Essential Business English Vocabulary - Key Terminology - Essential Business English Vocabulary - Key Terminology by Love English with Leila & Sabrah 33,850 views 1 year ago 11 minutes, 10 seconds - Welcome to the official Love **English**, with Leila & Sabrah YouTube channel! Interested in taking one of our **ENGLISH**, COURSES?

Intro

Competitive analysis - The process of studying the strengths and weaknesses of competitors in order to identify opportunities and threats in the market.

Corporate Strategy The long-term plan of a company that outlines its goals and objectives and the actions it will take to achieve them

Talent management The process of attracting, developing, and retaining highly skilled employees in an organization.

A joint venture A business partnership in which two or more companies collaborate on a specific project or business activity.

Restructuring The process of reorganizing a company's operations, management, or ownership in order to improve efficiency or profitability.

Outsourcing The practice of hiring a third party to perform a task or service that is normally done in-house.

Supply chain management The process of coordinating and optimising the flow of materials, information, and resources from raw material suppliers to end customers

Business development The process of identifying and pursuing new opportunities for growth and expansion within a company

Assets Something valuable that a company owns, such as property, equipment, or intellectual property.

Liability Something a company owes, such as a debt or an obligation.

Equity The value of a company's assets minus its liabilities.

Customer retention The act of keeping existing customers loyal to a company or product.

Innovation The introduction of new ideas, products, or processes that add value to a business or industry.

Synergy The combined effect of two or more things working together that is greater than the sum of their individual effects.

My Revision Notes: City & Guilds Level 3 Advanced Technical Diploma in Electrical Installation (8202-30)

Unlock your full potential with this revision guide that will guide you through the knowledge and skills you need to succeed in the City & Guilds Level 3 Advanced Technical Diploma in Electrical Installation (8202-30). - Plan your own revision and focus on the areas you need to revise with key content summaries and revision activities for every topic - Understand key terms you will need for the exam with user-friendly definitions and a glossary - Breakdown and apply scientific and mathematic principles with clear worked examples - Use the exam tips to clarify key points and avoid making typical mistakes - Test yourself with end-of-topic questions and answers and tick off each topic as you complete it - Get ready for the exam with tips on approaching the paper, and sample exam questions ---- 'This book is long overdue. It deepens students' understanding of concepts in electrical installation with clear and accurate technical drawings and images. The common mistakes made in exams feature is very useful and includes things that are often overlooked by delivery staff. The revision guide will prepare students for their end exam and is a great way of learners improving their grades, with stretch and challenging exam-style questions and good exam tips.' - Neil McManus, Construction T Level Programme Area Manager, Leicester College

My Revision Notes: City & Guilds Level 2 Technical Certificate in Plumbing (8202-25)

Unlock your full potential with this revision guide that will guide you through the content and skills you need to succeed in the City & Guilds Level 2 Technical Certificate in Plumbing (8202). - Plan your own revision and focus on the areas you need to revise with key content summaries and revision activities for every topic - Understand key terms you will need for the exam with user-friendly definitions and a glossary - Breakdown and apply scientific and mathematic principles with clear worked examples - Use the exam tips to clarify key points and avoid making typical mistakes - Test yourself with end-of-topic questions and answers and tick off each topic as you complete it - Get ready for the exam with tips on approaching the paper, and sample exam questions ---- 'A great idea and a great addition for the students. It is difficult enough to encourage the students to do their own notes for revision but the My Revision Notes book is a very good start to the process and a means to them using the guidance in preparing for their exams.' -- Mike Line, Programme Manager Plumbing and Gas, Leicester College

My Revision Notes: City & Guilds Level 2 Technical Certificate in Electrical Installation (8202-20)

Journal of the Federated Institutes of Brewing

Lay the foundation for a career as a bricklayer with this highly illustrated and accessible book published in association with City & Guilds. Suitable for the 6705 Diploma, as well as other Level 1 bricklaying qualifications, the book covers everything you need to kick-start your journey in the construction industry: principles of construction, setting out, block walls, brick walls, cavity walls and health and safety. - Study with confidence with content based on the latest industry standards. - Get ready for the workplace with 'Industry tips', 'Health and safety' reminders and 'Improve your maths/English' tasks. - Enhance your understanding of tools and key concepts in bricklaying with clear and accurate technical drawings and step-by-step sequences. - Re-cap knowledge with 'Key terms' features and a detailed glossary. - Prepare for assessment with practice questions and activities. - Develop core skills with expert author Mike Jones, who draws on his extensive teaching and industry experience.

