Unicorn Number and Letter Tracing Book for Kids Ages 3-5

Does your kid love Unicorns? Are you looking for a fun and complete workbook for your kid to learn numbers and letter handwriting? There are many interesting studies that show, when kids mindfully trace, they improve their visual spatial skills and their fine motor skills, which helps them later with both math and reading! Why handwriting is important? Even though many kids and adults use computers, tablets and phones at home, school and work, handwriting is still an essential life skill. For example, kids who can write smoothly and clearly are better able to use writing to record their thoughts and ideas. The book teaches stroke formation and provides a full practice page for numbers from 0 to 9 and each capital and lowercase letter.
