50 Actividades Cristianas: para niños de 7 a 11 Años

Este Estudio Bíblico sobre Éxodo está diseñado para inspirar a los niños de 6 a 11 años de edad a entender la Biblia como la historia del amor redentor de Dios. Los niños celebran lo que aprenden

mediante actividades divertidas y juegos interactivos. Hay 20 lecciones, y cada lección contiene un versículo de memoria de las Escrituras, verdades acerca de Dios, trasfondo bíblico, palabras de fe, consejos para la enseñanza y actividades. Estas actividades guían a los niños a descubrir y aplicar las verdades de Dios a situaciones de la vida real. Éxodo explica cómo Dios continuó cumpliendo su promesa a Abraham. Describe cómo Pharaoh esclavizó a los israelitas. Revela cómo Dios usó a Moisés para rescatar a los israelitas de la esclavitud. En Éxodo, Dios establece su autoridad sobre los israelitas. Los guía a través del sacerdocio, el Tabernáculo, los Diez Mandamientos y otras leyes. Dios prepara a los israelitas para ser su pueblo y entrar en la Tierra Prometida. Cuando el Éxodo termina, solo una parte del pacto de Dios con Abraham está completa. Partiendo del principio lúdico (aprender jugando) el MEBI-Actividades consiste en una serie de juegos divididos en las categorías de memorización, reflexión, arte manual, actuación y música. Cada uno de los juegos está relacionado o ha sido adaptado al tema de estudio. Las iglesias locales forman un equipo con 10 integrantes de entre 7 y 11 años. Este equipo será preparado por un coach a lo largo del año para participar en encuentros con otras iglesias en los que cada equipo demuestre lo que ha aprendido de la Biblia a través de los juegos que se plantean. Sin embargo, debe tenerse en claro que el objetivo es aprender la Palabra de Dios, no competir. Confiamos que esta enseñanza atractiva y vivencial permitirá a los niños/as atesorar la Palabra de Dios en sus corazones y que "no se apartarán del camino correcto" aun cuando dejen la infancia atrás. El Esgrima Bíblico Infantil Tradicional es una parte opcional de los Estudios Bíblicos para Niños. Cada iglesia, y cada niño o niña, decide si participará en una serie de eventos competitivos. Las competencias de Esgrima siguen las reglas que se describen en este libro. La meta no es que los niños compiten entre sí para determinar a un ganador, y no es que las iglesias compiten entre sí para determinar a una ganadora. El propósito del Esgrima es que ayude a los niños a determinar lo que aprendieron acerca de la Biblia, disfrutar de los eventos de competencia, y crecer en su capacidad para mostrar actitudes y conductas cristianas durante los eventos competitivos.

On her first day at her new school, Penelope--Peppi--Torres reminds herself of these basics. But when she trips into a quiet boy in the hall, Jaime Thompson, she's already broken the first rule, and the mean kids start calling her the "nerder girlfriend." How does she handle this crisis? By shoving poor Jaime and running away! Falling back on rule two and surrounding herself with new friends in the art club, Peppi still can't help feeling ashamed about the way she treated Jaime. Things are already awkward enough between the two, but to make matters worse, he's a member of her own club's archrivals--the science club! And when the two clubs go to war, Peppi realizes that sometimes you have to break the rules to survive middle school!

Award-winning duo Metaphrog transform the classic folktale into a feminist fairy tale, about the blossoming of a young child to womanhood striving for independence. Eve spends an idyllic childhood of long summer days with her sweetheart Tom, and together they dream of exploring the world. But that dream is soon shattered as she comes of age. The mysterious Bluebeard is looking for a new bride and has his sights set on Eve, and rumor has it that his former wives have all disappeared. "The story of an obsessive-compulsive housebreaker whose every waking moment is jam-packed with finicky clockwork ritual--the kind of intense micro-planning that might have made even Napoleon back off...Matthew Dicks has created an unforgettable character that will have you torn between wanting to throttle him--or adopt him." --Alan Bradley, author of the New York Times bestselling Flavia de Luce novels A career criminal with OCD tendencies and a savant-like genius for bringing order to his crime scenes, Martin considers himself one of the best. After all, he's been able to steal from the same people for years on end—virtually undetected. Of course, this could also be because of his unique business model—taking only items that will go unnoticed by the homeowner. After all, who would notice a missing roll of toilet paper here, a half-used bottle of maple syrup there, or even a rarely used piece of china buried deep within a dusty cabinet? Even though he's never met these homeowners, spending hours in their houses, looking through their photo albums and reading their journals, he feels like he knows them. So Martin decides to meddle more in their lives—playing the part of a rather odd guardian angel—even though it means breaking many of his neurotic rules. In this hilarious, suspenseful and often profound novel about a man used to planning every second of his life, Martin comes to realize that life is much better lived on the edge (at least some of the time).