The City & Guilds Textbook: Bricklaying for the Level 1 Diploma (6705)

What is the difference between an academic and professional qualification? Who should get a professional qualification? Did you know that some professions can not be legally practised with a degree alone? Why get a UK qualification? Is it expensive to gain a British qualification? What is a chartered institute or society, and is it better than a non-chartered body? What is the difference between a professional body and a trade union? These are all questions answered in this book which is designed to help individuals choose a career path and the right professional organisation. In today's world it isn't enough to have a qualification, you need to be able to meet with peers and use the valuable networks that are already in place to foster your profession. Your Professional Qualification provides a comprehensive survey of the qualifications available in the UK along with guidance on where they lead, entry requirements, where to apply and where to study. Derived from the vast and authoritative British Qualifications database, this important publication provides the first easily accessible guide to qualifications and how to get them in the UK. Built around a comprehensive directory of professional qualifying bodies each professional area is described in depth and its qualifications identified and explained. The book is supported by a simple website, which ensures purchasers of the book are kept up-to-speed with new developments.

Your Professional Qualification

Diploma in Dental Nursing, Level 3 is the new edition of the must-have study companion for trainee dental nurses preparing for the City & Guilds Level 3 Diploma in Dental Nursing (formerly NVQ). The book offers comprehensive support on the units assessed by portfolio - from first aid and health and safety to specific chairside support procedures - as well as the four areas of the course tested by multiple choice questions: infection control, oral health assessment, dental radiography and oral health management. This third edition of an established revision text has been substantially revised and restructured in line with the new qualification and reflects changes in the regulations and legislature affecting dentistry and dental workplaces, all of which have an effect on the daily role and working life of the dental nurse. It will be an invaluable guide for dental nurse trainees, qualified dental nurses and course providers. - Expanded and revised, with extensive coverage of the fifteen Diploma units - In full colour throughout with over 400 illustrations - Companion website with downloadable glossary and MCQs for revision and self-assessment

Diploma in Dental Nursing, Level 3

This book has been written as an exam practice aid to complete the City & Guilds Level 3 NVQ Diploma in Electrotechnical Technology (5357). It sets out methods of studying, offers advice on exam preparation and provides details of the scope and structure of the examinations. This qualification is for learners who want to work as an electrician and those installing electrical systems and equipment in buildings and structures. It helps acquire the necessary knowledge regarding the design, installation and commissioning of electrical systems. The book: Includes guidelines and advice about sitting the exam Includes practice examinations, with fully worked and 'model' answers Acts as a valuable revision aid, to help students prepare for the full exam

Exam Preparation: Electrotechnical Apprenticeship Qualification (5357)

Equip yourself with the tools for success in Electrical Installations with this comprehensive and updated edition of our bestselling textbook, published in association with City & Guilds and IET. - Study with confidence using the most up-to-date information available for the new industry standards, including the 2022 amendments to BS7671: 2018, The IET Wiring Regulations 18th edition - Enhance your understanding of concepts in electrical installation with 100s of clear and accurate technical drawings and step-by-step photo sequences - Practise maths and English in context, with embedded 'Improve your maths' and 'Improve your English' activities - Get ready for the workplace with industry tips - Prepare for your trade tests or end-of-year exams with end-of-chapter practice questions - Engage with author Peter Tanner's accessible text, drawing on his extensive industry experience - Target your learning with detailed qualification mapping grids for the latest City & Guilds Level 3 qualifications - including the 2365, 8202, 5357 and 5393 specifications, as well as the 352 and 353 T Level occupational specialisms

The City & Guilds Textbook: Book 2 Electrical Installations, Second Edition: For the Level 3 Apprenticeships (5357 and 5393), Level 3 Advanced Technical Diploma (8202), Level 3 Diploma (2365) & T Level Occupational Specialisms (8710)

This Code of Practice provides a clear overview of EV charging equipment, as well as setting out the considerations needed prior to installation and the necessary physical and electrical installation requirements. It also details what needs to be considered when installing electric vehicle charging equipment in various different locations - such as domestic dwellings, on-street locations, and commercial and industrial premises. Key changes from the second edition include: Two completely new sections Vehicles as Energy Storage Integration with smart metering and control, automation and monitoring systems A new Annex A complete update to the new requirements in BS 7671:2018 Bringing the Code in line with revised regulations and good practice The risk assessments and checklists have also been reviewed and revised. This very well established Code of Practice, supported by all the major stakeholders in the industry, is essential reading for anyone involved in the rapid expansion of EV charging points, and those involved in maintenance, extension, modification and periodic verification of electrical installations that incorporate EV charging.

