The Goddesses' Mirror

Discusses the cultural background and meaning of ten goddesses, including Aphrodite, Isis, Athena, Durga, Lakshmi, and Sita

Jackals, Golden Wolves, and Honey Badgers

This book explores the fascinating and complex lives of the honey badger, the African jackals (black-backed and side-striped), African golden wolves, and Eurasian golden jackals. In recent years, interest in these creatures has grown exponentially, through wildlife documentaries and media clips

showing the aggressive, fearless, and tenacious behaviour of the honey badger, with jackals often presented in a supporting role. Written by renowned journalist and educator Keith Somerville, this accessible volume includes historical narratives, folklore, and contemporary accounts of human–wildlife relationships and conflicts. It traces the evolution of the species; their foraging and diet; the development of their relationships with humans; and their commensal, kleptocratic, and symbiotic relationships with other carnivores, raptors and birds. It also charts the recent expansion in European jackal numbers and ranges, now including as far west as the Netherlands and as far north as Finland. Blending historical observations by non-scientists, colonial officials, administrators, and early conservationists with contemporary scientific accounts, it presents a new multidisciplinary approach that will interest researchers, scientists, and students in wildlife conservation, human–wildlife relations, zoology, biology, and environmental science.

Hindu Goddesses

Hindu Goddesses is a valuable sourcebook and reference work for students and scholars of Hindu goddesses and of Hinduism in general. Each goddess is dealt with as an independent deity with a coherent mythology, theology and, in some cases, cult of her own. Within the complex, diverse, and rich goddess traditions of Hinduism, one can find suggestions of nearly every important theme in the Hindu religion. In many ways, this book is as much a study of the Hindu tradition itself as it is a study of one aspect of that tradition. No other living religious tradition has displayed such an ancient, continuous, and diverse history of goddess worship.

Mauritian Hinduism and Globalisation

This book presents an original and comprehensive overview of the transformation of Mauritian Hinduism against the backdrop of globalisation. It discusses themes such as the cult of Baharia Puja; the cult of “Camp De Masque”; changes in popular cults; temples and associative strategies of social integration; emergence of Hanuman; ritual innovations in politics and, religious and political transformation due to globalisation to highlight the link between the reinvention of Hinduism and Mauritian capitalism. The first of its kind, this book with its rich ethnographic accounts, will be an essential read for scholars and researchers of religion, Hinduism, social anthropology, sociology, cultural studies, diaspora studies, sociology of religion and African studies.

From Girl to Goddess

Many are familiar with Joseph Campbell’s theory of the hero’s journey, the idea that every man from Moses to Hercules grows to adulthood while battling his alter-ego. This book explores the universal heroine’s journey as she quests through world myth. Numerous stories from cultures as varied as Chile and Vietnam reveal heroines who battle for safety and identity, thereby upsetting popular notions of the passive, gentle heroine. Only after she has defeated her dark side and reintegrated can the heroine become the bestower of wisdom, the protecting queen and arch-crone. Instructors considering this book for use in a course may request an examination copy [here](#).

Dev+

The monotheistic religions of Judaism, Christianity, and Islam have severely limited the portrayal of the divine as feminine. But in Hinduism “God” very often means “Goddess.” This extraordinary collection explores twelve different Hindu goddesses, all of whom are in some way related to Devi, the Great Goddess. They range from the liquid goddess-energy of the River Ganges to the possessing, entrancing heat of Bhagavati and Seranvali. They are local, like Vindhyavasini, and global, like Kali; ancient, like Saranyu, and modern, like “Mother India.” The collection combines analysis of texts with intensive fieldwork, allowing the reader to see how goddesses are worshiped in everyday life. In these compelling essays, the divine feminine in Hinduism is revealed as never before--fascinating, contradictory, powerful.

The Many Colors of Hinduism

This is an introductory text providing a balanced view of the rich religious tradition of Hinduism, acknowledging the full range of its many competing and even contradictory aspects.

Tantric Visions of the Divine Feminine

The Hindu pantheon is rich in images of the divine feminine—deities representing a wide range of symbolic, social, and meditative meanings. David Kinsley's new book documents a highly unusual group of ten Hindu tantric goddesses, the Mahavidyas, many of whom are strongly associated with sexuality and violence. What is one to make of a goddess who cuts her own head off, or one who prefers sex with a corpse? The Mahavidyas embody habits, attributes, or identities usually considered repulsive or socially subversive and can be viewed as "antimodels" for women. Yet it is within the context of tantric worship that devotees seek to identify themselves with these forbidding goddesses. The Mahavidyas seem to function as "awakeners"—symbols which help to project one's consciousness beyond the socially acceptable or predictable. Drawing on a broad range of Sanskrit and vernacular texts as well as extensive research in India, including written and oral interpretations of contemporary Hindu practitioners, Kinsley describes the unusual qualities of each of the Mahavidyas and traces the parallels between their underlying themes. Especially valuable are the many rare and fascinating images he presents—each important to grasping the significance of the goddesses. Written in an accessible, engaging style, Kinsley's book provides a comprehensive understanding of the Mahavidyas and is also an overview of Hindu tantric practice.

