The Prada Plan

Disaya Morgan's infatuation with money knows no limits, and she will do anything to get it. When she is accepted into a New York organization known as The Elite, she is under the impression that she will be a high paid model, but soon realizes that she's stepped into a world of sex and lies. She is befriended by Leah, the headmistress of The Elite, and together they make more money than they can spend. Nothing is too erotic for the pair, and Disaya soon finds herself knee-deep in a world where "no" means "yes," and there is no way out. She meets Indie and falls hopelessly in love with him while she tries her hardest to keep her lifestyle a secret. But everything done in the dark eventually comes to light. When she loses control of her own hustle, things go horribly wrong, and she learns the hard way that in the game she's playing, there are no winners.

The Prada Plan 5

"Disaya finally has it all. The man she fought for is hers at last. Her name is Mrs. Indie Perkins and their daughter is safe. Leah is gone. Life is supposed to be good. So why isn't she satisfied? Why does life suddenly seem so bitter? YaYa's Prada Plan had worked but with the riches comes pain. She and Indie have grown apart, and with Parker now a permanent fixture in their lives, Indie is pressured to juggle it all"--

The Prada Plan

When Disaya Morgan is accepted into a New York organisation known as The Elite she quickly comes to realize that she's stepped into a world of sex and lies. When she meets Indie and falls hopelessly in love, she is determined to keep her lifestyle a secret - but everything done in the dark eventually comes to light.

The Prada Plan 3:

Leah has been trying for years to get rid of her competition, and all her crazy scheming has finally paid off—or so she thinks. Now that YaYa is out of the picture, she's ready to step into her shoes and have the life she always dreamed of. The scars that she earned in the fire almost seem worth it if they mean she'll finally be able to have all the money, the family, and most importantly, to have Indie's love to herself. There's only one problem. Disaya Morgan isn't dead. She survived the fire too, and she's healing under the watchful eye of one very powerful woman who's ready to help put YaYa on top. With her newfound connections, YaYa could have Leah taken out with the snap of her fingers—but that's not good enough for her. The only way YaYa can battle the demons that are still haunting her is to finish Leah off herself. YaYa is out for blood. There can only be one winner, and these two are on a collision course that could send one of them straight to hell. Ashley Antoinette is back and better than ever with

the third installment of The Prada Plan series. A case of mistaken identity left readers reeling at the end of part 2, but part 3 is a heart-pounding saga that will leave you breathless.

The Prada Plan 2

Ashley Antoinette (of Ashley & JaQuavis fame) steps out on her own once again with the next installment of her scandalously sexy Prada Plan series! Infamous bad girl Leah Richards may have lost Indie to YaYa, but that doesn't mean she's out of the game. You can't cross a woman like Leah and not expect there to be consequences—and that's just what Indie and YaYa are about to face when Leah captures and kidnaps the couple's baby girl, Skylar. This is no ordinary game of cat and mouse. Everyone knows that Leah is nuts and there are no limits to what she will do to get her revenge. Now YaYa's world is falling apart as she and Indie desperately search for their daughter, praying she's still alive. YaYa thought her street days were behind her, but now that the old demons have surfaced, she'll need a new plan to come out on top. But when all truths turn out to be lies, it's almost too much to take. Will Leah really kill baby Skylar? Can Indie hold on to his reign over Houston without falling victim to the game? And as long as Leah lives, is there any hope of Indie and YaYa and Skylar living happily ever after? All these questions and more will be answered in this heart-pounding sequel!

The Prada Plan 4

The feud between YaYa and Leah has ruined the lives of everyone around them. In The Prada Plan 4, the animosity is alive, and resentments run deeper than ever. Indie has watched YaYa's past destroy the woman he once knew, and his patience has run thin. After being left at the altar, he is heartbroken and confused. His quests to save YaYa from herself have failed, and he finally decides that it's time to let the love of his life go. Her thirst for blood is unquenchable, and like a black hole she sucks the life out of everything around her. If he doesn't cut his ties, he knows that YaYa will cripple him and destroy their family in the process. Then he receives a phone call stating that YaYa is in trouble, and his entire world crumbles at his feet. Who lives and who dies? Will YaYa's addiction to Leah stop her from living her happily ever after? Will the infamous bad girl Leah ever receive her karma? The final book of the Prada Plan series will leave readers breathless as they flip the pages trying to race to the finish. Ashley Antoinette is back and better than ever with this sexy street tale.