Code of Practice for Electric Vehicle Charging Equipment Installation

The Indian Institute of Foreign Trade (IIFT) is counted in one of the top Management Institutes that conduct entrance examinations for admissions into MBA courses. 1. "IIFT 5 Mock Tests & Solved Papers" is updated as per the latest syllabus. 2. 14 Previous Years' solved papers are given to get insights of the examination pattern. 3. Well explained answers for better understanding and conceptual clarity. 4. 5 mock tests are provided for self-assessment and ample practice. The revised edition of "IIFT 5 Mock Tests & Solved Papers" has been fully updated as per the latest syllabus to meet the needs of the competitors. Engraved with 14 Previous Years' Solved Papers (2021-2008), it gives insights of the examination pattern and their question type. Well explained answers are given in a lucid language for better understanding of the concepts. Besides focusing on the theory part, the book also contains 5 Mock Tests for self-assessment and quick revision of all sections. Packed with good number and variety of questions, it helps to strengthen the conceptual clarity and problem-solving skills, and is one of the easiest and fastest ways to improve score. TOC Solved Papers [2021-2008], Mock Test [1-5], Answers, Hints and Explanations

IIFT 5 Mock Tests & Solved Papers (2021-2008)

This title provides all the information the reader will need to pass the City & Guilds level 2 diploma in electrical installations.

Level 2 Diploma in Electrical Installations (Buildings and Structures)

Develop the reading, writing, speaking and listening skills needed to succeed with the only resource written specifically for the Caribbean region and published in association with City & Guilds. Changes from the previous edition include requirements concerning Surge Protection Devices, Arc Fault Detection Devices and the installation of electric vehicle charging equipment as well as many other areas.

Guidance Note 3: Inspection & Testing

Written by leading food author Anita Tull and endorsed by WJEC, offering high quality support you can trust. / A core resource for Unit 1: Meeting the nutritional needs of specific groups, covering the science of food safety, nutrition and nutritional needs, with detailed information on the practical skills required to

produce quality food that meets the needs of individuals. / Learning Outcomes and Assessment Criteria are referenced throughout, clearly linking the book to the specification. / Includes plenty of practical activities which allow students to apply their knowledge and understanding to real-life scenarios. / The science is pitched at the appropriate level and is supported with illustrations, diagrams, charts, chemical terms and models to help students get to grips with the key concepts. / Exam-style questions help prepare students for assessment. / Includes a recipe chapter with step-by-step instructions which provides: Coverage of the Unit 1 Practical Work Skills list; advice on how to develop higher level skills and suggestions for other recipes students can research; activities which encourage students to analyse the ingredients used in recipes, assess the nutritional composition and consider the food science involved in the preparation and cooking methods

The Journal of Education

The background of this research is related to innovative lightweight construction methods for short-term applications realized with highly recyclable materials produced from renewable resources. Specifically, the possibility of using selected paper-based products for design purposes is examined. The main topic discussed regards the state of the art and future potential of joining techniques for assemblies and structures designed with paper-based products. In this context, the preference on paper-tubes for a variety of designs is examined closely. A collection of case studies for selected joining techniques supported with digital tools, fabrication of prototypes and targeted structural experiments demonstrates possibilities and considerations. This book presents the research process and aims to inspire architects, designers and engineers who are eager to discuss on material innovation and the steps that need to be taken to examine the feasibility of such ideas.

Journal of Education and School World

Equip yourself with the tools for success with Plumbing Book 1, published in association with City & Guilds - Study with confidence, covering all core units for the new specifications - Get to grips with technical content presented in accessible language - Enhance your understanding of plumbing practice with clear and accurate illustrations and diagrams demonstrating the technical skills you need to master - Practise Maths and English in context, with embedded Improve your maths and English activities - Test your knowledge with end of unit practice questions and activities - Get to know the format and requirements for synoptic assessments, with practice mini-assignments - Prepare for the workplace with up-to-date information on relevant key regulations and industry standards - Keep your knowledge current, with clear coverage of major modern cold water, hot water, central heating, sanitation and rain water systems

Health and Social Care (Adults)

The 14-19 education reform programme aims to increase young people's participation in education and training beyond age 16 and raise their educational attainment. Central to the programme are new Diploma qualifications, being introduced between September 2008 and 2013, in 14 different occupational areas that offer a blend of academic and vocational learning. This report examines: giving all young people access to Diplomas; reducing complexity and communicating simply; and having the capability to deliver the reforms. The Department for Children, Schools and Families (the Department) has involved universities and employers in designing the Diplomas and developing their content. As new qualifications, there is still much work to be done to convince parents, employers and universities that Diplomas are a credible alternative to existing qualifications. To help make the qualifications more understandable, the Department and its partners need to demonstrate clearly how Diplomas will help young people progress into further learning and employment. By 2013, the Department is aiming for all young people in England to have access to all 14 Diplomas at three different skill levels. The Department has spent £590 million on the programme. It has not yet established cost estimates built up from the local level for delivering Diplomas, and has only just begun surveying local authorities to assess their capital requirements.