Literary Location and Dislocation of Myth in the Post/Colonial Anglophone World

The essays collected in *Literary Location and Dislocation of Myth in the Colonial and Post/Colonial Anglophone World* examine how narratives have conveyed the diverse experiences of territorial belonging and alienation in postcolonial communities by rewriting traditional myths or creating new ones.

Women in the Hindu Tradition

This book accounts for the origin and evolution of the nature and roles of women within the Hindu belief system. It explains how the idea of the goddess has been derived from Hindu philosophical ideas and texts of codes of conduct and how particular models of conduct for mortal women have been created. Hindu religious culture correlates philosophical speculation and social imperatives to situate femininity on a continuum from divine to mortal existence. This creates in the Hindu consciousness multiple - often contradictory - images of women, both as wielders and subjects of authority. The conception and evolution of the major Hindu goddesses, placed against the judgments passed by texts of Hindu sacred law on women's nature and duties, illuminate the Hindu discourse on gender, the complexity of which is compounded by the distinctive spirituality of female ascetic poets. Drawing on a wide range of Sanskrit texts, the author explains how the idea of the goddess has been derived from Hindu philosophical ideas and also from the social roles of women as reflected in, and prescribed by, texts of codes of conduct. She examines the idea of female divinity which gave rise to models of conduct for mortal women. Instead of a one-way order of ideological derivation, the author argues that there is constant traffic between both ways the notional and the actual feminine. This book brings together for the first time a wide range of material and offers fresh stimulating interpretations of women in the Hindu Tradition.

Four Faces of the Universe

Explores key perspectives by which we gain insight into the cosmos.

The Goddess Pages

"This book will serve to inspire millions...and balance masculine and feminine for a more healthy and rewarding existence on earth!"--Shelley Ackerman, astrologer and founder of Karmic Relief Every woman could use some Goddess wisdom in her life. From scoring your dream job to going after that hard-earned raise to finding the right guy and keeping the romance alive, the Divine Feminine is there to help you achieve the love, success, and happiness that you deserve. Get ready to feel empowered: you are about to meet thirty-six of the most revered spiritual heroines from faiths and traditions around the world. Use this book of goddesses to call upon each one for support, guidance, and inspiration in all areas of your life. Evoke their unique energies and strengths through rituals, meditations, gatherings, prayers, blessings, and many more fun and creative activities. Celebrate your true beauty with Hathor Unleash your dark and wild side with Lilith Free yourself from unhealthy relationships with Persephone Take aim at your career goals with Artemis Own and explore your sensuality with Oshun The Goddess Pages, a unique and empowering book of goddesses, helps you connect with the strength and beauty of the Goddess--and experience the divine within you.

Animals and World Religions

Despite increasing public attention to animal suffering, human beings continue to exploit billions of animals in factory farms, medical laboratories, and elsewhere. This wide-ranging study shows how spiritual teachings in seven major religious traditions can help people consider their ethical obligations towards other creatures.

In Search of Consistency: Ethics and Animals

This volume builds on the emerging dialogue between animal rights, environmental ethics, and religious studies. The author sheds new light on 'the sanctity of life', questions what it means to be human and challenges our assumed place in the universe.

A Garland of Forgotten Goddesses

Imagining the divine as female is rare—even controversial—in most religions. Hinduism, by contrast, preserves a rich and continuous tradition of goddess worship. *A Garland of Forgotten Goddesses* conveys the diversity of this tradition by bringing together a fresh array of captivating and largely overlooked Hindu goddess tales from different regions. As the first such anthology of goddess narratives in translation, this collection highlights a range of sources from ancient myths to modern lore. The goddesses featured here battle demons, perform miracles, and grant rare Tantric visions to their devotees. Each translation is paired with a short essay that explains the goddess's historical and social context, elucidating the ways religion adapts to changing times.

Daughters of the Goddess

This book takes us along on a search for the feminine face of God. We travel with Linda Johnsen for a fascinating investigation of the great women saints of India who manifest the divine in their lives. Together with her we comb the scriptures, meet the holy ones, and are led, step by step, to sit in awe at the feet of six remarkable, contemporary women.

