This book will help a new generation of leaders capture the same magic.

This book discusses how people evaluate themselves, relate to others who give them feedback, and process information about others. It examines how feedback is given and received in teams and cross-cultural organizations, and explores the impact that feedback has on changing technologies.

The 3 Things That Will Change Your Destiny Today!

The illustrator Andrew Loomis (1892-1959) is revered amongst artists - including the great American painter Norman Rockwell and comics superstar Alex Ross - for his mastery of figure drawing and clean, Realist style. His hugely influential series of art instruction books have never been bettered. Drawing the Head and Hands is the second in Titan's programme of facsimile editions, returning these classic titles to print for the first time in decades.

Kumihimo Basics & Beyond presents techniques for creating all-cord braids and beaded braids, then teaches beaders how to transform them into finished jewelry. Short demonstrations of the key techniques needed for each project are presented in easy-to-grasp portions, allowing beaders to learn and practice as they go. Rebecca Combs demystifies tricky "kumihimo math" by providing detailed supply lists for each project in the book, plus teaches beaders how to calculate the amount of fiber and how many beads they'll need for their future kumihimo projects.

FEATURED ON Deliciously Ella: The Podcast - 10 Ways to De-Stress Your Life With tips from leading experts in every field, The Little Book of Life Skills is the ultimate guide to solving the trickiest tasks in your day, making life easier with more time to do things that bring you joy. We all have areas of our lives that make us feel disorganised, unprepared or stressed out. From creating a calmer morning routine to setting yourself up for a good night's sleep, and everything in between, there are easy and proven

ways to do things better. Whether you need advice on how to end an argument, iron a shirt or keep your inbox under control, Erin has spoken to experts including Arianna Huffington and Gretchen Rubin, and condensed their wisdom into easy to follow steps for all of life's simple and not-so-simple tasks, such as:

- Working from home effectively
- Keeping a houseplant alive
- Unplugging from your phone
- Walking into a room with confidence, and many more

The Little Book of Life Skills offers simple strategies for streamlining your life. It's the perfect guide for anybody who wants to get their life in order, be more efficient throughout the day and finally learn the best way to fold that tricky fitted sheet! 'If you've ever struggled with making a great cheeseboard, exiting a party gracefully or keeping a houseplant alive (um, guilty!), this is the book for you!' - Rachel Ray 'A really interesting read that you will turn to again and again.' - Woman's Way

Drawing the Head and Hands

'One of the best books yet written on data and algorithms. . .deserves a place on the bestseller charts.' (The Times) You are accused of a crime. Who would you rather determined your fate - a human or an algorithm? An algorithm is more consistent and less prone to error of judgement. Yet a human can look you in the eye before passing sentence. Welcome to the age of the algorithm, the story of a not-too-distant future where machines rule supreme, making important decisions - in healthcare, transport, finance, security, what we watch, where we go even who we send to prison. So how much should we rely on them? What kind of future do we want? Hannah Fry takes us on a tour of the good, the bad and the downright ugly of the algorithms that surround us. In Hello World she lifts the lid on their inner workings, demonstrates their power, exposes their limitations, and examines whether they really are an improvement on the humans they are replacing. Kanzashi tsumami is the Japanese art of folding delicate squares of silk into three-dimensional flower petals. In the United States, the online craft culture has sprouted a renewed interest in making Kanzashi with American crafters devising simplified ways to create these gorgeous fabric flowers and incorporating more user-friendly materials like cotton and synthetic fabrics along with the traditional silks. Kanzashi in Bloom takes the American interpretation of Kanzashi a step further, presenting modern, more easily executed flower designs as elements in a variety of fun, fashionable, hip craft projects. Kanzashi in Bloom offers advice on materials, three petal-folding styles, and techniques for assembling a Kanzashi flower. You'll also find instructions for 20 projects to wear and give as gifts, including:

- Tiny blossom earrings
- Flowers-in-your-hair clips
- The happiest belt buckle ever
- Elegant floral gift topper

Hello World

Gamblers have been trying to figure out how to game the system since our ancestors first made wagers over dice fashioned from knucklebones: in revolutionary Paris, the 'martingale' strategy was rumoured to lead to foolproof success at roulette ; today, professional gamblers are using cutting-edge techniques to tilt the odds in their favour. Science is giving us the competitive edge over opponents, casinos and bookmakers. But is there such a thing as a perfect bet? The Perfect Bet looks beyond probability and statistics to examine how wagers have inspired a plethora of new disciplines - spanning chaos theory, machine learning and game theory - which are not just revolutionising gambling, but changing our fundamental notions about chance, randomness and luck. Explaining why poker is gaming's last bastion of human superiority over AI, how methods originally developed for the US nuclear programme are helping pundits predict sports results and why a new breed of algorithms are losing banks millions, The Perfect Bet has the inside track on any wager you'd care to place.

The Baby Owner's Manual

Under the harsh regime of an ambitious master, candidate Eon is training to become a Dragoneye - a powerful Lord able to master wind and water to protect the land. But Eon also harbours a desperate secret... Eon is, in fact, Eona, a young woman who has endured years of disguise as a boy for the chance to practice the Dragoneye's Art. In a world where women are only hidden wives or servants, Eona's dangerous deception is punishable by death. Still in disguise, Eona's unprecedented talent thrusts her into the centre of a lethal struggle for the Imperial throne. Summoned by the Emperor to the opulent and treacherous Court, Eona must learn to trust her power and find the strength to face a vicious enemy who would seize her magic . . . and her life. Inspired by ancient Chinese lore and sharing the wonders of films such as Crouching Tiger, Hidden Dragon, this thrilling novel is set in a brilliantly envisioned world where both appearances and loyalties can prove so very deceptive...

How do sportsbooks make their lines? Which types of bets are the best? Can you beat the house? The *Logic Of Sports Betting* answers all these questions and more with a dash of humor and a whole lot of real talk about how it all works. Peek behind the counter and learn how sportsbooks operate. Combine that insider knowledge with why-didn't-I-think-of-that sports betting logic, and you have the winning formula. Ed Miller is a best-selling (over 300,000 copies sold) author of books on poker and gambling. This is his first book on sports betting, but maybe his favorite book to write so far. Matthew Davidow is a sports modeler, using proprietary methods to beat major sports betting markets for over 15 years, and co-founding two leading private sports analytics firms along the way. What people are saying about *The Logic Of Sports Betting* "Matt and Ed are two of the smartest minds in sports betting." - Rufus Peabody, professional sports bettor "As a sportsbook employee for 30-plus years, I find it difficult to read or watch anything about sports betting. But I could not put *The Logic Of Sports Betting* down. It's that good." - Robert Walker, Las Vegas bookmaker