Electrical Power Distribution and Transmission

A core resource, covering all the Units of WJEC's Diploma in Food Science and Nutrition (Units 2, 3 and 4) // Written by Anita Tull, leading food writer and author of the popular WJEC Certificate in Food Science and Nutrition, published in 2019 // Presented in an appealing and highly visual way, this book will help students develop and apply their knowledge and understanding, and progress through the theoretical and practical aspects of the course // Learning Outcomes and Assessment Criteria are referenced throughout, clearly linking the book to the specification // Exam-style questions help prepare students for assessment // Dedicated assessment chapters for each Unit offer guidance on what to expect and how to prepare for assessment, including example answers and assessor/examiner commentaries.

Transactions and Journal

The City & Guilds Textbook: Painting and Decorating for Level 1 and Level 2

Preparing to Deliver the 14-19 Education Reforms in England

Kurser og personlig udvikling

Denne bog udkom første gang i 1995 og der er kun lavet mindre ændringer i herværende udgave. Bogen henvender sig til alle, som interesserer sig for kurser og personlig udvikling. Det handler om at udvikle menneskers livsfærdigheder og kommunikationsevne og at skabe større selvindsigt. Disse egenskaber er forudsætningen for at et menneske kan fungere godt på en arbejdsplads, uanset hvor i pyramiden han/hun er placeret. Der er brug for gode ledere, ikke kun i erhvervslivet, men også i organisationer, forvaltninger og i det politiske liv. Og gode ledere opstår ikke af sig selv. De skal uddannes og de skal trænes. Det er det, som denne bog handler om.

KURSER OG PERSONLIG UDVIKLING

Religion diskuteres som aldrig før i virksomheder, på arbejdspladser og i det offentlige såvel som i det private rum. Ledere, managementkonsulenter og organisationsudviklere taler mere og mere om emotionel kapital og vigtigheden af ikke-rationelle tilgange til ledelse, organisationsudvikling og personlig udvikling. Bogen forsøger at give et svar på, hvilket formål og hvilke konsekvenser denne sensibilisering og religiøsificering af lederes og medarbejderes indre emotionelle kapital har i forhold til organisationskultur, arbejdsliv, stress, arbejdsmiljø, udbrændthed, individet, frihed, fællesskab, medarbejdernes og ledernes hverdag samt dansk erhvervslivs image udadtil og indadtil?

Medarbejderudviklingssamtalen

Hvad gør en højskole til en højskole og ikke til en hvilken som helst skole eller til et hvilket som helst andet tilbud i oplevelsesøkonomien? Hvad er det i højskolernes praksis, der gør, at de ikke blot leverer oplevelser, men også livsoplysning, dannelse og faglighed på et niveau, som legitimerer skoleformens fortsatte eksistens? Kort sagt: Hvad er en højskole? Denne bog går til spørgsmålet om, hvad en højskole er, ved at tage fat i højskolens pædagogik. Samtidig er det forhåbningen at løfte samtalen ud af højskolens egen verden ved at reflektere det selvoptagede spørgsmål i en almen pædagogik – så det bliver vedkommende og får betydning for andre end højskolerne selv. Gennem fortællinger, diskussioner, fortolkninger og udfordringer inspirerer bogen til refleksion over højskolen, dens pædagogik og dens muligheder. Udgangspunktet er, at der i højskolen udfoldes en særlig pædagogisk praksis. Denne praksis er kendetegnet ved spændinger, paradokser og muligheder, der ikke gives færdige løsninger på, men som alle i højskolen vedvarende bør reflektere over og udfordres på, og som også har stor relevans uden for en snæver højskolepraksis. Bogen henvender sig til alle med interesse for såvel undervisning og pædagogik som for højskolens anliggende og praksis. Foruden Jonas Møller og Rasmus Kolby Rahbeks omfattende første del indeholder bogen følgende kapitler: 'Tillid til fællesskabet' af Lisbeth Trinskjær 'Betydning er verdens løn' af Simon Lægsgaard Madsen 'Traditioner og ritualer i højskolen' af Uffe Strandby 'I højskolen overvintre friheden' af Carsten Kristiansen 'Friheden som foræring' af Jacob Tybjerg 'Engagementets pædagogik' af Jakob Kjærsgaard 'At engagere de uengagerede' af Janne Kjærsgaard 'Når vandet bliver lunkent' af Jesper Trier Gissel 'Når hovedsigtet udledes i kroppen' af Søren Møller & Søren Sinnbech 'Fuck, du er en nar!' af Jens Horstmann 'Hjertets dannelse' af Charlotte Jensen & Kurt Finsten 'Saglige udvidelser' af Lene Tanggaard '"En gigantisk bøtte med kærlighed"' af Tom Tiller 'Højskolen er et andet sted' af Alexander von Oettingen 'Højskolepædagogik og det (u)bæredygtige samfund' af Jonas Andreasen Lysgaard 'Folkehøjskolen – midt i samfundet!' af Leo Komischke-Konnerup