The Encyclopedia of Christianity

"The Encyclopedia of Christianity is the first of a five-volume English translation of the third revised edition of *Evangelisches Kirchenlexikon*. Its German articles have been tailored to suit an English readership, and articles of special interest to English readers have been added. The encyclopedia describes Christianity through its 2000-year history within a global context, taking into account other religions and philosophies. A special feature is the statistical information dispersed throughout the articles on the continents and over 170 countries. Social and cultural coverage is given to such issues as racism, genocide, and armaments, while historical content shows the development of biblical and apostolic traditions."--"Outstanding reference sources 2000"

The Goddess and the Sun in Indian Myth

In analyzing the parallels between myths glorifying the Indian Great Goddess, Durgā, and those glorifying the Sun, Skrya, found in the *M rkaG eya Pur Ga*, this book argues for an ideological ecosystem at work in the *M rkaG eya Pur Ga* privileging worldly values, of which Indian kings, the Goddess (Dev+), the Sun (Skrya), Manu and *M rkaG eya* himself are paragons. This book features a salient discovery in Sanskrit narrative text: just as the *M rkaG eya Pur Ga* houses the Dev+ *M h tmya* glorifying the supremacy of the Indian Great Goddess, Durgā, it also houses a Skrya *M h tmya*, glorifying the supremacy of the Sun, Skrya, in much the same manner. This book argues that these *m h tmyas* were meaningfully and purposefully positioned in the *M rkaG eya Pur Ga*, while previous scholarship has considered this haphazard interpolation for sectarian aims. The book demonstrates that deliberate compositional strategies make up the Saura–Z kta symbiosis found in these mirrored *m h tmyas*. Moreover, the author explores what he calls the "dharmic double helix" of Brahmanism, most explicitly articulated by the structural opposition between *pravṛtti* (worldly) and *nivṛtti* (other-worldly) dharmas. As the first narrative study of the Skrya *M h tmya*, along with the first study of the *M rkaG eya Pur Ga* (or any *Pur Ga*), as a narrative whole, this book will be of interest to academics in the field of Religion, Hindu Studies, South Asian Studies, Goddess Studies, Narrative Theory and Comparative Mythology.

Hindu Goddesses

Goddess worship has long been a significant aspect of Hinduism. In this book David Kinsley, author of "The Sword and the Flute--Kali & Krsna: Dark Visions of the Terrible and the Sublime in Hindu Mythology," sorts out the rich yet often chaotic history of Hindu goddess worship.

Tantric Visions of the Divine Feminine

The Hindu pantheon is rich in images of the divine feminine—deities representing a wide range of symbolic, social, and meditative meanings. David Kinsley's new book documents a highly unusual group of ten Hindu tantric goddesses, the Mahavidyas, many of whom are strongly associated with sexuality and violence. What is one to make of a goddess who cuts her own head off, or one who prefers sex with a corpse? The Mahavidyas embody habits, attributes, or identities usually considered repulsive or socially subversive and can be viewed as "antimodels" for women. Yet it is within the context of tantric worship that devotees seek to identify themselves with these forbidding goddesses. The Mahavidyas seem to function as "awakeners"—symbols which help to project one's consciousness beyond the socially acceptable or predictable. Drawing on a broad range of Sanskrit and vernacular texts as well as extensive research in India, including written and oral interpretations of contemporary Hindu practitioners, Kinsley describes the unusual qualities of each of the Mahavidyas and traces the parallels between their underlying themes. Especially valuable are the many rare and fascinating images he presents—each important to grasping the significance of the goddesses. Written in an accessible, engaging style, Kinsley's book provides a comprehensive understanding of the Mahavidyas and is also an overview of Hindu tantric practice.

Indian History

This Collection Was Compiled To Offer The Reachers An Insight Into The Present State Of Indian History Studies In Russia. The Book Shows That The Russian School Of Indian History Studies Continuing To Exist Despite Many Odds And Dramatic Changes That Befell Russia In The End Of Twentieth Century. Shows Russian Public`S Continued Interest In Indian History And Culture.

Meeting God

Huyler provides an introduction to the scope of Hindu beliefs and practices, accompanied by his arresting photographs documenting the spirituality of common men and women in India. 200 color illustrations.

Goddesses in World Culture [3 volumes]

This collection of accessible essays relates the stories of individual goddesses from around the world, exploring their roles in the cultures from which they came, their histories and status today, and the controversies surrounding them. Goddesses in World Culture brings readers the fascinating stories of close to 100 of the world's goddesses, ranging from the immediately recognizable to the obscure. These figures, many of whom derive from ancient cultures and civilizations, serve as points of departure for examining questions that go well beyond the role of women in religion and spirituality to include social organization, environmental awareness, historical developments, and psychological archetypes. Each volume of this groundbreaking set is composed of 20–25 previously unpublished articles written by expert contributors from diverse disciplines. Volume one covers Asia and Africa, volume two covers the Eastern Mediterranean and Europe, and volume three covers Australia and the Americas. Goddesses from cultures often overlooked in texts on religion, such as those of the Australian Aborigines, Korea, Nepal, and the Caribbean, are included here. In addition, the work offers new translations of ancient texts, introduces little-known folklore, and suggests new approaches to contemporary religious practices.

