Chilton General Motors Service Manual

This manual offers do-it-yourselfers at all levels total maintenance service and repair information including photos and exploded-view illustrations.

General Motors Full-Size Trucks (99-01) Repair Manual

Chilton 2008 General Motors Service Manuals expertly provide the most currently available information to assist you in your daily activities. These new, reliable and comprehensive manuals provide essential information, allowing you to accurately and efficiently diagnose and repair. Step-by-step procedures and helpful illustrations provide easy references for your jobs. These new service manuals cover 2006 and 2007 domestic models, plus any available 2008 domestic models.

Chilton General Motors Service Manual, 2008 Edition Volume 1 and 2 Set

The Chilton 2010 Service Manuals now include even better graphics and expanded procedures! Chilton's editors have put together the most current automotive repair information available to assist users. These new manuals allow users to accurately and efficiently diagnose and repair late-model cars and trucks. Trust the step-by-step procedures and helpful illustrations that only Chilton can provide. The 2010 Service Manuals cover 2008 and 2009 models plus available 2010 models.

General Motors J-Cars Automotive Repair Manual

Haynes Manuals have a new look! To ensure the continued success of one of the industry's most dynamic manual series, Haynes has color coded their covers by manufacturer and replaced the familiar cover artwork with computer-generated cutaway photography. By Summer 2000, 80 percent of Haynes manuals will have the colorful new design. Inside, enthusiasts will find the same reliable information -- whether the reader has simple maintenance or a complete engine rebuild in mind, he or she can rest assured that there's a Haynes Manual for just about every popular domestic and import car, truck, and motorcycle. Hundreds of illustrations and step-by-step instructions make each repair easy to follow.