Medarbejder eller modarbejder - religion i moderne arbejdsliv

Bogen giver et bud på, hvordan du ved simple øvelser, kan komme tættere på dig selv. Forfatteren giver også sit bud på, hvordan du kan kommunikere frygtløst med dine omgivelser, ved at være opmærksom på at blive på egen banehalvdel. Budskabet er, at hesten kan bibringe os meget mere end en ridetur. Hesten er vores spejl og den kan vi ikke lyve overfor. Hesten viser os, hvordan vores indvirkning er på de mennesker vi er sammen med til dagligt. Bogen henvender sig til dig, der gerne vil arbejde med din

hest på en anden måde og på den måde komme tættere på dig selv, samt til professionelle, der ønsker at benytte hesten, som en metode til at arbejde med mennesker, som har brug for at kigge nærmere på sig selv.

Medarbejder eller modarbejder - religion i moderne arbejdsliv

Bogen er en række kanaliserede samtaler mellem forfatteren og den indiske guru Swami Nisargatta, som er en spirituel person i ånde verdenen. Samtalerne handler om Jesus, frelse, universalisme, religion, dogmer og meget andet, som mennesker med spirituelle interesser interesserer sig for. Guruen har viden og meninger om alt. Nisargatta er hindu, kristen og universalist. Han dømmer ingen til helvede, men åbner op for det universelle lys, som fører til kærligheden og himmelen. Ikke kun i livet efter dette, men også her og nu.

Højskolepædagogik

Spejderlex er Det Danske Spejderkorps' gamle håndbog med klassiske spejderfærdigheder. Bogen er forældet på nogle punkter og den trykte udgave er udgået.

Følelser i ledelse

Hvilke kvalifikationer skal man lede efter i CV'et, hvordan skal topledere aflønnes, og hvad gør man for at holde på en god leder? Disse er blot nogle af de spørgsmål, John Lohff har sat sig til at svare i bogen Håndplukket, der er baseret på hans egne erfaringer fra 30 år i rekrutteringsbranchen, statistisk materiale og andre undersøgelser. I Håndplukket rådgiver rekrutteringseksperter John Lohff direktører, funktionschefer og bestyrelsesmedlemmer i udfordringer vedrørende rekrutteringsprocessen og andre emner såsom executive coaching og outplacement.

Min hyldest til hesten

I denne rapporten beskriver en nordisk forskergruppe skoleledernes formelle ansvarsområder, regler og retningslinjer de styres af, samt dilemmaer de kan komme ud for. Her er rapporter fra de enkelte lande, det gis et overblik over tendenser og temaer i landene og redaktørerne legger også fram en visjon om demokratisk relfekerende ledelse av skolene i Norden. Dansk tekst.

Samtaler med en Guru

En stjerne på himlen, er en autentisk beretning om et menneske, som beskriver sit liv med hudløs ærlighed. Den fortæller og viser hvordan vores opvækst påvirker os, i den tro vi har om os selv. Og at den tro bliver til en slags selvopfyldende profeti. Det er en spændende bog, hvor forfatteren siden hun var barn, havde en kontakt til den anden verden. Hun fik vist hvem vi er bag vores egos selvskabte historie. En sjæl af kærlighed. Den beskriver også med hudløs ærlighed hendes længsel efter kærlighed og accept, som hun kommer til at søge uden for sig selv, i stedet for at heale sine egne sår, og finde den i sig selv. Forskellige forhold til mænd, som viser hende sine ubearbejdede sår. Bogen giver en forståelse af vores historier som vi danner om os selv, og som vi ofte, kommer til at udleve i verden ... Den giver også løsninger på hvordan vi kommer gennem de forskellige historier og får dem transformeret til at leve det liv som vi ønsker: i selvkærlighed og omsorg til os selv, så vi kan leve i kærlighed og glæde med og selv og andre.