Goddesses in Religions and Modern Debate

India is one place where the feminine aspect of divinity has always been appreciated, and this book brings it to light for Western readers. The approach is at once deep and broad. The first part of the book presents a many-sided analysis of a single divinity, Radha, Krishna's lover and consort. The essays in the second half of the book provide general perspectives on the feminine dimension in Indian religion, and a rich selection of illustrations has been drawn from the collections of the Fogg Art Museum at Harvard and the Museum of Fine Arts, Boston.

The Divine Consort

Goddess imagery from the Ice Age to the present.

The Heart of the Goddess

This book is devoted to the study of the bilingual "parallel poems" of Ludwig Strauss (Aachen 1892 × Jerusalem 1953) created between 1934 and 1952 in Palestine/Israel and which exist in two variants, a Hebrew and a German version, one of which is the original and the other a self-translation. The aim of this study is to compare the versions and their interpretation based on Strauss's theoretical essays on poetry and translation, his political writings and works of literary criticism. Special attention is paid to Strauss's concept (linked with the idea of messianic redemption) of poetry as a "fore-image" of a future true community of men and as "the earthly expression of the Absolute" directed at interpreting divine revelation and its "translation" into human language. In examining Strauss's experiments with self-translation, by which he aimed at establishing a dialogue between languages, and between people and nations, this study considers the two processes of translation: from divine speech into human language and from one human language into another.

Anthills, Split Mothers, and Sacrifice

The Present Work Addresses And Analyses The Question Of Feminism In The Present Time And Suggetions Are Provided By Eminent Scholars From Diverse Fields.

Ludwig Strauss: An Approach to His Bilingual "Parallel Poems"

Das vorliegende Buch gibt Einblicke in die Vielfalt und Komplexität religiöser Anschauungen und Praktiken hinduistischer Frauen in Indien. Anhand eindrucksvoller Beispiele werden die gelebten Traditionen von Frauen in den Vordergrund gerückt und die Wechselwirkungen von Identität und religiösen Normen und Werten hervorgehoben - beispielsweise anhand des populären Hindi-Films, mit Veränderungen weiblicher Fastenpraktiken oder der Hinwendung von Frauen zu fundamentalistischen Bewegungen. Der Autorin gelingt es, mit einer Fülle empirischen Materials die Reaktionen von Frauen auf gegenwärtige Modernisierungs- und Globalisierungsprozesse darzustellen und die gesellschaftlichen Wandlungsprozesse im städtischen Milieu auf ihre religiöse Lebenswelt zu beziehen.

Feminism, Tradition, and Modernity

Mit dieser ersten Übersetzung des dritten Bandes aus der Serie „History Enlightened (Erleuchtete Geschichte)“ legt John Noyce einen qualifizierten Überblick auf mehr als 2.000 Jahre umfassende Einzelüberlieferungen spiritueller Tradition der Weisheit in Europa vor. Er beschränkt sich nicht nur auf traditionell als religiös charakterisierte Arbeiten, sondern bezieht sich auch auf Werke von Dante Alighieri, William Blake, Nicholas Roerich oder Johann Wolfgang von Goethe – um nur die bekanntesten zu nennen. Die Bezeichnung „Göttin“ auf die Qualität der Weisheit an sich anzuwenden, stützt für John Noyce nicht nur die für europäische Denkweisen eher ungewöhnliche Vorstellung von „einer Göttin, viele Manifestationen“. Besonders im Westen kann man die Weisheit auch als den vernachlässigten weiblichen Aspekt des männlich geprägten Gottesverständnisses verstehen, der unter unterschiedlichen Namen wie Sophia, Philosophia, Sapientia, Natura oder das Ewig-Weibliche mit Rat und Tat zur Seite steht. Die Ergebnisse des Autors lassen es nicht vermessen erscheinen, dieses Göttlich-Weibliche mit dem Heiligen Geist als mütterlichen Aspekt der christlichen Dreifaltigkeitsvorstellung gleichzusetzen. Die angeführten Beispiele belegen nicht nur, wie das Göttlich-Weibliche im Großraum Europa wahrgenommen und verehrt wurde, sondern verweisen auch auf ein bevorstehendes, neues Zeitalter im Zeichen des Advents dieses Prinzips. Das Buch offenbart einen in der europäischen Geschichte verborgen liegenden, gemeinsamen Schatz, den es lohnt, zu Tage zu fördern. Es ist ein Muss für jeden informierten und an Selbst-Erkentnis interessierten Leser. Weitere Informationen zur leicht überarbeiteten, zweiten Auflage dieses Bandes und anderen Ausgaben aus der Reihe "History Enlightened (Erleuchtete Geschichte)" finden Sie auf www.erleuchtete-geschichte.jimdo.com und www.lulu.com.

Hindu-Frauen zwischen Tradition und Moderne

"A far-ranging and impressively comprehensive book with exemplary iconographic analyses. Kinsley has drawn together a group of rare, stunning, and fascinating images."--Miranda Shaw, author of "Passionate Enlightenment"

International Books in Print

Guilty Males and Proud Females is the first complete study on the Bengali gajan festival dedicated to Dharmaraj, a village god in the Rarh region of Bengal. The gajan is the dramatic representation of an hierogamy--the marriage of a god and goddess--and a recreation of the life-cycle of earth. As Fabrizio M. Ferrari explains one of the most fascinating aspects of the gajan is its approach to gender. The central deity of the gajan is a goddess identified with the earth. To please such a goddess, male devotees must acknowledge the pain they inflict towards the female world and become "ritual women." Conversely, as part of the festival, women display their generative power and provoke the jealousy of men by ritually mocking conception and delivery. The outcome of the ritual is that their suffering is acknowledged and transformed into power. Much more than an ethnography of Bengali popular religion, Guilty Males and Proud Females contributes to new studies on gender transformation in the Bengal region and will be of interest to scholars of South Asian religions, folklore, and gender studies.

Die Tradition der Weisheit

This book comes directly out of women's grassroots efforts to understand and transform their spiritual traditions. It is a comprehensive account of the discussions, arguments, perspectives and approaches of contemporary women in Canada toward spirituality and the monotheistic religions. The author presents a concise history of each religion, discusses normative practices and focuses on the roles, rituals and rights of contemporary women as they accommodate to and deal with their respective religions. It deals with women's encounters with spirituality within the framework of Judaism, Christianity and Islam and outside of this framework within the new religions of contemporary Goddess worship.

Tantric Visions of the Divine Feminine

The sharp contrast between cultures with a monotheistic paternal deity and those with pluralistic maternal deities is a theme of abiding interest in religious studies. Attempts to understand the implications of these two vast organizing principles for religious life lead to an overwhelmingly diverse set of facts and their meanings. In Freud's India, the companion volume to Freud's Mahs-- Sigmund Freud and Girindrasekhar Bose. Hildebeitel examines the attempts of these two men to communicate with and understand each other and these issues in the heated context of emotionally divisive allegiances. The book is elegant in its nuanced attention to these two thinkers and its tightly controlled exploration of what their interactions reveal about their contributions and limitations as representatives of the psychology and religion of their respective cultures. Anxieties about mothers, says Hildebeitel, separate Eastern from Western imaginations. They separate Freud from Bose, and they separate Hindu foundational texts from the foundational texts of Judaism.

Guilty Males and Proud Females

The face of the divine feminine can be found everywhere in Mexico. One of the most striking features of Mexican religious life is the prevalence of images of the Virgin Mother of God. This is partly because the divine feminine played such a prominent role in pre-Hispanic Mexican religion. Goddess images were central to the devotional life of the Aztecs, especially peasants and those living in villages outside the central city of Tenochtitlan (present day Mexico City). In these rural communities fertility and fecundity, more than war rituals and sacrificial tribute, were the main focus of cultic activity. Both Aztec goddesses and the Christian Madonnas who replaced them were associated, and sometimes identified, with nature and the environment: the earth, water, trees and other sources of creativity and vitality. This book uncovers the myths and images of 22 Aztec Goddesses and 28 Christian Madonnas of Mexico. Their rich and symbolic meaning is revealed by placing them in the context of the religious worldviews in which they appear and by situating them within the devotional life of the faithful for whom they function as powerful mediators of divine grace and terror.

Women's Spirituality

In this original work, the author aims to develop a synthetic perspective for enhancing the understanding of the roles that death and life-giving waters have in the constitution of society and cosmos in karmic traditions.

Freud's India

This two-volume set provides a comprehensive guide to the vast array of feminine divine figures found throughout the world. Drawn from a variety of sources ranging from classical literature to early ethnographies to contemporary interpretations, the Encyclopedia of Goddesses and Heroines provides a comprehensive introduction to the ways goddess figures have been viewed through the ages. This unique encyclopedia of over thousands of figures of feminine divinity describes the myths and attributes of goddesses and female spiritual powers from around the world. The two-volume set is organized by culture and religion, exploring the role of women in each culture's religious life and introducing readers to the background of each pantheon, as well as the individual figures who peopled it. Alternative names for important divinities are offered, as are lists of minor goddesses and their attributes. Interest in women's spirituality has grown significantly over the last 30 years, both among those who remain in traditional religions and those who explore spirituality outside those confines. This work speaks to them all.