Spejderlex

Er det muligt at blive helbredt alene ved tankens kraft – uden medicin eller operation? Sandheden er, at det sker hyppigere, end mange regner med. I forfatteren Joe Dispenzas fængende bog Placeboeffekten beskriver han adskillige dokumenterede tilfælde med mennesker, der spontant har helbredt sig selv for f.eks. hjertesygdomme, depression, invaliderende leddegigt og symptomer forårsaget af Parkinsons sygdom gennem deres tro på placebo. Og tilsvarende fortæller han om andre, der er blevet syge og endda er døde som ofre for en forhekselse eller voodoo-forbandelse, eller efter at de fejlagtigt er blevet diagnosticeret med en dødelig sygdom, selv om de intet fejlede. Men vigtigst af alt – og til forskel fra andre bøger om placebo – instruerer Joe Dispenza i, hvordan man selv kan drage nytte af placeboeffekten, hvis man er syg eller lider af diverse symptomer. Placeboeffekten er fuld af brugbare redskaber og ny viden om placeboens mysterium. Bogen kombinerer den seneste forskning i neurovidenskab, biologi, psykologi, og hypnose og viser, hvordan det tilsyneladende umulige kan blive muligt.

Arbejdsmarkedspolitisk agenda

Dette er min selvbiografi. Jeg lever stadig og har det godt, men jeg føler at det er nu den skal udgives. Medens jeg lever. Den dækker perioden fra 1948 - 2014 og jeg har forsøgt at beskrive alle de ting, som jeg selv mener har haft betydning for mit liv. Det handler om godt og dårligt, komedie og tragedie, frihed og undertrykkelse, dumhed og genialitet. Selv rummer jeg alle disse egenskaber og mange af de mennesker, som livet har ladet mig møde, har også været til inspiration. Hvis jeg skal give karakter for mit eget liv, så vil jeg sige "nogenlunde". Mange ting kunne være gået bedre, men der er også mange ting, som kunne være gået en hel del værre. Det at jeg overhovedet har nået den alder som jeg har er vel en succes i sig selv. Og jeg håber at kunne fortsætte i lang tid frem. Men for en sikkerheds skyld vælger jeg at publicere denne selvbiografi nu, hvor jeg stadig har kræfterne til at skabe. Jeg håber, at læserne vil finde den værd at læse.

Håndplukket - At headhunte og fastholde de bedste topledere

En kølig decemberaften i Colombias bjerge kidnapper oprørsbevægelsen FARC en ung dansker. Snart efter stilles hans arbejdsgiver, en stor dansk entreprenørvirksomhed, over for et krav om en løsesum i millionklassen. Kidnapningen sætter en kædereaktion i gang, og virksomhedens direktør må ud i tvivlsomme manøvrer for at redde sit livsværk. Samtidig blander en bodybuildet storinvestor med tætte forbindelser til de colombianske narkokarteller sig i sagen, og situationen udvikler sig fare-truende. Det gælder også for en lille gruppe aktivister, der erfarer, at overgangen fra teori til praksis kan være skæbnesvanger. Og at overlevelse i et snedækket København ikke bare er et spørgsmål om at have de rigtige meninger, men om basale instinkter. NATTEN ER LIGE BEGYNDT er en spændingsroman om konfrontationen mellem kynisme og idealisme, og om alt det, der kommer i klemme, når normale hensyn tilsidesættes, og alle går efter den store gevinst

Skoleledelse i Norden

Bogen er tænkt til undervisningsbrug for voksne, men egner sig også til selvstudium. Giv dit liv en ny chance og oplev den forskel, det kan gøre for dig. Opgaverne er nemme at gå til og alle kan være med.

En stjerne på himlen

Bogen er tænkt som en hjælp til selvhjælp. De forskellige kapitler indeholder forskellige livssituationer med cases, øvelser og meditationer, som kan bruges til refleksion og mental ændring af situationen. Bogen er opdelt i fem områder: •Afhængighed •Meditation •Hvad bringer os i ubalance? •Hvordan finder vi balancen igen? •Hvordan vedligeholder vi "balancen"? Hjemmesiden www.lissandberg.dk henviser til meditationer, som du kan downloade til din iPod, smartphone eller iPad. Uddrag af anmeldelse af Svend Trier, meditationslærer, forfatter og leder af Quantum Seminars: "... Gennem meditationspraksis øver vi os i at holde op med at flygte fra os selv. Vi lærer at relatere til vores følelser og umiddelbare sindstilstand med større rummelighed, nærvær og accept. Herigennem kan der ske en dyb forvandling og afslapning. I denne værdifulde og læseværdige bog introducerer Lis Sandberg forskellige meditationer, som kan hjælpe dig til at udvikle din evne til at være nærværende og mere venlig/kærlig overfor dig selv. Det er det første og afgørende skridt på din vej mod indre frigørelse og basal velvære – en velvære, som er uafhængig af ydre hjælpemidler og stimulanser."