Aztec Goddesses and Christian Madonnas

For courses in Religions of the World, History of Religions, Comparative Religion, and Introduction to Religious Studies in departments of Religion, Religious Studies, Theology, and Philosophy. Unique in approach, this text combines an historical-descriptive presentation of individual religions with a comparative-thematic approach. It begins with a discussion of the basic human questions and concerns relating to religion e.g., origin and identity, ultimate reality, human nature, and the good life and then uses these essential concepts to help describe the beliefs, practices, and historical development of each religion. As the work of a single scholar much of it based on original research this book offers a consistency and depth missing in many of the texts in this field.

Death and Life-giving Waters

Encyclopedia of Goddesses and Heroines [2 volumes]

Earth Tales from around the World

Stories come from around the world, but they grow from the very earth upon which they are first told. Michael J. Caduto invites readers to listen while the Earth tells these stories through his lyrical retellings of tales such as "Hare Rescues the Sun" and "The Coming of Fire."

Wisdom Tales from Around the World

A collection of traditional stories from around the world, reflecting the cumulative wisdom of Sufi, Zen, Taoist, Buddhist, Jewish, Christian, African, and Native American cultures.

Tales from Around the World

A collection of classic stories from every region of the world. Suggested level: primary, intermediate.

Tales from Around the World

This is a collection of traditional folk tales from around the world aimed at confident young readers.

Wonder Tales from Around the World

Includes twenty-seven folktales from Europe, Asia, Africa, India, the Arctic, and the Americas.

B&N Fairy Tales from Around the World

Fairy Tales from Around the World is a treasure trove of the world's best-loved fairy and folk tales. It features more than 100 fairy tales representing more than fifty nations, all selected from The Blue Fairy Book and eleven other collections compiled by Andrew Lang. The book also includes more than 100

illustrations by H.J. Ford that bring their magic and marvels vividly to life. Fairy Tales from Around the World is one of Barnes & Noble's Collectible Editions classics. Each volume features authoritative texts by the world's greatest authors in an exquisitely designed bonded-leather binding, with distinctive gilt edging and a silk-ribbon bookmark. Decorative, durable, and collectible, these books offer hours of pleasure to readers young and old and are an indispensable cornerstone for any home library.

Illustrated Book of Fairy Tales

A multicultural collection of traditional tales from Europe, Asia, Australia, and North and South America.

A Year Full of Stories

Celebrate your year from New Year's Day to Christmas Eve with this treasury of 52 best-loved stories from around the world! Turn the pages and get lost in a year full of stories as you journey around the world reading tale after tale to keep story time alive from one end of the year to the other. This rich resource collects together folk tales from home and legends and myths from distant lands to commemorate the changing seasons, cultural events and international festivals throughout the year. The book is divided into 12 chapters, one for each month of the year, and throughout, stories are matched to internationally celebrated dates, including St. Patrick's Day and the International Day of Friendship, as well as seasonal events and festivals. Introduce the children in your life to rich cultural traditions from all over the globe, with stories like: King of the Forest, a Chinese story to celebrate Chinese New Year The Frog Prince, a German story to celebrate Valentine's Day The Hare in the Moon, a Buddhist story to celebrate Vesak The Boots of Hunain, an Arabic story to celebrate Ramadan Jonah and the Whale, a Bible story to celebrate Yom Kippur How the Pine-tree Chief got his Name, an Iroquois story for Thanksgiving The Feast, an African story to celebrate Kwanza Collected and retold by award-winning author Angela McAllister, and illustrated by internally recognised artist Christopher Corr, this is a book that will be treasured by families and appeal to teachers and librarians around the world. For story lovers young and old this is the perfect anthology for the entire family. Sure to keep the boredom blues at bay at any time of the year. The World Full of... series is a collection of beautiful hardback story treasuries. Discover folktales from all around the world or be introduced to some of the world's best-loved writers with these stunning gift books, the perfection addition to any child's library. Also available from the series: A World Full of Animal Stories, A Stage Full of Shakespeare Stories, A World Full of Dickens Stories, A World Full of Spooky Stories, A Year Full of Celebrations and Festivals and A Bedtime Full of Stories.

Fairy Tales Around the World

No ordinary collection of tales, this anthology was the result of extensive research that led Shah to conclude that there is a certain basic fund of human fictions which recur again and again throughout the world and never seem to lose their compelling attraction. This special paperback version of World Tales concentrates on the essentials, the text of the stories, and omits the illustrations which were part of a previous edition.

World Tales

From Africa, Burma, and Czechoslovakia to Turkey, Vietnam, and Wales here are more than 150 of the world's best-loved folktales from more than forty countries and cultures. These tales of wonder and transformation, of heroes and heroines, of love lost and won, of ogres and trolls, stories both jocular and cautionary and legends of pure enchantment will delight readers and storytellers of all ages. With black-and-white drawings throughout Part of the Pantheon Fairy Tale and Folklore Library

Favorite Folktales from Around the World

Each book in this beautifully illustrated series presents a different folk tale from around the world. This book tells the story of the empty pot, a traditional Chinese folk tale. In it, the hero of the story learns that it is better to be honest than to cheat, and that honesty will bring real rewards.

Folk Tales from Around the World Pack a Of 6

80 traditional stories from around the world with evocative illustrations throughout. ,

The Empty Pot

Presents eighteen simple stories from international folklore, grouped around six themes, such as Runaway Cookies, Slowpokes and Speedsters, and Chain Tales. Includes background information and storytelling hints.

Classic Folk Tales

Publisher Description

Nursery Tales Around the World

Retells the classic German version of Snow White, together with three similar tales--Marigo of the Forty Dragons from Albania, The unnatural mother and the girl with a star on her forehead from Mozambique, and The magic needle from Turkey.

Can You Guess My Name?

Traditional Indian lore through the eyes of two artists. "Their collaboration is nothing short of phenomenal. The illustrations take you into another world." —Medium A shape-shifting tiger and a pretentious rat. A generous goddess and a powerful demon. A clever princess and a prince who returns from the dead. This collection of sixteen traditional tales transports readers to the beguiling world of Indian folklore. Transcribed by Indian and English folklorists in the nineteenth century, these stories brim with wit and magic. Fans of fairy tales will encounter familiar favorites—epic quests and talking animals—alongside delightful surprises—an irreverent sense of humor and an array of bold, inspiring heroines. Each tale in this ebook comes alive alongside exquisite artwork by a pair of contemporary Indian artists.

Snow White Stories Around the World

Each book in this beautifully illustrated series presents a different folk tale from around the world. Although the collection includes tales from around the world, like all good folk tales each story has a moral lesson highly relevant to young readers today.

Tales of India

Here are traditional tales from every corner of the globe, all featuring bold and clever heroines who battle dragons, fight sea serpents or save their village from monstrous thieves. This is a sequel to the best-selling title *Forgotten Fairy Tales of Brave and Brilliant Girls*. Diverse range of characters. Lively retellings for a modern audience. Featuring gorgeous illustrations in a beautiful hardback edition.

Folk Tales from Around the World

A treasury of stories celebrating the wonders of winter, and the qualities within that warm our hearts through the long cold. This stunning book brings together a selection of wintery tales from all over the world - from North America to Siberia, Scotland, France, Russia and Norway. Written by award-winning author Dawn Casey and with beautifully detailed artwork by illustrator Zanna Goldhawk, this is a magical book to be treasured for generations to come.

Tales of Brave and Brilliant Girls from Around the World

Think there's just one fairy tale with a beautiful girl and a monster? Think again Cultures all around the world have their own Beauty and the Beast stories. Visit France, China, and Switzerland, and find out who asks for a grape instead of a rose, and whose beast is a snake.

Winter Tales

The Pearson Education Library Collection offers you over 1200 fiction, nonfiction, classic, adapted classic, illustrated classic, short stories, biographies, special anthologies, atlases, visual dictionaries, history trade, animal, sports titles and more!

Beauty and the Beast Stories Around the World

A flower-spouting princess, gobbling prince, emerald-winged fairy, foolish giants, fearsome ogres, and talking frog and fish are just a few of the captivating characters found in this anthology of beloved

stories from 29 places around the world, from the Arctic to Africa to Asia to Australia to Europe to the Americas.

Globe Myths and Folktales Around the World Se 92

Travel the world with 50 best-loved tales, featuring creatures big and small. This beautifully-illustrated collection of classic stories brings together favourite animal-themed fables, myths and legends including The Three Little Pigs, The Ugly Duckling, Why the Swallow's Tail is Forked and the story of Ananse and the Python. Lively retellings from Angela McAllister are brought to life with sumptuous illustrations from Romanian-born illustrator, Aitch, in this treasury to treasure.