Ledelse ifølge Hildebrandt

At styre tiden så du bliver mest mulig effektiv, er en hård nød at knække for mange. Når det lykkes, kan du opleve en tilstand af flow, mens det til andre tider snarere føles, som om tiden styrer dig. Hvordan du bruger din tid mere tilfredsstillende, kommer cand. psych. Torben Hanson her med sit bud på – og klæder dig på til fx at undgå, at dit arbejde hober sig op og resulterer i stress. Dermed kan du gå fra at opleve tiden som en mangelvare til at se på den som den ressource, den er. Torben Hanson, dansk forfatter og cand.psych. Har skrevet en række bøger om psykologisk udvikling. Medindehaver af konsulentfirmaet Hanson & Westenholtz, Rådgivende Psykologer - der arbejder med lederudvælgelse, lederudvikling og samarbejds træning.

Placeboeffekten

Ingen hokus-pokus og løftede pegefingre her ... 27 Gode Råd med konkrete værktøjer - lige til at gå til ... Blandt forfatterne finder du adskillige dygtige coaches, en mentaltræner, en hypnose-terapeut, en erhvervsrådgiver, en mentor, en sexolog, en tankefeltterapeut og en kropsterapeut ! Bogen indeholder ialt 27 forskellige råd og 27 brugbare, let tilgængelige, øvelser. Så der er nok at vælge imellem - uanset hvilken situation du befinder dig i. Med forord af Carsten Vagn-Hansen, Radio-Doktoren Bogen er blevet til i et tæt samarbejde i et non-profit netværk af professionelle coaches, rådgivere, behandlere og konsulenter. Ti kr. fra hver solgt bog går til velgørende formål. Læs mere herom på www.et-udbytterigt-liv.dk Vores opfordring til dig er: ... prøv det, gør det ! Fordi, samtlige af rådene i denne bog er gennemprøvede - og virker ... !

Sådan gik min tid

Hanen galer, vAækkeuret kimer, maske bipper mobilen. Det er tid til at sta op og ga pa arbejde. Men hvorfor gor vi det? Er det for at fa mad pa bordet, status i samfundet eller noget helt tredje?Hvorfor vi arbejder, og dermed hvad arbejdslivets mening er, har Aendret sig op gennem historien. Arbejdet adler, det skal udfores i ansigtets sved eller bAerer lonnen i sig selv. I Danmark i dag er meningsfuldt arbejde eftertragtet af bade medarbejdere og arbejdsgivere. Medarbejdere soger det, fordi arbejdet er en stor del af livet, og fordi de onsker at gore en positiv forskel i samfundet. Arbejdsgivere soger det, fordi god ledelse, der giver mening, ogsa tiltrAekker arbejdskraft, motiverer de ansatte og fremmer innovation til gavn for bade bundlinjer og bAeredygtighed.Men hvad er et meningsfuldt arbejde egentlig? Hvad kan den enkelte gore for at fa et meningsfuldt arbejdsliv uden stress, og hvad kan ledere gore for at fremme meningen med at arbejde? Antologien Det meningsfulde arbejdsliv sAetter disse sporgsmaal under debat med ledelsesteoretisk, psykologisk, medicinsk, filosofisk og antropologisk tAenkning.

Direct leadership

Om aktivt ligestillingsarbejde i læreruddannelsen og folkeskolen.

Natten er lige begyndt

Har du tænkt på, hvad du i virkeligheden vil med dit liv, eller er du kørt så fast, at du ikke længere husker det? Lis Andersen guider læseren kærligt i den rigtige retning, når det gælder om at finde ind til sig selv – og til hinanden. Lis Andersen (1918-2001) var forfatter, globetrotter, fysioterapeut og naturterapeut. Som barn rejste hun med sin familie rundt i verden på sejlskibet Monsunen, hvilket lagde grunden for et langt livs rejselyst. I 1940 blev hun uddannet fysioterapeut, men efter en voldsom ulykke i 1953 med flere alvorlige knoglebrud til følge, fik hun øjnene op for den alternative behandling. Det førte til et brud med det offentlige sundhedssystem, hvorefter hun etablerede sig som selvstændig. Også hendes nysgerrige søgen efter et religiøst ståsted fyldte meget i hendes liv og i hendes forfatterskab.