Treasury of Magical Tales From Around the World

Do you read bedtime stories for your child? Don't modern heroes seem too boring to you? Try to plunge into the fairy tale world filled with ancient, magical creatures: elves, fairies, mermaids, dragons... This fairy tale storybook is dedicated to ancient folktales from around the world. Many of them are lost, but some have still managed to reach our era. We travel, together, all around the world. We sink into the old tales that speak of magic we still don't fully understand. We look for answers, but - perhaps more importantly - we look for questions: for that spirit that makes us stare in reverent wonder at the world around us. Our ancestors told of these magical creatures from generation to generation. And it is surprising how similar their habits are. Perhaps by reading some of the tales from another continent, you will find that their characters are exactly the same as in your grandmother's tales. Who knows? And then, perhaps, you tell this story to your child. And you will pass it on to the next generation. And now... Pretend you're sitting by a fire, listening to a wise, wizened storyteller begin to talk... This retelling fairy tales book includes three volumes (about Elves, Mermaids, Dragons) from the series, "Fairy Tales From Around the World". [Stratford](#) The Loneliest Place The Queen of the Huldufolk An Onion and a Lindworm Menana of the Waterfall Aminata and the Tokoloshe The Great Master and the Rainbow The Paddlers The Gifts of the Little People Short-Tailed Old Li For the Cause of a Bridge The Birch Lady Two Horses and one Zmej Mami Wata The Poor Boy and Kijimuna Y Ddraig Goch Kapsirko and the Vodianoï The Multitude of Bow-Legged Ones The Naga Dowry Marina of the Wave The Tale of Curupira For a Bag of Rice The Fiddle Player Fayiz and The Peri Wife The Cuelebre of Pena Uruel The Spirit Queen Aziza and the Hunter The Seven-Headed Manitou The Goodman O'Wastness The Tale of Rowli Pugh The Dragon Princess

Stories from Around the World: 4 Tales of Problem-Solving & Wit

Delightful retellings of turtle tales from around the world, plus fun facts about turtles, are sure to please all turtle fans.

Fairy & Folk Tales From Around the World

Trees are symbols of life itself. We cut them down at our peril. Here is a leafy anthology of 12 traditional tales from all over the Earth's surface, from Native North America to New Guinea and from Wales to Nepal. They include tales of high magic, bravery and guile, death and rebirth, each woven around a tree. Eric Maddern's and Helen East's spirited storytelling combines with Alan Marks' romantic artwork to create a lively and thought-provoking collection.

How the Turtle Got Its Shell

A collection of traditional Jewish tales from many different countries.

Spirit of the Forest

For thousands of years people have looked up to the night sky and told stories about the stars. These epic tales tell of vengeful gods and goddesses, of monsters and heroes. Others try to make sense of the natural world, or unravel the mysterious forces of the universe. This stunning book brings together a selection of these legends from all over the world - from Ancient Greece to North America, Egypt, China, India and the South Pacific. Written by award-winning author Anita Ganeri and with beautifully detailed artwork by illustrator Andy Wilx, this is a magical book to be treasured for generations to come.

The Diamond Tree

Encyclopedic in its coverage, this one-of-a-kind reference is ideal for students, scholars, and others who need reliable, up-to-date information on folk and fairy tales, past and present. Folktales and fairy tales have long played an important role in cultures around the world. They pass customs and lore from generation to generation, provide insights into the peoples who created them, and offer inspiration to creative artists working in media that now include television, film, manga, photography, and computer games. This second, expanded edition of an award-winning reference will help students and teachers as well as storytellers, writers, and creative artists delve into this enchanting world and keep pace with its past and its many new facets. Alphabetically organized and global in scope, the work is the only multivolume reference in English to offer encyclopedic coverage of this subject matter. The four-volume collection covers national, cultural, regional, and linguistic traditions from around the world as well as motifs, themes, characters, and tale types. Writers and illustrators are included as are filmmakers and composers—and, of course, the tales themselves. The expert entries within volumes 1 through 3 are based on the latest research and developments while the contents of volume 4 comprises tales and texts. While most books either present readers with tales from certain countries or cultures or with thematic entries, this encyclopedia stands alone in that it does both, making it a truly unique, one-stop resource.

Star Stories

This is a collection of traditional folk tales from around the world aimed at confident young readers.

Folktales and Fairy Tales [4 volumes]

A collection of thirty shareable fairy tales, folk tales, and fables from around the world that includes magic tales, homey tales, animal tales, and two tales by Jane Yolen.

Tales from Around the World

A multicultural collection of traditional tales contributed by experienced storytellers, with tips for telling the stories.

Jingle Bells with Lyrics NEW <Christmas Carols & Songs for #kids #choirs and #families - Jingle Bells with Lyrics NEW <Christmas Carols & Songs for #kids #choirs and #families by Allstars Kids Club 582,538 views 5 months ago 2 minutes, 21 seconds - JINGLE BELLS, Welcome to our new super #fun version of this wonderful #christmas song : #jinglebells, Perfect for #schools ...

Dashing through the snow
Bells on bobtails ring
Making spirits bright
A sleighing song tonight
Jingle Bells
Jingle all the way
In a one-horse open sleigh.
O'er the fields we go
Laughing all the way