Tænk dig til et bedre liv

Mænd og singleliv Om hvordan du kommer i balance, så du tiltrækker din ideelle kvinde, og parforholdet varer ved. - Ét er at finde og få fat i en kæreste/partner. - Noget andet er at få parforholdet til at fungere og vare ved. Der er skrevet mange bøger om mænd og dating, men ingen er gået i dybden med, hvordan manden kan finde lykken og kærligheden ved at være ægte og autentisk. Dette inkluderer både færdigheder, adfærd og holdninger. Der skal være naturligt flow i livet. Det kan sammenlignes lidt med, når man kører bil, og næsten automatisk skifter gear på det tidspunkt, det er nødvendigt. På samme måde er det ikke kun et spørgsmål om at lære nogle færdigheder i at score en sød kæreste. Hvad så senere, når hverdagen dukker op, "maskerne falder"!

Forbedring af læse-, skrive- og IT-færdigheder for kortuddannede voksne

"Konceptet bag brugen af bibelske fortællinger inden for virksomhedsledelse indskrives sig i traditionen omkring storytelling. Når det også adskiller sig herfra, er det fordi det særlige ved de bibelske fortællinger er, at de repræsenterer et universelt perspektiv og nogle generelle indsigter, som kan kaste nyt lys over aktuelle problemstillinger i en virksomhed. At det lader sig gøre at bruge Bibelen i relation til moderne virksomhedsledelse, hænger tillige sammen med, at Bibelen, til forskel fra de fleste andre religiøse skrifter, er bygget op omkring en række narrative forløb med en begyndelse, en midte og en slutning." "Management by Bible" giver en række konkrete perspektiver og forslag til, hvordan Bibelen og dens mange lignelser kan overføres til moderne ledelse, teambuilding og organisationsudvikling. Bogen fortæller endvidere, hvordan Bibelen kan bruges til at fastslå virksomhedens værdigrundlag i den moderne virkelighed. Dorte Futtrup (f. 1948) er en dansk forfatter, foredragsholder, underviser og fortæller. Hun er uddannet bibliotekar og voksenpædagog og har arbejdet i både Danmark, Grønland og på Færøerne. John Rydahl (f. 1959) er en dansk forfatter og religionspædagog. Han har i en årrække været formand for Religionslærerforeningen og været pædagogisk konsulent i Folkekirkens Skoletjeneste i København, på Frederiksberg og i Helsingør. Sammen har de skrevet bogen "Management på Bible".

Motivér til succes

"Det er mit postulat, at dine tanker alene er den største medvirkende årsag til, at noget er svært og noget let – og dermed i sidste ende afgørende for, om du har succeser eller fiaskoer i dit liv." Ordene er Jørgen Svenstrups, forfatter til Du bliver, hvad du tænker – Mentaltræning. Fjern hjernens spændetrøje. Den handler om, hvad man skal vide, før man kan begynde at udvikle sig. Og før man kan begynde at forbedre og forandre sin tilværelse. Hvis vi antager, at vi kan styre vores hjerne, i stedet for at den styrer os, bliver præmissen for det, vi gør, en helt anden. "Du bliver, hvad du tænker" er Jørgen Svenstrups udgangspunkt. Han har hørt mange protester gennem sin tid som coach, leder og foredragsholder: "Det kan man da ikke. Det er jo ikke noget, jeg er herre over." Men hans modspørgsmål lyder: "Hvem i alverden er så herre over det? Hvem andre end en selv skal afgøre, hvordan man skal gå rundt og have det?" Hvis man selv skal bestemme, hvordan man har det, er der brug for at vide noget mere om, hvordan man kan arbejde med sig selv og sin tankegang. Derfor gennemgår Svenstrup blandt meget andet fokusloven i bogen. Den lyder i sin enkelthed: Det, du fokuserer på, får du mere af. Og så er det jo om at lære at fokusere på det gode. Men det gør man jo ikke bare uden videre; det er en proces. I Du bliver hvad du tænker fører Jørgen Svenstrup læseren gennem den proces, der skal til for overhovedet at begynde at mentaltræne. Først skal man vide, hvordan man dropper de dårlige tanker, så hvordan man tilvælger de gode. Dernæst skal man lære at slukke sin autopilot og selv tage styringen, hvorefter man skal vide noget om, hvordan man kan få hjælp af sin underbevidsthed. Det er udgangspunktet for overhovedet at designe sit eget mentaltræningsprogram – der både indbefatter fysisk afspænding og mental ditto. Undervejs kan man i bogen tage en arbejdstilfredshedstest og en test på ens stressindikatorer. Der ligger en starttest og en sluttest på hver, så kan man se, hvordan man udvikler sig efter at have arbejdet med sig selv. Læs mere om forfatteren, Jørgen Svenstrup.

Medarbejder eller modarbejder - religion i moderne arbejdsliv

Religionsdidaktik
